To: The Shareholders of Global Premium Hotels Limited

Dear Sir/Madam,

1. INTRODUCTION

1.1 Annual General Meeting

We refer to (a) the Notice of AGM dated 24 March 2017 convening the 2017 AGM of the Company to be held on 18 April 2017 at 9.00 a.m. at 456 Alexandra Road, #02-03, Fragrance Empire Building, Singapore 119962, (b) the ordinary resolution number 8 set out under the heading "Special Business" in the Notice of AGM in relation to the proposed renewal of the Share Purchase Mandate (the "**Ordinary Resolution**"), and (c) the special resolution number 9 set out under the heading "Special Business" in the Notice of AGM in relation to the proposed adoption of the New Constitution of the Company in replacement of the Existing Constitution of the Company (the "**Special Resolution**").

The Ordinary Resolution and the Special Resolution shall be collectively referred to as the "**Proposed Resolutions**".

1.2 Letter to Shareholders

The purpose of this Letter is to provide Shareholders with information relating to the proposed renewal of the Share Purchase Mandate and the proposed adoption of the New Constitution and to seek Shareholders' approval in relation thereto at the 2017 AGM.

1.3 SGX-ST

The SGX-ST assumes no responsibility for any statements made, opinions expressed, or reports contained in this Letter.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Background

The Share Purchase Mandate is a general mandate to be given by Shareholders that allows the Company to purchase or acquire Shares at any time during the duration and on the terms of the Share Purchase Mandate. It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares has to obtain the approval of its shareholders to do so at a general meeting of its shareholders.

2.2 Rationale for the Share Purchase Mandate

The renewal of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions up to the 10% limit described in paragraph 2.3.1 below at any time, during the period when the Share Purchase Mandate is in force.

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) in managing the business of the Group, the management strives to increase Shareholders' value by improving, *inter alia*, the ROE of the Group. Share purchases at the appropriate price level are one of the ways through which the ROE of the Group may be enhanced;
- (b) the Share Purchase Mandate is an expedient, effective and cost-efficient way for the Company to return surplus cash (if any) which is in excess of the financial and possible investment needs of the Group to Shareholders. In addition, the Share Purchase Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company's share capital structure;
- (c) share repurchase programmes may help buffer short-term share price volatility and off-set the effects of short-term speculators and investors and, in turn, bolster shareholders' confidence and employees' morale; and
- (d) shares purchased or otherwise acquired by the Company pursuant to the Share Purchase Mandate which are held in treasury may be transferred for the purposes of or pursuant to employees' share schemes implemented by the Company.

The approval of the renewal of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions at any time, subject to market conditions, during the duration which the Share Purchase Mandate is in force.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the maximum number described in paragraph 2.3.1 during the duration referred to in paragraph 2.3.2 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full limit as authorised, and the purchases or acquisitions of Shares pursuant to the Share Purchase Mandate would be made only as and when the Directors consider it to be in the best interests of the Company and in the circumstances which they believe will not result in any material adverse effect to the financial condition and/or financial position of the Company or the Group, or result in the Company being delisted from SGX-ST.

2.3 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on the Share Purchase Mandate, if renewed at the 2017 AGM, are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully-paid may be purchased or acquired by the Company. The total number of Shares that may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to the number of Shares representing not more than 10% of the total number of issued Shares (excluding treasury shares) of the Company ascertained as at the date on which the resolution authorising the renewal of the Share Purchase Mandate is approved, unless the share capital of the Company has been reduced in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period, in which event the total number of issued Shares shall be taken to be the total number of issued Shares as altered. Any of the Shares which are held as treasury shares shall be disregarded for the purposes of computing the 10% limit. As at the Latest Practicable Date, the Company has no treasury shares.

Purely for illustrative purposes, on the basis of 1,052,000,000 Shares in issue as at the Latest Practicable Date, and assuming: (a) no further Shares are issued; and (b) no Shares are purchased or acquired by the Company on or prior to the 2017 AGM, not more than 105,200,000 Shares (representing 10% of the number of Shares (excluding treasury shares) in issue as at the Latest Practicable Date) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

2.3.2 Duration of authority

Unless revoked or varied by the Company in general meeting, purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2017 AGM, at which the resolution authorising the renewal of the Share Purchase Mandate is approved, up to the earlier of:

- (a) the date on which the next Annual General Meeting of the Company is held or required by law to be held; or
- (b) the date on which the purchases or acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated.

