Distributions made out of income that has been taxed on the Trustee will not be subject to further tax when distributed to the Unitholders.

#### **Distributions made out of non-taxable income/receipts**

Non-taxable income/receipts of the Fund could be:

- capital gains: or
- tax exempt income.

The above non-taxable income/receipts do not form part of the statutory income of the Trustee of the Fund. Thus, by virtue of Section 35(15) of the ITA, distributions by the Trustee out of the above non-taxable income/receipts are not taxable in the hands of the Unitholders.

For the avoidance of doubt, we have not applied to the IRAS for tax transparency treatment to apply to the Fund as at the date of this Prospectus.
