Notice of Annual General Meeting

Explanatory Notes:

Resolutions 3 to 5 – detailed information on these directors can be found under the Board of Directors, Corporate Governance Statement and Additional Information on Directors Seeking Re-election sections in the Annual Report 2020.

If re-elected, Dr Josephine Kwa Lay Keng will remain as a member of the Technology Advisory Panel. She is an independent director.

If re-elected, Mr Wong Kim Yin will remain as a member of the Executive Committee and the Technology Advisory Panel. He is the Group President & CEO of the Company.

If re-elected, Mr Lim Ming Yan will remain as a member of the Audit Committee, Risk Committee and Technology Advisory Panel. He is an independent director.

Resolution 6 – if passed, will facilitate the payment of directors' fees during the financial year in which the fees are incurred, that is, during the financial year ending December 31, 2021. The exact amount of directors' fees received by each director for the financial year ended December 31, 2020 is disclosed in full in the Supplementary Information section of the Annual Report 2020. Directors and their associates will abstain from voting their shareholdings on Resolution 6. The Chairman of the Meeting will accept appointment as proxy for any other shareholder to vote in respect of Resolution 6, where such shareholder has given specific instructions in a validly completed and submitted proxy form as to voting, or abstentions from voting, in respect of Resolution 6.

The amount of the directors' fees is based on the anticipated number of board and committee meetings for year 2021, assuming full attendance by all of the non-executive directors. The amount also caters for additional ad-hoc board and committee meetings. In the event that the amount proposed is insufficient, approval will be sought at the next Annual General Meeting in year 2022 ("**2022 AGM**") before any payments are made to directors for the shortfall.

The current intention is that the directors' fees for the non-executive directors for year 2021 will comprise a cash component and a share component, with up to 30% being delivered in the form of restricted share awards under the Sembcorp Industries Restricted Share Plan 2020. Any such award would typically consist of the grant of fully paid shares outright with no performance or vesting conditions attached but with a selling moratorium. Under the Directors' Fee Framework, non-executive directors are required to hold shares (including shares obtained by other means) worth S\$75,000; any excess may be disposed of as desired. A non-executive director can dispose of all of his shares one year after leaving the Board. See the Corporate Governance Statement in the Annual Report 2020 for more details.

The cash component of the directors' fees for year 2021 is intended to be paid half-yearly in arrears. The share component of the directors' fees for year 2021 is intended to be delivered after the 2022 AGM has been held. The actual number of shares to be awarded to each non-executive director holding office at the time of the payment is intended to be determined by reference to the volume weighted average price of a share on the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") over the 14 trading days from (and including) the day on which the shares are first quoted ex-dividend after the 2022 AGM (or, if no final dividend is proposed at the 2022 AGM, or the resolution to approve any such final dividend is not approved at the 2022 AGM, over the 14 trading days immediately following the date of the 2022 AGM). The number of shares to be awarded will be rounded down to the nearest hundred and any residual balance will be settled in cash. A non-executive director who steps down before the delivery of the share component will receive all of his directors' fees for year 2021 (calculated on a pro-rated basis, where applicable) in cash.

Statement pursuant to Article 57 of the Constitution of the Company:

Resolution 8 – is to empower the directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding 100% of the total number of issued shares of the Company excluding treasury shares and subsidiary holdings, of which up to 5% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of shares which may be issued shall be based on the total number of issued shares of the Company excluding treasury shares and subsidiary holdings at the time that Resolution 8 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Resolution 8 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at March 3, 2021 (the "**Latest Practicable Date**"), the Company had 6,238,773 treasury shares and no subsidiary holdings.

On April 8, 2020, SGX RegCo issued a news release which introduced measures to support issuers amid the challenging business and economic climate due to COVID-19, including enabling the acceleration of fund-raising efforts by allowing Mainboard issuers to provisionally seek a general mandate for an issue of shares and convertible securities on a *pro rata* basis of up to an aggregate of 100% of its issued shares (excluding treasury shares and subsidiary holdings), versus 50% previously (the "**Enhanced Share Issue Limit**").

