Diversified loan portfolio

Note: Financial statistics as at 31 December 2020

1. Loans by geography are classified according to where credit risks reside, largely represented by the borrower's country of incorporation / operation (for non-individuals) and residence (for individuals)

Portfolio remained sound as relief programmes unwound across the region

Book under relief measures

(SGD b)

Total

- Enterprise Singapore loan schemes
- UOB relief programmes
- Government relief programmes

- Residual loan relief programmes on a targeted basis, as broad-based government relief programmes have largely ended in 2020
- Gradual reopening of economies will help to cushion new NPLs ahead
- Bottom-up analysis of our books to proactively engage customers for support through the pandemic
- Asset quality impact is manageable, with around SGD2 billion in NPLs (which are well-collateralised) and 30-40bp in credit costs for loans expected
