VICPLAS INTERNATIONAL LTD

Incorporated in the Republic of Singapore
(Company Registration No. 199805362R)
(The "**Company**")

FOREFRONT MEDICAL INVESTMENT PTE. LTD., A WHOLLY-OWNED SUBSIDIARY OF VICPLAS INTERNATIONAL LTD, ENTERS INTO A COLLABORATION AGREEMENT WITH VALTRONIC TECHNOLOGIES (HOLDING) SA.

The Board of Vicplas International Ltd. (the "Company") is pleased to announced that its wholly-owned subsidiary, Forefront Medical Investment Pte. Ltd. ("Forefront") has entered into a Collaboration Agreement (the "Agreement") with Valtronic Technologies (Holding) SA ("Valtronic") of Switzerland.

The Valtronic Technologies (Holding) SA is an investment and holding company, focusing on medical device development and manufacturing in Switzerland. Based on Valtronic's more than 25 years expertise in medical device contract development and manufacturing, Valtronic is building a long-term proprietary portfolio of medical device technologies which will not compete with Valtronic's existing customers through a unique business model for long-term value creation; invention or in-licensing; adding value through innovation development strategies and implementations, and partnering to maximize the commercialization potential.

Valtronic Technologies (Holding) SA is a majority owner of Valtronic Technologies (Suisse) SA, Valtronic Technologies (USA) Inc., and Valtronic Technologies Morocco SARL.

Under the terms of the Agreement, both Forefront and Valtronic have mutually agreed on a framework for collaboration on a project-by-project basis in order to: (a) advance their respective strategic goals; (b) generate additional revenue; and/or (c) enhance productivity.

This Agreement is not expected to have material impact to the earnings of Vicplas International Ltd in the latest financial year ended 31 July 2015.

None of the directors or controlling shareholders of the Company has any interest, direct or indirect, in the Agreement.