When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose, amongst other things, details pertaining to purchases or acquisitions of Shares made during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such purchases of Shares, where relevant, and the total consideration paid for such purchases.

2.3.3 Manner of Purchases or acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchase(s) ("**On-Market Purchase**"), transacted on the SGX-ST or on any other stock exchange through the ready market, through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or

- (b) off-market purchase(s) (“**Off-Market Purchase**”) effected pursuant to equal access scheme(s) in accordance with Section 76C of the Companies Act.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual, the Companies Act, the Constitution of the Company and other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s). An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of issued Shares shall be made to every person who holds Shares to purchase the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded, (A) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; (B) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and (C) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Pursuant to the Listing Rules, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document to all Shareholders containing at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed purchase or acquisition of Shares;
- (4) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (5) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (6) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether On-Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases of Shares, where relevant, and the total consideration paid for the purchases; and
- (7) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

2.3.4 Maximum purchase price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors or a committee of Directors that may be constituted for the purposes of effecting purchases or acquisitions of Shares by the Company under the Share Purchase Mandate. However, the purchase price to be paid for the Shares pursuant to the purchases or acquisitions of the Shares must not exceed:

- (a) in the case of an On-Market Purchase, 105% of the Average Closing Price; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 110% of the Average Closing Price,

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase or acquisition.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share for the five (5) consecutive Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, such stock exchange on which the Shares are listed and quoted, immediately preceding the date of the On-Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted in accordance with the Listing Rules for any corporate action which occurs after the relevant five (5) Market Days; and

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 **Source of Funds**

The Company may only apply funds for the purchase or acquisition of the Shares as provided in the Constitution and in accordance with the applicable laws in Singapore. The Company may not purchase its Shares for consideration other than in cash or, in the case of an On-Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Under the Companies Act, the Company may purchase or acquire its Shares out of its profits and/or capital so long as the Company is solvent. The Company intends to use internal sources of funds, or a combination of internal resources and external borrowings to finance its purchase or acquisition of Shares. The Directors will not make any Share Purchase pursuant to the Share Purchase Mandate in circumstances where they believe will result in any material adverse effect to the financial position of the Company or the Group.

2.5 **Status of Purchased Shares**

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share.

Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares. At the time of each purchase of Shares by the Company, the Directors will decide whether the Shares purchased will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, depending on the needs of the Company at that time.

2.6 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

2.6.1 Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

In the event that the number of treasury shares held by the Company exceed 10% of the total number of issued Shares, the Company shall dispose of or cancel the excess shares within six (6) months beginning with the day on which that contravention occurs, or such further period as the Registrar may allow.

2.6.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right or attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares will be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of Shares as fully paid bonus Shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.6.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under the Listing Manual, immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the “usage”). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage and the value of the treasury shares comprised in the usage.

2.7 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Purchase Mandate on the NTA, EPS and the gearing of the Company and the Group as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as treasury shares.

The Company’s total number of issued Shares will be diminished by the total number of Shares purchased by the Company and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company’s capital or profit so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (including brokerage and commission) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Purchase Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group. The purchase or acquisition of the Shares will only be effected after considering relevant factors such as the working capital requirements, availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions. The Share Purchase Mandate will be exercised with a view to enhancing EPS and/or the NTA per Share.

2.7.1 Number of Shares Acquired or Purchased

Purely for illustrative purposes on the basis of 1,052,000,000 Shares (excluding treasury shares) in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are purchased or acquired by the Company on or prior to the 2017 AGM, the purchase by the Company of 10% of its issued Shares (excluding treasury shares) will result in the purchase or acquisition of 105,200,000 Shares.

2.7.2 Maximum Price Paid for Shares Acquired or Purchased

In the case of On-Market Purchases by the Company and assuming that the Company purchases or acquires 105,200,000 Shares at the maximum price of S\$0.359 for one (1) Share (being the price equivalent to 5% above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 105,200,000 Shares is S\$37,766,800.

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 105,200,000 Shares at the maximum price of S\$0.376 for one (1) Share (being the price equivalent to 10% above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 105,200,000 Shares is S\$39,555,200.

