Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
JSW Steel Limited

Report on the audit of the Standalone Financial Results

Qualified Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of JSW Steel Limited (the "Company") for the quarter ended March 31, 2025 and for the year ended March 31, 2025 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, except for possible effects of the matter described in the 'Basis for Qualified Opinion' section of our report, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2025, and for the year ended March 31, 2025.

Basis for Qualified Opinion

As stated in note 2 to the standalone financial results, the Company is in process of evaluating the possible legal remedies pursuant to the Hon'ble Supreme Court's rejection of the Company's Resolution Plan for acquisition of Bhushan Power and Steel Limited (BPSL) and believes there is no adverse material impact on the standalone financial results. Pending the outcomes of the legal remedies being evaluated by the Company as stated in the said note and the final outcome of regulatory actions; and given the uncertainties involved in this regard, we are unable to assess the possible consequential effects thereof on these standalone financial results.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2025, being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2025, and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

As stated in note 2 to the consolidated financial results, the Company is in process of evaluating the possible legal remedies pursuant to the Hon'ble Supreme Court's rejection of the Company's Resolution Plan for acquisition of Bhushan Power and Steel Limited (BPSL) and believes there is no adverse material impact on the consolidated financial results. Pending the outcomes of the legal remedies being evaluated by the Company as stated in the said note and the final outcome of regulatory actions; and given the uncertainties involved in this regard, we are unable to assess the possible consequential effects thereof on these consolidated financial results.

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group, its associates and joint ventures in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group including its associates and joint ventures in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and joint ventures of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. The global economy has been navigating a dynamic phase, marked by tariff escalations and geopolitical developments. Amidst this uncertainty, the IMF has revised its 2025 growth forecast lower by 50bps to 2.8% compared to its earlier estimates in January. However, there have been positive steps towards tariff de-escalation recently, and there is potential upside to the growth estimates.

In the U.S., the outlook for the Fed's rates trajectory remains uncertain following 100bps of rate cuts in 2024, due to a slowing economy and inflationary effects from tariffs. In China, the property sector is showing signs of bottoming out, while investment activity ex-real estate has been recovering. The recent de-escalation of tariffs is a positive.

The RBI projects growth of 6.5% for India in FY26, steady compared to its FY25 estimate. Despite global trade uncertainties, India remains a bright spot supported by favourable macros. The RBI has shifted its stance from Neutral to Accommodative and cut rates by 50bps in 2025. Benign inflation trends enabling further monetary easing will be supportive for capex and consumption.

India's crude steel production rose by 6.8% YoY to 40.12MnT in Q4 FY25, and by 5.3% to 152MnT in FY25. Steel consumption grew by 11.2% YoY to 40.27MnT in Q4, while it was up 11.5% to 152MnT for FY25. This was the fourth consecutive year of double-digit steel demand growth in India. The government's continued

capex push should drive domestic demand in FY26 as well. Steel imports increased by 9.2% YoY to 10.5MnT in FY25 while steel exports fell by 26.7% to 6.26MnT. Consequently, India remained a net importer of steel for the second consecutive year. Following an investigation and recommendation by the Directorate General of Trade Remedies, the government has imposed a 12% provisional safeguard duty on 21st April 2025 to provide a level playing field to the domestic steel industry.

Outlook

The global economy has been navigating tariff escalations and geopolitical developments. Amidst this uncertainty, the IMF has revised its 2025 growth forecast lower by 50bps to 2.8% vs its earlier estimates in January. However, there have been positive steps towards tariff de-escalation recently, and there is potential upside to the growth estimates.

In the U.S, Q1 GDP growth was affected by the front-loading of imports. Softness in consumer confidence and inflationary risks warrant close monitoring, and the Federal Reserve's rate trajectory remains uncertain following the 100bps rate cuts implemented in the latter part of 2024. However, the recent progress on trade deals and de-escalation in tariffs is a positive.

GDP growth in China accelerated in Q4 2024 and Q1 2025 following the stimulus measures announced in late September 2024 and front-loading of exports ahead of imminent tariffs. The property sector appears to be bottoming out with prices and sales declining at a lower pace, although new home starts have not picked up yet. However, the manufacturing sector, especially Auto, and Infrastructure are growing. Fiscal and monetary support is expected to aid growth, and a potential trade deal with the US would be a tailwind.

In Europe, the near-term growth outlook remains uncertain due to the ongoing trade related disruptions. However, easing inflation should pave the path for more rate cuts in the coming months. Over the medium term, growth should be supported by increased spending on defence and infrastructure, which is also likely to stimulate manufacturing activity.

In Japan, the economy contracted by 0.2% in Q1 2025. Persistent inflation, particularly in food prices, has weighed on consumption. However, the recent wage growth is expected to provide some support to household spending in the coming quarters. Exports could face likely headwinds from tariffs and a stronger yen.

The Indian economy continues to perform well with healthy PMI prints and inflation data for recent months. The RBI has projected GDP growth for FY26 at 6.5%, steady vs. FY25. Further rate cuts are expected by the RBI following two rate cuts of 25bps each in February and April 2025, and a change in its monetary policy stance to Accommodative from Neutral. This would augur well for private capex, government capex too is expected to see healthy growth in FY26. Consumption will be driven by easing inflation, personal income tax cuts, positive monsoon outlook and monetary easing. Within the Auto sector, 2-wheeler and tractor sales are expected to perform well on the back of the ongoing rural recovery. India's macro fundamentals continue to be robust supported by subdued inflation, comfortable forex reserves and continuing fiscal consolidation.
