

BAKER TECHNOLOGY LIMITED
(Unique Entity No. 198100637D)
(Incorporated in the Republic of Singapore)

**PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FINANCIAL RESULTS FOR
THE 6 MONTHS ENDED 30 JUNE 2026**

The Board of Directors (the "Board") of Baker Technology Limited (the "Company" and together with its subsidiaries, the "Group") wishes to announce that based on a preliminary review of the unaudited management accounts and information of the Group currently available to the Board, the Group is expected to report a net loss after tax for the six months ended 30 June 2026 ("1H2026") that is lower than the net loss after tax recorded for the corresponding period ended 30 June 2025 ("1H2025").

The anticipated net loss after tax for 1H2026 is mainly attributable to lower contribution from the Group's marine offshore segment, arising principally from the off-hire of the liftboat Blue Titanium and lower vessel utilisation from the CH Offshore Ltd. fleet during the period.

Details of the Group's financial performance will be disclosed when the Company announces its financial results for 1H2026, which is scheduled to be released on or before 14 August 2026.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. In the event of any doubt, they should consult their stockbrokers, bankers, solicitors, accountants or other professional advisors.