Notice of Annual General Meeting

Explanatory Notes: (cont'd)

On March 16, 2021, SGX RegCo announced that the availability of the Enhanced Share Issue Limit would be extended for Mainboard issuers (from December 31, 2021 previously) to the conclusion of the next annual general meeting or the date by which the next annual general meeting is required by law or the Listing Manual of the SGX-ST to be held, whichever is the earliest.

Shareholders' approval was obtained for a general share issue mandate with an Enhanced Share Issue Limit ("**2020 Enhanced Share Issue Mandate**") at last year's Annual General Meeting which was held on May 21, 2020. As this approval will expire at the conclusion of the upcoming Annual General Meeting to be held on April 22, 2021 ("**2021 AGM**"), shareholders' approval is being sought for the renewal of the 2020 Enhanced Share Issue Mandate at the 2021 AGM. The Board of Directors is of the view that it would be in the interest of the Company and its shareholders to do so in the event that circumstances evolve amid the COVID-19 situation to such an extent that a 50% limit for *pro rata* issues is no longer sufficient to meet the Company's needs. If this were to occur and no Enhanced Share Issue Limit were to be in place, fund raising efforts would otherwise be unnecessarily hampered and compromised by the time needed to obtain shareholders' approval to issue shares above the 50% threshold. As at the Latest Practicable Date, the Company had not issued any shares or convertible instruments pursuant to the 2020 Enhanced Share Issue Mandate.

The Enhanced Share Issue Limit under the general share issue mandate renewed at the 2021 AGM will expire at the conclusion of the 2022 AGM or on the date by which the 2022 AGM is required by law or the Listing Manual of the SGX-ST to be held, whichever is the earliest. Any extension of time which may be obtained for the holding of the 2022 AGM will be disregarded in determining the expiry date of the Enhanced Share Issue Limit. If the Company subsequently changes its financial year end, the expiry date of the Enhanced Share Issue Limit will be the date by which the 2022 AGM would have been required by law or the Listing Manual of the SGX-ST to be held, whichever is the earlier, assuming no change to the financial year end. By the expiry date of the Enhanced Share Issue Limit, the shares and / or convertible securities issued pursuant to the Enhanced Share Issue Limit must be listed, and no further shares and / or convertible securities shall be issued under this limit.

The Company will notify SGX RegCo, by way of email to enhancedsharelimit@sgx.com, of the date on which the general share issue mandate with the Enhanced Share Issue Limit has been renewed by shareholders.

Resolution 9 – is to empower the directors to offer and grant awards pursuant to the Sembcorp Industries Performance Share Plan 2020 and the Sembcorp Industries Restricted Share Plan 2020 (collectively, the "**Share Plans**") and to issue ordinary shares of the Company pursuant to the vesting of awards granted pursuant to the Share Plans provided that: (a) the aggregate number of (i) new ordinary shares allotted and issued and / or to be allotted and issued, (ii) existing ordinary shares (including shares held in treasury) delivered and / or to be delivered, and (iii) ordinary shares released and / or to be released in the form of cash in lieu of ordinary shares, pursuant to the Share Plans shall not exceed 5% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time; and (b) the aggregate number of ordinary shares under awards to be granted pursuant to the Share Plans during the period commencing from this Annual General Meeting to the next Annual General Meeting shall not exceed 0.8% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time.

The Company had previously indicated its intention not to, in any given year, grant awards under the Share Plans which would comprise more than 0.5% of the total number of issued shares (excluding treasury shares and subsidiary holdings) from time to time. With the recent demerger of Sembcorp Marine Ltd in September 2020, the valuation of the Company's shares has taken on a different profile. To ensure that the Board retains the flexibility in how the Company's employee share award programmes are utilised to reward and retain key talent, the Company is proposing to increase the yearly limit of 0.5% to 0.8%. The overall limit of 5% over the 10-year duration of the Share Plans will be maintained.

Resolution 10 – is to renew the mandate, to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual of the SGX-ST), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter to Shareholders dated March 31, 2021 (the "**Letter**"). Please refer to the Letter for more details.

