*All capitalized terms used in this announcement, unless otherwise defined herein, shall have the same meanings as ascribed thereto in the announcement dated 15 August 2013, 19 September 2013, 9 October 2013, 31 October 2013, 19 November 2013, 26 November 2013, 14 January 2014, 21 January 2014, 28 February 2014 and 5 March 2014 (the “**Announcements**”).*

The Board of Directors of Anwell Technologies Limited (the “**Company**”) together with its subsidiaries, “**the Group**”) refers to its Announcements and wishes to inform the shareholders that, pursuant to the Company’s application, the SGX-ST has granted its approval to the Company for:-

- (i) an Extension of Time to 1 June 2014 for its FY2013 second quarter, third quarter and full year financial results announcements (collectively the “**Results Announcements**”); and
- (ii) an Extension of Time to 31 July 2014 for the Company to hold its annual general meeting for the financial year ended 31 December 2013 (“**FY2013 AGM**”).

The aforesaid approvals from the SGX-ST are subject to:

- (a) the Company announcing the period of extension granted, the reasons for seeking the extension of time and the conditions as required under Listing Rule 107;
- (b) submission of a written confirmation from the Company that the waiver does not contravene any laws and regulations governing the Company and the articles of association of the Company; and
- (c) submission of a written confirmation from the Company that it is not aware of any information that will have a material bearing on investors’ decision which has yet to be announced by the Company.

In addition to the conditions set out above, the Extension of Time in respect of holding the FY2013 AGM is also subject to the approval of the Accounting & Corporate Regulatory Authority. The Company is in the process of applying for the said approval and will update the shareholder in this regard in due course.

The reasons for the application of the aforesaid Extension of Time are as follows:-

1. The Company is unable to prepare for the audit of the full year results as the accounts for that period are not complete. This is due to the suspension of the Dongguan operations and the lack of access to the books and records of the Dongguan entities, as disclosed earlier.
2. As announced earlier in the Company's previous application for the extension of time, the 2Q13, 3Q13 and Full Year Results Announcement may not be meaningful if prepared and released prior to the any certainty of the outcome of the Investigation and/or bank loans Default. Further, due to the current uncertainty of the Investigation and the bank loans Default and the outcome thereof, the Company is unable to determine the exact nature and amount of the accounting adjustments to be made at this juncture as required under the relevant International Accounting Standards ("IAS"). In addition, the Company is also unable to identify the risks and uncertainties surrounding the Investigation and the bank loans Default to arrive at its best estimate to ensure that appropriate recognition criteria and measurement bases are applied to the provisions, contingent liabilities and contingent assets in accordance with the IAS.
3. As of to date, the outcome of the Investigation is still uncertain and there has not been any major updates or progress in respect thereof. In this regard, the Company has also by way of a letter dated 27 February 2014 sought the assistance and guidance of the China Embassy in Singapore in respect of the Investigation, in particular for the Company to regain access to the books and records and all relevant financial information of the Company's Dongguan subsidiaries.

Hence, the Company is unable to release the Results Announcements and hold its FY2013 AGM by 1 March 2014 and end of April 2014 respectively.

Further developments in this regard will be announced in due course.
