Entitled Shareholders will be provisionally allotted the Rights Shares under the Rights Issue on the basis of their shareholdings as at the Record Date, fractional entitlements (if any) being disregarded. Entitled Shareholders are at liberty to accept in full or in part, decline or otherwise renounce or in the case of Entitled Depositors only, trade their Nil-Paid Rights on the SGX-ST during the Rights Trading Period prescribed by the SGX-ST, and are eligible to apply for excess Rights Shares in excess of their Nil-Paid Rights. For the avoidance of doubt, only Entitled Shareholders (and not the Purchasers or the renounees) shall be entitled to apply for excess Rights Shares in excess of their provisional allotments under the Rights Issue.

For SRS Investors and investors who hold Shares through finance companies and/or Depository Agents, acceptances of the Rights Shares and (if applicable) applications for excess Rights Shares must be done through their relevant approved banks which they hold their SRS Accounts, finance companies and/or Depository Agents (as the case may be). Such investors should provide their relevant approved banks with which they hold their SRS Accounts, finance companies and/or Depository Agents (as the case may be) with the appropriate instructions early in order for such intermediaries to make the relevant acceptance and (if applicable) application by the Closing Date. Any acceptance and/or application made or purported to be made directly through CDP, the Share Registrar, the Company as well as by way of Electronic Application at any ATM of the Participating Bank or through an Accepted Electronic Service, will be rejected.

For Shareholders who have subscribed for or purchased Shares under the SRS, acceptances of their Rights Shares and (if applicable) application for excess Rights Shares can only be made using, subject to applicable SRS rules and regulations, monies standing to the credit of their respective SRS Accounts. Such Shareholders who have insufficient funds in their SRS Accounts may, subject to the SRS contribution cap, deposit cash into their SRS Accounts with their approved banks before instructing their respective approved banks to accept the Rights Shares and (if applicable) apply for excess Rights Shares. SRS monies may not, however, be used for the purchase of the Nil-Paid Rights directly from the market.

Entitled Depositors who do not receive the ARE may obtain it from CDP or the Share Registrar during the period up to the Closing Date.

Entitled Depositors should note that all notices and documents will be sent to their last registered address with CDP. Entitled Depositors are reminded that any request to CDP to update their records or to effect any change in address must reach CDP at 4 Shenton Way, #02-01, SGX Centre 2, Singapore 068807, not later than 5.00 p.m. (Singapore time) on a date being three (3) Market Days prior to the Record Date.

Entitled Scripholders who do not receive the PAL may obtain it from the Share Registrar during the period up to the Closing Date.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Entitled Scripholders should note that all notices and documents will be sent to their last registered address with the Company. Entitled Scripholders are reminded that any request to the Share Registrar to update their records or effect any change in address must reach the Share Registrar, Tricor Barbinder Share Registration Services at 9 Raffles Place, #26-01, Republic Plaza Tower 1, Singapore 048619, not later than 5.00 p.m. (Singapore time) on a date being three (3) Market Days prior to the Record Date.

All dealings in, and transactions of, the Nil-Paid Rights through the Main Board of the SGX-ST will be effected under the book-entry (scripless) settlement system. Accordingly, the PALs which are issued to Entitled Scripholders will not be valid for delivery pursuant to trades done on the Main Board of the SGX-ST.

Entitled Shareholders are encouraged to open Securities Accounts with CDP if they have not already done so and to deposit such share certificates with CDP prior to the Record Date so that their Securities Accounts may be credited by CDP with their Shares and the Nil-Paid Rights. Entitled Shareholders should note that their Securities Accounts will only be credited with the Shares on the twelfth (12th) Market Day from the date of lodgement of the share certificates with CDP or such later date as CDP may determine.

The procedures for, and the terms and conditions applicable to, acceptances, splitting, renunciation and/or sales of the Nil-Paid Rights and for the applications for excess Rights Shares, including the different modes of acceptance or application and payment are contained in Appendices I, II and III to this Offer Information Statement and in the PAL, the ARE and the ARS (as the case may be).

(b) FOREIGN SHAREHOLDERS

This Offer Information Statement and its accompanying documents relating to the Rights Issue have been lodged with the Authority in Singapore. This Offer Information Statement and its accompanying documents relating to the Rights Issue have not been and will not be lodged, registered or filed in any jurisdiction other than in Singapore. The distribution or dissemination of this Offer Information Statement and its accompanying documents may be prohibited or restricted (either absolutely or subject to relevant securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions. For practical reasons and in order to avoid any violation of the securities legislation applicable in jurisdictions other than Singapore, the Rights Shares will **NOT** be offered to and this Offer Information Statement and its accompanying documents have not been and will **NOT** be despatched or disseminated to Foreign Shareholders or into any jurisdictions outside Singapore.

Foreign Shareholders will not be entitled to participate in the Rights Issue. Accordingly, no provisional allotment of the Rights Shares has been made or will be made to Foreign Shareholders and no purported acceptance thereof or application therefor for the Rights Shares by any Foreign Shareholder will be valid.

This Offer Information Statement and its accompanying documents will also **NOT** be despatched to Foreign Purchasers. Foreign Purchasers who wish to accept the Nil-Paid Rights credited by CDP to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore. The Company further reserves the right to reject any acceptances of the Rights Shares and/or application for excess Rights Shares where it believes, or has reason to believe, that such acceptance and/or application may violate the applicable legislation of any jurisdiction.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Further, any renounee of an Entitled Scripholder, whose address as stated in the PAL is outside Singapore, will not be entitled to accept the Nil-Paid Rights renounced to him.

For the avoidance of doubt, even if a Foreign Shareholder has provided a Singapore address as aforesaid, the offer of Nil-Paid Rights and/or Rights Shares to him will be subject to compliance with applicable securities laws outside Singapore.

The Company reserves the right to treat as invalid any PAL, ARE or ARS which (a) appears to the Company or its agents to have been executed in any jurisdiction outside Singapore which may violate the applicable legislation of such jurisdiction; (b) provides an address outside Singapore for the receipt of the certificate(s) for the Rights Shares which requires the Company to despatch the share certificate(s) to an address in any jurisdiction outside Singapore; or (c) purports to exclude any deemed representation or warranty required by the terms of this Offer Information Statement, the ARE, the ARS or the PAL.

If it is practicable to do so, arrangements may, at the discretion of the Company, be made for the provisional allotments of the Rights Shares which would otherwise have been provisionally allotted to Foreign Shareholders to be sold “nil-paid” on the SGX-ST as soon as practicable after dealings in the Nil-Paid Rights commence. Such sales may, however, only be effected if the Company, in its absolute discretion, determines that a premium can be obtained from such sales, after taking into account the relevant expenses to be incurred in relation thereto.

The net proceeds from all such sales, after deduction of all expenses therefrom, will be pooled and thereafter distributed among Foreign Shareholders in proportion to their respective shareholdings or, as the case may be, the number of Shares standing to the credit of their respective Securities Accounts as at the Record Date and sent to them **AT THEIR OWN RISK** in such manner as they may have agreed with CDP for the payment of any cash distributions. If the amount of net proceeds distributable to any single Foreign Shareholder is less than S\$10.00, such net proceeds will be retained or dealt with as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder or persons acting for the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors, the Share Registrar, CDP and/or their respective officers in connection therewith.

Where such provisional allotments of Rights Shares are sold “nil-paid” on the SGX-ST, they will be sold at such price or prices as the Company may, in its absolute discretion, decide, and no Foreign Shareholder or persons acting for the account or benefit of any such persons shall have any claim whatsoever against the Company, the Share Registrar, CDP or their respective officers in respect of such sales or proceeds thereof, the provisional allotments of Rights Shares or the Rights Shares represented by such provisional allotments.

It is the responsibility of any person (including, without limitation, custodians, nominees and trustees) outside Singapore wishing to take up their Nil-Paid Rights or apply for excess Rights Shares under the Rights Issue to satisfy himself as to the full observance of the laws of any relevant territory in connection therewith, including the obtaining of any governmental or other consents which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The comments set out in this section are intended as a general guide only and any Foreign Shareholder who is in doubt as to his position should consult his professional advisers without delay.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

If such Nil-Paid Rights cannot be sold or are not sold on the SGX-ST as aforesaid for any reason by such time as the SGX-ST shall have declared to be the last day for trading in the Nil-Paid Rights, the Rights Shares represented by such provisional allotment will be aggregated and allotted to satisfy excess applications for Rights Shares (if any) or disposed of or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder or persons acting for the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors, the Share Registrar, CDP and/or their respective officers in connection therewith.

Shareholders should note that the special arrangements described above would apply only to Foreign Shareholders.

Notwithstanding the above, Shareholders and any other person having possession of this Offer Information Statement and its accompanying documents are advised to inform themselves of and to observe any legal requirements applicable thereto. No person in any jurisdiction outside Singapore receiving this Offer Information Statement and/or its accompanying documents may treat the same as an offer, invitation or solicitation to subscribe for any Rights Shares unless such offer, invitation or solicitation could lawfully be made without compliance with any registration or other legal requirements in those territories.

Fractional entitlements to the Rights Shares will be disregarded in arriving at Entitled Shareholders' allotments and will, together with the provisional allotments which are not taken up or allotted for any reason, be aggregated and used to satisfy excess applications for Rights Shares (if any) or otherwise disposed of or dealt with in such manner as the Directors may, in their absolute discretion, deem fit for the benefit of the Company.

In the allotment of excess Rights Shares, preference will, where appropriate, be given to the rounding of odd lots, and the Directors and the Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company, or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority for the rounding of odd lots and allotment of the excess Rights Shares.

The Company will not make any allotment and issue of any excess Rights Shares that will result in a transfer of controlling interest in the Company unless otherwise approved by Shareholders at a general meeting.

This Offer Information Statement and/or its accompanying documents are not intended for distribution outside of Singapore.

In circumstances where an invitation or offer would contravene any registration or other legal or regulatory requirements, this Offer Information Statement, the ARE, the ARS or the PAL must be treated as sent for information only and should not be copied or redistributed.

EXPECTED TIMETABLE OF KEY EVENTS

The above timetable is indicative only and is subject to change. As at the date of this Offer Information Statement, the Company does not expect the above timetable to be modified. However, the Company may, with the approval of the SGX-ST and/or CDP, modify the above timetable subject to any limitations under any applicable laws. In such an event, the Company will publicly announce any change to the above timetable through an SGXNET announcement to be posted on the SGX-ST's website at <http://www.sgx.com>.

