## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of Adani International Container Terminal Private Limited**

**Report on the Audit of the Financial Statements**

### **Opinion**

We have audited the accompanying financial statements of Adani International Container Terminal Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises information included in the Director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

# MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements;

Registered Office: 502, Raheja Titanium, Western Express Highway, Goregaon (East), Mumbai-400063, Maharashtra, India  
Tel: +91 22 6974 0200 | LLPIN: ACT-3789

# MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in sub-clause (2)(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the financial statements;
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g);
- (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C" and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position;
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, on derivative contracts - Refer Note 31 to the financial statements.;
  - iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company;
  - iv.
    - a. To the best of our knowledge and belief, as disclosed in the note 40(c) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - b. To the best of our knowledge and belief, as disclosed in the note 40(d) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.

- v. The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with Section 123 of the Companies Act 2013.

The Board of Directors of the Company have proposed final dividend for the year, which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend. (Refer Note 42 to the financial statements) and ;

vi. **Reporting on Audit Trail:**

Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that in absence of necessary evidences, we are unable to comment whether the audit trail feature was enabled and operated for direct changes to database of the underlying accounting software from May 27, 2025 to December 12, 2025 and except for revenue software(s), as described in note 41 to the financial statements.

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software where audit trail was enabled.

Additionally, the audit trail of relevant prior years has been preserved for record retention to the extent it was enabled and recorded in those respective years by the Company as per the statutory requirements for record retention except for the period referred above.

3. In our opinion, according to information, explanations given to us, the provisions of Section 197 read with Schedule V of the Act and the rules thereunder are not applicable to the Company as it is a private company.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE FINANCIAL STATEMENTS OF ADANI INTERNATIONAL CONTAINER TERMINAL PRIVATE LIMITED

### Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

From the matters communicated with Management and Board of Directors, we determine those matters that were of most significance in the audit of the financial statements for the year ended March 31, 2026 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ADANI INTERNATIONAL CONTAINER TERMINAL PRIVATE LIMITED FOR THE YEAR ENDED MARCH 31, 2026**

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a)A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.
- B The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us, Property, plant and equipment and right of use assets were physically verified by the management according to a phased programme designed to cover all items over a period of three (3) years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of property, plant and equipment and right of use assets have been physically verified by Management during the year. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in the financial statements, are held in the name of the Company, except for the following:

| Sr. No. | Description of Property | Gross carrying value (₹ in Crore) | Held in the name of | Whether promoter, director or their relative or employee | Period held        | Reason for not being held in name of Company                                |
|---------|-------------------------|-----------------------------------|---------------------|----------------------------------------------------------|--------------------|-----------------------------------------------------------------------------|
| 1       | Building                | 552.31                            | N.A.                | N.A.                                                     | July, 2013 onwards | Pending conclusion of Sub-concession Agreement with Government Authorities. |
| 2       | Marine Structure        | 973.77                            | N.A.                | N.A.                                                     | July, 2013 onwards | Pending conclusion of Sub-concession Agreement with Government Authorities. |

- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and equipment including Right of Use assets and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.

# MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage and procedure of such verification is reasonable and appropriate having regard to the size of the Company and the nature of its operations. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) The Company has not been sanctioned any working capital limits during the year on the basis of security of current assets. Accordingly, the provisions stated under clause 3(ii)(b) of the Order is not applicable to the Company.
- iii. According to the information explanation provided to us, the Company has not made any investments in, or provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions stated under clause 3(iii) of the Order are not applicable to the Company.
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees, and security in respect of which provisions of Sections 185 and 186 of the Companies Act, 2013 ('the Act'), are applicable and accordingly, the requirement to report under clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of the provisions of Sections 73 to 76 of the Act, and the rules framed there under. Accordingly, the requirement to report under clause 3(v) of the Order is not applicable to the Company.
- vi. The provisions of sub-Section (1) of Section 148 of the Act, are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products/ services of the Company. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and the records examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have been regularly deposited by the Company with appropriate authorities in all cases during the year. No undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and the records examined by us, dues relating to Income-tax Act, 1961 which have not been deposited as on March 31, 2026, on account of any dispute, are as follows:

\* Adjusted against refund of subsequent years.

- viii. According to the information and explanations given to us, there are no transaction which are not recorded in the books of account which have been surrendered or disclosed as income during the year in Income tax assessment under the Income-tax Act, 1961. Accordingly, the requirement to report as stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) In our opinion and according to the Information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations provided to us, no money was raised by way of term loans. Accordingly, the provision stated under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanation provided to us, there are no funds raised during the year. Accordingly, the provision stated under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, the requirement to report under clause 3(ix)(e) of the order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate, or joint venture. Accordingly, the requirement to report under clause 3(ix)(f) of the order is not applicable to the Company.
- x. (a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting requirement under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly, or optionally convertible debentures during

the year. Accordingly, the reporting requirement under clause 3(x)(b) of the Order is not applicable to the Company.

- xi. (a) Based on our examination of the books and records of the Company and according to the information and explanations given to us, we report that no fraud by the Company or no fraud on the Company has been noticed or reported during the year in the course of our audit.
- (b) During the year no report under Section 143(12) of the Act, has been filed by secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the provisions of Section 177 of the Companies Act, 2013 are not applicable to the Company. Further, the transactions with the related parties are in compliance with Section 188 of the Act, and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till the date of our audit report, for the period under audit.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the requirements to report under clause 3(xvi)(a) of the Order are not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirements to report under clause 3 (xvi)(c) of the Order are not applicable to the Company.
- (d) The Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (as part of its group. Accordingly, the requirement to report under clause 3(xvi)(d) of the Order is not applicable to the Company.

