TEE International clinches another S$73M worth of contracts in Singapore

- Include contracts from Changi Airport Group and People's Association

SINGAPORE, 8 September 2014 –TEE International Limited (特毅国际有限公司) ("TEE" or together with its subsidiaries and associates, "TEE Group"), a rapidly growing regional player in the Engineering, Infrastructure and Real Estate space, today announced that its Engineering business has secured another S$73 million worth of new contracts in Singapore, bringing up its total outstanding order book to about S$493[1] million.

These new contracts include another contract from Changi Airport Group (Singapore) Pte Ltd ("CAG") in addition to the earlier contract announced on 17 July 2014, as well as, a sub-contract from the People's Association ("PA"). Under the contract from CAG, TEE was awarded an approximately S$40 million project to carry out works for the proposed replacement of fixed gangway and interior design finishes for fixed gangway and passenger loading bridges at Terminal 1 and 2 of Singapore Changi Airport.

For PA, TEE is the nominated sub-contractor for the provision of air-conditioning and mechanical ventilation works for the proposed 6/7 Storey Civic & Community/Sports & Recreation Development, also known as, Tampines Town Hub, Singapore. The value of this project is approximately S$33 million.

[1] Total outstanding order book constitute orders as at 31 May 2014 and the addition of new contracts thereafter.

Mr Eric Phua, Managing Director of TEE's Engineering business said: ***"We have yet again successfully clinched new contracts from our repeat clients, and this is a second project awarded by CAG in just two months. Furthermore, we are also pleased to be selected by PA to carry out M&E works once again. Leveraging on our established and proven track record, we will carry on building lasting business relationship with our existing clients, and expand our clientele base."***

Adding on to the new project wins, Mr C K Phua, Group Chief Executive of TEE said: ***"The latest project wins add on to a string of successes this year. This, will keep us busy while we stay focused in participating in tenders for engineering and construction projects with high value and complex engineering components in Singapore and the region."***
