SARINE TECHNOLOGIES LTD.

Dear Sir/Madam,

1. INTRODUCTION

1.1. EGM

The Board of Directors of the Company is convening an EGM to seek Shareholders' approval for the proposed renewal of the Share Buy-Back Mandate (the "**Proposal**").

1.2. Circular

The purpose of this Circular is to provide Shareholders with relevant information relating to the aforementioned Proposal to be tabled at the EGM and to seek Shareholders' approval in relation thereto at the EGM on 24 April 2024 at 4:00 p.m., Singapore time in the Empress Ballroom 1, level 2, at the Singapore Carlton Hotel, 76 Bras Basah Rd, Singapore 189558 (or as soon thereafter as the AGM to be held at 3:00 p.m., Singapore time on the same day is concluded or adjourned). The Notice of EGM is set out on pages N-1 to N-5 of this Circular.

2. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

2.1 Introduction

The Company's existing Share Buy-Back Mandate was approved by Shareholders at the 2023 EGM. The rationale for, the authority and limitations on, and the financial effects of the existing Share Buy-Back Mandate were set out in the 2023 Circular.

The Share Buy-Back Mandate was expressed to take effect from the date of passing of Ordinary Resolution 1 approving it at the 2023 EGM and to expire on the date of the forthcoming AGM to be held on 24 April 2024. Accordingly, Shareholders' approval is now being sought for the renewal of the Share Buy-Back Mandate at the EGM, which will be held immediately after the AGM.

The Directors propose that the Share Buy-Back Mandate be renewed at the EGM to continue to authorise the Company to undertake buy-backs of the Shares on the same terms as the existing Share Buy-Back Mandate. The Share Buy-Back Mandate is set out at Ordinary Resolution 1 in the Notice of EGM accompanying this Circular.

2.2 Rationale

The rationale for renewing the Share Buy-Back Mandate is to continue to allow the Company the flexibility to undertake buy-backs of the Shares at any time, subject to market conditions, during the period when the Share Buy-Back Mandate is in force. The Board of Directors believes that Share Buy-Backs provide the Company and its Directors with a mechanism to facilitate the return of surplus cash over and above the Company's ordinary capital requirements in an expedient and cost-efficient manner. Share Buy-Backs will allow the Directors greater flexibility over the Company's share capital structure with a view to enhancing the EPS and/or NTA per Share of the Company

CIRCULAR TO SHAREHOLDERS

and the Group. The Directors also expect that Share Buy-Backs may help mitigate against short term market volatility and offset the effects of short term speculation.

The Directors will only engage in Share Buy-Backs when they believe that it would benefit the Company and Shareholders, taking into consideration factors such as the amount of surplus cash available and the prevailing market conditions. In addition, the Directors do not intend to engage in Share Buy-Backs to such extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or the Group, the orderly trading of the Shares, or result in the Company being de-listed from the SGX-ST.

Any Share Buy-Back has to be made in accordance with, and in the manner prescribed by the Israeli Companies Law, the Listing Rules and such other laws and regulations as may be applicable from time to time.

2.3 Authority and Limits

The authority and limitations placed on the Share Buy-Backs under the proposed Share Buy-Back Mandate, if renewed at the forthcoming EGM, are substantially the same as previously approved by Shareholders at the 2023 EGM. They are summarised as follows:

(a) Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased by the Company. The total number of Shares that may be purchased is limited to that number of Shares representing not more than 5% of the issued Shares of the Company as at the Approval Date (excluding any Dormant Shares which may be held by the Company from time to time and Subsidiary Holdings). The Directors are of the view that the maximum number of Shares which may be purchased by the Company under the Share Buy-Back Mandate will allow the rationale for and objectives of the Share Buy-Back Mandate as set out in Section 2.2 above to be served, while reducing the risk that any exercise of the Share Buy-Back Mandate, if renewed, may inadvertently result in a mandatory take-over obligation by the New Concert Party Group. For more details on the New Concert Party Group and their shareholding interests, please refer to Sections 2.9.2 and 2.9.3 of this Circular.

As at the Latest Practicable Date, there are no Subsidiary Holdings.