- xvii. Based on the overall review of financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the provisions stated under clause 3(xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 37 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a Fund as specified in Schedule VII of the Act, as disclosed in note 25(c) to the financial statements.
- (b) There are no ongoing projects and accordingly reporting under Clause 3(xx)(b) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said Clause has been included in the report.

## ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ADANI INTERNATIONAL CONTAINER TERMINAL PRIVATE LIMITED

[Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Adani International Container Terminal Private Limited on the Financial Statements for the year ended March 31, 2026]

### Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

#### Opinion

We have audited the internal financial controls with reference to financial statements of ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

#### Management's and Board of Director's Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

# MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

## Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## 1 Corporate information

Adani International Container Terminal Private Limited ('AICTPL' or Company) (CIN : U61200GJ2011PTC065095) was incorporated on April 22, 2011 with an objective to develop and operate Container Cargo Terminal at Mundra Port. The Company is a joint venture between Adani Port and Special Economic Zone Limited (APSEZL) and Mundi Limited wholly owned subsidiary of Terminal Investment Limited Sàrl, in terms of agreement dated October 31, 2011 for development of Container Terminal infrastructure. In terms of the port development rights granted to Adani Ports and Special Economic Zone Limited (APSEZL), by Gujarat Maritime Board (GMB) & Government of Gujarat (GoG), under a 30 years Concession Agreement dated February 17, 2001('the CA'). The registered office of the Company is located at Adani Corporate House, Shantigram, Near Vaishno Devi Circle, S.G. Highway, Khodiyar, Ahmedabad-382421.

The Sub Concession Agreement between the Company, APSEZL and GMB ('the SCA') for the rights for operations of existing CT-3 and extension to existing CT-3 is under execution by GMB as confirming party, as on date. APSEZL has applied to various Gujarat government authorities for obtaining necessary approval for sub concessionaire to the AICTPL, which as at the year end, is pending. Further any deviation in SCA from the terms of CA requires approval from GMB and hence, till its execution is pending, the terms of CA has been considered for the accounting, including assumptions for useful life and salvage value.

The facilities were developed under SEZ Co-Developer arrangement in terms of approval from Ministry of Commerce & Industry, Government of India, April, 8, 2013. The first phase of Container Terminal's commercial operations commenced from July 1, 2013. The extension of Container Terminal (CT-3 Extension) infrastructure of 650 meter berth was developed as per agreement dated December 23, 2015 between the joint venture partners, as stated above. The container terminal facilities were developed by APSEZL and based on arrangement entered by the Company with APSEZL, it commenced operations at 650 Meter Berth (CT-3 Extension) Container Terminal w.e.f. November 01, 2017. The CT-3 Extension is developed and operated as a SEZ unit in terms of approval dated October 27, 2016 from the Ministry of Commerce and Industry, Government of India.

The financial statements were authorized for issue in accordance with a resolution of the directors on April 29, 2026.

## 2 Basis of preparation and measurement

**2.1** The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the Company.

The Financial Statements have been prepared on the historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Derivative financial instruments;
- Defined Benefit Plans - Plan Assets measured at fair value; and
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

In addition, the financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest Crore (INR 00,00,000), except when otherwise indicated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

## 2.2 Summary of material accounting policies

### a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle; or
- Held primarily for the purpose of trading; or
- Expected to be realised within twelve months after the reporting period; or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

A liability is current when:

- It is expected to be settled in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- There is no right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

**b) Foreign currency translation**

The Company's financial statements are presented in Indian Rupees (₹), which is functional currency of the Company. The Company determines the functional currency and items included in the financial statements are measured using that functional currency.

**Transactions and balances**

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Company uses an average rate if the average approximates the actual rate at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in profit or loss as "Foreign Exchange Loss (net)" irrespective of nature of such exchange differences.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the date of initial transactions.

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

**c) Fair value measurement**

The Company measures financial instruments, such as, derivatives and current investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for recurring fair value measurement, such as derivative instruments, investment in mutual funds and unquoted financial assets measured at fair value.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

-Disclosures for valuation methods, significant estimates and assumptions (refer note 28)

-Quantitative disclosures of fair value measurement hierarchy (refer note 28)

-Financial instruments (including those carried at amortised cost) (refer note 28)

**d) Revenue Recognition**

**Revenue from contract with customer**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

**Port Operation Services**

Revenue from port operation services including cargo handling, storage and other ancillary port services are recognized in the accounting period in which the services are transferred to the customers at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services.

In cases, where the contracts include multiple contract obligations, the transaction price will be allocated to each performance obligation based on the standalone selling prices. Where these prices are not directly observable, they are estimated based on expected cost plus margin.

Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

In determining the transaction price for the sale of port operation services, the Company considers the effects of variable consideration and consideration payable to the customer.

**Variable consideration in the form of Volume Discount**

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the services to the customer. The variable consideration is estimated at contract inception in some of the contract terms and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the Port Operation services provide customers with volume rebates. The Company provides retrospective volume rebates to certain customers once the quantitative factors / conditions exceeds a threshold specified in the contract. Rebates are offset against amounts payable by the customer on one to one basis. To estimate the variable consideration for the expected future rebates, the Company applies the most likely amount method for contracts with a single-volume threshold. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The Company then applies the requirements on constraining estimates of variable consideration and recognises a refund liability for the expected future rebates.