2.7.3 Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out in paragraphs 2.7.1 and 2.7.2 above and assuming that the purchase or acquisition of Shares is financed by internal sources of funds available as at 31 December 2016 and external borrowings, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial period ended 31 December 2016 are set out below and assuming the following:

- (a) the purchase or acquisition of 105,200,000⁽¹⁾ Shares by the Company pursuant to the Share Purchase Mandate by way of On-Market Purchases made entirely out of capital and cancelled;
- (b) the purchase or acquisition of 105,200,000⁽¹⁾ Shares by the Company pursuant to the Share Purchase Mandate by way of On-Market Purchases made entirely out of capital, of which 105,200,000⁽²⁾ Shares are held in treasury;
- (c) the purchase or acquisition of 105,200,000⁽¹⁾ Shares by the Company pursuant to the Share Purchase Mandate by way of Off-Market Purchases made entirely out of capital and cancelled; and
- (d) the purchase or acquisition of 105,200,000⁽¹⁾ Shares by the Company pursuant to the Share Purchase Mandate by way of Off-Market Purchases made entirely out of capital, of which 105,200,000⁽²⁾ Shares are held in treasury.

Notes:

- (1) Being the maximum number of Shares which the Company may acquire pursuant to the Share Purchase Mandate based on the assumption that there is no change to the number of issued Shares and the number of treasury shares of the Company from the Latest Practicable Date to the date of the 2017 AGM.
- (2) Being the maximum number of Shares which the Company may hold as treasury shares in compliance with Section 76I of the Companies Act based on the assumption that there is no change to the number of issued Shares and the number of treasury shares of the Company from the Latest Practicable Date to the date of the 2017 AGM.

On-Market Purchases

The financial effects set out below are for illustrative purposes only. The illustrations are based on historical numbers for the financial period ended 31 December 2016; however, they are not necessarily representative of future financial performance.

Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire part of or the entire 10% of the issued Shares (excluding treasury shares). In addition, the Company may cancel all or parts of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

Even if the renewal of the Share Purchase Mandate is approved, the Directors would not exercise the Share Purchase Mandate if they believe that such exercise would result in a material adverse effect to the financial position of the Company or the Group.

Off-Market Purchases

The financial effects set out below are for illustrative purposes only. The illustrations are based on historical numbers for the financial period ended 31 December 2016, however, they are not necessarily representative of future financial performance.

Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire part of or the entire 10% of the issued Shares (excluding treasury shares). In addition, the Company may cancel all or parts of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

Even if the renewal of the Share Purchase Mandate is approved, the Directors would not exercise the Share Purchase Mandate if they believe that such exercise would result in a material adverse effect to the financial position of the Company or the Group.

2.8 Listing Status of the Shares

The Listing Manual requires a listed company to ensure that at least 10% of equity securities (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is at all times held by the public. Approximately 25.62% of the issued Shares were held by public Shareholders as at the Latest Practicable Date. No Shares were held by the Company as treasury shares as at the Latest Practicable Date. If the Company had purchased or acquired Shares from the public up to the full limit pursuant to the Share Purchase Mandate on the Latest Practicable Date, approximately 17.36% of the issued Shares would have been held by public Shareholders as at that date.

The Company will ensure that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, causing market illiquidity or affecting orderly trading.

2.9 Take-over implications under the Singapore Code of Take-overs and Mergers

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

2.9.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and person(s) acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

2.9.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and

- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

For this purpose, a company is an “associated company” of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company.

2.9.3 Effect of Rule 14 and Appendix 2

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code.

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, (a) the voting rights of such Directors and their concert parties would increase to 30% or more, or (b) in the event that such Directors and their concert parties hold between 30% and 50% of the Company’s voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, (i) the voting rights of such Shareholder would increase to 30% or more, or (ii) if such Shareholder holds between 30% and 50% of the Company’s voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the renewal of the Share Purchase Mandate.

The statements herein in relation to the Take-over Code do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.

