### MESSAGE TO SHAREHOLDERS

2016 was another exciting year for Singapore Medical Group (SMG). Amidst a turbulent worldwide financial environment caused by Brexit, the US presidential election, and a weakened Singapore Dollar, SMG came out strong yet again, as we continued to expand and diversify our portfolio to strengthen and grow the Group's performance.

#### CHAIRMAN AND CEO'S MESSAGE

Dear Shareholders,

Thank you for your continued support.

2016 was another exciting year for Singapore Medical Group (SMG). Amidst a turbulent worldwide financial environment caused by Brexit, the US presidential election, and a weakened Singapore Dollar, SMG came out strong yet again, as we continued to expand and diversify our portfolio to strengthen and grow the Group's performance.

The Group's good financial performance came about through astute acquisitions within the Diagnostic Imaging space and the maintenance of organic growth in the Group's existing segments of Oncology, Obstetrics and Gynaecology, Health Screening, and Aesthetics.

### MOVING FORWARD

#### Outlook

Rising affluence and ageing demographics are spurring growth in the Asian healthcare sector. As the region's rapidly ageing population ramps up the demand for healthcare services, the share of the population aged over 65 is expected to quadruple by 2050, with the number of doctors, nurses, hospitals and medical equipment trailing behind the per capita averages of the 34 OECD member countries, opportunities are ample for private corporations to fill in the gap.

#### **Service Excellence**

SMG will continue to drive revenue growth in its existing businesses by combining the use of innovative technology for greater patient-centric workflow efficiency, along with targeted branding and marketing efforts to appeal to the intended customer base. The Group has also embarked on a Service Excellence project to enhance service leadership, service agility and the patient experience. This will uphold the Group's position as a service provider that is at the forefront in the healthcare sector.

#### **New Business and Joint Ventures**

Growing demands for premium quality healthcare and specialist services in Asia continue to present new opportunities for the Group. In FY2017, SMG will continue to identify unique pockets of opportunity in Singapore and its surrounding regional high-growth markets. On 8 February 2017, the Group completed the acquisition of the Astra Women's Specialists Group. With a minimum profit guarantee of S\$4.6 million per year over the next five years, the acquisition will be a major contributor to the Group's net profit going forward.

Overseas, SMG ventured into Vietnam in January 2017 through a joint venture with CityClinic Asia Investments Pte Ltd, to tap into the immense potential of the Vietnamese healthcare market. The Group has made an initial significant investment with CityClinic Asia Investments Pte Ltd, who is the holder of a 100% foreign investor license for Vietnamese healthcare operations. The investment gives SMG access to a network of over 50 doctors across 11 disciplines in Ho Chi Minh City's Tan Binh district and exclusively in district 7.

Investments in FY2016 expanded the Diagnostic Imaging and Women's Health services in Singapore, which bodes well for the Group and re-affirms its position as an exclusive healthcare specialist provider in the industry with a stable and broad portfolio of businesses.

In March 2017, a collaboration with South Korea's CHA Healthcare Co., Ltd., (CHC) saw an issuance of 30 million new ordinary shares to CHC at 50 Singapore cents per share via a private placement. In its next growth phase, the Group will continue to actively explore organic and inorganic growth opportunities in Singapore and South-East Asia and beyond, to truly become a Pan-Asian Healthcare Group.

#### **IN APPRECIATION**

On behalf of the Board, we would like to thank the SMG Management team, our doctors and staff for their hard work and contributions during the year.

Thank you.

Mr Tony Tan Choon Keat Non-Executive Chairman Dr Beng Teck Liang Chief Executive Officer

### BOARD OF DIRECTORS

Mr Tony Tan Choon Keat Non-Executive Chairman

Mr Tan is the Non-Executive Chairman of SMG and is responsible for providing leadership to the Board of Directors of the Group and overall strategic guidance. Mr Tan is also a Non-Independent Non-Executive Director of IGB Corporation Bhd since 15 July 2003. Mr Tan has vast experience in the healthcare industry. He was the founder and Managing Director of Parkway Holdings Limited, Singapore until 2000 and Deputy Chairman until his retirement in 2005. During his service, he initiated acquisitions and developments by Parkway Holdings Limited both in Singapore and overseas to build its healthcare franchise from initially a property developer to one of the largest private healthcare providers in Asia. He holds a Bachelor of Chemical Engineering from the University of Surrey, England and a Master's in Business Administration from the University of California, Berkeley, United States.

**Dr Beng Teck Liang** *Executive Director and Chief Executive Officer* 

Dr Beng has previously led multi-billion dollar businesses and large teams in the information technology and healthcare sectors across Asia Pacific and Japan over the last decade as a senior manager. His previous appointments include Managing Director for Hewlett Packard (HP) Thailand, General Manager for HP Enterprise Services segment across Southeast Asia, General Manager for Asia-Pacific HP Public Sector Enterprise Sales, Marketing Manager for the Imaging Information Systems of General Electric (GE) Medical Systems in Asia, and Chief Medical Officer at Novahealth. Dr Beng is a believer, builder and user of meaningful technology innovations in healthcare. Dr Beng demonstrated his entrepreneurship at a young age when he co-founded a successful and innovative medical dotcom, a patient-centric portal with chronic illness management tools. The portal was then acquired by the regional systems integrator, Novahealth and Dr Beng helped built it further to a total hospital information system used in various Singapore institutions, including the National Skin Centre. Dr Beng started his professional career as a Medical Officer with the Singapore Ministry of Health after graduating from the University of Manchester Medical School in the United Kingdom. He also holds a Master's in Business Administration from the Booth School of Business, University of Chicago and is an alumnus of Harvard Business School.

Mr Ho Lon Gee Lead Independent Director

Mr Ho Lon Gee is an Independent Director of the SMG's Board and the Chairman of the Audit Committee since June 2009. Mr Ho is currently the Chief Executive Officer of Tricor Singapore Pte Ltd, where he oversees the management of Tricor Group of companies in Singapore. From 1982 to 2004, he was a Partner at PricewaterhouseCoopers Singapore where he headed the SME Enterprise Audit Group and the Corporate Services Practice. Mr Ho is a qualified Chartered Accountant with the Institute of Chartered Accountants in England and Wales. He is also a member of the Institute of Singapore Chartered Accountants and the Singapore Institute of Directors. In addition, Mr Ho also serves as Honorary Treasurer to the Singapore Children's Society as well as Chairman of its Investment Committee and a member of its Remuneration Committee.

Mr Jimmy Yim Wing Kuen Independent Director

Mr Jimmy Yim is an Independent Director and chairs the Nominating and Remuneration Committees. He has been a member of the Board of SMG since June 2009. Mr Yim is currently the Managing Director of the Dispute Resolution practice of Drew and Napier LLC, a leading all-service legal practice in Singapore, established in 1889. He was admitted to the Singapore Bar in 1983 and is one of the earliest batches of Senior Counsel being appointed in January 1998. His practice covers a range of civil and commercial law, corporate law and international commercial arbitrations. Amongst his several appointments include being Fellow of the Singapore Institute of Arbitrators and Regional Arbitrator with the Singapore International Arbitration Centre (SIAC). Apart from SMG Limited, Mr Yim also sits on the board of CWT Limited, Low Keng Huat (Singapore) Limited and ARA-CWT Trust Management (CACHE) Limited. He is recommended by name in leading and professional ranking agencies and publications such as Asia Pacific Legal 500, Asia Law Profiles and Chambers & Partners.

Dr Wong Seng Weng Executive Director

Dr Wong Seng Weng is currently the Medical Director and Consultant Medical Oncologist of The Cancer Centre (SMG) at the Paragon and Mount Elizabeth Novena Specialists' Centres. He holds the appointments of executive director of the board of directors and chairman of the Medical Board of the SMG. Dr Wong obtained his basic medical degree from the National University of Singapore (NUS) under the Lim Boon Keng and Tan Siak Kew Scholarships and graduated on the Dean's List for outstanding academic achievement. He completed his postgraduate training in Internal Medicine and obtained his Membership of the Royal College of Physicians of the United Kingdom (MRCP UK). Thereafter, he achieved Specialist Accreditation with the Ministry of Health Singapore and was admitted as Fellow of the Academy of Medicine of Singapore (FAMS) and College of Physicians of Singapore. He previously held the posts of Consultant Medical Oncologist and Senior Partner of the Raffles Cancer Centre in charge of all oncology services at the Raffles Hospital. In the area of research, he holds the appointment of Adjunct Clinician Scientist of the Institute of Bioengineering and Nanotechnology (IBN) in the Agency for Science, Technology and Research (A\*STAR). Dr Wong is part of the editorial advisory board of the oncology newspaper MIMS Oncology. Dr Wong is a member of the American Society of Clinical Oncology (ASCO) as well as the European Society for Medical Oncology (ESMO) and Singapore Society of Oncology. He lectured widely at international cancer conferences in Vietnam, the Philippines, Thailand, Myanmar, China, India, Bangladesh, Malaysia and Indonesia. In 2013, Dr Wong published a bilingual (English / Chinese) education book for the general readership entitled Cancel Cancer. It was named the top bestselling book in Singapore by the Asiaweek magazine in February 2014.

### OPERATIONS REVIEW

The Group currently has a total of 29 clinics strategically located at Paragon Medical Centre, Mount Elizabeth Medical Centre, Mount Elizabeth Novena Specialist Centre, Novena Medical Centre, Novena Specialist Centre, The Arcade, Gleneagles, Farrer Park Medical Centre @ Connexion, and other locations at Bishan, Hougang, Jurong East, Raffles Place and Tiong Bahru.

In addition, the Group has an extensive network of 31 full-time doctors and 37 SMG Associate doctors across Singapore. As a team, the medical doctors and staff are committed to delivering SMG's promise of providing the best medical care and patient-centric experience to every individual.

In FY2016, the Group saw several significant milestones, including the acquisition of Novena Radiology Pte Ltd and Lifescan Imaging Pte Ltd, the incorporation of new joint venture entity SMG Cardioscan Pte Ltd, and the signing of a sales and purchasing agreement with Astra Women's Specialists Group of clinics.

#### **DIAGNOSTICS AND AESTHETICS BUSINESS**

Following the 40% investment in Lifescan Imaging Pte Ltd (LSI) in July 2015, the Group further acquired the remaining 60% equity interest of LSI, making it a wholly owned subsidiary of SMG. In April 2016, SMG acquired 100% equity interest of Novena Radiology Pte Ltd, an entity which owned two imagining centres at Novena areas.

The three imaging centres which have been re-named to Lifescan Imaging Centre have been fully integrated and is now occupying more than 9,000 square feet of medical space in Paragon and Novena, offering a comprehensive range of cross-disciplinary Radiology services at these locations. Lifescan Imaging further enhanced its capabilities with the acquisition of an additional high quality and best in class performance Magnetic Resonance Imaging machine in November 2016. The Centres have developed to become a significant Diagnostics Radiology player in the private healthcare marketplace.

The Aesthetics clinics, consisting of Refractive Surgery, Aesthetic Dentistry, Facial and Body Aesthetics, have continued to grow steadily in brand awareness and patient footfall.

Against the decline in discretionary spending, SMG's Refractive Surgery clinic continued to prevail as one of the largest and most established private laser vision correction centres in Singapore, offering a comprehensive suite of services (ReLEx® SMILE, LASIK, Epi-LASIK and LASIK etc.). FaceDoctor Aesthetics and The Wellness Suite have continued to build their brand presence through stable growth and coherent marketing efforts to promote the clinic's advanced non-and minimally invasive medical treatments and technologies.

The Dentistry clinics have also expanded their patient base to include corporate clientele, which brought in an additional patient source.