**Contract assets:**

A contract asset is initially recognised for revenue earned from port operation services / other services as receipt of consideration is conditional on successful completion of services. Upon completion of services and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of Non-financial assets in note 2.2(k) Financial instruments – initial recognition and subsequent measurement.

**Trade receivables:**

A receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in notes 2.2(o) Financial instruments – initial recognition and subsequent measurement.

**Contract liabilities:**

A contract liability is recognised if a payment is received or payment is due (whichever is earlier) from a customer before the Company deliver port services and transaction price is allocated to unsatisfied performance obligation in respect of Storage and Dispatch services of Customers' Cargo lying at Port. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., delivery of services to the customer).

**Refund liabilities:**

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer including volume rebates and discounts. The Company updates its estimates of refund liabilities at the end of each reporting period.

**e) Other Operating Income / Other Income**

**Interest Income**

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

**Rental Income**

Rental Income arising from operating leases on Equipment is accounted for on straight-line basis over on lease term and included in 'other income' in the statement of Profit and loss.

**f) Inventories**

Inventories are valued at lower of cost and net realisable value.

Stores and Spares: Valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a moving weighted average basis.

Stores and Spares which do not meet the definition of property, plant and equipment are accounted as Inventories.

Net Realizable Value in respect of store and spares is the estimated current procurement price in the ordinary course of the business.

**g) Property, plant and equipment (PPE)**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of purchase, cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives or over the balance life of the parent asset, as applicable. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Capital Work in Progress comprises of construction and procurement cost of port terminal related infrastructure (project). Cost of Capital work in progress includes direct cost in the nature of Engineering, Procurement and Construction Charges (EPC Charges) paid / payable to Contractor and Other direct and indirect cost incurred during the construction phase which are attributable to procurement and development of the project.

Borrowing cost relating to acquisition / construction of Property, Plant and Equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

All other costs are recognised in the profit or loss as incurred.

The Company adjusts exchange differences arising on translation difference/settlement of long term foreign currency monetary items outstanding in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial statements i.e. March 31, 2016 and pertaining to the acquisition of a depreciable asset to the cost of asset and depreciates the same over the remaining life of the asset. The depreciation on such foreign exchange difference is recognised from first day of the financial year.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as prescribed under Part C of Schedule II of the Companies Act 2013 read with terms of concession and sub concession agreement, except for the assets mentioned below for which useful life estimated by the management. The identified component of Property, Plant & Equipment are depreciated over their useful lives and the remaining components are depreciated over the life of the principal assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The Company has estimated the following useful life to provide depreciation on its certain property, plant and equipments based on assessment made by expert and management estimate.

| Assets                                      | Estimated Useful Life |
|---------------------------------------------|-----------------------|
| Marine Structure, building and back up yard | 50 Years              |

At the end of the sub-concession, an item of property, plant, and equipment covered under the sub-concession agreement shall be transferred to and shall vest with the Concessionaire. Pending final approval of sub concession, the Company follows the main concession terms for residual value and consequent depreciation charge for the period. As per main CA, all contracted immovable and movable assets shall be transferred to and shall vest in Grantor for consideration to be paid to APSEZ, an amount equivalent to the Depreciated Replacement Value (the 'DRV') on termination of SCA. As DRV is not determinable, depreciation is charged assuming useful life of the asset to be the period mentioned in schedule II of the Companies Act, 2013 / useful life as per main CA (Refer note 2.3).

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**h) Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or losses when no future economic benefits are expected from its use or disposal. Any gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

A summary of the policies of amortisation applied to the Company's intangible assets is, as follows:

| Intangible assets                          | Method of Amortisation | Estimated Useful Life                                                                                                                                                  |
|--------------------------------------------|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Software applications                      | on straight line basis | 5 Years or useful life whichever is less                                                                                                                               |
| Right-of-use of Infrastructure Usage Right | on straight line basis | Over the balance period of sub concession agreement i.e. up to February 16, 2031 from the date of addition which is 18 Years for CT-3 and 12 years for CT-3 Extension. |

**i) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**j) Leases**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**The Company as a lessee**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

**i. Right-of-use assets**

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

| Assets               | Estimated Useful Life                                                              |
|----------------------|------------------------------------------------------------------------------------|
| Right-of-use of Land | Over the balance period of sub concession agreement i.e. up to 16th February, 2031 |

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 2.2(k) Impairment of non-financial assets.

## ii. Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

## iii. Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

## k) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, The Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

## l) Taxes

Tax expense comprises of current income tax and deferred tax.

## m) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax (including Minimum Alternate Tax (MAT)) is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Current income tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income (OCI) or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**ii) Deferred Tax**

Deferred tax is provided using the liability approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

The Company is eligible and claiming tax deductions available under section 80IA of the Income Tax Act, 1961 w.e.f FY 2013-14. In view of Company availing tax deduction under Section 80IA of the Income Tax Act, 1961, deferred tax has been recognized in respect of temporary difference, which reverse after the tax holiday period in the year in which the temporary difference originate and no deferred tax (assets or liabilities) is recognized in respect of temporary difference which reverse during tax holiday period, to the extent such gross total income is subject to the deduction during the tax holiday period. For recognition of deferred tax, the temporary difference which originate first are considered to reverse first.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax relate to the same tax authority.

