To: The Shareholders of The Trendlines Group Ltd.

Dear Sir/Madam,

I. INTRODUCTION

The Directors are proposing to convene the SGM to be held on Wednesday, 25 April 2018 at 3:00 p.m. Singapore time (or immediately following the conclusion or adjournment of the Annual General Meeting to be held on the same day and at the same place) to seek Shareholders' approvals in relation to the approval of the MBO plan for the Company's CEOs for FY2018.

The purpose of this Circular is to provide Shareholders with the relevant information pertaining to the matter set out above and to seek Shareholders' approval at the SGM as set out in the Notice of SGM on pages 11-12 of this Circular.

The SGX-ST takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Circular.

II. APPROVAL OF THE MBO PLAN FOR THE CEOS FOR FY2018

Under the Companies Law, Israeli public companies are required to seek the approval the Remuneration Committee and Board, and a Disinterested Majority of the Shareholders[1] for the CEOs' terms of office, including bonus plans. Where the Company's CEOs meet their targets for FY2018, any bonus payments proposed to be made to the CEOs following the bonus plan approval of the SGM, must additionally be brought for approval in FY2018 before the Company's Remuneration Committee (comprised entirely of independent directors and the Board without the presence of the CEOs).

At their separate meetings held on 21 February 2018, the Remuneration Committee and Board have approved, in accordance with the provisions of the Companies Law and the Compensation Policy, a program of Management by Objectives (MBO) for all office holders of the Company, including the Company's CEOs (the "**2018 MBO Plan**"). The 2018 MBO Plan, which was established following a comprehensive process and in depth discussions, reflects a management model that aims to improve performance of an organization by clearly defining management objectives for a specific period of time.

Messrs. Dollinger and Rhodes have abstained from taking part in any deliberations or voting on any Board resolution in respect of the 2018 MBO Plan.

[1] However, if the compensation arrangement is not approved by the Shareholders, the Remuneration Committee and Board may override the Shareholders' decision and nonetheless approve the arrangement, following further discussion of the matter and for detailed reasons in accordance with the Companies Law.

The CEOs' terms of employment and office are detailed in pages 271-275 of the Offer Document. As announced by the Company on 30 October 2017, the CEOs agreed to reduce their salaries by 20% (also applicable to the salary rates used for calculation of the Operational Bonuses under the CEO MBO Plan as detailed below), as part of an expense reduction plan implemented by the Company. Although the "CEO MBO Target" (as defined below) did not change in terms of number of salaries in comparison to FY2017, the amount of the actual CEO MBO Target to the CEOs has been reduced accordingly as a result of the reduction in the CEOs' salaries.

It is important to note that even if the conditions of the 2018 MBO Plan are met, payment of any Operational Bonuses to the CEOs will be subject to the approval of the Company's Remuneration Committee and Board, which shall be granted—if at all—only after taking account, inter alia, the Company's financial state at such applicable time. Consistent with the Company's Strategic Review and Expense Reduction Plan as announced on 30 October 2017, to date, the Company's Board of Directors and Remuneration Committee have not approved any payment of Operational Bonuses in respect of FY2017 to any of the Company's Office Holders including the CEOs.

Under the 2018 MBO Plan, the Office Holders' annual bonus is comprised of two parts: (i) an operational annual bonus, to be determined in accordance with the achievement of predetermined annual Company and personal objectives (the "**Operational Bonus**"); and (ii) an exit bonus, to be granted in the event of an exit and determined as a percentage of the amount of such exit (the "**Exit Bonus**"). In accordance with the provisions of the Companies Law and the Compensation Policy, the 2018 MBO Plan structure is designed to align the interests of the Office Holders with those of its Shareholders.

Operational Bonus:

Under the 2018 MBO Plan, it is proposed that, in accordance with the Compensation Policy, the CEOs' annual bonus for FY2018 (the "**CEO MBO Plan**") shall be comprised as follows:

The payment to each of the CEOs for achieving 100% of their targets shall be equal to two and a half (2.5) monthly salaries of each CEO (i.e., equivalent to ~US$49,070[2]) (the "**CEO MBO Target**") and shall be comprised of the following (the "**Targets**"):

80% in measurable objectives: (i) Admission of a minimum number of new portfolio companies to incubators (24% of the CEO MBO Target); (ii) Portfolio value net increase (16% of the CEO MBO Target); (iii) A minimum number of incubator companies raising follow-on rounds including a minimum % of such investment contributed by third party investors (24% of the CEO MBO Target); (iv) Labs Unit bookings (under signed agreements or purchase orders for work to be performed by it) of an aggregate minimum amount (8% of the CEO MBO Target); and (v) increase of assets under management (8% of the CEO MBO Target) (together the "**Measurable Objectives**").

