

SINGAPORE AIRLINES TO REDUCE FUEL SURCHARGES

Singapore Airlines will reduce its fuel surcharges for tickets issued on or after 26 February 2015.

Fuel prices have declined in recent months, although jet fuel continues to account for a significant percentage of SIA Group expenditure.

The new fuel surcharge levels shown below will apply to Singapore Airlines and SilkAir flights. They represent a decrease of between USD5 and USD83 per sector, depending on the distance and class of travel.

Route <i>Per Ticketed Sector</i>	Surcharge in USD		
	First Class, Suites	Business Class	Premium Economy, Economy Class