The Company recognizes tax credit in the nature of Minimum Alternate Tax (MAT) credit as an asset only to the extent that there is sufficient taxable temporary difference / convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credit as an asset, the said asset is created by way of tax credit to the statement of profit and loss. The Company reviews the such tax credit asset at each reporting date and writes down the asset to the extent the Company does not have sufficient taxable temporary difference / convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT tax credit.

**m) Provisions**

**General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

**Contingent Liabilities:**

Contingent liabilities may arise from litigation, taxation and other claims against the Company. Where it is management's assessment that the outcome is uncertain or cannot be reliably quantified, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote such contingent liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position.

**n) Retirement and other employee benefits**

**Defined Contribution Plan**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

#### Defined Benefits Plan

The company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

#### Compensated Absences

Accumulated leave, which is expected to be utilised within the next twelve months, is treated as short term employee benefits. The company measures the expected cost of such absence as the additional amount that is expected to pay as a result of the unused estimate that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months as long term compensated absences which are provided for based on actuarial valuation as at the end of the period. The actuarial valuation is done as per projected unit credit method. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve month after the reporting date.

#### o) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### ➤ Financial assets

##### Initial recognition and measurement

All financial assets are recognised initially at fair value plus in case of financial asset not recorded at fair value through profit and loss, transaction cost that are attributable to the acquisition of the financial assets. However, trade receivables that do not contain a significant financing component are measured at transaction price.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, are measured at the transaction price determined under Ind AS 115.

In order for a financial asset to be classified and measured at amortised cost or FVTOCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Financial assets at amortised cost (debt instruments)
- Financial assets at fair value through profit or loss (FVTPL) (Derivatives and Equity Instruments)

#### Debt Instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

#### Financial Assets at FVTPL

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

This category includes derivative instruments and investments in equity instruments which the Company had not irrevocably elected to classify at fair value through OCI. Dividends on such investments are recognised in the statement of profit and loss when the right of payment has been established.

Such designation are determined on instrument by instrument basis.

Financial Assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset.

#### Derecognition

A financial asset (or, where applicable, a part of a financial note asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- > The rights to receive cash flows from the asset have expired, or
- > The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### Impairment of financial assets

Further disclosures relating to impairment of financial assets are also provided in the following notes:

> Disclosures for significant assumptions – see Note 2.3

> Financial Assets at FVTPL – see Note 2.2 (a)

> Trade receivables and contract assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits and bank balances.

b) Financial assets that are debt instruments and are measured as at other comprehensive income (FVTOCI)

c) Lease receivables under Ind AS 116

d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables.

Under the simplified approach the Company does not track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. ECL is the difference between all contracted cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income / (expense) in the statement of profit and loss (P&L). The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount. For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

#### > Financial liabilities & Equity Instruments

##### Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

#### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments.

#### Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

#### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to P&L. However, The Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

#### Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

#### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### p) Derivative financial instruments

##### Initial recognition and subsequent measurement

The Company uses derivative financial instruments to manage its exposure to Interest rate and foreign exchange rate risks, such as forward currency contracts, interest rate swaps, principal only swaps and cross currency swaps to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value through profit or loss (FVTPL) on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivative financial instrument or on settlement of such derivative financial instruments are recognised in statement of profit and loss and are classified as "Foreign Exchange Loss (net)" on the face of profit and loss, except those relating to borrowings, which are separately classified under Finance Cost.

#### q) Segment Reporting

In accordance with the Ind-AS 108 - "Operating Segments", the Company has determined its business segment as developing, operating and maintaining the port based terminal infrastructure facilities. Since there are no other business segments in which the Company operates, there are no other primary reportable segments.

**r) Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

**s) Earnings per share**

Basic earning per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**t) New Standards, Interpretations and amendments adopted by the company**

Amended standard adopted by the company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2026, MCA has notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 applicable to the company w.e.f. 1st April, 2025.

**(i) Amendments to Ind AS 21 - Lack of exchangeability**

The amendment requires the Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after 1st April 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments do not have a material impact on the Company's financial statements.

**(ii) Amendments to Ind AS 1 – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants**

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

If there is a breach of a material covenant of a long term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but before the financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current.

The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8.

The amendments do not have a material impact on the Company's financial statements.

**(iii) Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements**

In August 2025, the MCA notified amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The amendments do not have a material impact on the Company's financial statements.

**(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12**

In August 2025, the MCA notified amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026.

The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rules.

**u) Government Grants**

Government Grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the period that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

Waterfront royalty on cargo under the concession agreement executed by APSEZ with GMB is paid at concessional rate in terms of rate prescribed by Gujarat Maritime Board (GMB) and notified in official gazette of Government of Gujarat, wherever applicable.

**v) Cash dividend to equity holders of the parent**

The Company recognises a liability for payment of dividend to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**2.3 Significant judgements, accounting estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Judgements**

In the process of applying the Company's accounting policies, management has made the following judgement, which have the most significant effect on the amounts recognised in the financial statements:

**Determining the lease term of contracts with renewal and termination options – Company as lessee**

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### Taxes

Deferred Tax Assets includes minimum alternate tax (MAT) credit as on March 31, 2026 of ₹ 579.94 Crore (March 31, 2025 ₹ 461.89 Crore) recognised in accordance with the provision of the Indian Income Tax Act, 1961 (the act). The said tax gives rise to future economic benefits in the form of adjustment / set off against future income tax liability. Based on the assessment by the management, after considering the tax benefits that are available to the Company under section 80IA of the Act, it is probable that the Company will have sufficient taxable profit in future against which, the Company will be able to set off the MAT credit. Accordingly, the Company has recognised deferred tax assets arising from MAT credit entitlement.

