1. INTRODUCTION

The Board of Directors (the “**Directors**” or the “**Board**”) of the Company and together with its subsidiaries (the “**Group**”), refers to the Previous Announcements. Save for the matters already announced, the Board would like to provide the following updates on the matters below as of the date of this announcement:

- (a) The Company had on 9 December 2024, through its continuing sponsor, received a letter from Singapore Exchange Regulation (the “**SGX RegCo**”) (the “**Letter**”) confirming that it has no objection to the Company’s updated Resumption Proposal submitted in the Update Application, subject to several conditions listed in the Letter. The decision of the SGX RegCo will not be effective if any of the conditions has not been fulfilled. Please refer to the Company’s announcement dated 10 December 2024 for further details.
- (b) The Company had entered into a convertible loan agreement with the Subscriber and its wholly-owned subsidiaries, Cosmic Marvel International Limited (“**CMIL**”) on 20 December 2024 (the “**Convertible Loan Agreement**”). Please refer to the Company’s announcement dated 20 December 2024 for further details.
- (c) On 23 December 2024, the Company had submitted an application letter to the Securities Industry Council of Singapore seeking a waiver of the obligation of the Subscriber to make a mandatory general offer under Rule 14 of the Singapore Code on Take-overs and Mergers for the Shares not held by the Subscriber following the allotment and issue of the Subscription Shares under the New CSA, the Option Shares pursuant to the exercise of the options under the terms and conditions of the Options under the New CSA and the Conversion Shares pursuant to any conversion under the Convertible Loan Agreement, subject to certain conditions. The Company will keep Shareholders informed of any developments in relation thereto.

- (d) In relation to the Sri Lanka mini hydro power plants operations, the plants continue to operate smoothly and generate positive operating cashflows. The Group's outstanding receivables from its customer is approximately US\$0.7 million as of the date of this announcement.
- (e) In relation to the sale of the Company's 80.0% equity interest in Yichang, the proceeds from the disposal of Yichang are to be distributed in accordance with the terms of (i) the Supplementary Scheme of Arrangement entered into with the Category A Participating Creditors under the April 2023 Scheme; and (ii) the Amended and Restated Deed of Settlement entered with the REPS Holders, upon meeting the conditions precedent set out therein. The Company is actively engaging with the Purchaser on the payment of the Second Transfer Price which was due on 5 November 2024.
- (f) The Company is seeking approval from CMIL under the Original Loan Agreements for operational expenses of the Group on a monthly basis as these need to be funded from the cashflows generated from the operations of the Sri Lanka Hydro-Power Plants. As the restructuring of the Group is still in progress, there have been some payment delays to service providers. The Company is working closely with CMIL and the Subscriber to settle the payment arrears.

2. GOING CONCERN

As previously announced by the Company, failing to complete the New CSA with the Subscriber by the long stop date, coupled with the depletion of the unencumbered cash to sustain the Group's operations, may result in the Company having no means to continue as a going concern.

3. FURTHER ANNOUNCEMENTS

In accordance with Catalist Rule 704(22), the Company will continue to update its shareholders via SGXNet regarding, *inter alia*, the financial situation of the Group. The Company will make further announcements as and when there are material developments.
