

27th Annual General Meeting

Chua Sock Koong, Group CEO

23 July 2019

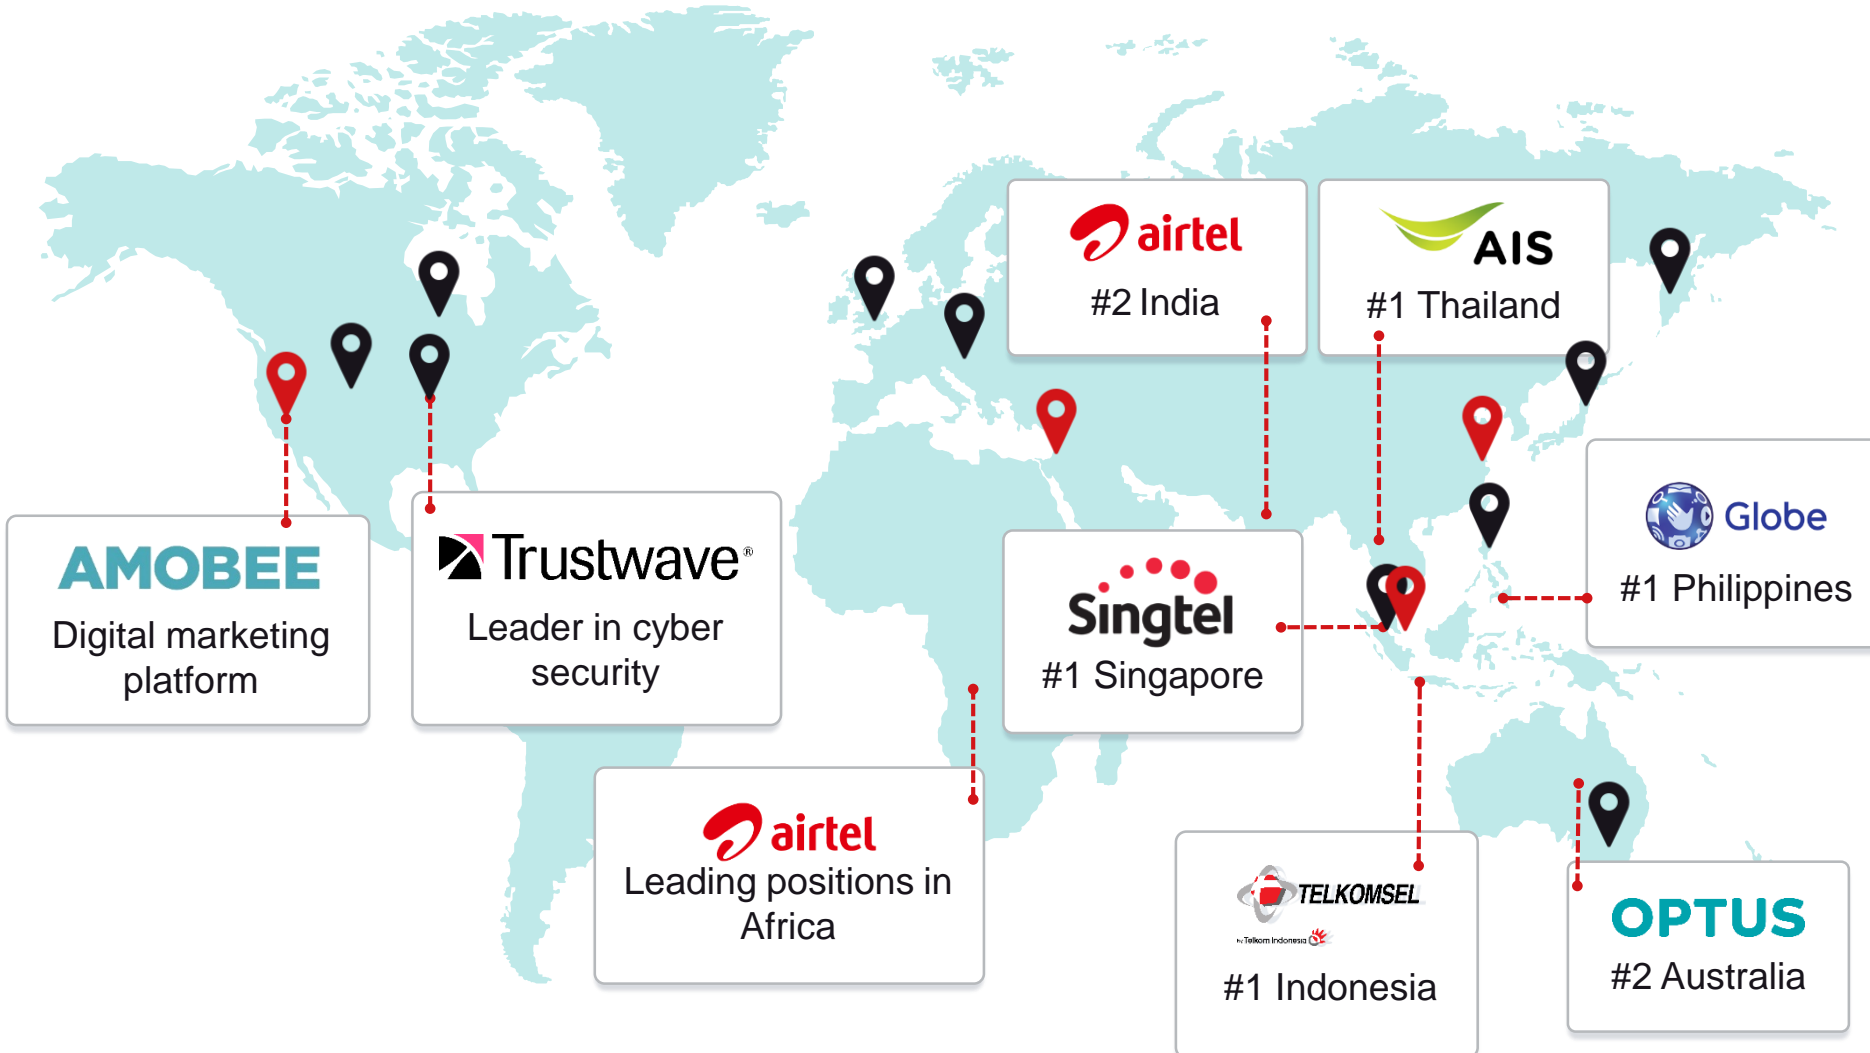

FORWARD LOOKING STATEMENT – IMPORTANT NOTE

The following presentation contains forward looking statements by the management of Singapore Telecommunications Limited ("Singtel"), relating to financial trends for future periods, compared to the results for previous periods.

Some of the statements contained in this presentation that are not historical facts are statements of future expectations with respect to the financial conditions, results of operations and businesses, and related plans and objectives. Forward looking information is based on management's current views and assumptions including, but not limited to, prevailing economic and market conditions. These statements involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those in the statements as originally made. Such statements are not, and should not be construed as a representation as to future performance of Singtel. In particular, such targets should not be regarded as a forecast or projection of future performance of Singtel. It should be noted that the actual performance of Singtel may vary significantly from such targets.

All financial figures relate to the financial year ended 31 March 2019 or as at 31 March 2019, unless otherwise stated. "S\$" means Singapore dollars, "A\$" means Australian dollars and "US\$" means United States dollars. Any discrepancies between individual amounts and totals are due to rounding.
