PROFIT GUIDANCE FOR FULL YEAR ENDED 31 DECEMBER 2025

The Board of Directors (the "**Board**") of Advanced Systems Automation Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to inform shareholders that the Group is expected to report a significantly higher net loss for the financial year ended 31 December 2025 ("**FY2025**"), as compared to the net loss recorded for the previous corresponding financial year ended 31 December 2024 ("**FY2024**").

Based on a preliminary review of the unaudited and consolidated financial results for FY2025, the significantly higher net loss is mainly attributable to the following factors:

(i) Impairment and Fair Value Adjustments

The Group recognised impairment losses on goodwill following a review of fair value amounts from a major acquisition made in FY2024

(ii) Decline in Revenue and Margin Compression

.

Revenue decreased due to, *inter-alia*, lower sales volume, weaker demand and intensified competition, etc. Gross profit margin declined mainly due to higher raw material and operating costs which could not be fully passed on to customers.

The Company is in the process of finalising its unaudited and consolidated FY2025 financial results. Further details of the Group's financial performance will be disclosed when the Company announces its unaudited financial results for FY2025 on or before 6 March 2026.

Shareholders and investors are advised to exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
