The terms and conditions of the Rights Cum Warrants Issue are subject to such changes as the Directors may in their absolute discretion deem fit. The final terms and conditions of the Rights Cum Warrants Issue will be contained in an offer information statement (the **"Offer Information Statement"**) in connection with the Rights Cum Warrants Issue to be lodged with the Monetary Authority of Singapore and to be dispatched by the Company to Entitled Shareholders (as defined below) in due course.

#### 4. **REDUCTION AND INCREASE IN REGISTERED CAPITAL**

Under Thai corporate law, in order for the Company to increase the registered capital of the Company (the **"Registered Capital"**) to provide for the allotment and issue of the Rights Shares and Warrants in connection with the Equity Fund Raising, the Company has to, among others, reduce the Registered Capital by cancelling the Shares that have remained unissued or unallocated under the employee share option plans previously approved by the Company all of which have expired.

Pursuant to this, 3,371,840 Shares will be cancelled from the Registered Capital.

Thereafter, the Company shall increase the Registered Capital to provide for the Rights Shares and Warrants. The increase in Registered Capital shall be 777,330,872 Shares.

In connection with the proposed reduction and increase in the Registered Capital, the Company is also required under Thai corporate law to amend the Memorandum of Association of the Company.

## 5. DETAILS OF THE RIGHTS CUM WARRANTS ISSUE

### 5.1 Principal Terms of the Rights Cum Warrants Issue

Based on the Existing Share Capital, the Rights Shares will be offered at the Issue Price on the basis of one (1) Rights Shares for every twenty (20) existing Shares held by Shareholders who are listed in the Register of Shareholders of the Company as at the Books Closure Date (the "**Registered Shareholders**"), fractional entitlements to be disregarded and aggregated to form part of the Excess Rights Shares.

The provisional allotment of Rights Shares (the "**Rights**") of The Central Depository (Pte) Limited ("**CDP**"), a Registered Shareholder, will be split and credited to the securities accounts (the "**Securities Accounts**") of Entitled Depositors (as defined below) with CDP on the basis of one (1) Rights Shares for every twenty (20) existing Shares standing to the credit of their Securities Accounts as at the Books Closure Date, fractional entitlements to be disregarded and aggregated to form part of the Excess Rights Shares.

Each Rights Share subscribed shall also be accompanied by ten (10) Warrants, with each Warrant carrying the right to subscribe for one (1) new Share (the "**Warrant Share**") at the exercise price of S\$ 0.07 per Warrant (the "**Exercise Price**").

**As the Rights Cum Warrants Issue is made on a non-renounceable basis, the Rights cannot be renounced in favour of a third party or traded on the SGX-ST.**

### 5.2 Size of the Rights Cum Warrants Issue

As at the date of this announcement, the issued and paid-up capital of the Company comprises 1,413,328,857 Shares. In the event that all the Rights Shares are subscribed, the issued share capital of the Company (excluding any exercise of the Warrants) will increase to 1,483,995,300 Shares.

Based on the Existing Share Capital, and assuming that (i) all the Rights Shares are subscribed; and (ii) all the Warrants are issued ("the **Maximum Subscription Scenario**"), the Company will allot and issue 70,666,443 Rights Shares and 706,664,429 Warrants under the Rights Cum Warrants Issue.

### 5.3 Terms of Warrants

The Warrants are immediately detachable from the Rights Shares upon issue, and will be issued in registered form and will be listed and traded separately on the Mainboard of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") under the book entry (scripless) settlement system, upon the listing and quotation of the Warrants on

## NOT FOR DISTRIBUTION IN THE UNITED STATES

the Mainboard of the SGX-ST, subject to, *inter alia*, there being an adequate spread of holdings of the Warrants to provide for an orderly market in the Warrants.

Subject to the terms and conditions governing the Warrants to be set out in an instrument by way of a deed poll (the "**Deed Poll**"), each Warrant will carry the right to subscribe for one (1) Warrant Share at the Exercise Price on the first day of each three-month period commencing on the date being three months following the date of issue of the Warrants and expiring at 5.00 p.m. on the last day after expiration of the 18 (eighteen) months of the date of issue of the Warrants (the "**Exercise Period**") (for example if the issue date of the Warrants is 16 April 2021, the Expiration Date shall be 15 October 2022). The Warrants that remain unexercised at the expiry of the Exercise Period shall lapse and cease to be valid for any purpose.

The Exercise Price and the number of Warrants to be held by each holder of Warrants will be subject to adjustments under certain circumstances as provided for in the Deed Poll and appropriate announcements on the adjustments will be made by the Company.

The Warrant Shares arising from the exercise of the Warrants will, upon allotment and issue, rank *pari passu* in all respects with the then existing Shares, save for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Warrant Shares.