Pursuant to the Taxation Laws (Amendment) Ordinance 2019 issued by Ministry of Law and Justice (Legislative Department) dated September 20, 2019 effective from April 01, 2019, the Company has option to avail lower tax rates of 22% (without any tax benefits) instead of existing tax rate of 30%. Also, the tax rate on book profit has reduced to 15% instead of 18.50% as per the existing rate of taxation. Based on assessment, the Company has chosen to continue with the existing tax rate of 30% along with reduced tax rate on book profits of 15% until utilisation of MAT credit of ₹ 579.94 Crore (Previous year ₹ 461.89 Crore) after the post tax holiday period i.e., from FY 2028-29 onwards.

Further, CT-3 Extension Terminal of 650 meter at Mundra is annexed to the existing terminal of 810 meter. Based on the assessment made by the management with the help of experts, it is assessed that extension terminal is construed as an additional development to the existing container terminal facilities. Hence, the Company is eligible to claim tax benefit under section 80IA of the act on income derived from development and operation & maintenance of Container Terminal infrastructure (existing as well as extension developed terminal).

#### Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant, and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. As described in the Note 2.2(g), pending execution of SCA, the useful lives and residual values of the Company's assets are determined on the basis of the terms of CA by the management. The estimated useful lives of property, plant and equipment are described in note 2.2 (g).

#### Exceptional Items :

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the financial statements.

3. Property, Plant and Equipment, Intangible Assets, Capital Work in Progress and Right of Use Asset

Note 3(a) Property, Plant and Equipment

| ₹ in crore                  |                                                                     |                      |                     |                       |             |                      |                               |                         |                 |

**Notes:**

(i) Deferred Port Service Fees represents unamortised balance of advance consideration paid by the Company to Adani Ports and Special Economic Zone Limited (APSEZL) for providing infrastructure services over remaining period of the Sub-Concession Agreement as per the Infrastructure Use and Port Service Agreement executed between APSEZL and the Company dated November 01, 2017 and subsequent amendments thereto. Consideration paid by the Company is amortised over the period of the Sub-Concession Agreement i.e., till February 16, 2031 and classified as 'Deferred Port Service Fees'.

(ii) Contract assets are the right to receive consideration in exchange for services transferred to the customer. Contract assets are initially recognised for revenue earned from port operation services as receipt of consideration is conditional on successful completion of services. Upon completion of services and acceptance by the customer, the amounts recognised as contract assets are reclassified to financial assets.

**c) Details of Expenditure on Corporate Social Responsibilities**

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief and rural development projects. A CSR committee has been formed by the Company as per the Act. The funds were primarily allocated to a corpus and utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013.

(d) The Company is eligible to avail benefits under Section 80IA of the Income Tax Act, 1961 on the taxable income w.e.f. financial year 2013-14. Subject to Company is liable to pay Minimum Alternate Tax (MAT) on book profit, in the year company having profit, in terms of provisions for tax under Section 115JB. During the current year, the Company has recognised deferred tax charge of ₹ 126.84 crore (Previous year ₹ 7.79 Crore) and balance of Deferred Tax Liabilities as at March 31, 2026 is ₹ 295.23 Crore (March 31, 2025 ₹ 422.06 Crore) in respect of timing difference which will reverse after the tax holiday period. As at March 31, 2026 unutilised balance of MAT Credit Entitlement ₹ 579.94 Crore (March 31, 2025 ₹ 461.89 Crore). The management believes, in view of strategic volumes of cargo available with the Company and higher depreciation charge for accounting purpose than the depreciation for income tax purpose in the future period, it is possible that the MAT credit will be utilised post tax holiday period w.e.f financial year 2028-29. As per regulation under section 115JAA of Income Tax Act, 1961, MAT credit can be utilised up to 15 assessment years immediately succeeding the assessment year in which tax credit becomes allowable.

(e) The Company has following unutilised MAT credit under the Income Tax Act, 1961 for which deferred tax assets has been recognised in the balance sheet:

| Financial Year | Amount<br>(₹ in Crore) | Expiry Date |
|----------------|------------------------|-------------|
| 2015-16        | 6.08                   | 2030-2031   |

## 2B Financial Instruments, Financial Risk and Capital Management :

### 2B.1 Category-wise Classification of Financial Instruments:

a) The carrying value of financial instruments by categories as of March 31, 2026 is as follows :

| ₹ in Crore                                        |      |                                  |                 |                 |
|---------------------------------------------------|------|----------------------------------|-----------------|-----------------|
| Particulars                                       | Note | Fair Value through Profit & Loss | Amortised Cost  | Carrying value  |
| <b>Financial Asset</b>                            |      |                                  |                 |                 |
| Investments in unquoted mutual funds              | 4    | 467.77                           | -               | 467.77          |
| Trade receivables                                 | 5    | -                                | 65.97           | 65.97           |
| Cash and Cash Equivalents                         | 9    | -                                | 87.56           | 87.56           |
| Bank balance other than cash and cash equivalents | 10   | -                                | 164.68          | 164.68          |
| Others financial assets                           | 6    | -                                | 95.52           | 95.52           |
| <b>Total</b>                                      |      | <b>467.77</b>                    | <b>413.73</b>   | <b>881.50</b>   |
| <b>Financial Liabilities</b>                      |      |                                  |                 |                 |
| Borrowings (including Current Maturities)         | 13   | -                                | 2,069.13        | 2,069.13        |
| Trade payables                                    | 18   | -                                | 123.88          | 123.88          |
| Derivatives Instruments not designated as hedge   | 15   | 21.35                            | -               | 21.35           |
| Lease Liabilities                                 | 14   | -                                | 40.85           | 40.85           |
| Other financial liabilities                       | 15   | -                                | 59.82           | 59.82           |
| <b>Total</b>                                      |      | <b>21.35</b>                     | <b>2,293.68</b> | <b>2,315.03</b> |

