Performance of the Second Quarter/Six-Month Financial Period

Tower REIT has completed its acquisition of Menara Guoco during the first quarter of the current financial year ending 30 June 2021 (“Current FY”) and it has contributed fully to the financial results for second quarter ended 31 December 2020 (“Second Quarter”).

As a result, the Second Quarter recorded an increase of 54% in gross revenue as compared to the corresponding quarter in the preceding financial year (“FY”). Gross revenue for the current 6-month financial period ended 31 December 2020 (“Current Financial Period”) recorded an increase of 34% as compared to the corresponding period in the preceding FY. The increase was mainly due to the additional revenue generated by Menara Guoco.

The net trust income before tax for the Second Quarter decreased by 15.7% compared to the corresponding quarter in the preceding FY. The net trust income before tax for the Current Financial Period decreased by 20.5% as compared to the corresponding period in the preceding FY. The additional contribution from Menara Guoco has partially compensated for the lower contribution from Menara HLX in the Current Financial Period.

**B2. Material Change in Income Before Tax for the Second Quarter Compared with Immediate Preceding Quarter**

The Second Quarter income before tax of RM1.45 million was lower by 7.6% compared to the immediate preceding quarter. The increase in contribution from Menara Guoco has partially compensated for the lower contribution from Plaza Zurich.