The Rights Issue will not be withdrawn after commencement of ex-rights trading pursuant to Rule 820(1) of the Listing Manual.

TAKE-OVER LIMITS

The Code regulates the acquisition of ordinary shares of, *inter alia*, public companies including the Company. Under Rule 14 of the Code, except with the consent of the SIC, where:

- (a) any person acquires whether by a series of transactions over a period of time or not, Shares which (taken together with Shares held or acquired by parties acting in concert with him) carry 30% or more of the voting rights of the Company; or
- (b) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights in the Company and such person, or any person acting in concert with him, acquires in any period of six (6) months additional Shares carrying more than 1% of the voting rights,

such person must extend a mandatory take-over offer immediately to the holders of any class of Share capital of the Company which carries votes and in which such person, or persons acting in concert with him, hold Shares in accordance with the provisions of the Code. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

Depending on the level of subscription for the Rights Shares, the Company will, if necessary, scale down the subscription for the Rights Shares by any of the Shareholders (if such Shareholder chooses to subscribe for its *pro-rata* Rights entitlement) to avoid placing the relevant Shareholder in the position of incurring an obligation to make a mandatory take-over offer for the Shares under the Code as a result of other Shareholders not taking up their Rights Shares entitlement fully.

As at the Latest Practicable Date, the Concert Party Group collectively holds approximately 49.54%, and the TJ Group collectively holds approximately 44.59%, of the existing total number of issued shares in the Company (excluding treasury shares and subsidiary holdings). In connection with the Rights Issue, the Company had made an application to the SIC for, *inter alia*, a waiver of the obligation of the Concert Party Group (including the TJ Group) to make a mandatory take-over offer under Rule 14.1 of the Code, if the Concert Party Group (including the TJ Group) acquires Shares carrying more than 1% of the voting rights of the Company as a result of the subscription of Rights Shares pursuant to the Rights Issue. The SIC has granted a waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares pursuant to the Rights Issue.

The TJ Group subsequently informed the Company of its intention to subscribe for up to all excess Rights Shares (being all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement to the Rights Shares), either by way of the application for such excess Rights Shares or the acquisition of additional Nil-Paid Rights during the Rights Trading Period prescribed by the SGX-ST, by either member of the TJ Group. Accordingly, the Company sought the SIC's confirmation that there would be no change to the abovementioned waiver granted by the SIC. The SIC has confirmed that the waiver continues to remain valid, with a minor variation to clarify the waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares (including the excess Rights Shares) pursuant to the Rights Issue.

TAKE-OVER LIMITS

As set out in the Company's announcement dated 20 March 2024, pursuant to condition (v) of the AIP, the Concert Party Group has further confirmed to the Company that:

- (i) the TJ Group intends to, and will not later than the last day for acceptance and payment of the Rights Shares, subscribe for and pay in full for and/or procure the subscription of and payment in full for its *pro rata* entitlement to the Rights Shares in relation to the Shares held by it as at the Record Date, in compliance with the terms and conditions of the Rights Issue;
- (ii) the TJ Group further intends to subscribe for up to all the excess Rights Shares (being up to all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement to the Rights Shares) whether via application for additional Rights Shares in excess of its *pro rata* entitlement to the Rights Shares or by acquiring additional Nil-Paid Rights during the Rights Trading Period as prescribed by the SGX-ST, and by either member of the TJ Group; and
- (iii) the remaining persons acting in concert with the TJ Group (being Mr Thang's brothers and nephew) (under the Singapore Code on Take-overs and Mergers) do not intend to subscribe for their respective *pro rata* entitlement to the Rights Shares in relation to the Shares held by them respectively as at the Record Date, under the Rights Issue.

Accordingly, TJ Group will subscribe for an aggregate of 31,549,204 Rights Shares.

For illustrative purposes, considering the Concert Party Group's confirmation as quoted above and assuming no other Shareholders subscribe for the Rights Shares, the Concert Party Group would collectively hold approximately 66.36%, and the TJ Group would collectively hold approximately 63.06%, of the enlarged total number of issued shares in the Company (excluding treasury shares and subsidiary holdings) of 94,647,613 shares immediately following the completion of the Rights Issue.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Code as a result of the subscription of all or any of their respective Nil-Paid Rights pursuant to the Rights Issue or the acceptance of the Nil-Paid Rights or the application for excess Rights Shares, should consult the SIC and/or their professional advisers.

TRADING

1. LISTING OF AND QUOTATION FOR RIGHTS SHARES

The Company has on 28 February 2024 obtained the AIP from the SGX-ST for the listing of and quotation for up to 31,549,204 Rights Shares on the Main Board, subject to compliance with the SGX-ST's listing requirements and certain conditions as set out in the AIP. The AIP granted by the SGX-ST for the admission of, listing of and quotation for the Rights Shares is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company and/or its subsidiaries.

The listing of the Rights Shares will commence after all the securities certificates have been issued and the notification letters from CDP have been despatched. Upon listing and quotation on the Main Board of the SGX-ST, the Rights Shares when issued, will be traded on the Main Board of the SGX-ST under the book-entry (scripless) settlement system. All dealings in, and transactions (including transfers) of the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "**Terms and Conditions for Operation of Securities Accounts with CDP**" and the "**Terms and Conditions for CDP to act as Depository for the Rights Shares**", as the same may be amended from time to time. Copies of the above are available from CDP.

2. ARRANGEMENTS FOR SCRIPLESS TRADING

Entitled Scripholders and their renounees who wish to accept the Rights Shares provisionally allotted to them and (if applicable) apply for excess Rights Shares, and who wish to trade the Rights Shares issued to them on the Main Board of the SGX-ST under the book entry (scripless) settlement system, should open and maintain Securities Accounts with CDP in their own names (if they do not already maintain such Securities Accounts) in order that the number of Rights Shares and (if applicable) the excess Rights Shares that may be allotted to them may be credited by CDP into their Securities Accounts.

Entitled Scripholders and their renounees who wish to accept their provisional allotment of Rights Shares and/or apply for the excess Rights Shares and have their Rights Shares credited by CDP into their Securities Accounts must fill in their Securities Account numbers and/or National Registration Identity Card ("**NRIC**")/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL.

Entitled Scripholders and their renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who have provided incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in their Securities Accounts currently maintained with CDP, will be issued physical share certificates in their own names for the Rights Shares allotted to them and if applicable, the excess Rights Shares allotted to them. Such physical share certificates, if issued, will be forwarded to them by ordinary post at their own risk but will not be valid for delivery pursuant to trades done on the SGX-ST under the book entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title.

If an Entitled Scripholder's address stated in the PAL is different from his address registered with the Share Registrar, he must inform the Share Registrar of his updated address promptly, failing which the notification letter on successful allotment and other correspondence will be sent to his address last registered with the Share Registrar.

TRADING

A holder of physical Share certificate(s) of the Company or an Entitled Scripholder who has not deposited his Share certificate(s) with CDP but wishes to trade on the SGX-ST, must deposit his share certificate(s) with CDP, together with the duly stamped and executed instrument(s) of transfer in favour of CDP, pay applicable fees and have his Securities Account credited with the number of Rights Shares and/or existing Shares, as the case may be, before he can effect the desired trade.

3. TRADING OF ODD LOTS

All fractional entitlements to the Rights Shares have been disregarded in arriving at the entitlements of the Entitled Shareholders and will, together with entitlements not allotted or taken up for any reason, be aggregated and issued to satisfy applications, if any, for excess Rights Shares or otherwise disposed of or dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. Shareholders should note that the Shares are quoted on the SGX-ST in board lot sizes of 100 Shares.

Entitled Depositors who wish to trade all or part of their Nil-Paid Rights on the Main Board of the SGX-ST during the provisional allotments trading period should note that the Nil-Paid Rights will be tradable in board lots, each board lot comprising provisional allotments of 100 Rights Shares, or any other board lot size as the SGX-ST may require. Entitled Depositors who wish to trade in lot sizes other than board lots of 100 can do so on the SGX-ST's Unit Share Market. Such Entitled Depositors may start trading in their Nil-Paid Rights as soon as dealings therein commence on the Main Board of the SGX-ST.

Following the Rights Issue, Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots on the SGX-ST should note that the Unit Share Market of the SGX-ST has been set up to allow trading of odd lots with a minimum of one (1) Share. The market for trading of such odd lots may be illiquid. There is no assurance that Shareholders who hold odd lots of Shares will be able to acquire such number of Shares required to make up one board lot of 100 Shares, or to dispose of their odd lots (whether in part or in whole) on the SGX-ST's Unit Share Market. Shareholders who hold odd lots of Shares may have difficulty and/or have to bear disproportionate transaction costs in realising the fair market price of such Shares.

CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS

All statements contained in this Offer Information Statement, statements made in public announcements, press releases and oral statements that may be made by the Company or its officers, Directors or employees acting on its behalf, that are not statements of historical fact, constitute “forward-looking statements”. Some of these statements can be identified by words that have a bias towards the future or are forward-looking such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “forecast”, “if”, “intend”, “may”, “plan”, “possible”, “probable”, “project”, “should”, “will” and “would” or similar words. However, these words are not the exclusive means of identifying forward-looking statements. All statements regarding the Group’s expected financial position, operating results, business strategy, plans and future prospects of the Group’s industry are forward-looking statements. These forward-looking statements, including but not limited to statements as to the Group’s revenue and profitability, prospects, future plans and other matters discussed in this Offer Information Statement regarding matters that are not historical facts, are only predictions. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Group’s actual, future results, performance or achievements to be materially different from any future results, performance or achievements expected, expressed or implied by such forward-looking statements.

Given the risks (both known and unknown), uncertainties and other factors that may cause the Group’s actual future results, performance or achievements to be materially different from that expected, expressed or implied by the forward-looking statements in this Offer Information Statement, undue reliance must not be placed on these statements. The Group’s actual results, performance or achievements may differ materially from those anticipated in these forward-looking statements. Neither the Company nor any other person represents or warrants that the Group’s actual future results, performance or achievements will be as discussed in those forward-looking statements.

In light of the ongoing uncertainties in the global financial markets and its contagion effect on the real economy, any forward-looking statements contained in this Offer Information Statement must be considered with significant caution and reservation.

