COMPLETION OF THE REFINERY PROJECT IN DUMAI, INDONESIA

Mewah International Inc. (the “Company”, and together with its subsidiaries, the “Group”) is pleased to announce that the construction work of its CPO refinery at Dumai, Indonesia has been majorly completed, trial production commenced and the first export shipment will take place this month.

This refinery, with installed capacity of approximately 3,500 MT per day, is a strategic move to further consolidate our position as an integrated vegetable oils and fats business by increasing our refining capacity in Indonesia, the largest producer of palm oil globally.

The project will be completed within the budget of USD 95 million as announced earlier on 28 February 2023 (*See announcement ref. SG230228OTHRKVJS*).