For illustrative purposes only, on the basis of 343,656,561 Shares in issue (and excluding 13,155,774 Dormant Shares) as at the Latest Practicable Date, not more than 17,182,828 Shares (representing 5% of the Shares in issue as at that date excluding Dormant Shares and Subsidiary Holdings) may be purchased or acquired by the Company pursuant to the renewed Share Buy-Back Mandate.

In the event that any of the options that have vested are exercised during the period between the Latest Practicable Date and the date of the EGM, only those new Shares that are allotted and issued by the Approval Date pursuant to the exercise of such vested options will be taken into account for the purposes of determining the total number of Shares as at the Approval Date.

(b) Duration of authority

Under the renewed Share Buy-Back Mandate, Share Buy-Backs may be made, at any time and from time to time, on and from the Approval Date, up to the earliest of:

- (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date on which the authority conferred by the renewed Share Buy-Back Mandate is revoked or varied by the Company in general meeting; or
- (iii) the date on which Share Buy-Backs are carried out to the full extent mandated.

(c) Manner of Share Buy-Backs

Share Buy-Backs may be made by way of:

- (i) an on-market purchase (“**On-Market Purchase**”) transacted through the SGX-ST’s trading system or on another stock exchange on which the Shares are listed; and/or

CIRCULAR TO SHAREHOLDERS

- (ii) an off-market purchase (“**Off-Market Purchase**”) effected pursuant to an equal access scheme (as defined in Section 76C of the Act) as may be determined or formulated by the Directors of the Company as they consider fit, which scheme shall satisfy all the conditions prescribed by the Act and the Listing Rules.

Under the Act, an Off-Market Purchase effected in accordance with an equal access scheme must satisfy all of the following conditions:

- (a) the offers under the scheme are to be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons have a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers are the same except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each member is left with a whole number of Shares.

In addition, the Listing Rules provide that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which contain at least the following information:

- (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptances;
 - (iii) the reasons for the proposed Share Buy-Back;
 - (iv) the consequences, if any, of Share Buy-Backs that will arise under the Code or other applicable takeover rules;
 - (v) whether the Share Buy-Back, if made, could affect the listing of the Shares on the SGX-ST;
 - (vi) details of any Share Buy-Backs made by the Company in the previous 12 months (whether On-Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
 - (vii) whether the Shares purchased by the Company will be cancelled or kept as dormant shares.
- (d) Maximum purchase price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for a Share in the event of any Share Buy-Back shall be determined by the Directors, but in any event, shall not exceed the Maximum Price, which:

- (i) in the case of an On-Market Purchase, shall mean the price per Share based on not more than 5% above the average of the closing market prices of the Shares over the last five (5) Market Days on the SGX-ST, on which transactions in the Shares were recorded immediately preceding the day of the On-Market Purchase and deemed to be adjusted for any corporate action occurring during such 5-market day period and the day on which the purchases are made; and
- (ii) in the case of an Off-Market Purchase, shall mean the price per Share based on not more than 20% above the average of the closing market prices of the Shares over the last five (5) Market Days on the SGX-ST, on which transactions in the Shares were recorded immediately preceding the day on which the Company makes an announcement of an offer under an equal access scheme.

CIRCULAR TO SHAREHOLDERS

2.4 Status of Purchased Shares

The Company, being an Israeli-incorporated company, is consequently subject to the Israeli Companies Law. Any Share which is purchased or acquired by the Company shall, unless held as Dormant Shares in accordance with the Israeli Companies Law, be deemed to be cancelled immediately on purchase or acquisition, and all rights and privileges attached to that Share will expire on cancellation. The total number of Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as Dormant Shares.

All Shares purchased or acquired by the Company (other than Dormant Shares held by the Company in accordance with the Israeli Companies Law) will be automatically de-listed by the SGX-ST and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase or acquisition.

Under the Israeli Companies Law, Shares purchased or acquired by the Company may be held or dealt with as Dormant Shares. Some of the provisions on Dormant Shares under the Israeli Companies Law are summarised below:

(a) Voting and other rights

The Dormant Shares shall be treated as having no voting rights or any other rights for as long as they are held by the Company as Dormant Shares.