Further, the Company disclaims any responsibility to update any of those forward-looking statements or publicly announce any revisions to those forward-looking statements to reflect future developments, events or circumstances for any reason, even if new information becomes available or other events occur in the future. However, the Company may make an announcement to the SGX-ST and, if required, lodge a supplementary or replacement document with the Authority in the event, *inter alia*, that it becomes aware of a new development, event or circumstance that has arisen since the lodgement of this Offer Information Statement with the Authority, but before the Closing Date of the Rights Issue and that is materially adverse from the point of view of an investor or required to be disclosed pursuant to law and/or the SGX-ST.

The Company is also subject to the provisions of the Listing Manual regarding corporate disclosure.

PART 4: KEY INFORMATION

Use of Proceeds from Offer and Expenses Incurred

- 1. In the same section, provide the information set out in paragraphs 2 to 7 of this Part.**
-

Please refer to paragraphs 2 to 7 of this Part 4.

- 2. Disclose the estimated amount of the proceeds from the offer (net of the estimated amount of expenses incurred in connection with the offer) (called in this paragraph and paragraph 3 of this Part the net proceeds). Where only a part of the net proceeds will go to the relevant entity, indicate the amount of the net proceeds that will be raised by the relevant entity. If none of the proceeds will go to the relevant entity, provide a statement of that fact.**
-

The Rights Issue is expected to raise the Net Proceeds (after deducting estimated expenses of approximately S\$0.30 million) of approximately S\$2.22 million.

All Net Proceeds will go to the Company for allocation to its principal intended uses as set out below in paragraph 3 of this Part 4.

- 3. Disclose how the net proceeds raised by the relevant entity from the offer will be allocated to each principal intended use. If the anticipated proceeds will not be sufficient to fund all of the intended uses, disclose the order of priority of such uses, as well as the amount and sources of other funds needed. Disclose also how the proceeds will be used pending their eventual utilisation for the proposed uses. Where specific uses are not known for any portion of the proceeds, disclose the general uses for which the proceeds are proposed to be applied. Where the offer is not fully underwritten on a firm commitment basis, state the minimum amount which, in the reasonable opinion of the directors or equivalent persons of the relevant entity, must be raised by the offer of securities.**
-

The Company intends to use the Net Proceeds entirely to fund new investments and business expansion of the Group through acquisitions, joint ventures and/or strategic alliances as and when opportunities arise.

Pending the deployment of the Net Proceeds for the abovementioned purpose, such proceeds may be deposited with banks and/or financial institutions, invested in short-term money markets instruments and/or marketable securities and/or used for any other purposes on a short-term basis as the Directors may, in their absolute discretion, deem appropriate in the interests of the Group.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Company will make periodic announcements on the utilisation of the Net Proceeds as and when such proceeds are materially disbursed, and whether such use is in accordance with the stated use and in accordance with the percentage allocated. The Company will also provide a status report on the use of the Net Proceeds in the Company's interim and full year financial results announcement(s) and in the Company's annual report(s), until such time the Net Proceeds have been fully utilised. Where there is any material deviation from the stated use of the Net Proceeds, the Company will announce the reasons for such deviation.

The Rights Issue is not underwritten. However, the TJ Group has indicated that it intends to and will not later than the last day for acceptance and payment of the Rights Shares, subscribe for and pay in full for and/or procure the subscription of and payment in full for its *pro rata* Nil-Paid Rights in compliance with the terms and conditions of the Rights Issue. The TJ Group has further indicated that it intends to subscribe for up to all excess Rights Shares (being all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement to the Rights Shares), either by way of the application for such excess Rights Shares or the acquisition of additional nil-paid rights during the Rights Trading Period prescribed by the SGX-ST, by either member of the TJ Group.

In this regard, the Company had made an application to the SIC for, *inter alia*, a waiver of the obligation of the Concert Party Group (including the TJ Group) to make a mandatory take-over offer under Rule 14.1 of the Code, if the Concert Party Group (including the TJ Group) acquires Shares carrying more than 1% of the voting rights of the Company as a result of the subscription of Rights Shares pursuant to the Rights Issue. The SIC has granted a waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares pursuant to the Rights Issue. Following the Company's subsequent application, the SIC confirmed that such waiver continues to remain valid in the event that the TJ Group subscribes for up to all excess Rights Shares, with a minor variation to clarify the waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares (including the excess Rights Shares) pursuant to the Rights Issue.

As set out in the Company's announcement dated 20 March 2024, the TJ Group has further provided a confirmation to the Company on, *inter alia*, the abovementioned intention to subscribe for its *pro rata* Nil-Paid Rights and up to all the excess Rights Shares (being all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement) under the Rights Issue.

In the reasonable opinion of the Directors, the TJ Group's intention provide a strong indication of Shareholders' support for the Rights Issue and that there is no minimum amount which must be raised from the Rights Issue. Accordingly, the Company has decided to undertake the Rights Issue on a non-underwritten basis in view of the TJ Group's intention and savings in costs enjoyed by the Company as a result of not having to bear any underwriting fees and commission.

**DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE
SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND

4. For each dollar of the proceeds from the offer that will be raised by the relevant entity, state the estimated amount that will be allocated to each principal intended use and the estimated amount that will be used to pay for expenses incurred in connection with the offer.

Based on the intended use of the proceeds as described in paragraph 3 of this Part 4 above, for each dollar of the gross proceeds from the Rights Issue, the estimated amount that will be allocated for the intended use and the estimated amount that will be used to pay for expenses incurred in connection with the Rights Issue are as follows:

Intended Use of Proceeds	Per S\$ of gross proceeds
Fund new investments and business expansion of the Group	S\$0.88
Estimated costs and expenses	S\$0.12

5. If any material part of the proceeds to be raised by the relevant entity will be used, directly or indirectly, to acquire or refinance the acquisition of an asset, business or entity, briefly describe the asset, business or entity and state its purchase price. Provide information on the status of the acquisition and the estimated completion date. Where funds have already been expended for the acquisition, state the amount that has been paid by the relevant entity, or, if the relevant entity is the holding company or holding entity of a group, the amount that has been paid by the relevant entity or any other entity in the group as at the latest practicable date. If the asset, business or entity has been or will be acquired from an interested person of the relevant entity, identify the interested person and state how the cost to the relevant entity is or will be determined and whether the acquisition is on an arm's length basis.

As stated in paragraphs 3 and 4 of this Part 4 above, it is intended that the Net Proceeds raised from the Rights Issue will be used entirely to fund new investments and business expansion of the Group through acquisitions, joint ventures and/or strategic alliances as and when opportunities arise.

Ltd. ("FMV"), Eric Ng Tien Lin and Lim Koh Pang (collectively, the "Vendors") in relation to the proposed acquisition by the Company of an aggregate of 68,363 ordinary shares held by the Vendors in FMV (the "Sale Shares"), representing an aggregate of 40.0% of the total number of issued shares in the capital of FMV as at the date of completion (the "Proposed FMV Acquisition").

In connection with the Proposed FMV Acquisition and subject to Shareholders' approval, the Company intends to diversify its business and expand its core business to include music education and artist management.

FMV, a company incorporated in Singapore on 29 October 2018, is principally engaged in investment holding. FMV and its wholly-owned subsidiaries (collectively, the **"FMV Group"**) operate a music education business providing diploma and enrichment courses, and an artist management business. Following the SPA, the Vendors and FMV have completed a restructuring exercise, pursuant to a restructuring agreement, resulting in The Songwriter Music College Pte. Ltd., FM Pop Music School Pte. Ltd. and Funkie Monkeys Entertainment Pte. Ltd., all of which are Singapore-incorporated companies, becoming wholly-owned subsidiaries of FMV.

The purchase consideration for the Sale Shares (the **"Purchase Consideration"**) will be calculated in accordance with the formula below, up to a maximum amount of S\$2,400,000 (the **"Maximum Consideration"**) and a minimum amount of S\$688,000 (the **"Minimum Consideration"**):

where **"Net Profit Amount"** is the audited cumulative after-tax earnings of the FMV Group as set out in the FMV Group's audited cumulative consolidated accounts for the financial years ending 31 March 2024 and 31 March 2025 (the **"Earnout Accounts"**).

Pursuant to the SPA, the Purchase Consideration will be satisfied in the following manner:

- (i) 50% of the Purchase Consideration will be payable in cash (subject to the amount representing the Minimum Consideration being paid in cash); and
- (ii) the remaining 50% of the Purchase Consideration will be payable through (a) the issue of such number of new Shares, (b) in cash or (c) a combination of both, at the sole and absolute discretion of the Company.

As at the Latest Practicable Date and in accordance with the SPA, a portion of the Purchase Consideration amounting to S\$200,000 has been paid by the Company to the respective Vendors in cash as a deposit, within 7 business days upon the signing of the SPA. In the event that the Company terminates the SPA, save where such termination or rescission is due to the non-satisfaction (or waiver) of any conditions precedent under the SPA or failure to complete the Proposed FMV Acquisition, the Vendors will not be required to refund the aforementioned deposit to the Company.

The balance Purchase Consideration is intended to be fully funded by the Net Proceeds from the Rights Issue, internal resources and/or the allotment and issue of such number of new Shares.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Vendors are not related to the Group, the Directors and controlling shareholders of the Company, and their respective associates. Accordingly, the Proposed FMV Acquisition does not constitute an interested person transaction under Chapter 9 of the Listing Manual.

As set out in the Company's announcement dated 19 July 2023, subsequent to the SPA, the Company has appointed a professional firm to conduct a valuation on the FMV Group, as well as financial professionals to conduct financial due diligence investigations on the FMV Group. As set out in the Company's announcement dated 20 December 2023, the parties have also mutually agreed on an extension of time of an additional period of 6 months for the fulfilment (or otherwise waiver, at the Company's discretion) of the conditions precedent under the SPA, by way of a supplementary agreement dated 20 December 2023.

Please refer to the Company's announcements dated 24 March 2023, 11 April 2023, 13 April 2023, 16 May 2023, 29 May 2023, 19 July 2023 and 20 December 2023 for further information in relation to the Proposed FMV Acquisition.

Key Developments in FY2021

On 3 July 2020, the Company issued a profit warning with respect to its unaudited financial results for FY2020, following a preliminary assessment of the Group's financial results. The Company explained that the profitability of the Group in FY2020 was mainly affected by the anticipated material impairment on the outstanding trade receivables of the Group, due to difficulty faced in the collectability of such trade receivables. The business operations of the Group's customers were inadvertently disrupted due to the strict government containment measures implemented in Singapore, Malaysia and Indonesia, to combat the rapid spread of the COVID-19 pandemic. Further details on the Group's financial performance were disclosed in the unaudited financial results for FY2020 released by the Company via the SGXNET on 30 July 2020.

