Balance Sheet Review

The change in net asset were mainly due to:

- loss of S\$3.2 million recognised for the period; and
- net translation loss of S\$0.8 million arising from translation of foreign operations.

Cash and cash equivalents reduced as the Group repaid some of its bank borrowings during the quarter, resulting in a decrease in overall bank borrowings from \$\$40.9 million to \$\$23.7 million. Reduction in other receivables were mainly due to the receipt of the final part consideration of \$\$9.5 million arising from the disposal of Engine Systems last financial year. Apart from the above, changes in working capital items were mainly due to timing differences.