3. PROPOSED ADOPTION OF THE NEW CONSTITUTION

3.1 Background

The Companies (Amendment) Act 2014 (the “**Amendment Act**”) was passed in Parliament on 8 October 2014 and introduced wide-ranging amendments to the Companies Act previously in force. The Amendment Act took effect in two phases on 1 July 2015 and 3 January 2016. The changes to the Companies Act pursuant to the Amendment Act aim to improve corporate governance for companies in Singapore, reduce the regulatory burden on companies and provide for greater business flexibility. The key changes include, amongst others, the introduction of a multiple-proxies regime to enfranchise indirect investors and CPF investors, as well as provisions to facilitate the electronic transmission of notices and documents. In addition, what had been previously the memorandum and articles of association of a company have now been merged into a single constitutive document called the “constitution” following the taking effect of the Amendment Act.

3.2 New Constitution

With effect from 3 January 2016, the Memorandum and Articles of Association of the Company will now be treated as and referred to as the constitution of the Company (the “**Existing Constitution**”).

The Company is proposing to update its Existing Constitution to reflect the changes to the Companies Act, and to do so by adopting the New Constitution. The New Constitution will replace the Existing Constitution and will incorporate amendments to take into account the changes to the Companies Act introduced under the Amendment Act.

The New Constitution will also address the current personal data protection regime in Singapore. The Company is also taking this opportunity to streamline and rationalise certain other provisions in the New Constitution.

3.3 Summary of Key Provisions

The following is a summary of the principal provisions of the New Constitution which have been added or are significantly updated from equivalent provisions in the Existing Constitution (i.e. the Articles of Association of the Company prior to 3 January 2016), and should be read in conjunction with the proposed New Constitution which is set out in its entirety in Appendix A to this Letter.

In the paragraphs below, for purposes of convenience, the expression “Regulation” will refer to the provisions under the New Constitution, and the expression “Article” will be used for the relevant cross-references to the equivalent provisions of the Existing Constitution (i.e. the provisions under the previous Articles of Association of the Company).

3.3.1 Companies Act

The following Regulations include provisions which are in line with the Companies Act, as amended pursuant to the Amendment Act.

- (a) **Regulation 2 (Equivalent: Article 2 of Existing Constitution)** – Regulation 2, which is the interpretation section of the New Constitution, includes the following additional/revised provisions:
- (i) a new definition for “address” and “registered address” has been added to state that these expressions mean, in relation to any member, his physical address for the service or delivery of notices or documents personally or by post, except where otherwise expressly specified;
 - (ii) the definition of “in writing” and “written” have been revised to clarify that these terms include any representation or reproduction of words, symbols or other information which may be displayed in a visible form, whether in physical or electronic form. This would facilitate, for example, a proxy instrument being in either physical or electronic form;
 - (iii) the definitions for the terms “Depository Agent”, “Depository Register” have been amended to reflect cross-references to Section 81SF of the SFA. This arises following the migration of the definitions of these terms from the Companies Act to the SFA pursuant to the Amendment Act. In addition, full definitions for the terms “Depositor” and “CDP” have now been added;
 - (iv) new definitions for the expressions “current address”, “electronic communication” and “relevant intermediary” have been added, and these terms shall contain the meanings ascribed to them respectively in the Companies Act. This follows the introduction of new provisions facilitating electronic communication and the multiple proxies regime pursuant to the Amendment Act; and
 - (v) a new provision has been added to state that a Special Resolution shall be effective for any purpose for which an Ordinary Resolution is expressed to be required under the New Constitution.
- (b) **Regulation 8 (Equivalent: Article 11 of Existing Constitution)** – Regulation 8, which relates to the Company’s power to charge interest on capital where shares are issued to defray expenses on, amongst others, construction works, has been added to the New Constitution and it also provides that the Company may pay interest on

the paid-up share capital, except treasury shares, and may charge the same to capital as part of the cost of the construction. This is consistent with Section 78 of the Companies Act.