On 28 September 2020, the Company highlighted variances between the unaudited financial results for FY2020 announced on 30 July 2020, and the audited financial statements for FY2020. Certain adjustments and reclassifications to the unaudited consolidated statement of cash flows for FY2020 were made, following the finalisation of the audit. However, it was noted that the variances had no impact on the cash and cash equivalents at the end of FY2020 in the consolidated statement of cash flows of the Group.

On 1 October 2020, the Company announced that Mr Foong Daw Ching, an independent director of the Company, had informed that he attended an interview with the Market Conduct Investigations (Enforcement Department) of Monetary Authority of Singapore ("MAS") in conjunction with the Commercial Affairs Department ("CAD") in relation to the investigation conducted by the MAS and CAD on ayondo Ltd. regarding a possible offence under the Securities and Futures Act 2001 of Singapore. It was noted that the aforementioned matter was not related to the Company or the Group, and accordingly did not affect the business and operations of the Company and the Group. Based on information available to the Board then, the Board was of the view that Mr Foong's performance of his duties as an independent director of the Company, would not be compromised by the aforesaid investigation.

On 26 October 2020, the Company announced the approval of the Shareholders at an extraordinary general meeting for the proposed disposal of the property located at 205A Kallang Bahru, Singapore 339342 as a major transaction as defined in Rule 1014 of the Listing Manual. The property was held by YG Marketing Pte. Ltd., an 87.3%-owned subsidiary of the Company, and used as its office and warehouse, prior to the relocation and consolidation of the Group's office and warehouse to its current registered office located at 53 Ubi Avenue 3, Singapore 408863 in 2017.

On 2 November 2020, the Company issued a profit warning with respect to its unaudited financial results for HY2021, following a preliminary assessment of the Group's financial results. The business operations of the Group in HY2021 were severely disrupted due to the strict travel restrictions, social distancing measures, and government actions implemented in Singapore, Malaysia and Indonesia, to combat the rapid spread of the COVID-19 pandemic. The Group had implemented cost cutting measures commencing from February 2020, to mitigate the impact of COVID-19 pandemic. For instance, the Group's employees, management and directors participated in various voluntary cost cutting measures including no pay leave and wage reduction.

On 5 November 2020, the Company announced the completion of the disposal of the property located at 205A Kallang Bahru, Singapore 339342.

Key Developments in FY2022

During FY2022, the Group further embarked on restructuring efforts to streamline its business units for effective cost-savings and raise efficiency, such as through the creation of a shared services team where the finance and human resource divisions are integrated to provide shared functions for the Group. The Group also set up a new digital marketing business unit to deepen its online marketing capabilities and expand its presence online, so as to reduce its reliance on retailers and capitalise on social media for its brand outreach efforts. As part of the business unit's digital marketing efforts, the Group revamped its corporate website www.etravelite.com.

Key Developments in FY2023

On 17 August 2022, the Company announced the cessation of Ms Wong Pooi Kuan as the Group Financial Controller and Company Secretary with effect from 16 September 2022.

On 4 October 2022, the Company announced the appointment of Mr Chong Tien Chen as the Group Financial Controller and Company Secretary with effect from 10 October 2022. Following his appointment, Mr Chong Tien Chen would be responsible for the overall financial accounting, financial reporting and matters relating to the corporate finance of the Group.

On 24 March 2023, the Company announced that it had on 24 March 2023 entered into a sale and purchase agreement with FMV, Eric Ng Tien Lin and Lim Koh Pang (collectively, the "**Vendors**") in relation to the proposed acquisition by the Company of 68,363 ordinary shares held by the Vendors in FMV (the "**Sale Shares**"), representing an aggregate of 40.0% of the total number of issued shares in the capital of FMV as at the date of completion (the "**Proposed FMV Acquisition**"). Upon completion of the Proposed FMV Acquisition, FMV will become a 40.0%-owned associated company of the Company. In connection with the Proposed FMV Acquisition and subject to Shareholders' approval, the Company further announced its intention to diversify its business and expand its core business to include music education and artist management.

On 24 March 2023, the Company also announced the Rights Issue subject to, *inter alia*, the receipt of AIP from the SGX-ST for the listing of and quotation for the Rights Shares on the Main Board, the whitewash waiver being granted by the SIC (if required), the requisite Shareholders' approval for the Rights Issue and/or the whitewash resolution being obtained at EGM (if required), and the lodgement of this Offer Information Statement with the Authority. In this regard, the Company had made an application to the SIC for, *inter alia*, a waiver of the obligation of the Concert Party Group (including the TJ Group) to make a mandatory take-over offer under Rule 14.1 of the Code, if the Concert Party Group (including the TJ Group) acquires Shares carrying more than 1% of the voting rights of the Company as a result of the subscription of Rights Shares pursuant to the Rights Issue. The SIC has granted a waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares pursuant to the Rights Issue. Accordingly, the Company will not be required to convene an EGM to seek Shareholders' approval in connection with the Rights Issue.

Key Developments from 1 April 2023 to the Latest Practicable Date

On 19 July 2023, the Company updated Shareholders that, subsequent to the SPA for the Proposed FMV Acquisition, the Company has appointed a professional firm to conduct a valuation on the target group, as well as financial professionals to conduct financial due diligence investigations on the target group. The Company has also appointed legal professionals and is organising the Shareholders' circular to seek Shareholders' approval in relation to, *inter alia*, the Proposed FMV Acquisition and diversification of business.

Subsequently, on 20 December 2023, the Company announced the extension of time of an additional period of 6 months for the fulfilment (or otherwise waiver, at the Company's discretion) of the conditions precedent under the SPA in respect of the Proposed FMV Acquisition, by way of a supplementary agreement dated 20 December 2023.

On 19 December 2023, the Company announced that it had sought the SIC's confirmation that there would be no change to the abovementioned waiver granted by the SIC, in the event that the TJ Group subscribes for up to all excess Rights Shares (being all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement to the Rights Shares) either by way of the application for such excess Rights Shares or the acquisition of additional nil-paid rights during the Rights Trading Period prescribed by the SGX-ST. The SIC has confirmed that the waiver continues to remain valid, with a minor variation to clarify the waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares (including the excess Rights Shares) pursuant to the Rights Issue.

On 28 February 2024, the Company announced that it has, on 28 February 2024, obtained the AIP from the SGX-ST for the listing of and quotation for up to 31,549,204 Rights Shares on the Main Board of the SGX-ST, subject to compliance with the SGX-ST's listing requirements and certain conditions as set out in the AIP. The AIP granted by the SGX-ST for the admission of, listing of and quotation for the Rights Shares is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company and/or its subsidiaries.

On 20 March 2024, the Company announced the Record Date of the Rights Issue to be 28 March 2024. The Company has also announced the confirmation from the Concert Party Group of TJ Group's intention to subscribe in full for its *pro rata* Nil-Paid Rights and up to all the excess Rights Shares (being all the Rights Shares under the Rights Issue in excess of its *pro rata* entitlement) under the Rights Issue, and that the remaining persons acting in concert with the TJ Group (being Mr Thang's brothers and nephews) do not intend to subscribe for their respective *pro rata* entitlement for the Rights Issue.

Not applicable. The audited financial statements in respect of the most recently completed financial year have been published and are made available on the SGX-ST's website at <https://www.sgx.com/>.

4. In respect of –

- (a) each financial year (being one of the 3 most recently completed financial years) for which financial statements have been published; and**
- (b) any subsequent period for which interim financial statements have been published, provide information regarding any significant factor, including any unusual or infrequent event or new development, which materially affected profit or loss before tax of the relevant entity or, if it is the holding company or holding entity of a group, of the group, and indicate the extent to which such profit or loss before tax of the relevant entity or the group, as the case may be, was so affected. Describe any other significant component of revenue or expenditure necessary to understand the profit or loss before tax for each of these financial periods.**

A description of the significant factor(s), including any unusual or infrequent event(s) or new development(s), which materially affected profit or loss before tax of the Group, and the extent to which such profit or loss before tax of the Group was so affected for FY2021, FY2022, FY2023 and HY2024 is set out below:

HY2024

Revenue of the Group decrease to S\$20.7 million in HY2024. Higher revenue was recorded in the previous financial period mainly due to the full re-opening of Singapore border in April 2022 and the lifting of restriction of working from home.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The gross profit margin of the Group improved slightly from 45.7% in HY2023 to 53.1% in HY2024 due to adjustment made to the selling price.

Interest income mainly derived from the fixed deposit placed with financial institutions during the period.

Marketing and distribution cost mainly attributed to the staff salary during the period. Administrative expenses remain consistent. Finance costs mainly derived from the interest trust receipts with financial institutions.

As a result of the above, the Group recorded profit before tax of S\$1.01 million for HY2024.

FY2023

The Group reported an 85.3% year-on-year surge in revenue to S\$46.39 million as the Group's performance gradually improved following the full reopening of Singapore's borders, which led to tourism spending, and the lifting of work-from-home requirements.

Similarly, gross profit margin increased slightly from 45.6% in FY2022 to 48.6% in FY2023, mainly due to the larger contribution by the apparel division.

Interest income of S\$50,000 derived from deposits placed with the financial institutions.

The increase in marketing and distribution costs, and administrative expenses were in line with the increase in revenue. More expenses such as promotion, commission and warehouse expenses have incurred as compared to the previous financial year. The increase in finance costs was primarily due to higher interest of trust receipts with the financial institutions.

During the year, the Group registered other gains of S\$2.56 million, mainly comprising reversal of impairment on inventories of S\$1.86 million and government grants of S\$0.69 million. The Group's other losses were recorded at S\$0.89 million, of which S\$0.63 million comprised allowance for impairment on trade receivables.

As a result of the above, the Group saw a significant increase in profit before tax of S\$3.54 million for FY2023, compared to S\$0.26 million as recorded in FY2022.

FY2022

The Group reported a 38.8% year-on-year surge in revenue to S\$25.03 million in FY2022 on the back of improved performance due to the lifting of travel restrictions in more countries. However, gross profit margin was slightly lower at 45.6% in FY2022 against 46.1% in FY2021 as a result of lower contribution by specialty stores, corporate sales and wholesale distribution divisions.

During the year, the Group registered other gains of S\$2.90 million, comprising government grants from the Job Support Scheme (JSS) and rental concession of S\$1.68 million, reversal of impairment on inventories of S\$0.77 million, and other gains of S\$0.45 million.

**DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE
SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND
SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018**

Other losses of S\$0.56 million was mainly due to bad debts and inventories written off, which contributed S\$0.24 million and S\$0.23 respectively.

As a result of the above, the Group managed to turn around to achieve profit before tax of S\$0.26 million, further paring down its net loss from S\$1.37 million in FY2021 to S\$0.18 million in the reporting year.

FY2021

As a result of the COVID-19 pandemic, Group revenue declined by 57.6% to S\$18.0 million in FY2021. In spite of this, gross profit margin improved from 42.8% to 46.1%, due to higher contribution from the specialty stores and wholesale distribution divisions.

Separately, the Group reported other gains of S\$5.74 million which consisted primarily of government grants of S\$3.54 million and gain on disposal of property held for sale of S\$2.16 million.

Meanwhile, the Group also recorded other losses of S\$2.70 million in FY2021 mainly attributed to allowance for impairment on inventories, trade and other receivables, bad debts written off and foreign exchange losses.

In view of the above, the Group reported a loss before tax of S\$1.10 million in FY2021.

HY2024

Net cash used in operating activities in HY2024 recorded at S\$1.4 million. This was mainly due to the increase in purchase of inventories to cater for the coming festival season like Christmas and Chinese New Year.

Net cash used in investing activities in HY2024 of S\$0.4 million was mainly used for the purchase of property, plant and equipment.

Net cash used in financing activities amounted to S\$3.2 million in HY2024, mainly due to payment of lease liabilities and decrease in other financial liabilities during the six months financial period.

FY2023

Net cash generated from operating activities in FY2023 increased to S\$9.5 million. This was mainly due to (i) increase in profit before tax to S\$3.5 million, and (ii) increase in trade and other payables of S\$4.0 million, mainly due to more purchases towards the year end in order to cater for the coming events.

Net cash used in investing activities in FY2023 of S\$0.8 million was mainly used for the purchase of property, plant and equipment.

Net cash used in financing activities amounted to S\$1.6 million in FY2023, mainly due to (i) payment of lease liabilities of S\$1.7 million, (ii) decrease in other financial liabilities of S\$2.9 million, and (iii) interest paid of S\$0.8 million, offset with increase in new borrowings of S\$3.7 million.

As a result of the above, the Group's cash and cash equivalents increased from S\$13.3 million as at 31 March 2022 to S\$20.4 million as at 31 March 2023.

Both local consumer and oversea tourist spending in Singapore are expected to continue rising, after the world emerges from the COVID-19. In March 2023, China has reopened its borders to foreign tourist since the pandemic.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Taking this into consideration, the Group has planned for:

- (i) Participation in more mega luggage events such as NATAS (National Association of Travel Agents Singapore) and Takashimaya Mega Luggage Fair. Travel fairs have returned in Singapore after its border is fully open. Such events will indirectly increase the demand of travel-related accessories;
- (ii) More promotional events such as atrium sales for both luggage, travel accessories and apparel. The atrium sales are not only targeted at tourist-based shopping malls but also neighbourhood shopping malls;
- (iii) Opening of new boutiques; and
- (iv) Exploring suitable new store locations.

In the aftermath of the global pandemic, the Group has witnessed a significant shift in consumer behaviour, with more and more individuals opting to purchase products and services online. Recognising this change, the Group has been diligently analysing market trends and consumer preferences to formulate a proactive strategy to meet the evolving needs of its customers.

To effectively address this shift, the Group has decided to focus on improving its digital presence across multiple platforms. Some key initiatives include:

- (i) Enhancing existing online shopping platform by improving website functionality, optimising search capabilities, and streamlining the checkout process to make it more convenient and efficient;
- (ii) Actively exploring partnerships with popular social media platforms such as TikTok; and
- (iii) Collaborating with major airline applications (e.g. Kris+).

On 24 March 2023, the Company announced the proposed acquisition of 40% of the total number of issued shares in the capital of Funkie Monkeys Ventures Pte. Ltd.. Subject to the requisite approvals being obtained, the Group intends to diversify its business to include music education and artist management.

In the event that the completion of the Proposed FMV Acquisition does not take place, the Company will continue to pursue its plans to diversify and expand its core business, and will explore other acquisitions, joint ventures and/or strategic alliances as and when opportunities arise.

Trends, Uncertainties, Demands, Commitments or Events

Save as disclosed above and in this Offer Information Statement, the annual report of the Company for FY2023 and public announcements, and barring unforeseen circumstances, the Directors are not aware of any known trends, uncertainties, demands, commitments or events that are reasonably likely to have a material effect on its net sales or revenues, profitability, liquidity or capital resources for the current financial year, or that would cause the financial information disclosed in this Offer Information Statement to be not necessarily indicative of the future operating results or financial conditions.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Please refer to the risk factors below for more information on the factors which may affect the Group's revenue and financial performance.

Risk Factors

To the best of the Directors' knowledge and belief as at the Latest Practicable Date, the risk factors that are material to Shareholders and prospective investors in making an informed decision on the Rights Issue are set out below. Shareholders and prospective investors should carefully consider and evaluate each of the following considerations and all other information contained in this Offer Information Statement before deciding whether to invest in the Rights Shares.

The risks described below are not intended to be exhaustive. New risk factors emerge from time to time, and it is not possible for the management to predict all risk factors, nor can the Group assess the impact of all factors on the Rights Issue or the extent to which any factor, or combination of factors, may affect the Group. In addition to the risks described below, the Group could be affected by risks relating to the industries and countries in which the Group operates as well as those that may generally arise from, *inter alia*, economic, business, market and political risks. There may be additional risks not presently known to the Group, or that the Group may currently deem immaterial, which could affect its operations. If any of the following considerations and uncertainties develop into actual events, the business, results of operations, financial condition and prospects of the Company and the Group may be materially and adversely affected. In such event, the trading price of the Shares and/or the Rights Shares could decline due to any of these considerations and uncertainties. Moreover, there is a risk that the trading of the Shares may be suspended and the Company may be eventually delisted. Accordingly, Shareholders may lose all or part of their investment in the securities of the Company.

Risks relating to the business of the Group

The Group is dependent on distributorships granted by third party licensors and principals for the conduct of its business

The Group's existing core business is the distribution of luggage, menswear, ladies' fashion and other travel-related accessories. The Group represents over 20 international brands, either as a licensee or distributor, to market their products across various parts of Southeast Asia, through distribution channels consisting of departmental stores, chain of specialty stores, third party retail outlets, gift redemption and corporate gift programmes in Singapore and Malaysia; and wholesale distribution to third party distributors in countries such as Brunei, Cambodia, Indonesia, Myanmar, Thailand, Maldives and Kuwait. The Group's rights to market, sell and distribute merchandise under these third party brands are granted by third party licensors and principals under the respective licence and agency agreements, which are subject to review and renewal on a periodic basis. In the event that the licence or agency agreements for any third party brands are terminated prematurely, or not renewed upon their expiry date, or the licence and other fees payable by the Group under the agreements are increased substantially upon renewal, or the Group loses its exclusive status granted by its third party licensors and principals, the business and financial performance of the Group will be adversely affected.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Group is exposed to credit risks of its customers

The average credit period generally granted by the Group ranges from approximately 7 days to 30 days, except for an overseas distributor to whom extended credit terms are granted or as may be agreed between the Group and customers on a case-by-case basis as the Group deems reasonable. The Group faces uncertainties over the timeliness of its customers' payments and their ability to pay. The Group's customers' ability to pay may be affected by events or circumstances that are difficult to foresee or anticipate, such as a decline in their business or an economic downturn. Hence, there can be no assurance that the Group will be able to collect its trade debts fully or within a reasonable period of time and this could adversely affect its cash flow, financial position and financial performance.

The Group's financial performance is dependent on its ability to retain existing customers or gain new customers

The Group's financial performance is directly affected by its ability to retain existing customers or gain new customers, which in turn depends on the Group's ability to source for and procure merchandise that is suitable for its target markets at competitive pricing with good product quality and value. If the Group is unable to continue to procure new merchandise under third party brands due to any reason whatsoever, or fails to launch new merchandise under licensed brands or our house brands due to any reason whatsoever, the business and financial performance of the Group will be adversely affected.

The performance of the Group's departmental store counters and chain of specialty stores is dependent on their locations

As the target market for the merchandise marketed, sold and distributed by the Group are general consumers, the locations of the Group's departmental store counters and chain of specialty stores will directly affect the amount of sales achieved. Good locations in Singapore and Malaysia at cost-effective rental rates are not easily available. Hence, in the event that there are no suitable locations available, or the lease of premises are not renewed at rental rates that are cost-effective to the Group, the business and financial performance of the Group may be adversely affected.

The Group's marketing efforts, including advertising, to promote the merchandise of any particular brand may not yield favourable results

The nature of the Group's business requires the Group to advertise and promote new merchandise or new brands that it sells. Such marketing campaigns are generally costly and may not necessarily yield the anticipated favourable results. This could apply even for established brands in the market, as the success of any marketing campaign is also dependent on the consumers' acceptance of the products. In the event that the sales of any of the Group's products are not satisfactory after having incurred substantial marketing costs, the business and financial performance of the Group will be adversely affected.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Failure to keep abreast of trends in fashion and lifestyle will adversely affect the sales results of the Group

The Group markets, sells and distributes various luggage, menswear, ladies' fashion and other travel-related accessories. Such merchandise needs to be functional yet keeping with the latest fashion trends and lifestyle of the target consumers of the Group. In the event that the Group is unable to keep abreast of the latest trends in fashion and lifestyle of consumers and continue to procure new and/or suitable merchandise, the merchandise marketed, sold and distributed by the Group will either lose its appeal or become irrelevant to its target consumers. In such event, the business and financial performance of the Group will be adversely affected.

The Group may be affected by economic downturn and reduction in consumer spending

The industry which the Group operates in has historically been subject to cyclical economic downturn which affects consumer spending habits, thereby negatively impacting the Group's sales, gross margins and profitability. The Group's business is dependent on continued consumer spending. Consumer spending may be affected by a number of factors, including actual and perceived economic conditions, inflation, unemployment rate, interest rates, and availability of credit in the markets where the Group's merchandise is marketed, sold and distributed. Any significant and adverse change to the aforementioned factors could reduce the level of consumer spending. In such event, the business and financial performance of the Group may be adversely affected.