Resolution 11 – is to renew the mandate to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Notice of Annual General Meeting

Explanatory Notes: *(cont'd)*

Based on the existing issued ordinary shares as at the Latest Practicable Date and excluding any ordinary shares held in treasury, the purchase by the Company of 2% of its issued ordinary shares (and disregarding the ordinary shares held in treasury) will result in the purchase or acquisition of 35,626,179 ordinary shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires 35,626,179 ordinary shares at the maximum price of S\$1.83 for one ordinary share (being the price equivalent to 105% of the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 35,626,179 ordinary shares is S\$65,195,908.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended December 31, 2020 based on these assumptions are set out in paragraph 3.7 of the Letter.

Please refer to the Letter for more details.

Resolutions 12 to 15 – are to approve the continued appointment of each of Mr Ang Kong Hua and Mr Tham Kui Seng as an independent director for the purposes of Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST which will take effect from January 1, 2022. This Rule provides that a director will not be independent if he has been a director for an aggregate period of more than nine years and his continued appointment as an independent director has not been sought and approved in separate resolutions by (a) all shareholders; and (b) shareholders excluding the directors and the chief executive officer (“**CEO**”) of the Company, and their respective associates.

Both Mr Ang Kong Hua and Mr Tham Kui Seng are independent directors who have each served for an aggregate of more than nine years on the Board of the Company (Mr Ang reached his ninth year of service on February 26, 2019; Mr Tham reached his ninth year of service on June 1, 2020). The Company is accordingly seeking the requisite approvals under Rule 210(5)(d)(iii)(A) and (B) for each of Mr Ang’s and Mr Tham’s continued appointment as an independent director from January 1, 2022. If obtained, the requisite approvals will remain in force until the earlier of (a) the retirement or resignation of Mr Ang, or as the case may be, Mr Tham, as a director, and (b) the conclusion of the third Annual General Meeting following (in the case of Mr Ang) the passing of Resolutions 12 and 13 and (in the case of Mr Tham) Resolutions 14 and 15. Otherwise, Mr Ang and Mr Tham will be regarded as non-independent from January 1, 2022. Even if Resolutions 12 to 15 are not passed, based on the current board composition of 10 independent directors (3 of whom will be retiring by rotation pursuant to article 94 of the Company’s Constitution at the 2021 AGM and will not be offering themselves for re-election) and 2 non-independent directors, independent directors will continue to comprise at least one-third of the Board for the purposes of Rule 210(5)(c) of the Listing Manual of the SGX-ST which will take effect from January 1, 2022.

The Board has observed that since the start of their respective tenures, both Mr Ang and Mr Tham have shown strong independence of character and judgement in the discharge of their duties as directors. They have accumulated deep knowledge of the business and made valuable contributions to the Board, particularly to the management team and especially during Sembcorp’s ongoing transformation journey. Having Mr Ang and Mr Tham continue to serve on the Board avoids an abrupt loss of experienced directors, especially in light of the ongoing business transformation and management reorganisation. The Board is of the opinion that their length of service has not affected the independence of either director, and that their institutional knowledge is advantageous to the Group. Therefore, after a rigorous and thorough review, the Nominating Committee and the Board have determined that both Mr Ang and Mr Tham continue to be independent despite each having served for more than nine years on the Board. Mr Ang abstained from all Nominating Committee and Board deliberations and decisions relating to his continued independence, and Mr Tham abstained from all Board deliberations and decisions relating to his continued independence.

Under Rule 210(5)(d)(iii)(A), all shareholders may vote on Resolutions 12 and 14.

In compliance with Rule 210(5)(d)(iii)(B), the directors and the CEO of the Company, and their respective associates (as defined in the Listing Manual of the SGX-ST), will abstain from voting on Resolutions 13 and 15. The Company will disregard any votes cast by the directors and the CEO of the Company, and their respective associates, in respect of their holdings of shares (if any) on Resolutions 13 and 15. The Chairman of the Meeting will accept appointment as proxy for any other shareholder to vote in respect of Resolution 13 and / or 15, where such shareholder has given specific instructions in a validly completed and submitted proxy form as to voting, or abstentions from voting, in respect of Resolutions 13 and / or 15.

If Resolution 12 is not passed, Resolution 13 will be withdrawn. If Resolution 14 is not passed, Resolution 15 will be withdrawn.
