CORRIGENDUM TO THE ANNUAL REPORT FOR FINANCIAL YEAR 2019

Keppel DC REIT Management Pte. Ltd., as manager of Keppel DC REIT (the "**Manager**"), refers to the Annual Report for the financial year ended 31 December 2019 (the "**AR 2019**") available at Keppel DC REIT's website at www.keppeldcreit.com and SGXNET.

The Manager wishes to inform Unitholders that in the chart "Top 10 Clients by Rental Income (%) for December 2019", which is on page 34 of the AR 2019, the third row from the top of the chart should state "Telecommunications (6%)" instead of "Internet Enterprise (6%)". Revised chart as follow:

1 The names of the clients cannot be identified and matched to the information set out above as many of the lease arrangements and colocation arrangements contain confidentiality provisions. Furthermore, there are commercial sensitivities involved due to the mission critical nature of data centre operations and some clients prefer to keep their presence in a data centre facility confidential in order to minimise the risk of physical threats and/or intrusions into the data centre.

2 Clients refer to those contracted under service level agreements with Keppel DC REIT and/or its subsidiaries with the exceptions of KDC SGP 1, KDC SGP 2, KDC SGP 3, KDC SGP 4 and KDC SGP 5 where clients refer to those who contracted with Keppel DC Singapore 1 Ltd., Keppel DC Singapore 2 Pte. Ltd. and Keppel DCS3 Services Pte. Ltd. respectively. Clients which are in multiple data centres are only accounted for once.

Important Notice

This announcement is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for units in Keppel DC REIT (the "**Units**").

This announcement may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other companies and venues for the sale or distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's view of future events. The past performance of Keppel DC REIT and the Manager are not necessarily indicative of the future performance of any of them.

The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager, or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("**SGX-ST**"). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.