#### **HEALTH BUSINESS**

Encompassing both specialist and primary healthcare, the Health Business includes Oncology, Obstetrics and Gynaecology, Ophthalmology, Orthopaedics, Urology, Executive and Corporate Health Screening, General Medicine, Dermatology and General Surgery. The Group saw continued growth in the health business with a year on year revenue increase of 35.0% during 2016. This is mainly contributed by Oncology, Obstetrics and Gynaecology, and Executive and Corporate Health Screening.

The Cancer Centre, one of the most established private cancer clinic in Singapore, continued to build on its patients load both locally and overseas. The clinic features highly trained, skilled and experienced medical oncologists, updated medicines and technology, and a personable patient-centered environment for patients.

Following the completion of the acquisition of Astra Women's Specialists Group in February 2017, the SMG Women's Health business segment now houses 8 experienced Obstetrics and Gynaecology doctors and 8 clinics under its brand umbrella, making it one of the largest private Obstetrics and Gynaecology providers in Singapore. The Group's revenue under Women's Health business is set to see a sharp increase in FY2017.

Our Executive and Corporate Health Screening services are housed under Lifescan Medical clinics, located both at Paragon and The Arcade. The flagship clinic at Paragon which is colocated with Lifescan Imaging Centre, offering a complete suite of one-stop premium health screening services to its patients and has elevated the Lifescan brand to an all-inclusive preventive healthcare specialist. The new corporate programmes launched during the year has expanded Lifescan Medical's patient footprint in both the health screening centres, which contributed to significant growth in the number of patients.

Committed to its vision of becoming Asia's best healthcare network and the belief in service excellence, SMG will continue to provide the most advanced medical technology and first class patient-centric healthcare to Singapore and the region.

### FINANCIAL REVIEW

#### **CONSOLIDATED INCOME STATEMENT**

The Group reported a total revenue of \$41.6 million for the financial year that ended on 31 December 2016 ("FY2016") as compared to \$31.0 million for the financial year that ended on 31 December 2015 ("FY2015"). The increase in revenue of 34.3% was mainly attributed to the revenue growth of the Health Business segment by \$7.3 million and the Diagnostics and Aesthetics Business segment by \$3.3 million, which mainly arises from the 2 subsidiaries acquired in FY2016.

Gross profit increased by 54.2% from \$9.7 million for FY2015 to \$14.9 million for FY2016, due to higher revenue that was achieved.

Distribution and selling expenses increased by 25.2%, which were driven by an increase in revenue and marketing activities, while administrative expenses increased by 30.3% mainly due to the increase in staff headcount and a higher depreciation charge with the acquisition of 2 subsidiaries and the opening of a new clinic in FY2016.

The Group recorded other gain and other losses of \$1.6 million and \$0.9 million, respectively. These are one-off items relating to gain on remeasuring previously held equity interest in joint venture entity to fair value on business combination, loss on liquidation of subsidiary, impairment loss on property, plant and equipment, loss on dilution of interest in joint venture entity, impairment loss on amounts due from joint ventures and impairment loss on investment in joint ventures.

Overall, the Group registered a net profit of \$2.9 million for FY2016 as compared to a net profit of \$0.2 million for FY2015.

### CONSOLIDATED BALANCE SHEET Assets

Total assets of the Group increased to \$34.4 million as at 31 December 2016 from \$16.2 million as at 31 December 2015 due to increase in property, plant and equipment, intangible assets, investment in joint ventures, deferred tax assets, trade and other receivables, prepayments, and cash and bank balances.

Net asset value per ordinary share was 7.5 cents as at 31 December 2016 compared to 3.7 cents as at 31 December 2015.

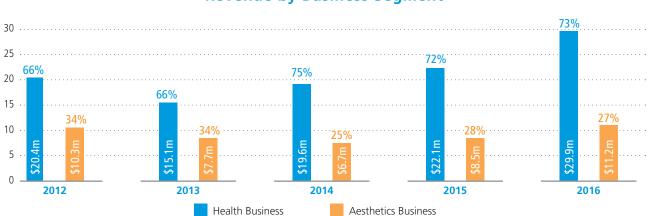

Net working capital increased from a surplus of \$5.4 million as at 31 December 2015 to \$6.1 million as at 31 December 2016, mainly due to the increase in trade and other receivables, and cash and bank balances, and decrease in the current portion of loans and borrowings arising from the repayment of a short-term bank loan, offset by the increase in trade and other payables, the current portion of obligations under finance leases and income tax payable.

#### Liabilities

Total liabilities increased from \$5.2 million as at 31 December 2015 to \$10.5 million as at 31 December 2016 mainly due to increase in obligations under finance leases arising from the acquisition of 2 subsidiaries in FY2016, higher trade and other payables balances and increase in income tax payable, offset by decrease in loans and borrowings due to the repayment of bank loan.

#### **Shareholders' Equity**

Shareholders' equity increased from \$11.0 million as at 31 December 2015 to \$23.9 million as at 31 December 2016 due to the increase in share capital of the Company arising mainly from the issuance of shares for the acquisition of Lifescan Imaging Pte. Ltd. and also a higher profit recorded in FY2016.

Singapore Medical Group Limited (the "**Company**") is committed to achieving a high standard of corporate governance within the Group. The Company continues to evaluate and put in place effective self-regulatory corporate practices to protect its shareholders' interests and enhance long-term shareholders' value.

This report outlines the Company's corporate governance practices for the financial year ended 31 December 2016 ("**FY2016**") with specific reference made to the principles and guidelines of the Code of Corporate Governance 2012 (the "**Code**") issued in May 2012, which forms part of the continuing obligations of the Rules of Catalist of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") ("**Rules of Catalist**"). The Company has adhered to comply with the principles and guidelines as set out in the Code where appropriate.

#### **Board Matters**

#### Principle 1: Board's Conduct of its Affairs

The Board oversees the Group's overall policies, strategies and objectives, key operational initiatives, performance and measurement, internal control and risk management, major funding and investment proposals, financial performance reviews and corporate governance practices.

Apart from its statutory duties and responsibilities, the Board performs the following functions:-

- (a) provide entrepreneurial leadership, set strategic aims and ensure that the necessary financial and human resources are in place for the Group to meet its objectives;
- (b) establish a framework of prudent and effective controls which enables risks to be assessed and managed, including safeguarding of shareholders' interests and the Group's assets;
- (c) review management performance;
- (d) identify the key stakeholder groups and recognise that their perceptions affect the Company's reputation;
- (e) set the Group's values and standards (including ethical standards), and ensure that obligations to shareholders and other stakeholders are understood and met;
- (f) consider sustainability issues, e.g. environmental and social factors, as part of its strategic formulation;
- (g) nomination of Directors to the Board;
- (h) appointment of key personnel;
- (i) review the financial performance of the Group and implementing policies relating to financial matters, which include risk management and internal controls and compliance; and
- (j) assuming responsibility for corporate governance.

The Board objectively discharges their duties and responsibilities at all times as fiduciaries in the interests of the Group. The Board has delegated specific responsibilities to three committees whose actions are monitored and endorsed by the Board. These committees include the Audit Committee, the Nominating Committee and the Remuneration Committee, all of which operate within clearly defined terms of reference and functional procedures and are reviewed on a regular basis. Each of these committees reports its activities regularly to the Board.

Matters which are specifically reserved to the full Board for decision are those involving a conflict of interest for a substantial shareholder or a Director, material acquisitions and disposal of assets, corporate or financial restructuring, share issuance and dividends, and financial results and corporate strategies. The Board will provide directions to the Management team of the Group's business divisions through presentations at Board and Board Committee meetings.

Formal Board meetings are held at least once every quarter to oversee the business affairs of the Group, and to approve, if applicable, any financial or business objectives and strategies. Ad-hoc meetings are convened when the circumstances require. The Company's Constitution allows a Board meeting to be conducted by way of tele-conference and video-conference.

During the financial year under review, the Board held seven meetings and the attendance of each Director at every Board and Board Committee meeting is as follows:-

		Board	Audit Committee	Nominating Committee	Remuneration Committee
No. of meetings held		7	4	1	1
Name	Designation		No. of n	neetings attend	ded
Mr Tony Tan Choon Keat	Non-Executive Chairman	7	4	1	1
Mr Ho Lon Gee	Lead Independent Director	7	4	1	1
Mr Jimmy Yim Wing Kuen	Independent Director	6	3	1	1
Dr Beng Teck Liang	Executive Director/ Chief Executive Officer	7	N.A.	N.A.	N.A.
Dr Wong Seng Weng	Executive Director	7	N.A.	N.A.	N.A.

All Directors are provided with regular updates on changes in the relevant laws, regulations and changing commercial risks to enable them to make well-informed decisions and to ensure that the Directors are competent in carrying out their expected roles and responsibilities.

Management would conduct briefings and orientation programmes to familiarise newly appointed Directors with the various businesses, operations and processes of the Group. Upon appointment, the newly appointed Directors will be provided a formal letter setting out their duties and obligations.

#### Principle 2: Board Composition and Guidance

The Board comprises five Directors, of whom two are Executive Directors, one is a Non-Executive Director and two are Independent Directors. While Independent Directors make up less than half of the Board given the Chairman is not independent, the Company is allowed a transitional period of up to 30 April 2018 (the "**Transitional Period**") to comply with the guideline as set out in Paragraph 2.2 of the Code. The Board is in the process of identifying a new Independent Director in order to comply with Paragraph 2.2 of the Code before the end of the Transitional Period.

The Board and its board committees comprise directors who as a group provide an appropriate balance and diversity of skills, experience, and knowledge of the Company. They also provide core competencies such as accounting or finance, business or management experience, industry knowledge, strategic planning experience and customer-based experience or knowledge.

The independence of each Director has been and will be reviewed annually by the Nominating Committee. The Nominating Committee adopts the Code's definition of what constitutes an Independent Director in its review. The Board considers an Independent Director as one who has no relationship with the Group, its related companies, its 10% shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgment with a view to the best interest of the Company and Group's affairs.

The Independent Directors have confirmed that they do not have any relationship with the Company or its related companies, its 10% substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Directors' independent business judgment in the best interests of the Company. The Nominating Committee has reviewed and determined that the said Directors are independent in character and judgement.

Currently, there is no Independent Director who has served on the Board beyond nine (9) years from the date of appointment.

The Board will constantly examine its size and, with a view to determining the impact of the number upon effectiveness, decide on what it considers an appropriate size for the Board, which facilitates effective decision-making. The composition of the Board is reviewed on an annual basis by the Nominating Committee to ensure that the Board has the appropriate mix of expertise and experience.

The Board, taking into account the nature of operations of the Group, the requirement of the business and the need to avoid undue disruptions from changes to the composition of the Board and Board committees, considers its current size to be adequate for effective decision-making. No individual or small group of individuals dominate the board's decision making process.

Non-Executive Directors constructively challenge and help develop proposals on strategy, and review the performance of management in meeting agreed goals and objectives and monitor the reporting of performance. The Non-Executive Directors are encouraged to meet regularly without the presence of the management.

The Nominating Committee is of the view that the current Board comprises persons who as a group provide capabilities required for the Board to be effective. Key information regarding the Directors is set out on pages 8 and 9 of the Annual Report.

#### Principle 3: Chairman and Chief Executive Officer

The Board recognises the Code's recommendation that the Chairman and the Chief Executive Officer ("**CEO**") should be separate persons to ensure that there is an appropriate balance of power, increased accountability and greater capacity of the Board for independent decision-making.

The Non-Executive Chairman of the Company is Mr Tony Tan Choon Keat and the CEO is Dr Beng Teck Liang. The Chairman bears the responsibility for the effective conduct of the Board whilst the CEO bears the executive responsibility for the operation of the Group's business. The Chairman and the CEO are not related to each other.

The Chairman schedules Board meetings as and when required and sets the agenda for the Board meetings. He sets guidelines on and ensures quality, quantity, complete, adequate, and timeliness of information flow between the Board and Management of the Company. The Chairman also builds constructive relations within the Board and between the Board and Management, and facilitates the effective participation of non-executive directors by promoting a culture of openness and debate at the Board. The Chairman further ensures effective communication with shareholders and promotes high standards of corporate governance.