The management assessed that cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these Instruments.

b) The carrying value of financial instruments by categories as of March 31, 2025 is as follows :

| ₹ in Crore                                        |      |                                  |                 |                 |
|---------------------------------------------------|------|----------------------------------|-----------------|-----------------|
| Particulars                                       | Note | Fair Value through Profit & Loss | Amortised Cost  | Carrying value  |
| <b>Financial Asset</b>                            |      |                                  |                 |                 |
| Investments in unquoted mutual funds              | 4    | 482.94                           | -               | 482.94          |
| Trade receivables                                 | 5    | -                                | 32.99           | 32.99           |
| Cash and Cash Equivalents                         | 9    | -                                | 72.30           | 72.30           |
| Bank balance other than cash and cash equivalents | 10   | -                                | 191.60          | 191.60          |
| Others financial assets                           | 6    | -                                | 25.07           | 25.07           |
| <b>Total</b>                                      |      | <b>482.94</b>                    | <b>321.96</b>   | <b>804.90</b>   |
| <b>Financial Liabilities</b>                      |      |                                  |                 |                 |
| Borrowings (including Current Maturities)         | 13   | -                                | 2,041.33        | 2,041.33        |
| Trade payables                                    | 18   | -                                | 74.75           | 74.75           |
| Derivatives Instruments not designated as hedge   | 15   | 2.20                             | -               | 2.20            |
| Lease Liabilities                                 | 14   | -                                | 47.22           | 47.22           |
| Other financial liabilities                       | 15   | -                                | 42.18           | 42.18           |
| <b>Total</b>                                      |      | <b>2.20</b>                      | <b>2,205.48</b> | <b>2,207.68</b> |

The management assessed that cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

## 28.2 Fair Value Measurements:

### Quantitative disclosures fair value measurement hierarchy for financial assets and financial liabilities

The following table provides the fair value measurement hierarchy of the Company's financial assets and liabilities:

| Particulars                                            | Notes | ₹ in Crore                                    |                                               |
|--------------------------------------------------------|-------|-----------------------------------------------|-----------------------------------------------|
|                                                        |       | As at<br>March 31, 2026                       | As at<br>March 31, 2025                       |
|                                                        |       | Significant<br>observable<br>Inputs (Level 2) | Significant<br>observable<br>Inputs (Level 2) |

| Derivative instrument not designated as hedge          | 15    | 21.35                                         | 2.20                                          |
| <b>Total</b>                                           |       | <b>21.35</b>                                  | <b>2.20</b>                                   |

Investments in Unquoted Mutual Funds are valued based on declared NAV.

Derivative instruments are valued based on observable inputs i.e yield curves, FX rates and volatilities etc.

The financial instruments are categorised into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: Inputs other than the quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

### Valuation Methodology

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- The fair value of investment in Mutual Funds is measured at quoted price or NAV.
- The fair value of Forward Foreign Exchange contracts and Currency Swaps is determined using forward exchange rates and yield curves at balance sheet date.
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

## 28.3 Financial Risk objective and policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables (including lease payable & capital creditors). The main purpose of these financial liabilities is to finance the Company's project cost / operations. The Company's principal financial assets, other than derivatives, include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also enters into derivative transactions in the nature of Foreign Currency Forward Contracts and also the company holds investment in mutual funds.

In the ordinary course of business, the Company is mainly exposed to risks resulting from exchange rate fluctuation (currency risk) referred as Market Risk, Credit Risk and Liquidity Risk. The Company's senior management oversees the management of these risk. It manages its exposure to these risks through derivative financial instruments by hedging transactions after evaluation of risks. It uses derivative instruments such as foreign currency forward contract to manage these risks. These derivative instruments reduce the impact of both favorable and unfavorable fluctuations.

The Company's risk management activities are subject to the management, direction and control of Central Treasury Team of APSEZL under the framework of Risk Management Policy for Currency and Interest rate risk as approved by the Board of Directors of the Company. APSEZL's central treasury team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

The decision of whether and when to execute derivative financial instruments along with its tenure can vary from period to period depending on market conditions and the relative costs of the instruments. The tenure is linked to the timing of the underlying exposure, with the connection between the two being regularly monitored. The Company is exposed to losses in the event of non-performance by the counterparties to the derivative contracts. All derivative contracts are executed with counterparties that, in our judgment, are creditworthy. The outstanding derivatives are reviewed periodically to ensure that there is no inappropriate concentration of outstanding to any particular counterparty.

