PROFIT WARNING FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2026

The Board of Directors (the "**Board**" or "**Directors**") of Southern Archipelago Ltd. (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that, following a preliminary review of the Group's draft unaudited financial results for the nine months ended 30 September 2026 ("**9M2026**"), the Group is expected to report a net loss for 9M2026.

The anticipated loss is mainly attributable to lower sales volume resulting from increased competition, challenging macroeconomic and political conditions in Indonesia, alongside operational challenges and a market-driven shift in export demand during the period.

The Group will provide further details of its financial performance when it announces its unaudited consolidated financial results for 9M2026 on or before 14 November 2026.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