Following the end of the calendar year, the actual achievements of the Company for that calendar year shall be measured against the Measurable Objectives, and the total score of the results shall set the bonus as follows:

Achievement of 100% of the Measurable Objectives, will entitle 100% payment for the Operational Bonus relating to the Measurable Objectives;

Achievement above 100% of any of the Measurable Objectives will increase the Operational Bonus for such Measurable Objectives in accordance with its applicable mechanism pre-determined by the Remuneration Committee and Board (provided that in no event shall the Operational Bonus payment to either CEO exceed the Operational Bonus Cap as defined below); and

[2] The amount was computed based current NIS salary, according to the applicable exchange rate as of 1 March 2018 being NIS 3.485 to US$1, and may be subject to fluctuations in the applicable exchange rate upon the actual payment.

Achievement below 100% of any of the Measurable Objectives (but above the Operational Bonus Threshold as defined below) will decrease the Operational Bonus for such Measurable Objectives in accordance with its applicable mechanism as shall be pre-determined by the Remuneration Committee and Board.

20% in non-measurable objectives as determined by the Remuneration Committee and Board.

In accordance with the Compensation Policy, the Board determined a payment threshold for payment of Operational Bonuses to the Office Holders, including the CEOs, for each year. Under such threshold determined in the 2018 MBO Plan, in the event that achievement of the Targets result in an accumulated score of less than seventy percent (70%) of CEO MBO Target (the "**Operational Bonus Threshold**"), no Operational Bonuses shall be paid to the Company's CEOs.

In addition, in accordance with the Compensation Policy which stipulates that the Operational Bonus shall be capped as determined by the Board, but shall in no event exceed one hundred and fifty percent (150%) of the CEO MBO Target of each CEO, the Board has determined that the Operational Bonus paid to each of the CEOs under the 2018 MBO Plan shall not exceed one hundred and thirty percent (130%) of the CEO MBO Target of each CEO (the "**Operational Bonus Cap**").

Exit Bonus:

Under the Compensation Policy, the Remuneration Committee and Board shall be authorized, in addition to any annual Operational Bonus, to grant, in connection with an Exit Event in one of the Group's portfolio companies with a cash payment, to all of the Office Holders together, of: (1) up to 5% of the proceeds received by the Group as a result of any Exit Event if such proceeds are up to US$7,000,000; and (2) up to 7.5% of the proceeds received by the Group as a result of any Exit Event for any excess amount above US$7,000,000.

In accordance with the Compensation Policy, the Remuneration Committee and Board have determined that the Exit Bonus to each of the CEOs (under the aggregate Exit Bonus for all office holders of the Company as set forth under the 2018 MBO Plan in accordance with the aggregate Exit Bonus cap under the Company's Compensation Policy) shall be as follows: (1) approximately 0.7% of the accumulated annual proceeds received by the Group as a result of any Exit Event consummated during FY2018 if such proceeds are up to US $10,000,000; and (2) approximately 1% of the accumulated annual proceeds received by the Group as a result of any Exit Event if such amount exceeds US $10,000,000; provided that such payment to each of the CEOs shall in no event exceed the lower of (i) 1.8% of the accumulated annual proceeds received by the Group as a result of any Exit Event; or (ii) 100% of such CEOs' annual base salary.

Without derogating from the foregoing, the payment of any Operational Bonus and/ or Exit Bonus to the Company's CEOs under the CEO MBO Plan shall in each case be subject to applicable provisions under the Company's Compensation Policy and the CEO MBO Plan which regulate the circumstances under which such bonuses may be approved – including thresholds under which such bonuses shall not be granted and other provisions for the cancellation or reduction of bonuses, as may be decided by the Remuneration Committee, and shall, in addition to the foregoing, be subject to the approval of the Company's Remuneration Committee and Board, which shall be granted—if at all—only after taking account, inter alia, the Company's financial condition at such applicable time. Consistent with the Company's Strategic Review and Expense Reduction Plan as announced on 30 October 2017, to date, the Company's Board of Directors and Remuneration Committee have not approved any payment of Operational Bonuses in respect of FY2017 to any of the Company's Office Holders including the CEOs.

III. THE SPECIAL GENERAL MEETING AND SHAREHOLDERS' APPROVAL

The SGM will be held on Wednesday, 25 April 2018 at Marina Mandarin Singapore Libra Gemini, Level 1, 6 Raffles Boulevard, Marina Square, Singapore at 3:00 p.m. Singapore time (or immediately following the conclusion or adjournment of the Annual General Meeting to be held at 2:00 p.m. Singapore time on the same day and at the same place) to consider and approve the ordinary resolution relating to the MBO plan for the Company's CEOs for FY2018 ("**Proposed Resolution**"). The notice convening the SGM is set out on pages 11-12 of the Circular.

