Re: Notification of the establishment of a new joint venture company with the objective to stabilize rubber prices

To: President  
The Stock Exchange of Thailand / Singapore Exchange

In accordance with the Thai government's policy to stabilize rubber prices, the Rubber Authority of Thailand (RAOT) and the 5 major rubber producers and exporters, namely, Sri Trang Agro-Industry PLC. ("STA"), Thai Rubber Latex Corporation (Thailand) PCL., Thai Hua Rubber PCL., Von Bundit Co, Ltd., and Southland Rubber Co, Ltd., have agreed to jointly establish Thai Rubber Joint Venture Limited (the "Company") with a registered capital of Baht 1,200 million to implement measures aimed at stabilizing rubber prices by engaging in the domestic and international trade of rubber. STA has approved the investment in the Company in the amount of Baht 200 million, which represents 16.67% of its registered capital, and has transferred Baht 50 million, representing 25% of the investment, to the account of the RAOT to facilitate the process of establishing the Company. The remaining amount of the investment will be transferred later.

Please be informed accordingly.

Yours sincerely,

(Mr. Kitichai Sincharoenkul)  
Director