The Company shall, not later than one (1) month before the expiry of the Exercise Period (the "**Expiry Date**"), announce the expiry of the Exercise Period on SGXNET. In addition, the Company shall, not later than one (1) month before the Expiry Date, take reasonable steps to notify all holders of the Warrants in writing of the Expiry Date, and such notice shall be delivered by post to the address of the relevant holders of the Warrant(s).

### 5.4 **Issue Price and Warrants Exercise Price**

The Issue Price of S\$ 0.07 per Rights Cum Warrants Share and Exercise Price of S\$ 0.07 per Warrant represents (i) a premium of 1.60% to the volume weighted average price of S\$0.0689 per Share for trades on the Mainboard of the SGX-ST on 1 Jun 2021, being the full market day immediately preceding the date of this announcement; and (ii) a premium of 0.00% to the theoretical ex-rights price of S\$ 0.070 per Share, which is calculated based on the last traded price of S\$0.070 per Share for Shares traded on the Mainboard of the SGX-ST on 1 Jun 2021, being the full market day immediately preceding the date of this announcement.

The TERP of each Share is calculated based on the following formula, assuming completion of the Rights Cum Warrants Issue based on the maximum scenario: TERP

= (Market capitalization of the Company based on the last traded price + gross proceeds from the Rights Cum Warrants Issue) / Number of Shares after completion of the Rights Cum Warrants Issue.

#### 5.5 Ranking of the Rights Shares with Warrants

The Rights Shares will be payable in full upon acceptance and/or application and when allotted and issued, will rank *pari passu* in all respects with the then existing Shares for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Rights Shares.

The Warrant Shares will be payable in full upon exercise of the Warrants and will rank *pari passu* in all respects with the then existing Shares for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Warrant Shares.

For this purpose, a "**record date**" means, in relation to any dividends, rights, allotments or other distributions, the date as at the close of business (or such other time as may have been notified by the Company) on which the Shareholders must be registered with the Company, the Company's share registrar, BoardRoom Corporate & Advisory Services Pte Ltd, (the "**Share Transfer Agent**") or The Central Depository (Pte) Limited ("**CDP**"), as the case may be, in order to participate in such dividends, rights, allotments or other distributions.

#### 5.6 Non-Underwritten Rights Cum Warrants Issue

The Company has not received an irrevocable undertaking from its controlling shareholders to participate in the rights issue as the Directors are of the opinion that there is no minimum amount which must be raised from the Rights Cum Warrants Issue.

Hence, in view of the aforesaid and the savings enjoyed for not having to bear underwriting fees, the Company has decided to proceed with the Rights Cum Warrants Issue on a non-underwritten basis.

#### 5.7 Provisional Allotments and Excess Applications

Entitled Shareholders (as defined below) will be at liberty to accept (in full or in part) or decline their provisional allotments of the Rights Shares with Warrants and will be eligible to apply for additional Rights Shares with Warrants in excess of their provisional allotments under the Rights Cum Warrants Issue (the "**Excess Rights Shares**").

## NOT FOR DISTRIBUTION IN THE UNITED STATES

Fractional entitlements to the Rights Shares with Warrants will be disregarded in arriving at Entitled Shareholders' (as defined below) provisional allotments of Rights Shares with Warrants and will, together with such Rights Shares with Warrants that are not validly taken up by Entitled Shareholders (as defined below), the original allottees or their respective renounee(s) or the purchasers of such provisional allotment of Rights Shares with Warrants, any unsold "nil-paid" provisional allotments of Rights Shares with Warrants of Foreign Shareholders (as defined below) and any Rights Shares with Warrants which are not validly taken up or allotted for any reason, be aggregated and allotted to satisfy excess applications for Rights Shares with Warrants (if any), or disposed of or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interest of the Company.

It is hereby disclosed and confirmed that, in the allotment of Excess Rights Shares with Warrants, preference will be given to the rounding of odd lots and, to the extent mandated by applicable Listing Rules, the Directors and substantial Entitled Shareholders (as defined below) who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Cum Warrants Issue, or have representation (direct or through a nominee) on the board of the Company, will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares with Warrants. The Company will also not make any allotment and issue of any Excess Rights Shares with Warrants that will result in a transfer of controlling interest in the Company unless otherwise approved by Shareholders in a general meeting.

Depending on the level of subscription for the Rights Shares with Warrants, the Company may, if necessary, scale down the subscription for the Rights Shares with Warrants by any of the Entitled Shareholders (as defined below) to avoid placing the relevant Entitled Shareholder (as defined below) in the position of incurring a mandatory general offer obligation under the Singapore Code on Take-overs and Mergers as a result of other Shareholders not taking up their Rights Shares with Warrants entitlement fully.

