Singapore, 15 Oct 2020 – Beverly JCG Ltd. (“Beverly JCG” or the “Company” and together with its subsidiaries, the “Group”), is pleased to announce that its latest medical centre Natasha Beverly in Bangsar, Kuala Lumpur has officially opened on 10 Oct 2020. This Natasha Beverly centre is a joint venture between Beverly JCG’s wholly-owned subsidiary JCG-Beverly Pte. Ltd. (“JCGB”) and Natasha Skincare (Malaysia) Sdn. Bhd. (“Natasha Skincare”).

This newly opened centre at the upmarket Bangsar suburb of Kuala Lumpur includes a medical aesthetic clinic, medi-spa, chiropractor and physiotherapy services housed within a 4-storey building. As part of the joint venture, Natasha Beverly has also been appointed as the sole distributor in Malaysia and Singapore for products bearing the “Natasha” brand name. This strategic alliance brought together Beverly Wilshire Medical Centre, a well-established and widely-recognisable group in Malaysia, and Natasha Skincare, one of the leading beauty brands in Indonesia with more than 100 outlets in Indonesia well-known for its range of “Halal” certified skincare and beauty products - enabling both parties to tap on each organisation’s network in their respective countries. This move to partner with Natasha Skincare is in tandem with the Group’s plan to grow and expand its existing medical aesthetics, cosmetic surgery, healthcare and wellness businesses.

Dato Francis Ng, Executive Chairman and CEO of the Group commented, **“We deeply appreciated the support of our clients, close associates and dear friends on this official opening of our Group’s Natasha Beverly Centre. We are very excited with our strategic partnership with Natasha Skincare and we believe we will, as partners, deliver excellent services to our clients, both in Malaysia, Indonesia and the region. We look forward to other new developments, partnerships and joint ventures which will contribute to the maximization of the Group’s growth potential. Thank you for your support.”**