All the Board committees are chaired by Independent Directors and at least one-third of the Board consist of Independent Directors.

As recommended by the Code, the Board has appointed Mr Ho Lon Gee as the Lead Independent Director of the Company to address the concerns of the shareholders and employees in the event the normal interactions with the Non-Executive Chairman, CEO or Chief Financial Officer ("**CFO**") could not satisfactorily resolve their concerns or where such channel of communications is considered inappropriate.

#### **Board Committees**

#### Nominating Committee ("NC")

#### Principle 4: Board Membership Principle 5: Board Performance

The current NC comprises the following 3 members, majority of whom (including the Chairman), are Independent Directors:

- (a) Mr Jimmy Yim Wing Kuen (Chairman);
- (b) Mr Tony Tan Choon Keat; and
- (c) Mr Ho Lon Gee.

The Board has approved the written terms of reference of the NC. Its functions are as follows:-

- (a) review and assess candidates for directorships (including executive directorships) before making recommendations to the Board for the appointment of directors;
- (b) re-nominate directors for re-election in accordance with the Constitution at each annual general meeting and having regard to the director's contribution and performance;
- (c) determine annually whether or not a director of the Company is independent;
- (d) decide whether or not a director is able to and has been adequately carrying out his duties as a director; and
- (e) assess the performance of the Board as a whole and contribution of each director to the effectiveness of the Board.

Where a vacancy arises under any circumstances, or where it is considered that the Board would benefit from the services of a new Director with particular skills, the NC, in consultation with the Board, determines the selection criteria and selects candidates with the appropriate expertise and experience for the position.

A formal assessment process is in place to assess the effectiveness of the Board as a whole. Assessment parameters include evaluation of the Board's access to information, accountability, the quality of Board processes, Board's performance in relation to discharging its principal responsibilities, and the business performance of the Group in terms of the financial indicators as set out in the Code. The Board assessment also takes into consideration both qualitative and quantitative criteria, such as return on equity, success of the strategic and long-term objectives set by the Board.

The evaluation of the Board is conducted annually. As part of the process, the Directors will complete the evaluation forms which are collated by the Company Secretary. The Company Secretary will then summarise the results of the evaluation and present it to the NC for review. Areas where the Board's performance and effectiveness could be enhanced and recommendations for improvement are then submitted to the Board for discussion and for implementation. The Chairman, in consultation with the NC, proposes when appropriate, new members to be appointed or seek the resignation of Directors.

The NC has assessed the current Board's performance to-date and is of the view that the performance of the Board as a whole was satisfactory. Although some of the Board members have multiple board representations, the multiple board representations do not hinder them from carrying out their duties as directors. The NC is satisfied that sufficient time and attention has been given by the Directors to the Group. The Company's current policy stipulated that a director should not hold more than 5 listed board representations concurrently. The Board believes that the prescribed amount is reasonable in order to ensure the directors are able to dedicate sufficient time and effort to discharge their duties and perform their roles in the best interests to the Company.

With regard to the responsibility of determining annually, and as and when circumstances require, if a director is independent, each NC member will not take part in determining his own re-nomination or independence. Each director is required to submit a return of independence to the Company Secretary as to his independence, who will submit the returns to the NC. The NC shall review the returns and determine the independence of each of the Directors and recommend to the Board. An Independent Director shall notify the NC immediately, if as a result of a change in circumstances, he no longer meets the criteria for independence. The NC shall review the change in circumstances and make its recommendations to the Board. During the year, the NC has reviewed and determined that Mr. Ho Lon Gee and Mr. Jimmy Yim Wing Kuen are independent directors of the Company.

All Directors are subject to the provisions of Article 94 of the Constitution whereby one-third of the Directors are required to retire and subject themselves to re-election by shareholders at every annual general meeting of the Company.

All the newly appointed Directors are subject to the provisions of Article 99 of the Constitution whereby the appointed Directors shall hold office only until the next AGM and shall then be eligible for re-election, but shall not be taken into account in determining the numbers of Directors who are retire by rotation at such meeting.

No new Director has been appointed in FY2016.

The NC recommended to the Board that Mr Ho Lon Gee and Dr Beng Teck Liang be nominated for re-election at the forthcoming annual general meeting ("**AGM**"). The retiring Directors have offered themselves for re-election. The Board has accepted the recommendation of the NC. Mr Ho Lon Gee will, upon re-election as a Director, remain as the Lead Independent Director, the Chairman of Audit Committee, Member of Nominating Committee and Remuneration Committee.

Mr Ho Lon Gee will be considered independent for the purposes of Rule 704(7) of the Rules of Catalist.

In making the recommendation, the NC had considered the Directors' overall contributions and performance.

The details of the Board member's directorship are disclosed as follows:-

The Board member's shareholding in the Company and its related companies are set out on page 32 of the Annual Report.

#### **Principle 6: Access to Information**

To assist the Board in fulfilling its responsibilities, the Board is provided with management reports which include board papers and related materials containing relevant background or explanatory information required to support the decision-making process. The Management will continue to improve its process in providing complete, adequate and timely information to the Directors prior to each Board meeting so as to enable them to make decisions to discharge their duties and responsibilities. The Board is also provided with management accounts of the Group's performance, position and prospects on a quarterly basis.

The Directors are entitled to request from Management and should be provided with additional information as needed to make informed choices. The Board has separate and independent access to senior management and the Company Secretary at all times. The Company Secretary or its representative attends all Board and Board Committees meetings and ensures that all Board procedures are followed. The Company Secretary also ensures that the Company complies with the requirements of the Companies Act and the Rules of Catalist. The appointment and removal of the Company Secretary is a matter for the Board as a whole. The Company Secretary's responsibility include ensuring good information flows within the Board and its board committees and between Management and Non-Executive Directors and advising the Board on corporate governance matters.

If any of the Directors require independent professional advice in the furtherance of their duties, the cost of such professional advice will be borne by the Company.

.....

#### **Remuneration Committee ("RC")**

#### Principle 7: Procedures for Developing Remuneration Policies Principle 8: Level and Mix of Remuneration Principle 9: Disclosure of Remuneration

The current RC comprises the following 3 members, majority of whom (including the Chairman) are Independent Directors:

- (i) Mr Jimmy Yim Wing Kuen (Chairman);
- (ii) Mr Tony Tan Choon Keat; and
- (iii) Mr Ho Lon Gee.

The Board has approved the written terms of reference of the RC. Its functions are as follows:-

- (a) recommend to the Board a framework of remuneration for the directors and executive officers;
- (b) determine specific remuneration packages for each executive director;
- (c) review annually the remuneration of employees related to the directors and substantial shareholders to ensure that their remuneration packages are in line with the staff remuneration guidelines and commensurate with their respective job scopes and level of responsibilities;
- (d) review and approve any bonuses, pay increases and/or promotions for the senior management; and
- (e) other acts as may be required by the SGX-ST and the Code from time to time;

In addition, the RC has been tasked to administer the SMG Employee Share Option Scheme and SMG Share Plan.

In carrying out the above, the RC may obtain independent external legal and other professional advice as it deems necessary. The expenses of such advice shall be borne by the Company.

The RC reviews the Company's obligations arising in the event of termination of Executive Directors and key executives' contracts of service to ensure such contracts of service contain fair and reasonable termination clauses.

The level of remuneration should be appropriate to attract, retain and motivate the directors needed to run the Company successfully but the Company should avoid paying more for this purpose. A significant proportion of executive directors' remuneration should be structured so as to link rewards to corporate and individual performance.

The Company sets remuneration packages which:

- (a) align interests of Executive Directors with those of shareholders and promote long-term success of the Company;
- (b) link rewards to corporate and individual performance;
- (c) are competitive and sufficient to attract, retain and motivate Directors and senior management with adequate experience and expertise to manage the business and operations of the Group; and
- (d) take into account the risk policies of the Company, be symmetric with risk outcomes and be sensitive to the time horizon of risks.

There are, at present, no contractual provisions allowing the Company to reclaim incentive components of remuneration from Executive Directors and Executive Officers in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The Company should be able to avail itself to remedies against the Executive Directors in the event of such breach of fiduciary duties.

The remuneration paid and payable to the Directors and Executive Officers during the financial year under review are as follows:-

Remuneration Bands	Salary	Performance Bonus	Director's fee	Others	Fair value of share options	Total
Directors						
Above \$\$500,000*						
Dr Wong Seng Weng	99%	-	-	-	1%	100%

Wong Sian Jing	89%	_	_	11%	100%

To maintain confidentiality of staff remuneration matters and for competitive reasons, the Company is not disclosing each individual Director's and Executive Officer's remuneration, and the aggregate total remuneration of the above Executive Officers. Instead, the Company is disclosing the remuneration of each Director and Executive Officer in bands of \$\$250,000.

The RC ensures that a formal and transparent procedure is in place for fixing the remuneration packages of individual Directors and Executive Officers. No Director is involved in determining his own remuneration. The remuneration of the Non-Executive and Independent Directors is appropriate to their individual contribution and is in the form of a fixed fee.

The Executive Directors have service agreements with the Company. Their compensation consists of salary, bonus and performance award that is dependent on the Group's performance. The service agreements allow termination by either party giving three to six months' notice in writing to the other. The RC is responsible for the review of compensation commitments, if any, in the event of early termination.

Additionally, in setting remuneration packages, the Company has taken into account the remuneration and employment conditions within the industry.

The Directors' fees, as a lump sum, will be subject to the approval by shareholders at the forthcoming AGM.

### Saved as disclosed below, no other employee whose remuneration exceeded S\$50,000 during the financial year under review is an immediate family member of a Director or CEO.

<sup>a</sup> Dr Jimmy Beng Keng Siew is the father of Executive Director and CEO, Dr Beng Teck Liang.

The Company has a share option scheme known as SMG Employee Share Option Scheme (the "**ESOS**") which was approved by shareholders of the Company on 30 April 2014. The ESOS comply with the relevant rules as set out in Chapter 8 of the Rules of Catalist. The ESOS will provide eligible participants with an opportunity to participate in the equity of the Company and to motivate them towards better performance through increased dedication and loyalty. The scheme is administered by the RC. Further information on the ESOS can be found on pages 33 to 34 of the Annual Report.

The Company also implements a performance share plan known as SMG Share Plan (the "**Share Plan**") to complement the ESOS which was approved by shareholders of the Company on 30 April 2014. The Share Plan comply with the relevant rules as set out in Chapter 8 of the Rules of Catalist. With both ESOS and Share Plan in place, the Company will have a more comprehensive and flexible set of remuneration tools to better motivate, retain and recruit talent. The Share Plan will provide an opportunity for employees (including Executive Directors) to participate in the equity of the Company.

#### Accountability and Audit

#### Principle 10: Accountability and Audit

The Board takes adequate steps to ensure compliance with legislative and regulatory requirements, including requirements under the listing rules of the securities exchange, for instance, by establishing written policies where appropriate.

In presenting the annual financial statements, half-year results and full-year results announcements to shareholders, it is the aim of the Board to provide the shareholders with a detailed analysis, explanation and balance and understandable assessment of the Group's financial position and prospects. The Board is accountable to the shareholders and is mindful of its obligations to furnish timely information and to ensure full disclosure of material information in compliance with statutory requirements and the Rules of Catalist. The management currently provides the Board with management accounts of the Group's performance, position and prospects at least on a quarterly basis.

#### Principle 11: Risk Management and Internal Controls

The Board, assisted by the Audit Committee ("**AC**"), has oversight of the internal controls and risk management system in the Group.

The Company does not have a Risk Management Committee. However, the management regularly reviews the Company's business and operational activities to identify areas of significant business risks as well as appropriate measures to control and mitigate these risks. The management reviews all significant control policies and procedures and highlights all significant matters to the Directors and the AC. The details of the Group's financial and business risks can be found on pages 85 to 87 of this Annual Report.

