**FINANCIAL UPDATE FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2014**

---

The Board of Directors of Global Palm Resources Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that, following a preliminary review of the unaudited financial statements for the financial year ended 31 December 2014 (“**FY2014**”), the Group is expected to report a net profit after tax which will be substantially higher than that of the last financial year.

The higher net profit after tax is primarily attributable to the increase in the sales volume and average selling price of crude palm oil and palm kernel.

The Group is still in the process of finalizing its unaudited financial results for FY2014. Further details of the performance of the Group will be disclosed in its unaudited financial statements announcement for FY2014, which is expected to be released on or before 27 February 2015.

Shareholders are advised to exercise caution when dealing in the shares of the Company. If in doubt about the action that they should take, shareholders should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers.
