

INSIDE INFORMATION PROFIT ALERT

The board of directors (the “**Board**”) of Sino-Ocean Group Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”), holders of debt securities of the Group and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the “**Year**”) and the information currently available to the Board, the Group is expected to record a profit attributable to owners of the Company ranging between approximately RMB6,000 million to RMB7,500 million for the Year, as compared to a loss attributable to owners of the Company of approximately RMB18,624 million for the year ended 31 December 2024. Based on the information currently available, the expected profit for the Year is mainly attributable to the non-cash gains recorded from the completion of the offshore debt restructuring and the significant progress made in the onshore debt restructuring by the Group. Excluding the impact of the aforementioned one-off gains from debt restructuring, the Group is expected to record a loss attributable to owners of the Company for the Year, which is mainly attributable to (i) the continuous adjustment in the overall real estate market of China in recent years, resulting in a decrease in revenue and gross profit margin, and an increase in the provision for impairment of property projects; and (ii) a decrease in the share of results from joint ventures and associates.

As at the date of this announcement, the Company is still in the course of finalising its consolidated annual results for the Year. The information contained in this announcement is only based on the Board’s preliminary review of the Group’s latest unaudited consolidated management accounts for the Year and the information currently available to the Board, and is not based on any figures or information reviewed or audited by the auditors of the Company and may be subject to adjustments arising from further review. Shareholders, holders of debt securities of the Group and potential investors are advised to read carefully the annual results of the Company for the Year, which is expected to be published by the end of March 2026.

Shareholders, holders of debt securities of the Group and potential investors are advised to exercise caution when dealing in the securities of the Company.