(b) Disposal and cancellation

Where Shares are held as Dormant Shares, the Company may at any time sell, transfer or re-issue such Dormant Shares.

2.5 Source of Funds

Under the Israeli Companies Law, any Share Buy-Back may only be made out of the Company's profits, being its balance of surplus or surplus accumulated over the past two (2) years, whichever is the greater, provided that the Company is solvent. A company's surplus is defined under the Israeli Companies Law as being sums included in a company's equity originating from the company's net profits, determined in accordance with accepted accounting principles.

2.6 Financial Effects

The financial effects on the Company and the Group arising from Share Buy-Backs made pursuant to the Share Buy-back Mandate will depend on, amongst others, the number of Shares purchased or acquired and the price paid for such Shares.

As the consideration paid by the Company for a Share Buy-Back will only be made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2023, are based on the assumptions set out below:

(a) Number of Shares purchased or acquired

For illustrative purposes only, on the basis of 343,656,561 Shares in issue (excluding any Dormant Shares and Subsidiary Holdings) as at the Latest Practicable Date, the exercise in full of the renewed Share Buy-Back Mandate will result in the purchase or acquisition of 17,182,828 Shares, representing 5% of the Shares in issue as at that date.

(b) Maximum price to be paid for Share Buy-Backs

For illustrative purposes only, in the case of an On-Market Purchase by the Company and assuming that the Company purchases or acquires 17,182,828 Shares at the Maximum Price of S\$0.2772 per Share (being 5% above the average of the closing market prices of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 17,182,828 Shares is approximately S\$4,763,080.

CIRCULAR TO SHAREHOLDERS

For illustrative purposes only, in the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires 17,182,828 Shares at the Maximum Price of S\$ 0.3168 per Share (being 20% above the average of the closing market prices of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 17,182,828 Shares is approximately S\$5,443,520.

For illustrative purposes only, and based on the assumptions set out above, the financial effects of the Share Buy-Backs pursuant to the renewed Share Buy-Back Mandate on the audited accounts of the Company and the Group for the financial year ended 31 December 2023 as if the renewed Share Buy-Back Mandate had been effective on 1 January 2023 are as follows:

Shareholders should note that the financial effects illustrated above are based on certain assumptions and purely for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical audited financial year 2023 numbers and is not necessarily representative of the future financial performance of the Company or the Group.

Although the renewed Share Buy-Back Mandate would authorise the Company to buy back up to 5% of the Company's issued Shares (excluding Dormant Shares and Subsidiary Holdings), the Company may not necessarily buy back or be able to buy back the entire 5% of the issued Shares (excluding Dormant Shares and Subsidiary Holdings), nor to such an extent that would materially and adversely affect the financial position of the Company or the Group. In addition, the Company may (i) cancel all or part of the Shares bought back; or (ii) hold all or part of the Shares as Dormant Shares.

Share Buy-Backs will only be effected after assessing the relative impact of a Share Buy-Back taking into consideration both financial factors (such as cash surplus, debt position and working capital requirements) and non-financial factors (such as share market conditions and the performance of the Shares).

CIRCULAR TO SHAREHOLDERS

2.7 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.8 Listing Rules

2.8.1 Reporting requirements

The Listing Rules provide that a listed company shall notify the SGX-ST of any Share Buy-Back as follows:

- (a) in the case of an On-Market Purchase, by 9.00 a.m. on the Market Day following the day on which it purchased Shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, by 9.00 a.m. on the second Market Day after the close of acceptances of the offer.

The notification of such Share Buy-Backs to the SGX-ST shall be in the form of Appendix 8.3.1 to the Listing Manual and shall include, amongst others, details such as the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Shares, as applicable.

2.8.2 Insider trading

While the Listing Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because a listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its shares, the Company will not engage in any Share Buy-Backs pursuant to the renewed Share Buy-Back Mandate at any time after a price sensitive matter or development has occurred or has been the subject of a decision until the price sensitive information has been announced. In particular, in line with the best practices on dealings in securities in the Listing Manual, the Company will not purchase or acquire any shares pursuant to the renewed Share Buy-Back Mandate during the period commencing one month before the announcement of the Group’s half year and full year financial statements.

