The Shareholders’ Loan is interest-free and repayable within two (2) years from date of drawdown.

FDPL’s Loan Portion is funded by the internal resources of the Group.

Pursuant to Rule 916(3)(c) of the Catalist Rules, the Audit Committee of the Company, having considered the terms of the Shareholders’ Loan, is of the view that (i) the provision of the Shareholders’ Loan and FDPL Loan Portion is not prejudicial to the interests of the Company and its minority shareholders; and (ii) the risks and rewards of the joint venture in VPPL are in proportion to the equity of each joint venture partner, and the terms of the joint venture are not prejudicial to the interests of the Company and its minority shareholders.

Other than transactions less than S\$100,000, the following table sets out the total of all transactions with SEPL for the financial year ended 31 December 2014 (“FY2014”) and for the financial year ending 31 December 2015 (which is from 1 January 2015 and up to the date of this announcement) (“FY2015”):