Further, all currency and interest risk as identified above is measured on a daily basis by monitoring the mark to market (MTM) of open and hedged position. The MTM is derived basis underlying market curves on closing basis of relevant instrument quoted on Bloomberg/Reuters. For quarter and year ends, the MTM for each derivative instrument outstanding is obtained from respective banks. All gain / loss arising from MTM for open derivative contracts and gain / loss on settlement / cancellation / roll over of derivative contracts is recorded in statement of profit and loss.

### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk and currency risk. Financial instruments affected by market risk include Mutual Fund Investments, borrowings and derivative financial instruments.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant as at March 31, 2026. The analyses exclude the impact of movements in market variables.

The following assumptions have been made in calculating the sensitivity analyses:

- The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2026 and March 31, 2025.

#### Interest rate risk

The Company is exposed to changes in market interest rates due to financing (including through capital creditors), investing and cash management activities. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates against some of the borrowings. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The company does not have any long term debt obligation having floating interest rates as at March 31, 2026 and March 31, 2025.

#### Foreign currency risk

Exchange rate movements, particularly the United States Dollar (USD) against Indian Rupee (INR), have an impact on the Company's operating results and financial position. The Company also enters into various foreign exchange contracts to mitigate the risk arising out of foreign exchange rate movement on foreign currency borrowings and against trade payables. Further, to hedge foreign currency future revenue transactions in respect of which firm commitment are made or which are highly probable forecast transactions (for instance, foreign exchange denominated income) the Company has entered into foreign currency forward contracts as per the policy of the Company.

The Company is mainly exposed to changes in USD. The below table demonstrates the sensitivity to a 1% increase or decrease in the respective foreign currency rates against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 1% represents management's assessment of reasonably possible change in foreign exchange rate.

| Sr. No. | Particulars                | ₹ in Crore                        |                                   |                                   |                                   |

\* Figures being nullified on conversion to ₹ in crore

#### Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and other financial assets) and from its financing activities, including deposits with banks and investment, foreign exchange transactions and other financial instruments.

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive evaluation and individual credit limits are defined in accordance with this assessment.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data.

Credit risk from balances with banks is managed by the APSEZ's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Director. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

#### Concentrations of Credit Risk form part of Credit Risk

Considering that the Company operates the port services at Mundra, the Company is significantly dependent on cargo from a large customer like Mediterranean Shipping Company (MSC Group). Out of total revenue, revenue of ₹ 1,600.89 Crore during the year ended March 31, 2026 (previous year ₹ 1426.49 Crore) is from such port user which constitute 73.53% (previous year 76.03%). Accounts receivable from such customer approximate ₹ 47.96 Crore as at March 31, 2026 and ₹ 18.10 Crore as at March 31, 2025. In absence of any long term commitment a loss of this customer could adversely affect the operating result or cash flow of the Company.

#### Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Company also has adequate credit facilities agreed with banks and APSEZ to ensure that there is sufficient cash to meet all its normal operating and projects commitments in a timely and cost-effective manner.

The table below analysis derivative and non-derivative financial liabilities of the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The table has been drawn up based on the undiscounted contractual maturities of the financial liabilities including interest that will be paid on those liabilities up to the maturity of the instruments as updated during the year, ignoring the refinancing options available with the Company. The amounts included below for variable interest rate instruments for non derivative liabilities is subject to change if changes in variable interest rates differ to those estimates of interest rates determined at the end of the reporting period.

**Contractual maturities of financial liabilities

**28.4 Capital management**

For the purposes of the company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the company's capital management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The company monitors capital using gearing ratio, which is net debt (total debt less cash and bank balance) divided by total capital plus net debt.

₹ in Crore

| Particulars                                  | March 31, 2026  | March 31, 2025  |
|----------------------------------------------|-----------------|-----------------|
| Total Borrowings (note 13)                   | 2,069.13        | 2,041.33        |
| Less: Cash and bank balance (note 9 & 10)    | 252.24          | 263.90          |
| <b>Net Debt (A)</b>                          | <b>1,816.89</b> | <b>1,777.43</b> |
| <b>Total Equity (B)</b>                      | <b>1,659.84</b> | <b>1,559.91</b> |
| <b>Total Equity and Net Debt (C = A + B)</b> | <b>3,476.73</b> | <b>3,336.84</b> |
| Gearing ratio (A / C)                        | 52.26%          | 53.27%          |

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Non Adherence of Financial Covenants can lead to Event of Default whereby Lender may right to recall the call after expiry cure period permitted in respective period. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2026.

### 32 Segment information

The Company is primarily engaged in one business segment, namely developing, operating and maintaining the port services at Mundra, as determined by chief operational decision maker, in accordance with Ind AS - 108 "Operating Segment".

Considering the inter relationship of various activities of the business, the chief operational decision maker monitors the operating results of its business segment on overall basis. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

Further, all the revenue from Customers and assets of the Company are derived from the services rendered in India and situated in India respectively.

### 33 Disclosures as required by Ind AS - 19 Employee Benefits

- a) The Company has recognised, in the Statement of Profit and Loss for the current year, an amount of ₹ 0.50 Crore (previous year ₹ 0.61 Crore) as expenses under the following defined contribution plan.

|                 | ₹ in Crore  |             |
|-----------------|-------------|-------------|
| Contribution to | 2025-26     | 2024-25     |
| Provident Fund  | 0.50        | 0.61        |
| <b>Total</b>    | <b>0.50</b> | <b>0.61</b> |

- b) The Company has a defined gratuity plan (funded) and is governed by the Payment of Gratuity Act, 1972. Under the Act, every employee who has completed at least five years of service is entitled to gratuity benefits on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with Life Insurance Company of India (LIC) in form of a qualifying insurance policy for future payment of gratuity to the employees.

