
PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 30 JUNE 2026

The Board of Directors (the “**Board**”) of Lum Chang Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to update shareholders that, based on a preliminary assessment of the Group’s unaudited consolidated financial results for the six months and full financial year ended 30 June 2026 (“**FY2026**”), the Group expects to report a significant improvement in revenue and net profit after tax (“**NPAT**”) for FY2026, as compared to the corresponding six months and full financial year ended 30 June 2025 (“**FY2025**”).

The expected improvement in revenue was mainly attributable to the recognition of revenue from a significant construction project undertaken by a joint venture operation. The improvement in NPAT was attributable to better margins from the Group’s construction business, as well as its restoration and interior fit-out business.

The Group is still in the process of finalising its unaudited consolidated financial results for FY2026. Further details on the Group’s financial performance will be disclosed when the Company announces its financial results for FY2026, which is scheduled to be released on or about 25 August 2026.

Meanwhile, shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Shareholders and potential investors should consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the course of action that they should take.
