

ANNOUNCEMENT

CHANGE TO HALF-YEARLY REPORTING OF FINANCIAL RESULTS

Venture Corporation Limited (the "Company" and together with its subsidiaries, the "Group") refers to the recent amendments to Rule 705(2) of the Listing Manual of the Singapore Exchange Securities Trading Limited, which took effect from 7 February 2020 ("Amended Listing Rules").

The Company wishes to announce that it will publish its financial statements on a half-yearly basis in accordance with the Amended Listing Rules with effect from the financial year ending 31 December 2020.

The Company will provide an executive summary of key financial information as well as a business commentary and outlook for the first and third quarter performance of the Group.

The executive summary and business commentary will assist investors to assess the Group's ongoing performance between the half-yearly reports.

By Order of the Board

Devika R Davar
Joint Company Secretary

27 February 2020

ABOUT VENTURE (www.venture.com.sg)

Venture Corporation Limited (“**Venture**” or the “**Group**”) was founded in 1989 as an electronic services provider after the merger of three companies. Today, it is a leading global provider of technology solutions, products and services with established capabilities spanning marketing research, design and development, product and process engineering, design for manufacturability, supply chain management, as well as product refurbishment and technical support across a widely diversified range of technology domains.

Headquartered in Singapore, the Group comprises more than 30 companies with global clusters in Southeast Asia, Northeast Asia, America and Europe and employs over 12,000 people worldwide.

The Group has built know-how and intellectual property with expertise in several technology domains. These include life science, genomics, molecular diagnostics, medical devices and equipment, healthcare and wellness technology, lifestyle consumer technology, health improvement products, instrumentation, test and measurement technology, networking and communications, fintech, as well as computing, printing and imaging technology. The Group manages a portfolio of more than 5,000 products and solutions and continues to expand into new technology domains through its collaborations with customers and partners in selected ecosystem of interests.

Venture is a strategic partner of choice for over 100 global companies including Fortune 500 corporations. It ranks among the best in managing the value chain for leading electronics companies. The Group is committed to enhancing its competencies through further investments in technologies, market access capabilities, its people and expanding connectivity with other enterprises and research-intensive organisations/institutions in its ecosystem of interests. It stands poised to provide the leading edge and remain relevant in a constantly changing and evolving world.
