The requirements, amongst others, under Listing Rule 705(3), which provides, inter alia, that an issuer that is not required to comply with Listing Rule 705(2) may either (i) announce the financial statements for each of the first three quarters of its financial year (as set out in Appendix 7.2), or (ii) announce its first half financial statements (as set out in Appendix 7.2) in each case immediately after the figures are available, but in any event not later than 45 days after the relevant financial period, shall apply to the Company. The Board has, after due deliberations, decided not to announce the unaudited financial statements on quarterly basis, and instead, the Company will continue with the half-yearly reporting of unaudited financial statements of the Group as required under the Listing Rules.