Each year, the management reviews the level of funding in the gratuity fund. Such review includes the assets-liability matching strategy. The management decides its contribution based on the results of this review. The management aims to keep annual contributions relatively stable at a level such that no plan deficits (based on valuation performed) will arise.

The following tables summarise the component of the net benefits expense recognised in the statement of profit and loss account and the funded status and amounts recognized in the balance sheet for the respective plan.

#### c) Gratuity

vi) The principle assumptions used in determining gratuity obligations are as follows:

| Particulars                              | March 31, 2026                               | March 31, 2025                               |
|------------------------------------------|----------------------------------------------|----------------------------------------------|
| Discount rate                            | 6.70%                                        | 6.90%                                        |
| Rate of escalation in salary (per annum) | 8.00%                                        | 8.00%                                        |
| Mortality                                | India Assured<br>Live Mortality<br>(2012-14) | India Assured<br>Live Mortality<br>(2012-14) |
| Attrition rate                           | 22.67%                                       | 24.49%                                       |

Liabilities with regard to these defined benefit plans are determined by actuarial valuation, performed by an external actuary, at each Balance Sheet date using the projected unit credit method. These defined benefit plans expose the Company to actuarial risks, such as longevity risk, currency risk, salary risk, interest rate risk and market risk.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

vii) Sensitivity Analysis Method

The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

viii) Quantitative sensitivity analysis for significant assumption is as below

Increase/(decrease) on present value of defined benefits obligation at the end of the year

| Particulars                           | March 31, 2026 |             | March 31, 2025 |             |

ix) Maturity profile of Defined Benefit Obligation

| Particulars                                                | March 31, 2026 | March 31, 2025 |
|------------------------------------------------------------|----------------|----------------|
| Weighted average duration (based on discounted cash flows) | 4 Years        | 3 Years        |

**x) The expected cash flows of defined benefit obligation over the future periods (valued on undiscounted bases)**

₹ in Crore

| Particulars        | March 31, 2026 | March 31, 2025 |
|--------------------|----------------|----------------|
| 1 year             | 0.70           | 0.60           |
| 2 to 5 year        | 1.87           | 1.61           |
| 6 to 10 year       | 0.92           | 0.65           |
| More than 10 years | 0.38           | 0.26           |

**xi) The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:**

| Particulars               | March 31, 2026 | March 31, 2025 |
|---------------------------|----------------|----------------|
| Investments with insurer* | 100%           | 100%           |

\* As the gratuity fund is managed by life insurance company, details of fund invested by insurer are not available with company.

**xii) Asset Liability Matching Strategies**

The Company has purchased insurance policy, which is basically a year-on year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity payable to the employees left during the year other than the payments made by the company directly (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).

The company expects to contribute ₹ 1.45 Crore to gratuity fund in the next year. (Previous year ₹ 1.00 Crore)

- 34** Information required to be furnished as per Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act) and Schedule III of the Companies Act, 2013 for the year ended March 31, 2026. This information has been determined to the extent such parties have been identified on the basis of information available with the Company.

#### Terms and conditions of transactions with related parties

Outstanding balances of related parties at the year-end are unsecured. For the year ended March 31, 2026, the Company has not recorded any impairment of receivables relating to amounts owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

#### Notes:

(i) The names of the related parties and nature of the relationships where control exists are disclosed irrespective of whether or not there have been transactions between the related parties. For others, the names and the nature of relationships is disclosed only when the transactions are entered into by the Company with the related parties during the existence of the related party relationship.

(ii) Aggregate of transactions for the year ended with these parties have been given below.

| A. | Transactions                                                   | Name of Related Party                                       | Relationship                                             | For the Year ended |                  |

### 39 Standards Issued but not effective

The Ministry of Corporate Affairs (MCA), as part of India's continued convergence with IFRS, has initiated the process for introduction of Ind AS 118 – Presentation and Disclosure in Financial Statements, which is converged with IFRS 18 issued by the IASB in April 2024. Ind AS 118 is intended to replace Ind AS 1 (Presentation of Financial Statements) and focuses on improving how entities present and communicate financial performance, particularly in the Statement of Profit and Loss.

This standard is proposed to be applicable for annual reporting periods beginning on or after 1 April 2027, subject to final notification by the MCA through amendment to the Companies (Indian Accounting Standards) Rules.

### 40 Statutory Information

- The Company does not have any benami property, where any proceeding has been initiated or pending against the Company for holding any benami property.
- The Company does not have any working capital facility availed from banks or financial institutions and hence it is not required to file Quarterly returns or statements of current assets with banks or financial institutions.
- The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
  - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
  - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- The Company is not declared willful defaulter by any bank or financial institution or lender during the year.
- The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.
- The Company does not have any transactions with companies which are struck off. (except mentioned in note 38)
- The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

41 The Company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software except that evidence of the audit trail feature being enabled and operated for direct changes to underlying database of the ERP software from May 27, 2025 to December 12, 2025 and audit trail logs was purged due to technical constraints with retention period of the storage solution and except in respect of certain billing interface. Further, there is no instance of audit trail feature being tampered with in respect of the accounting software where such feature is enabled. Additionally, the audit trail of relevant prior years has been preserved for record retention to the extent it was enabled and recorded in those respective years by the Company as per the statutory requirements for record retention.
