**APPLICATION FOR EXTENSION OF TIME TO COMPLY WITH RULE 1304(1) OF THE LISTING MANUAL – SECTION B: RULES OF THE CATALIST OF THE SINGAPORE EXCHANGE SECURITIES TRADING LIMITED (“SGX-ST”) (“CATALIST RULES”)**

---

*Capitalised terms not defined herein shall have the meanings ascribed to them in the Company’s announcements dated 7 August 2025, 8 September 2025, 10 October 2025 and 24 October 2025 in relation to the Company’s application for extensions of time to comply with, inter alia, Rule 1304(1) of the Catalist Rules.*

**1. INTRODUCTION**

The judicial managers (the “**Judicial Managers**”) of Hatten Land Limited (under judicial management) (the “**Company**” and together with its subsidiaries, the “**Group**”) wish to announce that the Company has, through its sponsor, submitted an application on 27 March 2026 to the Singapore Exchange Regulation (“**SGX RegCo**”) for an extension of time to 30 June 2026 (from the current deadline of 7 April 2026) to submit a proposal to SGX RegCo to resume the trading of its shares (“**Resumption Proposal**”), pursuant to Rule 1304(1) of the Catalist Rules (“**Extension of Time**”).

**2. RATIONALE FOR SEEKING THE EXTENSION OF TIME**

The Extension of Time was sought based on the following reasons:

- (a) Since their appointment, the Judicial Managers have committed much time and resources towards achieving the statutory objectives under the Insolvency, Restructuring and Dissolution Act 2018, namely the survival of the Company, or the whole or part of its undertaking as a going concern, or a more advantageous realisation of the Company’s assets as compared to a winding up scenario.
- (b) In furtherance of the foregoing objectives, the Company had, on 21 November 2025, entered into a sale and purchase agreement (as amended and supplemented by a supplemental deed dated 9 March 2026) for the proposed acquisition of the entire issued and paid-up share capital of Metrocon Pte. Ltd. (“**Target**”) by the Company from LBD Engineering Pte. Ltd. (“**Proposed Acquisition**”). The Proposed Acquisition, if completed, is expected to constitute a reverse takeover of the Company pursuant to Rule 1015 of the Catalist Rules (“**RTO Listing**”). The Proposed Acquisition is intended to provide the Company with a viable business platform and to facilitate the broader restructuring and reorganisation of the Company’s financial position for the benefit of its stakeholders.
- (c) Progress has been made in respect of the RTO Listing. In particular, the Company has been progressing due diligence on the Target, the independent valuation of the Target, and the preparation of the requisite transaction documentation and regulatory submissions, and is working towards the submission of the pre-admission notification to SGX-ST as the next key milestone in the RTO Listing process before 30 June 2026.
- (d) In connection with the RTO Listing, the Company had on 13 March 2026 entered into a facility agreement with Skyone Holdings Sdn. Bhd. (“**Skyone**”), pursuant to which Skyone

has agreed to extend to the Company a convertible loan of up to S\$700,000 to finance fees, costs and expenses relating to or in connection with the Proposed Acquisition and such other purposes as may be agreed.

- (e) As the Proposed Acquisition is expected to constitute a reverse takeover, the financial information to be prepared for the purposes of the Resumption Proposal must reflect the enlarged group comprising the Group and the Target (“**Enlarged Group**”), so as to present an accurate picture of the financial position, performance and prospects of the post-acquisition business. The Company and the Judicial Managers have been committing substantial time and resources towards the preparation and finalisation of the financial information of the Enlarged Group. Additionally, the unaudited pro forma financial information of the Enlarged Group is required to be prepared by the reporting accountants for the RTO Listing. Accordingly, more time is required for the financial information to be prepared to allow the Company to demonstrate to SGX RegCo, for the purposes of the Resumption Proposal, the viability and profitability of the Enlarged Group and the new business to be carried on following completion of the Proposed Acquisition.
- (f) In view of the above, an extension of time to 30 June 2026 for the submission of the Resumption Proposal would allow the Company and the Judicial Managers to continue focusing their time and resources on advancing the restructuring process and the RTO Listing, and to complete the preparation of the relevant financial information of the Enlarged Group for the purposes of the Resumption Proposal, which would place the Company in a better position to submit a more meaningful Resumption Proposal.

### 3. FURTHER ANNOUNCEMENTS

Further announcements on the above will be made in due course as and when there are material developments.