The Group's internal controls and systems are designed to provide reasonable, but not absolute assurance to the integrity and reliability of the financial information and to safeguard and maintain the accountability of the assets.

The AC examines the effectiveness of the Group's internal control systems. The numbers of assurance mechanisms currently operating are supplemented by the Company's internal and external auditors' annual reviews of the effectiveness of the Company's material internal controls, including financial, operational, compliance and information technology controls and risk management systems. Any material non-compliance or failures in internal controls and recommendations for improvements are reported to the AC in a timely fashion. The Board received assurance in writing from CEO and CFO that financial records have been properly maintained and financial statements of the Company give a true and fair view of the Company's operations and finance. The assurance from CEO and CFO also includes effectiveness of the Company's risk management and internal control systems. The AC also reviews the effectiveness of the actions taken by the management on the recommendations made by the internal and external auditors in this respect.

The Board is of the opinion that the system of internal controls maintained by the Group's management, and that was in place throughout FY2016 and up to the date of this Report, is adequate to meet the needs of the Group in its current business environment.

The Board of Directors and the AC review annually, the adequacy of the Group's internal controls, including financial, operational, compliance and information technology controls and the Board, with the concurrence of the AC is of the opinion that the system of internal controls are in place and adequate to meet its needs in addressing the financial, operational, compliance risks and information technology controls. The Board is also of the view that the Company maintains a robust and effective system of internal controls in addressing financial, operational and compliance risks.

#### Audit Committee ("AC")

#### Principle 12: Audit Committee

The current AC comprises the following 3 members, majority of whom (including Chairman) are Independent Directors:

- (i) Mr Ho Lon Gee (Chairman);
- (ii) Mr Tony Tan Choon Keat; and
- (iii) Mr Jimmy Yim Wing Kuen.

The members of the AC are appropriately qualified to discharge their responsibilities and have recent and relevant accounting or related financial management expertise or experience, as the Board interprets such qualification in its business judgment.

The Board has approved the written terms of reference of the AC. Its functions are as follows:-

- (a) assist the Board in fulfilling its responsibilities in respect of the Company's accounting policies, internal controls and financial reporting practices;
- (b) monitor management's commitment to the establishment and maintenance of a satisfactory control environment with an effective system of internal control and review the effectiveness of the internal audit function (including any arrangements for internal audit);
- (c) maintain a channel of communication among members of the Board, the financial management team, and the internal and external auditors on matters arising out of the internal and external audits and to consider the adequacy of arrangements for audit;
- (d) monitor and review the scope and results of external audit and its cost effectiveness and the independence and objectivity of the external auditors;

.....

- (e) review with the external auditors the audit plan, their evaluation of the system of internal accounting controls, their letter to management and the management's response;
- (f) review the quarterly and annual financial statements and results announcements before submission to the Board for approval, focusing in particular on changes in accounting policies and practices, major financial risk areas, significant adjustments resulting from the audit, compliance with accounting standards and compliance with the Rules of Catalist and any other relevant statutory or regulatory requirements;
- (g) review the internal control procedures and ensure co-ordination between the external auditors and the management, and review the assistance given by the management to the auditors, and discuss problems and concerns, if any, arising from audits, and any matters which the auditors may wish to discuss (in the absence of the management, where necessary);
- (h) review and discuss with the external auditors any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and the management's response;
- (i) consider and recommend the appointment or re-appointment of the external auditors and matters relating to the resignation or dismissal of the auditors;
- (j) review interested person transactions (if any) falling within the scope of Chapter 9 of the Rules of Catalist;
- (k) review potential conflicts of interest (if any);
- (I) review the integrity of any financial information presented to the Company's shareholders;
- (m) review all hedging policies and instruments to be implemented by the Company, if any;
- (n) review and evaluate the Group's administrative, operating and internal accounting controls and procedures;
- (o) review the Group's financial risk and any oversight of the Group's financial risk management processes and activities to mitigate and manage financial risk at acceptable levels determined by the Board;
- (p) review the Group's key financial risk areas, with a view to provide an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or where the findings are material, immediately announced via SGXNET;
- (q) undertake such other reviews and projects as may be requested by the Board, and report to the Board its findings from time to time on matters arising and requiring the attention of the AC; and
- (r) generally undertake such other functions and duties as may be required by statute or the Rule of Catalist, or by such amendments as may be made thereto from time to time.

The AC meets regularly and also holds informal meetings and discussions with the management from time to time. The AC has full discretion to invite any Director or Executive Officer to attend its meetings.

The AC has been given full access to and is provided with the cooperation of the Company's management. In addition, the AC has independent access to the external auditors of the Company, Ernst & Young LLP (the "**External Auditors**") and the internal auditor of the Company, RSM Risk Advisory Pte Ltd (the "**Internal Auditors**"). The AC meets with the External Auditors and Internal Auditors on an annual basis without the presence of management to review matters that might be raised privately. The AC has reasonable resources to enable it to discharge its functions properly.

The AC is kept abreast by management and the external auditors of changes to accounting standards, Rules of Catalist and other regulations which could have an impact on the Group's business and financial statements.

#### Audit and Non-Audit Fees

The audit and non-audit services that were rendered by the Company's auditors, Ernst & Young LLP, to the Group and their related fees for FY2016 are as follows:

	S\$'000
Audit fees	140
Tax fees	60
Total	200

The AC has reviewed the volume of non-audit services to the Group by the External Auditors and being satisfied that the nature and extent of such services will not prejudice the independence and objectivity of the External Auditors, is pleased to recommend their re-appointment at the forthcoming AGM.

The Company is in compliance with Rules 712 and 715 of the Rules of Catalist in relation to the proposed reappointment of the External Auditors.

#### Whistle-blowing Policy

The AC has established and put in place a whistle-blowing policy and procedures to provide employees with welldefined and accessible channels within the Group for reporting suspected fraud, corruption, dishonest practices or other similar matters or raise serious concerns about possible incorrect financial reporting or other matters that could have an adverse impact on the Company. The aim of this policy is to encourage the reporting of such matters in good faith, with the confidence that employees making such reports will be treated fairly and, to the extent possible, be protected from reprisal. In promoting and creating awareness, the whistle-blowing policy and procedures are circulated to all existing and newly recruited employees.

The AC exercises the overseeing function over the administration of the policy. Quarterly reports will be submitted to the AC stating the number and nature of complaints received, the results of the investigation, follow-up actions and the unresolved complaints.

#### Principle 13: Internal Audit

RSM Risk Advisory Pte Ltd is currently engaged as the internal auditors of the Group and report directly to the Chairman of AC on audit matters and to the CEO on administrative matters. The internal auditor has full access to all the Company's documents, records, properties and personnel, including access to the AC. The internal auditor is guided by the Standards for the Professional Practice of Internal Auditing prescribed by the Institute of Internal Auditors. The AC review the adequacy and effectiveness of the internal audit function annually.

The objective of the internal audit function is to provide an independent review of the effectiveness of the Group's internal controls and provide reasonable assurance to the AC and the management that the Group's risk management, controls and governance processes are adequate and effective. The AC has reviewed the annual internal audit plan for FY2016. The AC is satisfied that the internal audit is adequately resourced and has the appropriate standing within the Group.

#### Shareholder Rights and Responsibility Principle 14: Shareholders Rights Principle 15: Communication with Shareholders Principle 16: Conduct of Shareholder Meetings

The Board is accountable to the shareholders and is mindful of its obligation to provide timely and fair disclosure of material information to shareholders, investors and public. The Board treats all shareholders fairly and equitably and seeks to protect and facilitate exercise of shareholder's rights.

The Company provides updated information including changes (if any) in the Company or its businesses which are likely to materially affect the price or value of its shares, in a timely and consistent manner to its shareholders via SGXNET announcements, news releases and the Company's website. Price-sensitive information is publicly released on an immediate basis where required under the Rules of Catalist. Where an immediate announcement is not possible, the announcement is made as soon as possible to ensure that shareholders and the public have a fair access to the information.

The Group does not have a concrete dividend policy at present. The form, frequency and amount of dividends declared each year will take into consideration the Group's profit growth, cash position, cash flow generated from operations, projected capital requirements for business growth and other factors as the Board may deem appropriate. There is no dividend payment to shareholders for the financial year ended 31 December 2016 in view of funding needs for future business developments and expansion.

The Company recognises that effective communication can highlight transparency and enhance accountability to its shareholders. The annual general meeting of the Company is a principal forum for dialogue and interaction with all shareholders. All shareholders will receive the annual report and the notice of annual general meeting. At the annual general meeting, shareholders will be given the opportunity to voice their views and to direct questions regarding the Group to the Directors including the Chairman of the Board and respective Chairman for each of the Board Committees. The External Auditors are also present to assist the Directors in addressing any relevant queries from the shareholders. Additionally, the Company prepares minutes of general meetings, which are made available to shareholders upon their request. Shareholders are encouraged to attend the AGM of the Company to ensure a high level of accountability and to stay informed of the Company's strategy and goals. The Board allows all shareholders to exercise its voting rights by participation and voting at general meetings.

The Company ensures that there are separate resolutions at general meetings on each distinct issue.

The Company's Constitution allow a member of the Company to appoint one or two proxies to attend and vote at its general meetings.

#### **Securities Transactions**

In line with Rule 1204(19) of the Rules of Catalist, the Group has adopted a policy with respect to dealings in securities by the Directors and its Executive Officers. Directors, management and officers of the Group who have access to price-sensitive, financial or confidential information are not permitted to deal in the Company's shares during the periods commencing one month before the announcement of the Group's half-year or full-year results and ending on the date of announcement of such results, or when they are in possession of unpublished price-sensitive information on the Group. In addition, Directors, management and officers of the Group are not allowed to deal in the Company's shares, the Company has adopted a code of conduct on transactions in the Company's shares.

#### **Material Contracts**

Save for the service agreements between the Executive Directors and the Company, there were no material contracts of the Company or its subsidiaries involving the interest of any Director or controlling shareholder, which are either still subsisting at the end of FY2016 or if not then subsisting, entered into since the end of the previous financial year.

#### Interested Person Transactions

The Company has established procedures to ensure that all transactions with interested persons are reported on a timely manner to the AC for review and approval. The AC has reviewed the interested person transactions for FY2016 conducted whereby the shareholders' approval is exempted under Rule 916(1) of the Rules of Catalist and is satisfied that the transactions were carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority shareholders. When a potential conflict of interest arises, the Director concerned takes no part in discussions or exercises any influence over other members of the Board.

.....

There was no change in any of the above mentioned interests between the end of the financial year and 21 January 2017.

Except as disclosed in this report, no director who held office at the end of the financial year had interests in shares, share options or debentures of the Company, or of related corporations, either at the beginning or at the end of the financial year.

#### Options

At the Extraordinary General Meeting held on 30 April 2014, shareholders approved the SMG Share Option Scheme and SMG Performance Share Plan (collectively, the "Scheme"). The Scheme is administered by the Remuneration Committee, comprising Messrs Jimmy Yim Wing Kuen (Chairman), Ho Lon Gee and Tony Tan Choon Keat.

#### SMG Share Option Scheme ("SSOS")

The SSOS applies to all employees of the Group (including Executive Directors who are Controlling Shareholders and their associates) who have attained the age of 21 years on or before the relevant grant of the options, provided that none shall be an undischarged bankrupt.

Other information regarding the SSOS is set out below:

- (a) The exercise price of the options is set at a price (the "Market Price") equal to the average of the last dealt prices for the Company's shares on the SGX-ST for the five consecutive market days immediately preceding the date of grant of such options.
- (b) The options expire 5 years after the grant date, unless they have been cancelled or have lapsed prior to that date.