The Group is subject to risks relating to the outbreak of infectious and communicable diseases and public health emergencies such as the COVID-19 pandemic

An outbreak of infectious and communicable diseases, such as severe acute respiratory syndrome (SARS) and COVID-19, in the countries in which the Group operates may adversely affect its business, operations and financial performance. An outbreak of communicable diseases, if uncontrolled, could affect the Company's operations, as well as the operations of its customers, subcontractors and suppliers. For example, the recent COVID-19 pandemic has had a wide-ranging and sustained adverse impact on businesses globally, including those in the Company's industry. The outbreak of infectious and communicable diseases may have an impact on the sale and distribution of merchandise such as travel and luggage products due to public safety and travel border restrictions which may curtail travel and leisure activities.

An outbreak of such infectious diseases in any countries in which the Group has operations may affect consumer sentiment and spending and demand for the Company's merchandise, and this may adversely affect the business and financial performance of the Group. The Group's staff and employees in such countries may also be affected by any outbreak of such infectious diseases and this may adversely affect the day-to-day operations of the Group, thereby adversely affecting its business and financial performance.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Group may face intense competition from existing competitors in the industry and new market entrants in respect of its existing business or any proposed new business that it enters into, which may erode the Group's margins and revenue

The Group may face strong competition from existing competitors in the industry as well as new entrants in respect of its existing business or any proposed new business that it enters into. Competition in the supply and distribution of retail travel and luggage market is intense due to the relatively low barriers to entry. The Group faces competition from existing industry peers and new entrants who are able to offer products of similar quality and designs from brands that compete with those brands that the Group markets, sells and distributes. Hence, it is important for the Group to source for and purchase products at competitive prices that meet its customers' requirements and specifications. The competitors of the Group may be significantly larger than the Group and have access to greater financial, technical and other resources and thus can better withstand adverse economic and market conditions. The Group may not be able to provide comparable services at lower prices or respond more quickly to market trends than potential or existing competitors who may have larger financial resources and/or stronger track records. Competition may result in downward pressure on the selling prices of the Group's products or increased costs to improve on non-price competitive measures, either of which may erode the Group's profit margins and adversely affect its profitability.

There is no assurance that the Group will be able to compete effectively with its existing and future competitors and adapt quickly to changing market conditions and trends. In the event that the Group is not able to compete successfully against its competitors or adapt to market conditions, its business operations, financial performance and financial condition may be adversely affected.

The Group may not have recourse against its principals or licensors, their distributors or suppliers in claims for infringement of intellectual property rights

Third parties may attempt to challenge the ownership of intellectual property held by the Group's brand principals, who have granted the Group rights to market, sell and distribute products under their trademarks either as licensee, agent or distributor, especially where their trademarks are still pending registration. Generally, the Group may not have recourse against its brand principals or licensors for the supply of products under licensed brands in those territories where their trademarks registration have not been finalised. In addition, for products sold by the Group as agents or as distributors, the Group's right of recourse against its brand principals, their licensors, authorised distributors or suppliers may be limited by the terms of its purchase to the extent that they are not expressly provided (for instance, where an express provision regarding the Group's right of recourse against its suppliers is not stated in its orders of purchase), or where such express provision is stated in its order of purchase, to the extent that it is unable to prove or substantiate the merits of its claim based on the available evidence. In any of such events, the Group will suffer loss which could have an adverse effect on its business and financial performance.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Group may be affected by the brand value of third party brands

The Group's success depends on the value of the brands and trademarks that it markets, sells and distributes merchandise under. The Group is susceptible to others imitating its products and infringing the intellectual property rights of its brand principals. Imitation or counterfeiting of the Group's products or infringement of such intellectual property rights could diminish the value of these brands or otherwise negatively affect its revenue. In addition, should there be any adverse publicity against any of these brands, it may erode consumers' confidence and perception of these brands, which will in turn have a negative impact on the Group's business and financial performance. The Group cannot assure that others will not assert rights in, or ownership of, trademarks and other intellectual property rights of the Group or in marks that are similar to it or marks that it markets, sells and distributes under, or that the Group will be able to successfully resolve these conflicts to its satisfaction. The Group may need to resort to litigation to enforce its intellectual property rights, which could result in substantial costs and diversion of resources. In addition, any legal actions by third parties adverse to its brand principals could damage the brand equity associated with these trademarks and brands, which could have an adverse effect on the business and financial performance of the Group.

The Group's business may be adversely affected by parallel imports

Parallel imports refer to the commercial practice whereby genuine goods bearing the same trademarks are purchased from one country and then imported into a second country for resale. The goods imported are those manufactured and released for sale by authorised distributors and the licensors who are usually the respective owners of the trademarks. These goods are usually imported because the particular style is either unavailable there or the cost of the imported goods is lower. Lower costs may be the result of fluctuations in currencies, or simply due to the cost structure of distribution imposed by the licensor. Should there be an increase in parallel imports of goods that the Group markets, it may result in lower prices for its products and decreased gross profit margins, either of which would negatively affect its sales and profitability.

The Group is dependent on key personnel for the continued success of the business

The Group's continued success has been, to a significant extent, due to the collective efforts of the Executive Chairman (Mr Thang Teck Jong), supported by a team of Executive Officers. The continued success and growth of the Group is therefore dependent on its ability to retain the services of these key personnel. Consequently, the loss of the services of any of the Group's key personnel without a suitable and timely replacement or the inability to attract and retain other qualified personnel would adversely affect the operations and financial performance of the Group.

The Group's insurance coverage may not be adequate

The Group has insured against claims arising from fire, burglary and public liability as well as workman compensation that occur in connection with its business and operations. However, in the event that the amount of such claims exceed the coverage of the insurance policies which the Group has taken up, the Group may be liable for shortfalls of the amounts claimed. The Group is not insured against loss of key personnel and business interruption.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

If such events were to occur, the business and financial position of the Group will be materially and adversely affected.

The Group is exposed to foreign exchange risks

As a result of the geographic diversity of our business, the Group is affected by changes in foreign currency rates. Foreign currency fluctuations affects the Group because of mismatches between its reporting currency and the currencies in which its revenues are received and operational costs are incurred. Any fluctuations in foreign exchange rates between the Group's reporting currency and the currencies in which it receives its revenues and incur operational costs could have a material adverse effect on the Group's business, financial condition, results of operations and prospects.

The Group may have no prior track record and operating experience in any new investments or proposed new business that it enters into

If the Group enters into any new investments or proposed new business, it will face the usual risks, uncertainties and problems associated with the entry into any new business which it has no prior track record and operating experience in.

There is no assurance that the Group's foray into any new investments or proposed new business will be commercially successful and that the Group will be able to derive sufficient revenue to offset the capital and/or acquisition costs as well as operating costs arising from such new investments or proposed new business. Such new investments or proposed new business may require significant capital commitments and may expose the Group to unforeseen liabilities or risks associated with its entry into new markets or new businesses. The Group may also be exposed to the risks associated with a different competitive landscape and a different operating environment from that of the existing core business of the Group.

The Group's future plans with regard to such new investments or proposed new business may not be profitable, may not achieve sufficient profitability to justify the investments and/or acquisition costs and may require a long period of time before the Group can realise any returns. Further, such future plans and new initiatives could be capital intensive and could also result in potentially dilutive issuances of equity securities, the incurrence of capital commitments, debt and contingent liabilities as well as increased operating expenses, all of which may materially and adversely affect the financial performance of the Group. Such new investments or proposed new business may also involve business risks including the financial costs of setting up new operations, capital investment and maintaining working capital requirements. If the Group does not derive sufficient revenue from or does not manage the costs of such new investments or proposed new business effectively, the overall financial position and profitability of the Group may be adversely affected.

Any new investments or proposed new business may be subject to risks associated with acquisitions, joint ventures, partnerships or strategic alliances

Depending on available opportunities, feasibility and market conditions, the Group's expansion into any new investments or proposed new business may involve acquisitions, joint ventures, partnerships and/or strategic alliances with third parties, in Singapore as well

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

as overseas markets that the Group intends to focus on. Such third parties may be individuals or economic entities with their own assets and liabilities beyond the scope of the Group's knowledge. In the event any of the Group's partners is unable to fulfil their respective contractual obligations or commitments, the Group's business operations may be materially adversely affected and this might adversely affect the Group's financial performance.

Additionally, in the Group's participation in any joint ventures, the Group may make investments in entities that are not the Group's subsidiary and over which the Group does not have majority control. The performance of these entities and the Group's share of their results are subject to the same or similar risks relating to such proposed new business that affect the Group as described herein. There is no assurance that the Group will be able to influence the management, operation and performance of these entities through its voting rights, in a manner which would be favourable to the Group, or at all. Although the Group will evaluate the projects and the expertise, competencies, historical track record and financial standing of the partners concerned in considering the projects or selecting partners to work with, there is no assurance that such efforts will be successful. If all or any of these entities were to perform poorly, the Group's overall business, financial condition, results of operations and prospects may be adversely affected.

Risks Relating to the Shares and the Rights Shares

Future sale of Shares could materially and adversely affect the Share price

Any future sale or availability of Shares can have a downward pressure on the Share price. The sale of a significant amount of Shares on the SGX-ST after the Rights Issue, or the perception that such sales may occur, could materially affect the market price of the Shares. These factors also affect the Company's ability to sell additional equity securities.

The Company's Share price may fluctuate

The market price of the Shares may fluctuate significantly and rapidly in response to, *inter alia*, the following factors, some of which are beyond the Company's control:

- (a) variations in the Group's operating results;
- (b) changes in securities analysts' recommendations, perceptions or estimates of the Group's financial performance;
- (c) changes in market valuations and share prices of companies with business similar to that of the Group that may be listed in Singapore;
- (d) announcements by the Company of significant acquisitions, strategic alliances or joint ventures;
- (e) fluctuations in stock market prices and volume;
- (f) the Group's involvement in material litigation;
- (g) additions or departures of key personnel;

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

- (h) success or failure of the Company's management in implementing business and growth strategies; and
- (i) changes in conditions affecting the industry, the general economic conditions or stock market sentiments or other events or factors.

For these reasons, among others, the Shares may trade at prices that are higher or lower than the net asset value per Share. In addition, the Shares are not capital-safe products and there is no guarantee that holders of the Shares can realise a higher amount or even the principal amount of their investments.

Entitled Shareholders who do not or are not able to accept their provisional allotment of Rights Shares will experience a dilution in their ownership in the Company

In the event that an Entitled Shareholder does not take up his Nil-Paid Rights under the Rights Issue, their proportionate ownership of the Company will be reduced. Accordingly, such Entitled Shareholder's interest in the Company may be diluted or varied.