### **5.8 Trading of Odd Lots**

For the purposes of trading on the Mainboard of the SGX-ST, each board lot of Rights Shares will comprise 100 Shares. Following the Rights Cum Warrants Issue, Shareholders who hold odd lots of Shares (that is, lots other than board lots of 100 Shares) and who wish to trade in odd lots on the Mainboard of the SGX-ST are able to trade odd lots of Shares in board lots of one (1) Share on the SGX-ST's Unit Share Market. The Unit Share Market is a ready market for trading of odd lots of Shares with a minimum size of one (1) Share. Shareholders should note that the market for trading of such odd lots of Shares may be illiquid, and that there may be disproportionate

transactional costs in realizing the fair market value of their odd lots. There is no assurance that Shareholders who hold odd lots of Shares will be able to acquire such number of Shares required to make up a board lot, or to dispose of their odd lots (whether in part or in whole) on the SGX-ST's Unit Share Market.

**6. RATIONALE AND USE OF PROCEEDS**

The Company is undertaking the Rights Cum Warrants Issue to raise funds to strengthen the financial position and capital base of the Company and its subsidiaries (the "**Group**").

The net proceeds arising from the allotment and issue of the Rights Shares (the "**Net Proceeds**") (without taking into account the proceeds from the exercise of the Warrants) will be used for the working capital needs of the Group, which includes but is not limited to administrative expenses, manpower costs, compliance costs, continuing listing expenses such as professional fees of the Group and settlement of other administrative expenses.

The Net Proceeds, after deducting estimated costs and expenses of S\$ 100,000 relating to the Rights Cum Warrants Issue, is expected to be approximately S\$ 5,553,315.44 in the Maximum Subscription Scenario. The Company intends to use the Net Proceeds in the following manner:

<b>Use of Net Proceeds</b>	<b>Amount (S\$'000)</b>	<b>Percentage of Net Proceeds (%)</b>
1. For general working capital needs	5,553	100
<b>Total</b>	<b>5,553</b>	<b>100</b>

The additional proceeds arising from the exercise of all of the Warrants in the Maximum Subscription Scenario is approximately S\$ 56,533,154.32 (the "**Warrants Exercise Proceeds**"). As and when the Warrants are exercised, the Warrants Exercise Proceeds may, at the discretion of the Directors, be applied largely in the following manner:

<b>Use of Warrants Exercise Proceeds</b>	<b>Amount (S\$'000)</b>	<b>Percentage of Net Proceeds (%)</b>
1. For general working capital needs	11,307	20

**NOT FOR DISTRIBUTION IN THE UNITED STATES**

2. To strengthen the financial position and capital base of the Group overall, and when opportunities are identified, engage in business expansion opportunities in South East Asia and elsewhere.	45,266	80
<b>Total</b>		<b>100</b>

Pending the deployment of the Net Proceeds and/or the Warrants Exercise Proceeds for the abovementioned purposes, such proceeds may be deposited with banks and/or financial institutions, invested in short-term money markets instruments and/or marketable securities, and/or used for any other purposes on a short-term basis as the Directors may, in their absolute discretion, deem appropriate in the interests of the Company.

The Company will make periodic announcements on the utilisation of the Net Proceeds and the Warrants Exercise Proceeds as and when such proceeds are materially disbursed and whether such disbursements are in accordance with the use of proceeds as stated in the Offer Information Statement, and provide a status report on the use of the Net Proceeds and the Warrants Exercise Proceeds in the interim and full year financial statements and in the annual report(s) of the Company, until such time such proceeds have been fully utilised. Where the Net Proceeds and/or the Warrants Exercise Proceeds have been used for general corporate and/or working capital purposes, the Company will also provide a breakdown with specific details on the use of the Net Proceeds and/or the Warrants Exercise Proceeds in the financial statements and annual reports.

Where there is a material deviation in the use of the Net Proceeds and/or the Warrants Exercise Proceeds, the Company will announce the reasons for such deviation.

**7. OPINION OF DIRECTORS**

The Directors are of the opinion that, after taking into consideration the Group's present bank facilities, the working capital available to the group is sufficient to meet its present requirements. Notwithstanding the present sufficiency of working capital, the Directors are of the opinion that the Rights Cum Warrants Issue shall be undertaken for the reasons stated in the paragraph 6 of this announcement.

The Directors are of the opinion, after taking into consideration the rationale for the Rights Cum Warrants Issue as set out in paragraph 6 of this announcement that the Rights Cum Warrants Issue is in the interest of the Company.

- (v) the lodgment of the Offer Information Statement, together with all other accompanying documents (if applicable) in respect of the Rights Cum Warrants Issue with the Monetary Authority of Singapore.

To the extent that any of the above conditions for the Rights Cum Warrants Issue is not required pursuant to applicable law and/or regulation, such conditions shall be deemed not applicable.

To the extent required by applicable law and/or regulations, an application will be made to the SGX-ST for permission to deal in and for the listing of and quotation for the Rights Shares on the Main Board of the SGX-ST. The Company will make an appropriate announcement upon the receipt of the in-principle approval of the SGX-ST.
