## **Amendment of National Broadband Network Companies Act 2011**

The following statement by NBN Co Limited is provided for the information of NBN Co Limited noteholders.

The Parliament of the Commonwealth of Australia has passed the *National Broadband Network Companies Amendment (Commitment to Public Ownership) Bill 2024*.

The Bill (among other things) amends the *National Broadband Network Companies Act 2011* to legislate for the ongoing public ownership of the National Broadband Network by repealing provisions in the *National Broadband Network Companies Act 2011* which could have facilitated changes to the ownership of NBN Co Limited.

The Bill will now be presented to the Governor-General for assent.

**Issued by NBN Co Limited on 27 March 2025**
