MANAGER'S INVESTMENT REPORT

1. The Fund

The investment objective of the Fund is to replicate as closely as possible, before fees and expenses, the performance of the Morningstar Singapore Yield Focus Index M. (the "Index"). The Index tracks the performance of Singapore high dividend securities with a weighting emphasis on quality and financial health. The Manager employs a "passive management" or indexing investment approach designed to track the performance of the Index, by investing substantially all of the Fund's assets in index constituents in substantially the same weightings as reflected in the Index and aims to deliver an investment performance which closely corresponds to the performance of the Index.

(iv) Description of the method used to calculate the global exposure of financial derivatives

The global exposure relating to derivative instruments is calculated using the commitment approach. The global exposure is calculated as the sum of:

- (a) the absolute value of the exposure of each individual financial derivative not involved in netting or hedging arrangements;
- (b) the absolute value of the net exposure of each individual financial derivative after netting or hedging arrangements;
- (c) the sum of the values of cash collateral received pursuant to:
 - (i) the reduction of exposure to counterparties of OTC financial derivatives; and
 - (ii) efficient portfolio management techniques relating to securities lending and repurchase transactions,

Expense ratio ¹ (excluding preliminary expenses)(annualised)	0.70	0.70
Expense ratio ¹ (including preliminary expenses)(annualised)	0.70	0.97
Turnover ratio ²	15.36	77.27

¹ The expense ratio has been computed based on the guidelines laid down by the Investment Management Association of Singapore ("IMAS"). The calculation of the expense ratio at 30 June 2020 was based on total operating expenses of \$334,783 (2019: \$259,738) divided by the average net asset value of \$47,826,131(2019: \$55,279,496) for the period. The total operating expenses do not include (where applicable) brokerage and other transactions costs, performance fee, interest expense, distribution paid out to unitholders, foreign exchange gains/losses, front or back end loads arising from the purchase or sale of other funds and tax deducted at source or arising out of income received. The Fund does not pay any performance fee. The average net asset value is based on the daily balances.

² The portfolio turnover ratio is calculated in accordance with the formula stated in the Code on Collective Investment Schemes. The calculation of the portfolio turnover ratio was based on the lower of the total value of purchases or sales of the underlying investments, being sales of \$7,042,603 (2019: \$42,713,018) divided by the weighted daily net asset value of \$45,847,758 (2019: \$55,279,496).

MANAGER'S INVESTMENT REPORT (continued)

12. Soft dollar commissions/arrangements

The Manager is entitled to and intends to receive or enter into soft-dollar commissions or arrangements in respect of the Fund. The Manager will comply with applicable regulatory and industry standards on soft- dollars. The soft-dollar commissions which the Manager may receive include research and advisory services, economic and political analyses, portfolio analyses including valuation and performance measurements, market analyses, data and quotation services, computer hardware and software or any other information facilities to the extent that they are used to support the investment decision making process, the giving of advice, or the conduct of research or analysis and custodial services in relation to the investments managed for clients. The soft dollar credits utilised are not allocated on a specific client basis. The brokers also execute trades for other funds managed by the Manager.

Soft-dollar commissions or arrangements shall not include travel, accommodation, entertainment, general administrative goods and services, general office equipment or premises, membership fees, employees' salaries or direct money payment.

The Manager will not accept or enter into soft dollar commissions or arrangements unless such soft-dollar commissions or arrangements would, in the opinion of the Manager, be reasonably expected to assist the Manager in their management of the Fund, provided that the Manager shall ensure at all times that transactions are executed on a "best execution" basis taking into account the relevant market at the time for transactions of the kind and size concerned, and that no unnecessary trades are entered into in order to qualify for such soft-dollar commissions or arrangements.

The Manager does not, and is not entitled to, retain cash or commission rebates for their own account in respect of rebates earned when transacting in securities for account of the Fund.

13. Any other material information that will adversely impact the valuation of the Fund

Nil.