#### SMG Performance Share Plan ("PSP")

The PSP applies to all employees of the Group (including Executive Directors who are Controlling Shareholders and their associates) who have attained the age of 21 years on or before the relevant grant of the options, provided that none shall be an undischarged bankrupt. The awards granted under PSP are conditional on Performance Targets set based on medium-term corporate objectives. Awards represent the right of a participant to receive fully paid shares, free of charge, upon the Company achieving prescribed Performance Target(s). Awards are released once the Remuneration Committee is satisfied that the prescribed target(s) have been achieved. There is no vesting periods beyond the performance periods.

No award under the PSP has been granted during the financial year.

### INDEPENDENT AUDITOR'S REPORT For the financial year ended 31 December 2016

.....

### Independent auditor's report to the members of Singapore Medical Group Limited

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of Singapore Medical Group Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2016, the statements of changes in equity of the Group and the Company and the consolidated income statement, consolidated statement of comprehensive income and consolidated cash flow statement of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group, the balance sheet and the statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2016 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled our responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

#### Impairment assessment of goodwill and property, plant and equipment

The Group performed impairment assessment on the following assets during the financial year ended 31 December 2016:

- goodwill of \$9,593,000; and
- property, plant and equipment of \$7,350,000

36

### **INDEPENDENT AUDITOR'S REPORT** For the financial year ended 31 December 2016

We considered the audit of management's impairment assessment of these assets to be a key audit matter due to the magnitude of the amounts recognised in the financial statements. In addition, the audit procedures over management's impairment test were significant to our audit because the assessment process involves significant management judgement, and is based on assumptions that are affected by expected future market and economic conditions. Management determined the recoverable amounts of these assets based on value-in-use calculation using cash flows projections approved by the board of directors. Based on the impairment test, management assessed that these assets were not impaired as at 31 December 2016.

We reviewed the robustness of management's budgeting process by comparing the actual financial results against previous projections. We assessed the valuation methodology used by management. We evaluated the key assumptions used in the impairment assessment, in particular the discount rate, long-term growth rates and budgeted revenue. We involved our internal valuation specialist to assist us in reviewing the reasonableness of the discount rates used. We evaluated the long-term growth rates and budgeted revenue by benchmarking them to the industry growth rates and the competitors' growth rates. We also reviewed sensitivity analysis on changes in these key assumptions to changes in the recoverable amounts of the assets. Finally, we reviewed the adequacy of the Group's disclosures on impairment of goodwill and property, plant and equipment in Notes 15 and 14 to the financial statements respectively.

#### Acquisition of subsidiaries – Novena Radiology Pte. Ltd. ("NRPL") and Lifescan Imaging Pte. Ltd. ("LSI")

On 1 April 2016, the Group acquired an effective equity interest of 70.6% in NRPL for \$388,000. On 9 September 2016, the Group acquired an additional 61.9% equity interest in LSI (in which the Group had an existing interest of 38.1%) for \$10,343,000. These acquisitions were accounted for using the acquisition method. Given the quantitative materiality of these acquisitions, significant management judgements required in the purchase price allocation ("PPA") exercise, and the adjustments made to align the accounting policies of NRPL and LSI with the Group, we considered the accounting for the acquisition of NRPL and LSI to be a key audit matter.

Management has engaged an external valuation expert to assist them with the PPA exercise. We assessed the competence, objectivity and capabilities of the external expert. In auditing the accounting of the acquisition, we reviewed the key terms in the sale and purchase agreement to obtain an understanding of the transaction. An important element of our audit relates to the identification of the acquired assets and liabilities, and ascertaining the fair values of the purchase consideration and the acquired assets and liabilities as well as the determination of the goodwill arising from the acquisitions. We evaluated this identification based on our discussion with management and our understanding of the business of NRPL and LSI. We involved our internal specialist in assessing the valuation methodologies, the nature as well as the basis of the identification and fair value adjustments made to the acquired assets and liabilities. We assessed the adequacy of the disclosures relating to the acquisition of subsidiaries in Note 16 to the financial statements.

#### **Other Information**

Management is responsible for other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### INDEPENDENT AUDITOR'S REPORT For the financial year ended 31 December 2016

**Responsibilities of Management and Directors for the Financial Statements** 

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

### **INDEPENDENT AUDITOR'S REPORT** For the financial year ended 31 December 2016

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Joseph Tan Soon Seng.

### 1. CORPORATE INFORMATION

Singapore Medical Group Limited (the "Company") is a limited liability company incorporated and domiciled in Singapore and listed on the official list of SGX-Catalist.

The registered office and principal place of business of the Company is located at 290 Orchard Road, #13-01 Paragon, Singapore 238859.

The principal activities of the Company are those relating to the operation of medical clinics and provision of general medical services and investment holdings. The principal activities of the subsidiaries are disclosed in Note 16.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards ("FRS").

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

These financial statements are presented in Singapore Dollars ("SGD" or "\$") and all values are rounded to the nearest thousand (\$'000) except when otherwise indicated.

The Accounting Standards Council announced on 29 May 2014 that Singapore incorporated companies listed on the Singapore Exchange will apply a new financial reporting framework identical to the International Financial Reporting Standards. The Group will adopt the new financial reporting framework on 1 January 2018.

#### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 1 January 2016. The adoption of these standards did not have any effect on the financial performance or position of the Group and the Company.

#### 2.3 Standards issued but not yet effective

The Group has not adopted the following standards applicable to the Group that have been issued but not yet effective:

	Effective for annual periods beginning
Description	on or after
Amendments to FRS 12: Recognition of Deferred Tax Assets for Unrealised losses	1 January 2017
Amendments to FRS 7 Disclosure Initiative	1 January 2017
FRS 109 Financial Instruments	1 January 2018
FRS 115 Revenue from Contracts with Customers	1 January 2018
FRS 116 Leases	1 January 2019

Except for FRS 116, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 116 are described below.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.3 Standards issued but not yet effective (cont'd)

#### FRS 116 Leases

FRS 116 requires lessees to recognise most leases on balance sheets to reflect the rights to use the leased assets and the associated obligations for lease payments as well as the corresponding interest expense and depreciation charges. The standard includes two recognition exemption for lessees – leases of 'low value' assets and short-term leases. The new standard is effective for annual periods beginning on or after 1 January 2019.

The Group is currently assessing the impact of the new standard and plans to adopt the new standard on the required effective date. The Group expects the adoption of the new standard will result in increase in total assets and total liabilities, EBITDA and gearing ratio.

#### 2.4 Basis of consolidation and business combinations

#### (a) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- de-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost;
- de-recognises the carrying amount of any non-controlling interest;
- de-recognises the cumulative translation differences recorded in equity;
- recognises the fair value of the consideration received;
- recognises the fair value of any investment retained;
- recognises any surplus or deficit in profit or loss;
- re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.4 Basis of consolidation and business combinations (cont'd)

#### (b) Business combinations and goodwill

Business combinations are accounted for by applying the acquisition method.

Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in profit or loss.

In business combinations achieved in stages, previously held equity interests in the acquiree are remeasured to fair value at the acquisition date and any corresponding gain or loss is recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any) is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to the Group's cash generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquire are assigned to those units.

The cash generating units to which goodwill have been allocated is tested for impairment annually and whenever there is an indication that the cash generating unit may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash generating unit (or group of cash-generating units) to which the goodwill relates.

#### 2.5 Transactions with non-controlling interests

Non-controlling interest represents the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company, and are presented separately in the consolidated statement of comprehensive income and within equity in the consolidated balance sheet, separately from equity attributable to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.6 Foreign currency

The Group's consolidated financial statements are presented in SGD, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### (a) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

#### (b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

In the case of a partial disposal without loss of control of a subsidiary that includes a foreign operation, the proportionate share of the cumulative amount of the exchange differences are re-attributed to non-controlling interest and are not recognised in profit or loss. For partial disposals of associates or jointly controlled entities that are foreign operations, the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

#### 2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost includes the cost of replacing part of the property, plant and equipment and borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying property, plant and equipment. The accounting policy for borrowing costs is set out in Note 2.18. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.7 Property, plant and equipment (cont'd)

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

	Years
Office equipment	1 – 3
Medical equipment	5 – 10
Furniture and fittings	3 years or remaining lease term of clinics/office premise (whichever is lower)

Assets under construction are not depreciated as these are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in profit or loss in the year the asset is derecognised.

#### 2.8 Intangible assets

Intangible assets acquired separately are measured initially at cost. Following initial acquisition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives or not yet available for use are tested for impairment annually, or more frequently if the events and circumstances indicate that the carrying value may be impaired either individually or at the cash-generating unit level. Such intangible assets are not amortised. The useful life of an intangible asset with an indefinite useful life is reviewed annually to determine whether the useful life assessment continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.8 Intangible assets (cont'd)

#### Computer software

Costs associated with developing or maintaining computer software are recognised as an expense as incurred. Costs that are directly associated with identifiable and unique software products controlled by the Company and will probably generate economic benefits exceeding beyond one year, are recognised as intangible assets. Direct costs include staff costs of the software development team and an appropriate portion of relevant overheads.

Expenditure which enhances or extends the performance of computer software programmes beyond their original specifications is recognised as a capital improvement and added to the original cost of software. Computer software recognised as assets are amortised using the straight-line method over their estimated useful lives of 3 years. Where an indication of impairment exists, the carrying amount of computer software is assessed and written down to its recoverable amount.

#### 2.9 Impairment of non-financial assets

The Group assesses at the reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs to sell, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

#### 2.10 Subsidiaries

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.11 Joint ventures

A joint arrangement is a contractual arrangement whereby two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint arrangement is classified either as joint operation or joint venture, based on the rights and obligations of the parties to the arrangement.

To the extent the joint arrangement provides the Group with rights to the assets and obligations for the liabilities relating to the arrangement, the arrangement is a joint operation. To the extent the joint arrangement provides the Group with rights to the net assets of the arrangement, the arrangement is a joint venture.

The Group account for its investments in joint ventures using the equity method from the date on which it becomes a joint venture.

On acquisition of the investment, any excess of the cost of the investment over the Group's share of the net fair value of the investee's identifiable assets and liabilities is accounted as goodwill and is included in the carrying amount of the investment. Any excess of the Group's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the joint venture's profit or loss in the period in which the investment is acquired.

Under the equity method, the investment in joint ventures are carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the joint ventures. The profit or loss reflects the share of results of the operations of the joint ventures. Distributions received from joint ventures reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the joint venture, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and joint venture are eliminated to the extent of the interest in the joint ventures.

When the Group's share of losses in a joint venture equals or exceeds its interest in the joint venture, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the joint venture.

After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in joint ventures. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the joint venture is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the joint venture and its carrying value and recognises the amount in profit or loss.

The financial statements of the joint ventures are prepared as the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

In the Company's separate financial statements, investments in joint ventures are accounted for at cost less impairment losses.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.12 Financial assets

#### Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

#### Subsequent measurement

#### Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

#### De-recognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

#### 2.13 Impairment of financial assets

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

#### Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.13 Impairment of financial assets (cont'd)

#### Financial assets carried at amortised cost (cont'd)

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

#### 2.14 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand which are subject to an insignificant risk of changes in value. These also include bank overdrafts that form an integral part of the Group's cash management.

#### 2.15 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and conditions are accounted for on a weighted average basis.

When necessary, allowance is provided for damaged, obsolete and slow-moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

#### 2.16 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

#### 2.17 Financial liabilities

#### Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.17 Financial liabilities (cont'd)

#### Subsequent measurement

After initial recognition, financial liabilities not at fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

#### De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

#### 2.18 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

#### 2.19 Government grants

Government grants shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate. Grants related to income may be presented as a credit in profit or loss, either separately or under heading such as "Other income". Alternatively, they are deducted in reporting the related expenses.