As at the date of the Circular, no Shareholder is required to abstain from voting on the Proposed Resolution at the SGM.

Only Shareholders of record at the close of business on 20 April 2018, being the record date for determining those Shareholders eligible to vote at the SGM, are entitled to notice of and to vote at the SGM and any postponements or adjournments thereof. All Shareholders are cordially invited to attend the SGM in person. A Shareholder entitled to attend and vote at the SGM is entitled to appoint a proxy to attend and vote in the Shareholder's stead. A proxy need not be a Shareholder of the Company. Any Shareholder who holds more than one share shall be entitled to appoint a proxy with respect to all or some of its Shares or appoint more than one proxy, provided that the instrument appointing a proxy shall include the number of Shares with respect to which it was issued and only one proxy shall be appointed with respect to any one Share.

Form of an instrument appointing a proxy, which may be used to vote at the SGM, is enclosed.

The instrument appointing a proxy (and the power of attorney or other authority, if any, under which such instrument has been signed) shall be delivered, not less than forty eight (48) hours before the time fixed for the SGM at which the person named in the instrument proposes to vote, to the Company's registered office at 17 T'chelet Street, Misgav Industrial Park, 2017400 Israel **or** the Company's Singapore Share Registrar and Share Transfer Office, Boardroom Corporate & Advisory Services Pte. Ltd, at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623, **or** by e-mail to Ms. Gabriela Heller, Joint Company Secretary, at companysecretary@trendlines.com. Notwithstanding the above, the chair of the SGM shall have the right to waive the time requirement provided above with respect to all instruments of proxies and to accept any and all instruments of proxy until the beginning of the SGM.

Indication of personal interest:

Each Shareholder voting on the Proposed Resolution is required to indicate whether or not he is a Controlling Shareholder or has a personal interest in the Proposed Resolution.

Under the Companies Law, in general, a person will be deemed to be a Controlling Shareholder if that person has the power to direct the activities of the Company, otherwise than by reason of being a director or other office holder of the Company, and a person is deemed to have a personal interest if any member of the Shareholder's immediate family, or the immediate family of a Shareholder's spouse, has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company that is affiliated with you, other than The Trendlines Group Ltd., has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding Shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our Shares, or from a matter that is not related to a relationship with a Controlling Shareholder.

Please note that as of the date hereof, to the best knowledge of the Company, there is no Controlling Shareholder as defined under the Companies Law.

According to a recent Israeli court ruling, a shareholder must positively inform the Company whether or not such shareholder has a personal interest in a proposal which is subject to approval by a Disinterested Majority, as in the case of Proposed Resolution. Your failure to check the box on the proxy form indicating that you have no personal interest or that you are not a Controlling Shareholder will require the Company to assume that you have a personal interest in the Proposed Resolution.

The Company cannot assume that a shareholder who signs and returns a proxy form without a specific indication as to the lack of personal interest of such shareholder has no personal interest with respect to the Proposed Resolution. If you believe that you, or a related party of yours, is a Controlling Shareholder or possesses a personal interest with respect to the Proposed Resolution and you wish to participate in the vote on the Proposed Resolution, you should not indicate in the appropriate box that there exists no personal interest on the enclosed proxy form. If you hold your shares through a bank, broker or Controlling Shareholder or other nominee and believe that you possess a personal interest and you wish to participate in the vote on the Proposed Resolution, you should not indicate in the appropriate box that there exists no personal interest on the enclosed proxy form. If you hold your shares through a bank, broker or other nominee and believe that you possess a personal interest in the approval of the Proposed Resolution, you may also contact the representative managing your account, who could then contact us on your behalf.

IV. RECOMMENDATION

The Board believes that the resolution in relation to the proposed 2018 MBO Plan for the Company's CEOs is in the best interests of the Company and its Shareholders as a whole and, accordingly, recommends that the Shareholders vote in favor of the Proposed Resolution at the SGM (with Messrs. David Todd Dollinger and Stephen Louis Rhodes abstaining from making any recommendation in respect of such resolution).

V. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors, collectively and individually, accept full responsibility for the accuracy of the information given in this Circular and confirm after making all reasonable enquiries, that to the best of their knowledge and belief, this Circular constitutes full and true disclosure of all material facts about the proposed resolution, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Circular misleading. Where information in this Circular has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in this Circular in its proper form and context.

Yours faithfully,
For and on behalf of the Board of Directors of The Trendlines Group Ltd.
