**Corporate Name Change from SINGAPORE PILING & CIVIL ENGINEERING PRIVATE LIMITED to SINGAPORE ENGINEERING & CONSTRUCTION PTE. LTD.**

---

The Board of Directors of BBR Holdings (S) Ltd wishes to announce that its wholly owned subsidiary, Singapore Piling & Civil Engineering Private Limited, has been renamed **Singapore Engineering & Construction Pte. Ltd.** ("SEC") with effect from 2<sup>nd</sup> February 2017.

With more than 46 years of proven track record, SEC first embarked in piling works and has over the years progressed to focus on general building and civil engineering works. The name change to SEC more accurately describes the company's current services offered in the built environment industry, as well as our commitment and aim to maintain our market leadership and expand our range of services to our valued clients and business partners. The piling segment is being executed by another subsidiary company, BBR Piling Pte. Ltd..