#### 2.20 Employee benefits

#### (a) Defined contribution plans

The Group participates in the national scheme as defined by the laws of countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

#### (b) Employee share-based compensation

Employees of the Group receive remuneration in the form of share options as consideration for services rendered. The cost of these equity-settled share-based payment transactions with employees are measured by reference to the fair value of the options at the date on which the options are granted which takes into account market conditions and non-vesting conditions. This cost is recognised in profit or loss, with a corresponding increase in the employee share option reserve, over the vesting period. The cumulative expense recognised at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of options that will ultimately vest. The charge or credit to profit or loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in personnel expense.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.20 Employee benefits (cont'd)

#### b) Employee share-based compensation (cont'd)

No expense is recognised for shares that do not ultimately vest, except for shares where vesting is conditional upon a market or non-vesting condition, which are treated as vested irrespective of whether or not the market condition or non-vesting condition is satisfied, provided that all other performance and/ or service conditions are satisfied. In the case where the share does not vest as the result of a failure to meet a non-vesting condition that is within the control of the Group or the employee, it is accounted for as a cancellation. In such case, the amount of the compensation cost that otherwise would be recognised over the remainder of the vesting period is recognised immediately in profit or loss upon cancellation.

Where the terms of an equity-settled transaction award are modified, the minimum expense recognised is the expense as if the terms had not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification.

#### 2.21 Leases

#### (a) Finance lease

Finance leases, which transfer to the Group substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalised. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit or loss. Contingent rents, if any, are charged as expenses in the periods in which they are incurred.

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term.

#### (b) Operating lease

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

#### 2.22 Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable, excluding discounts, rebates, and sales taxes or duty. The following specific recognition criteria must also be met before revenue is recognised.

#### (a) Rendering of services

Revenue from the provision of consultations, clinical treatments, medical tests and operations are recognised upon the completion of the services rendered. Revenue from rendering of package services are recognised by reference to the stage of completion of the transaction at the balance sheet date, determined by the number of sessions utilised as a percentage of the total sessions sold in a package.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.22 Revenue (cont'd)

(b) Sale of medicine and related products

Revenue from the sales of medicine and related products is recognised upon the transfer of significant risk and rewards of ownership of the goods to the customer. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

(c) Interest income

Interest income is recognised using the effective interest method.

(d) Dividend income

Dividend income is recognised when the Group's right to receive payment is established.

#### 2.23 Taxes

#### (a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.23 Taxes (cont'd)

(b) Deferred tax (cont'd)

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

(c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

#### 2.24 Share capital and share issuance expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.25 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

### 3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the Group's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

#### 3.1 Judgements made in applying accounting policies

Management is of the view that there is no significant judgment made in applying accounting policies.

#### 3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period, are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements was prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### (i) Useful lives of property, plant and equipment

Office equipment, furniture and fittings, and medical equipment are depreciated on a straight-line basis over their respective estimated useful lives as stated in Note 2.7. This estimate is based on the historical experience of the actual useful lives of property, plant and equipment of similar nature and functions. The carrying amount of property, plant and equipment of the Group as at 31 December 2016 is \$7,350,000 (2015: \$2,628,000). Changes in the expected level of usage and technological developments could impact the economic useful lives; therefore future depreciation charges could be revised.

### 3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS (CONT'D)

#### 3.2 Key sources of estimation uncertainty (cont'd)

(ii) Impairment of goodwill

As disclosed in Note 15 to the financial statements, the recoverable amounts of the cash generating units which goodwill has been allocated to are determined based on value in use calculations. The value in use calculations are based on a discounted cash flow models. The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used for extrapolation purposes. The key assumptions applied in the determination of the value in use including a sensitivity analysis, are disclosed and further explained in Note 15 to the financial statements.

The carrying amount of the goodwill as at 31 December 2016 is \$9,593,000 (2015: \$Nil).

#### (iii) Impairment of non-financial assets

The Group assesses impairment of assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets requires assessment as to whether the carrying amount of assets exceeds the recoverable amount. Recoverable amount is defined as the higher of an asset's or cash generating unit's fair value less costs to sell and its value in use. The Group evaluates the value in use which is supported by the net present value of future cash flows derived from such assets using cash flow projections which have been discounted at an appropriate rate.

Forecasts of future cash flows are based on the Group's estimates using historical and industry trends, general market and economic conditions, changes in technology and other available information.

#### Company/Companies related to a director:

The Group had the following transactions with companies related to a director:

- (i) The Group had entered into a lease agreement with K S Beng Pte Ltd ("KSB"), a company owned by an immediate family member of one of the directors of the Company, to lease a commercial premise for an annual rental of \$157,000 (2015: \$163,000). The Group also paid professional fees of \$299,000 (2015: \$317,000) in relation to medial services rendered by the same entity. Other than the security deposits of \$27,000, there is no balance outstanding with KSB as at the reporting date (2015: \$27,000).
- (ii) The Group had entered into a lease agreement with MW Medical Holdings Pte Ltd ("MWMH"), a company owned by one of the directors of the Company, to lease a commercial premise for rental of \$184,000 (2015: \$62,000). Other than the security deposits of \$31,000, there is no balance outstanding with MWMH as at the reporting date (2015: \$31,000).
- (iii) The Group had entered into a lease agreement with BB Ventures Pte Ltd ("BBV"), a company owned by one of the directors of the Company, to lease a commercial premise for rental of \$42,000 (2015: \$Nil). Other than the security deposits of \$7,000, there is no balance outstanding with BBV as at the reporting date (2015: \$Nil).
- (iv) The Group had entered into a contract with International Cancer Specialist Pte Ltd ("ICS"), a company where one of the directors had an indirect interest, to provide medical services. As at 31 December 2015, ICS was no longer a related party of the Group as the director had disposed his entire indirect interest in the entity.

### 12. INCOME TAX (EXPENSE)/CREDIT

#### Major components of income tax credit

The major components of income tax (expense)/credit for the years ended 31 December 2016 and 2015 are:

### 13. EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit/(loss) for the year attributable to owners of the Company by the weighted average number of ordinary shares in issue during the financial year.

Diluted earnings per share is calculated by dividing the net profit/(loss) for the year attributable to owners of the Company by the weighted average number of ordinary shares in issue during the financial year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

### 13. EARNINGS PER SHARE (CONT'D)

The following tables reflect the profit/(loss) and share data used in the computation of basic and diluted earnings per share for the years ended 31 December:

	Gro	up
Profit/(Loss) for the year attributable to owners of the Company	2016 \$'000 2,423	<b>2015</b> <b>\$'000</b> (148)

6,840,000 (2015: 5,265,000) share options granted to employees under the existing employee share option plan have not been included in the calculation of diluted earnings per share because they are anti-dilutive.

There have been no transactions involving ordinary shares or potential ordinary shares since the reporting date and before the completion of these financial statements.

#### Assets held under finance lease

During the financial year, the Group acquired medical equipment with an aggregate cost of \$700,000 (2015: \$Nil) by means of finance leases. The cash outflow on acquisition of property, plant and equipment amounted to \$1,127,000 (2015: \$1,516,000).

The carrying amount of the Group's medical equipment held under finance leases as at 31 December 2016 is \$3,286,000 (2015: \$159,000). Such assets are pledged as security for the related finance lease liabilities (Note 25).

#### Impairment of assets

During the financial year, a subsidiary of the Group, carried out a review of the recoverable amount of its medical equipment as it wound down its activities. An impairment loss of \$52,000 (2015: \$Nil), representing the write down of the equipment to recoverable amount was recognised in "Other losses" line item of income statement. The recoverable amount of the medical equipment based on fair value less costs to sell was derived from the market value of comparable equipment.

#### Purchase of assets from joint venture

During the financial year, the Group purchased medical equipment from a joint venture entity, SMG Leaders Pte. Ltd., for a cash consideration of \$134,000.

#### Disposal of assets to joint venture

In 2015, the Group transferred its furniture and fittings to its joint venture entities, SMG Leaders Pte. Ltd. and Lifescan Imaging Pte. Ltd., for a cash consideration of \$38,000 and \$7,000 respectively. No gain or loss on disposal of property, plant and equipment was recognised as a result of these transactions.

#### Impairment testing of goodwill

Goodwill acquired through business combinations have been allocated to one cash-generating unit ("CGU"), diagnostic and aesthetics business, which is also a reportable operating segment, for impairment testing.

The recoverable amount of the CGU has been determined based on value in use calculations using cash flow projections from financial budgets approved by management covering a five-year period. The pre-tax discount rate applied to the cash flow projections and the forecasted future growth rates used to extrapolate cash flow projections beyond the five-year period are as follows:

	Diagnostic business
	2016
Future growth rates	1.0%
Pre-tax discount rate	10.5%

### 15. INTANGIBLE ASSETS (CONT'D)

#### Key assumptions used in the value in use calculation

The calculation of value in use for the CGU is most sensitive to the following assumptions:

*Growth rates* – The forecasted growth rates are based on the targeted revenue growth, after considering the Company's available capacity, that are approved by management covering a period of 5 years.

*Pre-tax discount rates* – Discount rate represents the current market assessment of the risks specific to the CGU, regarding the time value of money and individual risks of the underlying assets which have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Company and its operating segment and derived from its weighted average cost of capital ("WACC"). The WACC takes into account both debt and equity. The cost of equity is derived from the expected return on investment by the Company's investors. The cost of debt is based on the interest bearing borrowings the Company is obliged to service. Segment–specific risk is incorporated by applying individual beta factors. The beta factors are evaluated annually based on publicly available market data.

#### Sensitivity to changes in assumptions

With regards to the assessment of value in use, management believes that no reasonably possible changes in any of the above key assumptions would cause the carrying value of the CGU to materiality exceed its recoverable amount.

#### Acquisition of subsidiaries

#### Acquisition of Novena Radiology Pte. Ltd. ("NRPL")

On 1 April 2016, the Company and its joint venture entity, Lifescan Imaging Pte. Ltd. ("LSI"), acquired 51.0% and 49.0% equity interest in NRPL, a provider of radiology/diagnostic imaging services in Singapore, respectively. Taking into account of the indirect equity interest of 19.6% in NRPL held through LSI, the Group effectively held an overall 70.6% of the equity interest in NRPL and NRPL became a subsidiary of the Group.

The Group had acquired NRPL in order to expand its radiology and diagnostic imaging assets thereby complementing its diagnostic business and allows the Group to tap into potential growth in the diagnostic imaging market, and enable the Group to enhance its services provided to its patients.

The Group has elected to measure the non-controlling interest at the non-controlling interest's proportionate share of NRPL's net identifiable assets.

#### Transaction costs

Transaction costs related to the acquisition of \$7,000 have been recognised in the "Administrative expenses" line item in the Group's profit or loss for the year ended 31 December 2016.

#### Acquired receivables

The fair value of trade and other receivables is \$202,000 and includes trade receivables with a fair value of \$111,000. The gross contractual amount for trade receivables due is \$122,000, of which \$11,000 is expected to be uncollectible.

#### Goodwill arising from acquisition

The goodwill of \$220,000 comprises the value of strengthening the Group's market position in Singapore and the synergies expected to arise from integrating NRPL into the Group's existing diagnostic business.

#### Impact of the acquisition on profit or loss

For the nine months ended 31 December 2016, NRPL contributed revenue of \$1,175,000 and profit of \$18,000 to the Group's results. If the business combination had taken place at the beginning of the year, the consolidated revenue and consolidated profit for the year would have been \$41,792,000 and \$2,833,000 respectively.

### 16. INVESTMENT IN SUBSIDIARIES (CONT'D)

#### Acquisition of subsidiaries (cont'd)

#### Acquisition of Lifescan Imaging Pte. Ltd.

On 9 September 2016, the Group acquired an additional 61.9% equity interest in LSI, which the Group has an existing interest of 38.1%. As a result, the Group's equity interest in LSI increased from 38.1% to 100.0%, making LSI a wholly-owned subsidiary of the Group.

