This fantastic outcome is the result of our Team’s careful planning, curation, negotiation and of course, excellent execution. We were not overawed by the avalanche of strong competitive concerts during the post pandemic period. We stayed focused on what we know best and I can say, we have done very well. With this first half performance, we have regained our footing and I am confident moving forward with the work of organising more compelling live concerts in our usual markets, that is, Singapore, Kuala Lumpur, Sydney and Melbourne. Other than these cities, we are also considering promoting concerts in other East Asian cities. I wish to take this opportunity to thank our staff and partners for their contribution to this set of good results, and I also wish to thank all shareholders for their patience and belief in us.”