2.8.3 Listing status

The Listing Rules require a listed company to ensure that at least 10% of its total number of issued shares (excluding treasury shares (or Dormant Shares), preference shares and convertible equity securities) in a class that is listed is at all times held by the public.

Based on information available to the Company as at the Latest Practicable Date, approximately 67.63% of the Company’s Shares are held in the hands of the public. Assuming that the Company purchases the maximum of 5% of the issued Shares from such public Shareholders and the Shares bought back are cancelled, the resultant percentage of the issued Shares excluding Dormant Shares and Subsidiary Holdings, held by the public would be reduced to approximately 65.93%. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by the public which would permit the Company to undertake Share Buy-Backs up to the full 5% limit pursuant to the renewed Share Buy-Back Mandate without affecting the orderly trading or listing status of the Shares on the SGX-ST.

2.9 Takeover Implications under the Code

2.9.1 Provisions under the Code

Some of the provisions of the Code are summarised below:

- (a) Under Appendix 2 of the Code, an increase of a Shareholder’s proportionate interest in the voting rights of the Company resulting from a Share Buy-Back by the Company will be treated as an acquisition for the purposes of Rule 14 of the Code.
- (b) Pursuant to Rule 14 of the Code, a shareholder and persons acting in concert with the shareholder will incur an obligation to make a mandatory takeover offer if, amongst others, he and persons acting in concert with him increase their voting rights in the company to 30% or more or, if they, together holding between 30% and 50% of the company’s voting rights, increase their voting rights in the company by more than 1% in any period of six (6) months.

CIRCULAR TO SHAREHOLDERS

- (c) Persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the Code presumes certain persons to be acting in concert, amongst others:
- (i) a company, its parent, its subsidiaries and fellow subsidiaries, any associated companies of the foregoing companies, any companies whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be the test of associated company status;
 - (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
 - (iii) a company with any of its pension funds and employee share schemes;
 - (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
 - (v) a financial or other professional advisor, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser;
 - (vi) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
 - (vii) partners; and
 - (viii) an individual, his close relatives, his related trusts, any person who is accustomed to act in accordance with his instructions, companies controlled by any of the foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons for the purchase of voting rights.
- (d) The effect of Rule 14 and Appendix 2 of the Code is that:
- (i) unless exempted, directors and persons acting in concert with them will incur an obligation to make a takeover offer if, as a result of the company purchasing or acquiring its shares, the voting rights held by such directors and their concert parties would increase to 30% or more, or if they together hold between 30% and 50% of the Company's voting rights, their voting rights increase by more than 1% in any period of six (6) months. The directors and their concert parties will be exempted from the requirement to make a take-over offer subject to certain conditions as set out in the Code, including, *inter alia*:
 - (A) the inclusion in the circular to shareholders on the resolution to authorise the Share Buy-back Mandate advice to the effect that by voting for the resolution to authorise the Share Buy-back Mandate, shareholders are waiving their right to a general offer at the required price from the directors and parties acting in concert with them who, as a result of the Company buying back its shares, would increase their voting rights to 30% or more, or, if they together hold between 30% and 50% of the Company's voting rights, would increase their voting rights by more than 1% in any period of six (6) months, and the names of such directors and persons acting in concert with them, their voting rights at the time of the resolution and after Share Buy-backs pursuant to the Share Buy-back Mandate; and
 - (B) the submission to SIC by each of the directors of an executed form as prescribed by SIC within seven (7) days of the passing of the resolution to authorise the Share Buy-back Mandate; and

CIRCULAR TO SHAREHOLDERS

- (ii) a shareholder, who is not acting in concert with the directors, will not be required to make an offer under Rule 14 of the Code if, as a result of the Company buying back its Shares, the voting rights of such shareholder would increase to 30% or more, or if such shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such shareholder would increase by more than 1% in any period of six months. Such shareholder need not abstain from voting in respect of the resolution authorising the proposed Share Buy Back Mandate.