Taking control of LSI will enable the Group to strengthen its diagnostic business and provides an opportunity for expansion of the Group's business.

#### Gain on remeasuring previously held equity interest in LSI to fair value at date of acquisition

The Group recognised a gain of \$1,612,000 as a result of measuring at fair value its 38.1% equity interest in LSI held before the business combination. The gain is included in the "Other gain" line item in the Group's profit or loss for the year ended 31 December 2016.

#### Transaction costs

Transaction costs related to the acquisition of \$136,000 have been recognised in equity as share issuance expenses for issuance of the Company's shares for the acquisition of the subsidiary.

#### Acquired receivables

The fair value of trade and other receivables is \$2,679,000 and includes trade receivables with a fair value of \$1,907,000. The gross contractual amount for trade receivables due is \$1,961,000, of which \$54,000 is expected to be uncollectible.

#### Goodwill arising from acquisition

The goodwill of \$9,373,000 comprises the value of referral network of LSI and the synergies expected to arise from the economies of scale in integrating LSI operations with those of the Group.

#### Impact of the acquisition on profit or loss

For the period from 9 September 2016 to 31 December 2016, LSI contributed revenue of \$2,502,000 and profit of \$203,000 to the Group's results. If the business combination had taken place at the beginning of the year, the consolidated revenue and consolidated profit for the year would have been \$45,717,000 and \$3,321,000 respectively.

# 16. INVESTMENT IN SUBSIDIARIES (CONT'D)

#### Acquisition of subsidiaries (cont'd)

#### Equity instruments issued as consideration transferred

In connection with the acquisition of the remaining 61.9% equity interest in LSI, the Company issued 33,363,282 ordinary shares with a fair value of \$0.31 each (Note 28). The fair value of these shares is the published price of the shares at the date of acquisition.

The attributable cost of the issuance of the shares as consideration of \$136,000 have been recognised directly in equity as a deduction from share capital.

#### Acquisition of ownership interest in subsidiary, without loss of control

With the Group acquiring an additional 61.9% equity interest in LSI on 9 September 2016 making LSI a wholly-owned subsidiary, the Group effectively takes over the remaining 29.4% equity interest in NRPL, where LSI has a 49.0% equity interest, from the non-controlling interests. As a result, NRPL becomes a wholly-owned subsidiary of the Group. The carrying amount of the net assets of NRPL as at 9 September 2016 was \$64,000. The Group recognised a decrease in non-controlling interests of \$74,000 and a decrease in retained earnings of \$87,000.

The following summarises the effect of the change in the Group's ownership interest in NRPL on the equity attributable to owners of the Company:

	\$'000

# 17. INVESTMENT IN JOINT VENTURES (CONT'D)

During the financial year:

- (a) The Company provided a shareholders' loan of \$167,000 to PT Ciputra SMG ("PTCS") which is unsecured and interest-free. The settlement of this loan is neither planned nor likely to occur in the foreseeable future. As the loan is, in substance, a part of the Company's net investments in PTCS, it is stated at cost less accumulated impairment loss.
- (b) The Company entered into a joint venture agreement and incorporated a jointly-controlled entity, SMG Cardioscan Pte. Ltd. ("SMGC"), with an external party and made a capital contribution of \$50,000 to the share capital of SMGC. The Company holds a 50.0% interest in the share capital of SMGC.
- (c) The Company subscribed to 400,000 new shares at \$1 per share issued by LSI amounting to \$400,000. There was no change to the Company's interest after the additional capital contribution on 15 March 2016.
- (d) The Group's ownership interest in LSI was diluted from 40.0% to 38.1% following the issuance of 225,000 shares to external parties for a cash consideration of \$225,000 on 4 August 2016. The carrying amount of LSI's net assets on the date of issuance of shares was \$5,571,000 and a loss on dilution of control in joint venture of \$16,000 was recognised in the income statement.
- (e) The Company entered into a joint venture agreement and incorporated a jointly-controlled entity, SMG International (Vietnam) Pte. Ltd. ("SMGIV"), with external parties and made a capital contribution of \$124 (equivalent to United States Dollar ("USD") 85) to the share capital of SMGIV. The Company holds a 50.0% interest in the share capital of SMGIV.
- (f) The Company made an advance to SMGIV of \$1,240,000 (equivalent of USD849,915) as subscription monies for 849,915 new shares in SMGIV which is unsecured and interest-free. The new shares are issued to the Company on 4 January 2017 (Note 37(i)).

In 2015:

- (a) The Company subscribed to 4,000,000 new shares at Rp1,000 per share issued by PTCS amounting to \$429,000 (equivalent to Indonesia Rupiah ("Rp") 4 billion). There was no change to the Company's interest after the additional capital contribution.
- (b) The Company entered into a joint venture agreement and incorporated a jointly-controlled entity, SMG Leaders Pte. Ltd. ("SMGL"), with an external party and made a capital contribution of \$693,000 (equivalent to United States Dollar ("US\$") 510,000) to the share capital of SMGL. The Company holds a 51.0% interest in the share capital of SMGL.
- (c) The Company entered into a joint venture agreement and incorporated a jointly controlled entity, LSI, with external parties and made a capital contribution of \$1,400,000 to the share capital of LSI. The Company holds a 40.0% interest in the share capital of LSI.
- (d) The Company disposed its entire 49.0% shareholding interest in MindChamps Medical (Pte) Limited for a cash consideration of \$100,000.

#### Impairment of investment in joint ventures

During the financial year, in view of the continued losses incurred by PTCS and SMGL and the lower than forecasted sales from the clinics under both joint ventures, impairment loss of \$384,000 (2015: \$Nil) and \$1,422,000 (2015: \$Nil) were recognised for the Group's and Company's investment in PTCS and SMGL. The impairment loss was recognised in the income statement under the line item "Other losses". The recoverable amounts were determined based on value-in-use calculations using cash flow projections from financial budgets approved by management covering 5 years. The pre-tax discount rate applied to the cash flow projections is 10.5% and management used 1.0% growth rate to extrapolate cash flow projections beyond the 5-year period.

- (a) The Company had on 9 December 2014 lodged an Offer Information Statement with Singapore Exchange Securities Trading Limited (the "SGX-ST"), acting as agent on behalf of the Monetary Authority of Singapore ("MAS"), for the renounceable non-underwritten rights issue of up to 25,093,500 new ordinary shares in the issue share capital of the Company, at an issue price of \$0.153 for each rights share, on the basis of one rights share for every ten existing ordinary shares in the issued share capital of the Company held by entitled shareholders as at the books closure date (the "Rights Issue"). Following the allotment and issuance of the right shares pursuance to the Rights Issue on 13 January 2015, the Company received a net proceed of \$\$3,620,000. The number of issued shares of the Company increased from 250,935,000 to 276,028,500.
- (b) Pursuant to a sale and purchase agreement between the Company and external parties, the Company had on 9 September 2016 issued a total of 33,363,282 ordinary shares to external parties as consideration for the acquisition of the remaining 61.9% equity interest in LSI. Upon the completion of the acquisition, LSI became a wholly-owned subsidiary of the Company (Notes 16 and 17).

## 28. SHARE CAPITAL (CONT'D)

(c) During the financial year, the Company issued 1,641,000 ordinary shares following the exercise of share options under the SMG Share Option Scheme.

The ordinary shares have no par value. All the above issued ordinary shares are fully paid. The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions.

## 29. SHARE OPTION RESERVE

Share option reserve represents the equity-settled share options granted to employees. The reserve is made up of the cumulative value of services received from employees recorded over the vesting period commencing from the grant date of equity-settled share options, and is reduced by the expiry or exercise of the share options.

## **30. FOREIGN CURRENCY TRANSLATION RESERVE**

Foreign currency translation reserve comprises all foreign currency differences arising from the translation of the financial statements of foreign operations.

## 31. SHARE-BASED PAYMENT ARRANGEMENT

At 31 December 2016, the Group has the following share-based payment arrangement:

#### SMG Share Option Scheme

Under the SMG Share Option Scheme ("SSOS"), share options are granted to selected employees of the Group (including Executive Directors who are Controlling Shareholders and their associates). The exercise price of the options is determined at the average of the closing prices of the Company's shares as quoted on the Singapore Exchange for five market days immediately preceding the date of the grant. The options vest over a period of three years from the date of grant. The contractual life of each option granted is five years.

There has been no cancellation or modification to the SSOS during the financial year.

#### Movement of share options during the financial year

The following table illustrates the number ("No.") and weighted average exercise prices ("WAEP") of, and movements in, share options during the financial year:

	20	16	2015	
	No.	No. WAEP (\$)		WAEP (\$)
Outstanding at 1 January	5,265,000	0.172	5,530,000	0.175

# NOTES TO THE FINANCIAL STATEMENTS

## 31. SHARE-BASED PAYMENT ARRANGEMENT (CONT'D)

#### SMG Share Option Scheme (cont'd)

#### Fair value of share options granted

The fair value of the share options granted under the SSOS is estimated at the grant date using the Trinomial Option Pricing Model ("TOPM"), taking into account the terms and conditions upon which the share options were granted.

The following table lists the inputs to the option pricing models for the years ended 31 December 2016 and 2015:

	2016	2015
Dividend yield (%)	-	_
Expected volatility (weighted-average)	27.6%	50.0%
Risk free interest rate (weighted-average)	1.04%	1.35%
Expected life of options (weighted-average)	3.5 years	3.5 years
Weighted average share price (\$)	\$0.310	\$0.135

The expected life of the share options is estimated by management in the absence of historical data and is not necessarily indicative of exercise patterns that may occur. The expected volatility reflects the assumption that the historical volatility over a period similar to the life of the options is indicative of future trends, which may not necessarily be the actual outcome.

### 32. COMMITMENTS

#### **Operating lease commitments**

During the financial year, the Group entered into commercial leases relating to the rental of office premises and equipment. Future minimum lease payments under the operating leases are as follows:

	Group		
	2016 2015		
	\$'000	\$'000	
Not later than 1 year	3,601	2,772	
Later than 1 year but not later than 5 years	9,085	2,866	
	12,686	5,638	

The leases do not contain escalation clauses and restrictions on the Group's activities concerning dividends, additional debt or further leasing.

### **33. SEGMENT INFORMATION**

For business development, synergy and management purposes, the Group is organised into business segments based on their products and services, and has three reportable segments as follows:

- I. The Health Business comprises: (a) General ophthalmological services such as implantable contact lens, cataract surgery, glaucoma and retinal disease treatment; (b) Orthopaedic services including treatments for joint and cartilage injuries, knee and hip replacements, fractures, musculoskeletal and sports injuries, trauma care and general orthopaedics; (c) Oncology services including the prevention, diagnosis and treatment of cancer, cancer screening and cancer genetic and risk assessment; (d) Obstetrical and gynaecological services caters to the wellness of women for every momentous stage of life; (e) Otolaryngology services that provides diagnosis, evaluation, treatment and management of conditions affecting the ear, nose, throat and neck in both adults and children; (f) Dermatology services that provides a comprehensive premium range of medical, surgical and cosmetic dermatology for adults and children; and (g) General Medicine and health screening services.
- II. The Diagnostic & Aesthetics Business comprises: (a) Radiology and diagnostic imaging services; (b) Refractive surgery services; (c) Dental services including general dental services, prosthodontics, orthodontics, implant dentistry, oral surgery and gum treatment; and (d) Aesthetics medicine services which offer an extensive range of evidence-based healthcare services related to the improvement of physical appearances. These services include facial aesthetics, body aesthetics, facial and breast fillers, IPL, lasers, Botox, microdermabrasion minimally invasive Silhouette threadlift and VASER-assisted LipoSelection.
- III. The Others segment comprises group-level corporate services as well as business consultancy functions.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated by the chief operating decision makers ("CODM"), Chief Executive Officer, solely based on gross profit or loss. Certain expenses, other income and income taxes are managed on a group basis and are not allocated to operating segments.

