Balance Sheet Review

The change in net asset were mainly due to:

- loss of S\$2.3 million recognised for the financial period; and
- net translation loss of S\$1.2 million arising from foreign currency movements.

Overall bank borrowings decreased from \$\$59.6 million to \$\$57.8 million resulting mainly from repayment as well as revaluation of the loans.

Cash Flows Review

The Group generated \$\$3.4 million cash from operating activities for 1QFY2016 and reduced its borrowings during the period. Total net cash flows for the Group, however, decreased to \$\$41.2 million as at 30 June 2015 from \$\$44.1 million as at 31 March 2015 mainly due to capital expenditure arising from the rationalisation of Nepture, and repayment of bank borrowings and finance leases.

1(d)(i) A statement (for the Issuer and Group) showing either (i) all changes in equity or (ii) changes in equity other than those arising from capitalisation issues and distributions to shareholders, together with a comparative statement for the corresponding period of the immediately preceding financial period.

1(d)(iv) A statement showing all sales, transfers, disposal, cancellation and/or use of treasury shares as at the end of the current financial period reported on.

In May 2015, the Company purchased 400,000 of its own shares resulting in 400,000 treasury shares as at 30 June 2015 (31 March 2015: Nil).

2 Whether the figures have been audited or reviewed and in accordance with which auditing standard or practice.

The figures have not been audited nor reviewed by the Company's auditors.

3 Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of a matter).

Not applicable.

4 Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied.

The Group has applied the same accounting policies and methods of computation as in the most recently audited financial statements. The Group has also applied FRS and INT FRS that became effective in the financial year beginning on or after 1 April 2015. The adoption of these FRS and INT FRS has no significant impact on the financial statements.

5 If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reasons for, and the effect of, the change.

Not applicable.

6 Earnings per ordinary share of the group for the current financial period reported on and the corresponding period of the immediately preceding financial year, after deducting any provision for preference dividends.

8 A review of the performance of the Group, to the extent necessary for a reasonable understanding of the Group's business. It must include any significant factors that affected the turnover, costs, and earnings of the group for the current financial period reported on, including (where applicable) seasonal or cyclical factors; and any material factors that affected the cash flow, working capital, assets or liabilities of the Group during the current financial period reported on.

3 months ended 30 June 2015 ("1QFY2016") vs 3 months ended 30 June 2014 ("1QFY2015")

The Group reported S\$60.0 million revenue for 1QFY2016, a decrease of 22% year-on-year ("yoy"). The lower revenue was primarily due to the weak demand for oilfield engineering business, across all segments. Bahrain continued to see a healthy level of activities that generated higher revenue yoy. Engine Systems' performance was stable, despite the impact of a weaker Australian dollar for the quarter compared to a year ago. Neptune's revenue declined moderately in a weak market for subsea business.

The challenging market environment has put downward pressure on gross margin. Gross profit decreased by 40% yoy to S\$15.6 million for 1QFY2016. Gross profit margin declined to 26.0% for the quarter, compared to 34% a year ago.

Following the Group's cost rationalisation efforts, operating expenses and staff costs have both decreased during the quarter. However, net profit attributable to shareholders turned to a negative S\$2.2 million, which translated to a diluted loss per share of 1.50 Singapore cents for the quarter.

9 Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

No forecast nor prospect statement has been previously disclosed to shareholders.

10 A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The industry has been on a contraction mode for the last few quarters, following the decline in oil prices and the corresponding capital expenditure reduction in the upstream segment. Competition has led to lower margins and the market environment is expected to remain challenging.

- 11 If a decision regarding dividend has been made, the required information has been disclosed.
 - a) Current Financial Period Reported On

Any dividend declared for the present financial period? No

b) Corresponding Period of the Immediate Preceding Financial Year

Any dividend declared for the previous corresponding period? No

12 If no dividend has been declared/recommended, a statement to that effect.

No dividend has been declared/recommended during the quarter ended 30 June 2015.

13 If the Group has obtained a general mandate from shareholders for IPTs, the aggregate value of such transactions as required under Rule 920(1)(a)(ii). If no IPT mandate has been obtained, a statement to that effect.

The Group did not obtain general mandate from shareholders for IPTs.

14 Negative confirmation by the Board pursuant to Rule 705(5)

The Board of Directors confirms that, to the best of their knowledge, nothing has come to their attention which may render the financial results of the Company and of the Group for the quarter ended 30 June 2015 to be false or misleading, in any material aspect.