There is no assurance that an active trading for the Shares will develop after the Rights Issue

Although the AIP has been obtained from the SGX-ST for the listing of and quotation for the Rights Shares on the Main Board of the SGX-ST, subject to compliance with the SGX-ST's listing requirements and certain conditions as set out in the AIP, there is no assurance that an active trading market for the Shares will develop, or if it develops, will be sustained after the Rights Issue. There is also no assurance that the market price for the Shares will not decline below the Issue Price after the Rights Issue. Volatility in the trading price of the Shares may be caused by factors outside the Company's control and may be unrelated or disproportionate to its operating results. Shareholders should note that the Shares trade in board lots of 100 Shares. Following the Rights Issue, Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots on the SGX-ST should note that there is no assurance that they can acquire such number of Shares to make up one board lot of 100 Shares or to dispose of their odd lots (whether in part or in whole) on the SGX-ST. Further, Entitled Shareholders who hold odd lots of less than 100 Rights Shares may experience difficulty and/or have to bear disproportionate transaction costs in disposing of odd lots of their Rights Shares.

The Company may issue Shares for additional funding for its future growth which will result in dilution to the Shareholders

The Company may issue additional Shares after the Rights Issue to raise the required capital to fund its future growth. If additional funds are raised through the issuance by the Company of new Shares other than on a pro rata basis to existing Shareholders, the percentage ownership of existing Shareholders may be reduced and existing Shareholders may experience dilution in the value of their Shares.

If new Shares placed to new and/or existing Shareholders are issued after the Rights Issue, they may be priced at a discount to the then prevailing market price of the Shares trading on Main Board, in which case, the existing Shareholders' equity interest may be diluted. If

SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND
SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018**

the Group fails to utilise the new equity to generate a commensurate increase in earnings, the Group's earnings per share will be diluted and this could lead to a decline in the Share price.

Negative publicity may materially and adversely affect the price of the Shares

Negative publicity involving the Group or any of the Directors, executive officers or Substantial Shareholders of the Company may materially and adversely affect the market perception or the share performance of the Company, whether or not it is justified. Some examples are unsuccessful attempts in joint ventures, take-overs or involvement in insolvency proceedings.

The Company may not be able to pay dividends in the future

The Company's ability to declare dividends to the Shareholders will depend on its future financial performance and distributable reserves, which, in turn, depends on the Company successfully implementing its strategies and on financial, competitive, regulatory, technical and other factors, general economic conditions and other factors specific to its industry, many of which are beyond its control. As such, there is no assurance that the Company will be able to pay dividends to the Shareholders. In the event that any company in the Group enters into any loan agreements in the future, covenants therein may also limit when and how much dividends the Company can declare and pay.

Issue Price of the Rights Shares

The Issue Price for each Rights Share is S\$0.08, payable in full upon acceptance of all or part of a provisional allotment of Rights Shares and, if applicable, on the application for excess Rights Shares. A non-refundable administrative fee of \$2 will be incurred for each application made through the ATMs of the Participating Bank and Accepted Electronic Service, and such administrative fee will be borne by the subscribers or purchasers of the Right Shares.

Not applicable. The Rights Shares will, upon allotment and issuance, rank *pari passu* in all respects with the then existing Shares for any dividends, rights, allotments or other distributions, the record date of which falls on or after the date of issue of the Rights Shares.

The Rights Shares are to be issued pursuant to the general share issue mandate approved by Shareholders at the annual general meeting of the Company held on 31 July 2023 (“**2023 AGM**”) which, pursuant to Section 161 of the Companies Act and Rule 806 of the Listing Manual, authorises the Directors to allot and issue new ordinary shares not exceeding 50% of the total number of issued ordinary shares in the capital of the Company (excluding treasury shares and subsidiary holdings) as at the date of the 2023 AGM where the new ordinary shares are issued on a *pro rata* basis to existing Shareholders.

The number of issued Shares (excluding treasury shares and subsidiary holdings) as at the 2023 AGM was 63,098,409 Shares. Accordingly, the maximum number of Shares that may be issued pursuant to the abovementioned general share issue mandate on a *pro rata* basis is 31,549,204 Shares. SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018**

Basis of Provisional Allotment : Up to 31,549,204 Rights Shares will be allotted and issued at the Issue Price. The Rights Shares will be provisionally allotted to the Entitled Shareholders on the basis of one (1) Rights Share for every two (2) existing Shares held by Entitled Shareholders as at the Record Date.

Fractional entitlements to the Rights Shares will be disregarded in arriving at the Entitled Shareholders' respective Nil-Paid Rights and will, together with the Nil-Paid Rights which are not taken up or allotted for any reason, be aggregated and used to satisfy excess applications for Rights Shares (if any) or otherwise disposed of or dealt with in such manner as the Directors may in their absolute discretion deem fit in the best interests of the Company.

Entitled Shareholders will be at liberty to accept in full or in part, decline or otherwise renounce or in the case of Entitled Depositors, trade their Nil-Paid Rights on the Main Board during the provisional allotment trading period prescribed by the SGX-ST and will be eligible to apply for additional Rights Shares in excess of their Nil-Paid Rights. Nil-Paid Rights which are not taken up for any reason shall be used to satisfy excess applications (if any) or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company.

For the avoidance of doubt, only Entitled Shareholders (and not the Purchasers or the renounees) shall be entitled to apply for additional Rights Shares in excess of their Nil-Paid Rights.

In the allotment of excess Rights Shares, preference will be given to the Entitled Shareholders in satisfaction of their applications for excess Rights Shares, if any, provided that where there are insufficient excess Rights Shares to allot to each application, the Company shall allot the excess Rights Shares to the Entitled Shareholders such that preference will be given to the rounding of odd lots. Directors and Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company, or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority for the rounding of odd lots and allotment of the excess Rights Shares. The Company will also not make any allotment and issue of any excess Rights Shares that will result in a transfer of controlling interest in the Company unless otherwise approved by Shareholders in a general meeting.

DISCLOSURE REQUIREMENTS UNDER SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Depending on the level of subscription for the Rights Shares, the Company will, if necessary, scale down the subscription for the Rights Shares by any of the Entitled Shareholders (if such Entitled Shareholder chooses to subscribe for its pro-rata Rights entitlement) to avoid placing the relevant Entitled Shareholder in the position of incurring a mandatory take-over offer obligation under the Code as a result of other Shareholders not taking up their Rights Shares entitlement fully.

In connection with the Rights Issue, the Company had made an application to the SIC for, *inter alia*, a waiver of the obligation of the Concert Party Group (including the TJ Group) to make a mandatory take-over offer under Rule 14.1 of the Code, if the Concert Party Group (including the TJ Group) acquires Shares carrying more than 1% of the voting rights of the Company as a result of the subscription of Rights Shares pursuant to the Rights Issue. The SIC has granted a waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares pursuant to the Rights Issue.

Following the Company's subsequent application, the SIC confirmed that such waiver continues to remain valid in the event that the TJ Group subscribes for up to all excess Rights Shares, with a minor variation to clarify the waiver of the obligation of the TJ Group to make a mandatory take-over offer in the event that the Concert Party Group increases its voting rights in the Company by more than 1% in any six (6) month period as a result of the subscription of Rights Shares (including the excess Rights Shares) pursuant to the Rights Issue.

The Rights Issue is not underwritten.

As there may be prohibitions or restrictions against the offering of Rights Shares in certain jurisdictions, only Entitled Shareholders are eligible to participate in the Rights Issue. Please refer to the section entitled "*Eligibility of Shareholders to Participate in the Rights Issue*" of this Offer Information Statement for further details.

APPENDIX II – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF THE PARTICIPATING BANK

Please read carefully the terms and conditions of this Offer Information Statement, the Steps and the terms and conditions for Electronic Applications set out below before making an Electronic Application through an ATM of the Participating Bank. An ATM card issued by the Participating Bank cannot be used in respect of the acceptance and (if applicable) excess application for Rights Shares at an ATM belonging to other banks. Any Electronic Application through an ATM of the Participating Bank which does not strictly conform to the instructions set out on the screens of the ATM of the Participating Bank through which the Electronic Application is made will be rejected.

Any reference to the “**Applicant**” in the terms and conditions for Electronic Applications and the Steps shall mean the Entitled Depositor or his renounee or the Purchaser of the Nil-Paid Rights who accepts the Nil-Paid Rights or (as the case may be) applies for the excess Rights Shares through an ATM of the Participating Bank. An Applicant must have an existing bank account with and be an ATM cardholder of the Participating Bank before he can make an Electronic Application through an ATM of the Participating Bank. The actions that the Applicant must take at ATMs of the Participating Bank are set out on the ATM screens of the Participating Bank. The Transaction Record is to be retained by the Applicant and should not be submitted with any ARE and/or ARS.

An Applicant, including one who has a joint bank account with the Participating Bank, must ensure that he enters his own Securities Account number when using the ATM card issued by the Participating Bank to him in his own name. Using his own Securities Account number with an ATM card which is not issued by the Participating Bank to him in his own name will render his acceptance or (as the case may be) excess application liable to be rejected.

An Applicant may accept his Nil-Paid Rights and if applicable, may apply for excess Rights Shares by way of separate Electronic Applications to accept and subscribe for his Nil-Paid Rights, and if applicable, apply for excess Rights Shares.

For SRS Investors and investors who hold Shares through finance companies or Depository Agents, acceptances of the provisional allotments of Rights Shares and (if applicable) applications for excess Rights Shares must be done through their respective SRS Approved Banks with whom they hold their SRS accounts, and their respective finance companies or Depository Agents, respectively. ANY ACCEPTANCE AND/OR (IF APPLICABLE) APPLICATION MADE DIRECTLY BY THE ABOVEMENTIONED PERSONS THROUGH CDP, ELECTRONIC APPLICATIONS THROUGH ATMS OF THE PARTICIPATING BANK OR THROUGH AN ACCEPTED ELECTRONIC SERVICE, THE SHARE REGISTRAR AND/OR THE COMPANY WILL BE REJECTED. The abovementioned persons, where applicable, will receive notification letter(s) from their respective SRS Approved Banks with whom they hold their SRS accounts, and their respective finance companies or Depository Agents, as the case may be, and should refer to such notification letter(s) for details of the last date and time to submit acceptances of the provisional allotments of Rights Shares and (if applicable) applications for excess Rights Shares to their respective SRS Approved Banks with whom they hold their SRS accounts, and their respective finance companies or Depository Agents, as the case may be. SRS Investors and investors who hold Shares through finance companies or Depository Agents should refer to the section entitled

His application will not be successfully completed and cannot be recorded as a completed transaction in the ATM unless he presses the **“Enter”** or **“OK”** or **“Confirm”** or **“Yes”** key (as the case may be). By doing so, the Applicant shall be treated as signifying his confirmation of each of the two (2) statements above. In respect of statement 1(b) above, his confirmation, by pressing the **“Enter”** or **“OK”** or **“Confirm”** or **“Yes”** key (as the case may be), shall signify and shall be treated as his written permission, given in accordance with the relevant laws of Singapore including Section 47(2) of the Third Schedule to the Banking Act 1970 of Singapore, to the disclosure by the Participating Bank of the Relevant Particulars of his account with the Participating Bank to the Relevant Parties.

APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING, RENUNCIATION, EXCESS APPLICATION AND PAYMENT BY ENTITLED SCRIPHOLDERS

- 1.5 The Company and/or the Share Registrar shall be entitled to process each application submitted for the acceptance of the Nil-Paid Rights, and where applicable, application for excess Rights Shares in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Scripholder or a renounee, on its own, without regard to any other application and payment that may be submitted by the same Entitled Scripholder or renounee. For the avoidance of doubt, insufficient payment for an application may render the application invalid; evidence of payment (or overpayment) in other applications shall not constitute, or be construed as, an affirmation of such invalid application submitted for the acceptance of the Nil-Paid Rights and (if applicable) application for excess Rights Shares.
- 1.6 **Entitled Scripholders who intend to trade any part of their Nil-Paid Rights on the SGX-ST should note that all dealings in and transactions of the Nil-Paid Rights through the SGX-ST will be effected under the book-entry (scripless) settlement system. Accordingly, the PALs will not be valid for delivery pursuant to trades done on the SGX-ST.**
- 1.7 Unless expressly provided to the contrary in this Offer Information Statement and/or the PAL, a person who is not a party to any contract made pursuant to this Offer Information Statement and/or the PAL has no rights under the Contracts (Rights of Third Parties) Act 2001 of Singapore, to enforce any term of such contracts. Notwithstanding any term contained herein, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of any liability) or terminate such contracts. Where third parties are conferred rights under such contracts, those rights are not assignable or transferable.

APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING, RENUNCIATION, EXCESS APPLICATION AND PAYMENT BY ENTITLED SCRIPHOLDERS

2.2 Insufficient Payment

If no remittance is attached or the remittance attached is less than the full amount payable for the Nil-Paid Rights accepted by the Entitled Scripholder and (if applicable) the excess Rights Shares applied for by the Entitled Scripholder, the attention of the Entitled Scripholder is drawn to paragraph 2.3 of this Appendix III entitled “Appropriation” which sets out the circumstances and manner in which the Company and/or the Share Registrar shall be authorised and entitled to determine the number of Rights Shares which the Entitled Scripholder has given instructions to accept.

2.3 Appropriation

An Entitled Scripholder should note that by accepting his Nil-Paid Rights, he acknowledges that, the Company and/or the Share Registrar, in determining the number of Rights Shares which the Entitled Scripholder has given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of Rights Shares, whether by way of Cashier’s Order or Banker’s Draft in Singapore currency drawn on a bank in Singapore to be applied towards the payment of his acceptance of Rights Shares.

3. REQUEST FOR SPLITTING (FORM B) AND FORM OF RENUNCIATION (FORM C)

- 3.1 Entitled Scripholders who wish to accept a portion of their Nil-Paid Rights and renounce the balance of their Nil-Paid Rights, or who wish to renounce all or part of their Nil-Paid Rights in favour of more than one person, should first, using the Request for Splitting (Form B), request to have their Nil-Paid Rights under the PAL split into separate PALs (“**Split Letters**”) according to their requirements. The duly completed and signed Form B together with the PAL in its entirety should be returned, by post in the self-addressed envelope provided, at the sender’s own risk, to reach **TRAVELITE HOLDINGS LTD. C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES, 9 RAFFLES PLACE, #26-01, REPUBLIC PLAZA TOWER 1, SINGAPORE 048619** not later than **5.00 p.m. on 12 April 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). - 3.2 The Company reserves the right to reject any request for Split Letters if, in the opinion of the Directors, the Rights Shares requested for in the Split Letters are in unreasonable denominations. The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the person(s) lodging it, or on whose behalf it is lodged, to deal with the same and to receive Split Letter(s) and to have credited to that person’s Securities Account with CDP the Rights Shares allotted to him or, if relevant, to receive physical Share certificate(s) and/or to receive any statement from CDP and/or refund of acceptance or application monies. Instructions relating to acceptance, payment, renunciation, nomination and consolidation set out in the PAL shall apply to the Split Letters received consequent upon the original Nil-Paid Rights being split.

- 3.4 Entitled Scripholders who wish to renounce their entire Nil-Paid Rights in favour of one person, or renounce any part of it in favour of one person and decline the balance, should complete and sign Form C for the number of Nil-Paid Rights which they wish to renounce and deliver the duly completed Form C and the PAL in its entirety to the renounee.
- 3.5 The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the renounee to deal with it and (if applicable) to receive Split Letters and to have credited to the renounee's Securities Account with CDP the Rights Shares renounced to him or, if relevant, to receive physical Share certificate(s) for the Rights Shares and/or to receive any statement from CDP and/or return or refund of surplus acceptance monies.
- 4. FORM OF NOMINATION (WITH CONSOLIDATED LISTING FORM) (FORM D)**

The Company will return or refund all unsuccessful application monies received in connection therewith by means of a crossed cheque drawn on a bank in Singapore and sent **BY ORDINARY POST** and at the risk of the Entitled Scripholders or their renounee(s), to their mailing addresses as maintained with the Share Registrar, as the case may be, without interest or any share of revenue or other benefit arising therefrom, within three (3) business days after the commencement of trading of the Rights Shares. **ACCEPTANCES ACCOMPANIED BY ANY OTHER FORM OF PAYMENT (INCLUDING THE USE OF A POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE REJECTED.**

- 6.2 The excess Rights Shares available for application are subject to the terms and conditions contained in this Offer Information Statement, the PAL, Form E, and (if applicable) the Constitution of the Company. Applications for excess Rights Shares will, at the Directors' absolute discretion, be satisfied from such Rights Shares as are not validly taken up by the Entitled Shareholders, the original allottee(s) or their respective renounee(s) or the Purchaser(s) of the Nil-Paid Rights, together with the aggregated fractional entitlements to the Rights Shares, the unsold "*nil-paid*" provisional allotment of Rights Shares (if any) of Foreign Shareholders and any Rights Shares that are otherwise not allotted for whatever reason in accordance with the terms and conditions contained in this Offer Information Statement, the PAL, Form E and (if applicable) the Constitution of the Company. In the event that applications are received by the Company for more excess Rights Shares than are available, the excess Rights Shares available will be allotted in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. In the allotment of excess Rights Shares, preference will be given to Shareholders for the rounding of odd lots, and Directors and Substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board of the Company, will rank last in priority for rounding of odd lots and allotment of excess Rights Shares. The Company reserves the right to allot the excess Rights Shares applied for under Form E in any manner as the Directors may deem fit and to reject or refuse, in whole or in part, any application for excess Rights Shares without assigning any reason whatsoever. In the event that the number of the excess Rights Shares allotted to Entitled Scripholders is less than the number of excess Rights Shares applied for, Entitled Scripholders shall be deemed to have accepted the number of excess Rights Shares actually allotted to them.
- 6.3 If no excess Rights Shares are allotted to Entitled Scripholders or if the number of excess Rights Shares allotted to them is less than that applied for, the amount paid on application or the surplus application monies for excess Rights Shares received by the Company, as the case may be, will be refunded to them by the Company without interest or any share of revenue or other benefit arising therefrom within fourteen (14) days after the Closing Date, **BY ORDINARY POST** to their mailing addresses as maintained with the Company **at their own risk.**

- 7.3 Upon listing and quotation of the Rights Shares on the Main Board, the Rights Shares when allotted and issued, will be traded under the book-entry (scripless) settlement system. All dealings in and transactions (including transfers) of the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "Terms and Conditions for Operation of Securities Accounts with CDP" and the "Terms and Conditions for CDP to act as Depository for the Rights Shares", as the same may be amended from time to time. Copies of the above are available from CDP.
- 7.4 **To facilitate scripless trading, Entitled Scripholders and their renounees who wish to accept their Nil-Paid Rights and (if applicable) apply for excess Rights Shares and who wish to trade their Nil-Paid Rights on the SGX-ST under the book-entry (scripless) system, should open and maintain Securities Accounts with CDP in their own names if they do not already maintain such Securities Accounts in order that the number of Rights Shares and if applicable, the excess Rights Shares that may be allotted to them may be credited by CDP into their Securities Accounts. Entitled Scripholders and their renounees who wish to accept the Nil-Paid Rights and/or apply for the excess Rights Shares and have their Rights Shares credited by CDP into their Securities Accounts must fill in their Securities Account numbers and/or National Registration Identity Card ("NRIC")/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL. Entitled Scripholders and their renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who have provided incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in the Securities Accounts currently maintained with CDP will be issued physical Share certificates in their own names for the Rights Shares allotted to them and if applicable, the excess Rights Shares allotted to them. Such physical Share certificates, if issued, will be forwarded to them by ordinary post at their own risk but will not be valid for delivery pursuant to trades done on the SGX-ST under the book entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title. These physical share certificates will be sent BY ORDINARY POST to person(s) entitled thereto AT HIS/THEIR OWN RISK.**
- 7.5 If the Entitled Scripholders' addresses stated in the PALs are different from their addresses maintained in the records of CDP, they must inform CDP of their updated addresses promptly, failing which the notification letters on successful allotments and other correspondences will be sent to their addresses last registered with CDP.
- 7.6 A holder of physical share certificate(s), or an Entitled Scripholder who has not deposited his share certificate(s) with CDP but who wishes to trade on the SGX-ST, must deposit with CDP his existing share certificate(s), together with the duly executed instrument(s) of transfer (including any applicable fee) in favour of CDP, and have his Securities Account credited with the number of Rights Shares and/or existing Shares, as the case may be, before he can effect the desired trade.