Based on the management reporting to the CODM, the segment assets and liabilities are not regularly provided for their review of the financial performance. Therefore, the segment assets and liabilities amounts are not disclosed in the segment information.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

## 33. SEGMENT INFORMATION (CONT'D)

#### **Geographical information**

The Group mainly operates in Singapore except for its share of results of joint venture entities of loss of \$196,000 (2015: loss of \$197,000) which was derived from Indonesia (2015: Indonesia). Consequently, the Group's revenue and non-current assets are mainly derived from and based in Singapore.

## 34. FINANCIAL RISK MANAGEMENT POLICIES AND OBJECTIVES

The Group's and the Company's principal financial instruments comprise obligations under finance leases, bank loans, and cash and bank balances. The main purpose of these financial instruments is to raise finance for the Group's and the Company's operations. The Group and the Company have various other financial assets and liabilities such as trade and other receivables and trade and other payables, which arise directly from their operations.

The main risks arising from the Group's and the Company's financial instruments are interest rate risk, liquidity risk, and credit risk. The board of directors reviews and agrees policies for managing each of these risks and they are summarised below.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks during the years ended 31 December 2015 and 2016.

It is, and has been throughout the years under review, the Group's policy that no trading in derivative financial instruments shall be undertaken.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from their floating rate cash at bank balances as well as interest rate changes relating to the Group's and the Company's interest-bearing loans and borrowings for the financial years ended 31 December 2015 and 2016. The Group's policy is to obtain the most favourable interest rates available and place surplus funds with reputable banks.

Information relating to the Group's interest rate exposure is also disclosed in Note 26 on the Group's loans and borrowings.

#### Sensitivity analysis for interest rate risk

At the balance sheet date, if SGD interest rates had been 100 (2015: 100) basis points lower/higher with all other variables held constant, the Group's profit before tax would have been \$12,000 (2015: \$20,000) higher/ lower, arising mainly as a result of lower/higher interest income on floating rate cash at bank balances and lower/higher interest expense on floating rate loans and borrowings.

# NOTES TO THE FINANCIAL STATEMENTS

# 34. FINANCIAL RISK MANAGEMENT POLICIES AND OBJECTIVES (CONT'D)

#### Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds.

As part of its overall liquidity management, the Group monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Group's operations and mitigate the effects of fluctuations in cash flows.

#### Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Group's and the Company's financial liabilities at the balance sheet date based on contractual undiscounted repayment obligations.

# 34. FINANCIAL RISK MANAGEMENT POLICIES AND OBJECTIVES (CONT'D)

#### Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and cash equivalents), the Group minimises credit risk by dealing exclusively with high credit rating counterparties.

The Group's and Company's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. It is the Group's policy that all customers who wish to obtain services on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's and Company's exposure to bad debts is not significant.

The Group assessed the concentration of the credit risk and concluded it to be low.

#### Exposure to credit risk

At the balance sheet date, the Group's and the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised on the balance sheet.

#### Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good payment record with the Group. Cash and bank balances that are neither past due nor impaired are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

#### Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 19.

### 35. FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction, other than in a forced or liquidation sale.

#### Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date,
- Level 2: Inputs other that quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3: Unobservable inputs for the asset and liability.

## 35. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONT'D)

#### Fair value hierarchy (cont'd)

# (a) Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

Cash and bank balances (Note 22), current trade and other receivables (Note 19 and 20), amounts due from/(to) related companies (Note 21), current trade, other payables and accruals (Note 23 and 24), obligations under finance leases (current) (Note 25), and loans and borrowings (Note 26).

The carrying amounts of these financial assets and liabilities are reasonable approximation of fair values, either due to their short-term nature or that they are floating rate instruments that are re-priced to market interest rates on or near the balance sheet date.

# (b) Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value

Set out below is a comparison by category of the carrying amounts and fair values of all of the Group's and Company's financial instruments that are carried in the financial statements at other than fair values:

			)16		)15
	Note	Carrying amount \$'000	Fair value \$'000	Carrying amount \$'000	Fair value \$'000
Group Sinon sie / sessite					
<i>Financial assets:</i> Other receivables (non-current)	20	887	855	370	367
<i>Financial liabilities:</i> Obligations under finance					
leases (non-current)	25	1,502	1,670	44	53
Company					
<i>Financial assets:</i> Other receivables (non-current)	20	644	624	369	367

#### Determination of fair value

Other receivables (non-current) (Note 20), and obligations under finance leases (non-current) (Note 25)

The fair values as disclosed in the table above are estimated by discounting expected future cash flows at market incremental lending rate for similar types of lending, borrowing or leasing arrangements at the balance sheet date. The fair value measurements of the above instruments are classified under level 3 of the fair value hierarchy.

### 36. CAPITAL MANAGEMENT

The primary objective of the Group's capital management is to ensure that it maintains a healthy capital ratio in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2016 and 2015.

The Group monitors capital using a gearing ratio, which is total borrowings divided by total capital. The Group includes within borrowings, obligations under finance leases and loans and borrowings. Capital consists of equity attributable to the equity holders of the Company.

	Group		
	2016 \$'000	2015 \$'000	
Obligations under finance leases (Note 25)	2,382	108	
Loans and borrowings (Note 26)	1,181	1,269

#### **Special Business**

To consider and, if thought fit, to pass the following resolutions as Ordinary Resolutions, with or without any modifications:

7. GENERAL AUTHORITY TO ALLOT AND ISSUE SHARES IN THE CAPITAL OF THE COMPANY (THE "SHARE ISSUE MANDATE")

"That, pursuant to Section 161 of the Companies Act, Cap. 50 of Singapore (the "Act") and Rule 806(2) of the Rules of Catalist, authority be and is hereby given to the Directors of the Company to:-

- (a) (i) allot and issue shares in the capital of the Company whether by way of rights, bonus or otherwise; and/or
  - (ii) make or grant offers, agreements or options (collectively "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures, convertible securities or other instruments convertible into shares;

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors shall in their absolute discretion deem fit, and

(b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force.

provided always that:-

- (i) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed one hundred per cent. (100%) of the total issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (ii) below) or such other limit as may be prescribed by the Rules of Catalist as at the date this Resolution is passed, of which the aggregate number of shares to be issued other than on a *pro-rata* basis to the then existing shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed fifty per cent. (50%) of the total issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (ii) below) or such other limit as may be prescribed by the Rules of Catalist as at the date this Resolution is passed.
- (ii) (subject to such manner of calculation and adjustments as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (i) above, the percentage of the total issued shares (excluding treasury shares) shall be based on the total issued shares (excluding treasury shares) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
  - (a) new shares arising from the conversion or exercise of any convertible securities outstanding and/or subsisting at the time this authority is given;
  - (b) new shares arising from the exercise of share options or vesting of share awards outstanding or subsisting at the time of the passing of this Resolution, provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Rules of Catalist; and
  - (c) any subsequent bonus issue, consolidation or sub-division of shares.
- (iii) in exercising the authority conferred by this Resolution, the Directors shall comply with the requirements imposed by the SGX-ST from time to time and the provisions of the Rules of Catalist for the time being in force (unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Act, and otherwise, and the Articles of Constitution for the time being of the Company; and
- (iv) (unless revoked or varied by the Company in general meeting), such authority conferred by this Resolution shall continue in full force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting is required by law to be held, whichever is earlier."
   [See Explanatory Note (iii)] (Resolution 6)
- 8. AUTHORITY TO GRANT OPTIONS AND ISSUE SHARES UNDER THE SMG SHARE OPTION SCHEME

"That, pursuant to Section 161 of the Companies Act, Cap. 50 of Singapore, the Directors of the Company be and are hereby authorised to offer and grant options in accordance with the SMG Share Option Scheme (the "Option Scheme") and to allot and issue such shares as may be required to be issued pursuant to the exercise of the options granted under the Option Scheme, provided always that the aggregate number of new ordinary shares to be allotted and issued pursuant to the Option Scheme, (including the aggregate number of shares issued or issuable pursuant to the Option Scheme and any other scheme or plan for the time being of the Company), shall not exceed fifteen per cent. (15%) of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time and that such authority shall, unless revoked or varied by the Company in general meeting, shall continue in full force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting is required by law to be held, whichever is earlier."

[See Explanatory Note (iv)]

#### (Resolution 7)

#### 9. AUTHORITY TO GRANT AWARDS AND ISSUE SHARES UNDER THE SMG SHARE PLAN

"That, pursuant to Section 161 of the Companies Act, Cap. 50 of Singapore, the Directors of the Company be and are hereby authorised to offer and grant awards in accordance with the SMG Share Plan (the "Share Plan") and to allot and issue such shares as may be required to be issued upon the release of awards under the Share Plan, provided always that the aggregate number of new ordinary shares to be allotted and issued pursuant to the Share Plan (including the aggregate number of shares issued or issuable pursuant to the Share Plan and any other scheme or plan for the time being of the Company), shall not exceed fifteen per cent. (15%) of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time and that such authority shall, unless revoked or varied by the Company in general meeting, shall continue in full force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting is required by law to be held, whichever is earlier." *[See Explanatory Note (v)]* 

By order of the Board

Tony Tan Choon Keat Non-Executive Chairman

Singapore, 13 April 2017

#### **Explanatory Notes:**

- (i) The Ordinary Resolution 2 is to re-elect Mr Ho Lon Gee who will be retiring pursuant to Article 94 of the Company's Articles of Constitution and if he is re-elected, he will remain as a Lead Independent Director, Chairman of the Audit Committee and members of Nominating Committee and Remuneration Committee and will be considered independent for the purpose of Rule 704(7) of the Rules of Catalist and Guideline 2.3 of Principle 2 of the Code of Corporate Governance 2 May 2012.
- (ii) The Ordinary Resolution 3, Dr Beng Teck Liang who will be retiring pursuant to Article 94 of the Company's Article of Constitution and if re-elected, he will continue in office as Executive Director and Chief Executive Officer.
- (iii) The Ordinary Resolution 6 proposed in item 7 above, if passed, will empower the Directors of the Company from the date of the above AGM until the date of the next annual general meeting, to allot and issue shares and/or Instruments (as defined above) in the capital of the Company. The aggregate number of shares and/or convertible securities which the Directors may allot and issue under this Resolution, shall not exceed one hundred per cent. (100%) of the total issued shares (excluding treasury shares) in the capital of the Company, of which the aggregate number of shares and/or convertible securities other than on a *pro-rata* basis to all shareholders of the Company, shall not exceed fifty per cent. (50%) of the total issued shares (excluding treasury shares) in the capital of the Company, shall not exceed fifty per cent. (50%) of the total issued shares (excluding treasury shares) in the capital of the Company. This authority will, unless previously revoked or varied at a general meeting, expire at the next annual general meeting of the Company or the date by which the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier. However, notwithstanding the cessation of this authority, the Directors are empowered to issue shares pursuant to any convertible securities issued under this authority.
- (iv) The Ordinary Resolution 7 proposed in item 8 above, if passed, will empower the Directors of the Company, from the date of the above AGM until the date of the next annual general meeting, to grant options and to allot and issue shares pursuant to the exercise of the options under the Option Scheme, (including options granted under the Option Scheme and any other scheme or plan for the time being of the Company) of up to a number not exceeding in total fifteen per cent. (15%) of the total issued shares (excluding treasury shares) in the capital of the Company from time to time.
- (v) The Ordinary Resolution 8 proposed in item 9 above, if passed, will empower the Directors of the Company, from the date of the above AGM until the date of the next annual general meeting, to grant awards and to allot and issue shares upon the release of awards under the Share Plan, (including award granted under the Share Plan and any other scheme or plan for the time being of the Company) of up to a number not exceeding in total fifteen per cent. (15%) of the total issued shares (excluding treasury shares) in the capital of the Company from time to time.
