
GRANT OF APPROVAL FOR MANUFACTURING LICENCE TO PASTEL GLOVES SDN. BHD. BY THE MINISTRY OF INTERNATIONAL TRADE AND INDUSTRY MALAYSIA (MITI) FOR THE PRODUCTION OF NITRILE MEDICAL GRADE EXAMINATION GLOVES AND NATURAL RUBBER MEDICAL GRADE EXAMINATION GLOVES

The board of directors (“**Board**”) of Enviro-Hub Holdings Ltd. (“**Company**”) refers to its announcements dated 12 January 2021 and 31 January 2021 in relation to its proposed investment in Pastel Gloves Sdn. Bhd. (“**PSGB**”) and the completion of the said investment.

The Board is pleased to announce that PGSB has on 17 February 2021 obtained the approval for a manufacturing license from the Ministry of International Trade and Industry Malaysia (MITI) for the production of nitrile medical grade examination gloves and natural rubber medical grade examination gloves.

The Board wishes to announce that on 28 February 2021, PGSB had installed and commissioned its first automated glove-dipping lines, i.e. single former glove-dipping line. The expected production capacity and output for the single former dipping production line is 132 million pieces of gloves per annum. Thereafter, 1 additional production line (all double former glove-dipping lines) is expected to be commissioned every month from March 2021 with all 6 production lines expected to be operational by September 2021. The total expected production capacity and output for all 6 units of the glove-dipping production lines is 1.42 billion pieces of gloves per annum.

BY ORDER OF THE BOARD