- (c) **Regulation 11 (Equivalent: Article 53 of Existing Constitution)** – Regulation 11, which relates to the Company’s power to alter its share capital, contains provisions which empower the Company (i) by ordinary resolution, to convert its share capital or any class of shares from one currency to another currency. This is in line with new Section 73 of the Companies Act, which sets out the procedure for such re-denominations; and (ii) by special resolution, to convert one class of shares into another class of shares. This is in line with new Section 74A of the Companies Act, which sets out the procedure for such conversions.
- (d) **Regulation 13(A) (Equivalent: Article 15 of Existing Constitution)** – Regulation 13(A), which relates to share certificates, now does not require the disclosure of the amount paid on the shares in the share certificate relating to those shares. Pursuant to the amendments to Section 123(2) of the Companies Act under the Amendment Act, a share certificate need only state (amongst others) the number and class of the shares, whether the shares are fully or partly paid up, and the amount (if any) unpaid on the shares.
- (e) **Regulation 52 (Equivalent: Article 61 of Existing Constitution)** – Regulation 52, which relates to the routine business that is transacted at an AGM, now uses references to the expression “financial statements” and also substitutes the expression “reports of the Directors” with the expression “Directors’ statement”, for consistency with the updated terminology in the Companies Act.
- (f) **Regulation 60(B) (Equivalent: Article 67 of Existing Constitution)** – Regulation 60(B), which relates to the method of voting at a general meeting where mandatory polling is not required, now contains a reduced threshold of 5% of the total voting rights of the members having the right to vote at the meeting for eligibility to demand a poll. This has been revised from the previous threshold of 10%, and is in line with Section 178 of the Companies Act as amended pursuant to the Amendment Act.
- (g) **Regulations 65, 71 and 73 (Equivalent: Articles 73, 78 and 79 of Existing Constitution)** – Regulations 65 and 71, which relate to the voting rights of members, contains provisions which cater to the multiple proxies regime introduced by the Amendment Act. The multiple proxies regime allows “relevant intermediaries”, such as banks, capital markets services licence holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at general meetings. In particular, Regulations 65 and 71 provide that:
 - (i) save as otherwise provided in the Companies Act, a member who is a “relevant intermediary” may appoint more than two proxies to attend, speak and vote at the same general meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member, and where such member’s form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in the form of proxy. This is in line with new Section 181(1C) of the Companies Act;

- (ii) in the case of a member who is a “relevant intermediary” and who is represented at a general meeting by two or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with new Section 181(1D) of the Companies Act;
- (iii) the Company will be entitled and bound to reject an instrument of proxy lodged by a Depositor if he is not shown to have any shares entered against his name in the Depository Register as at 72 hours before the time of the relevant general meeting. Consequential changes have also been made to make it clear that the number of votes which a Depositor or his proxy can cast on a poll is the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant general meeting. This is in line with new Section 81SJ(4) of the SFA. Previously, prior to the Amendment Act, the abovementioned cut-off time was a period of 48 hours before the time of the relevant general meeting; and
- (iv) the Company shall be entitled and bound, in determining rights to vote and other matters in respect of a completed instrument of proxy, to have regard to the instructions (if any) given by and the notes (if any) set out in the instrument of proxy.

Under Regulation 73, which relates to the deposit of proxies, the cut-off time for the deposit of instruments appointing proxies is now 72 hours before the time appointed for holding the general meeting. Previously, prior to the Amendment Act, the cut-off time for the deposit of instruments appointing proxies was 48 hours before the time appointed for holding the general meeting. This cut-off period has been expanded pursuant to Section 178(1)(c) of the Companies Act, as amended pursuant to the Amendment Act.

- (h) **Regulation 84 (Equivalent: Article 87 of Existing Constitution)** – Regulation 84, which relates to the power of Directors to hold an office of profit and to contract with the Company, now contains expanded provisions which extend the obligation of a Director to disclose interests in transactions or proposed transactions with the Company, or any office or property held which might create duties or interests in conflict with those as Director, to also apply to a Chief Executive Office (or person(s) holding an equivalent position). This is in line with Section 156 of the Companies Act, as amended pursuant to the Amendment Act.
- (i) **Regulation 115 (Equivalent: Article 99 of Existing Constitution)** – Regulation 115, which relates to the general powers of the Directors to manage the Company’s business, clarifies that the business and affairs of the Company is to be managed by, or under the direction of or, additionally, under the supervision of, the Directors. This is in line with Section 157A of the Companies Act, as amended pursuant to the Amendment Act.
- (j) **Regulation 127** – Regulation 127, which relates to the keeping of Company records, has been added to the New Constitution and also provides that such records may be kept either in hard copy or electronic form. This is in line with the new Sections 395 and 396 of the Companies Act.
- (k) **Regulations 145 and 146 (Equivalent: Articles 130 and 131 of Existing Constitution)** – Regulation 146, which relates to the sending of the Company’s financial statements and related documents to members, now provides that such documents may be sent less than 14 days before the date of the general meeting with the agreement of all persons entitled to receive notices of general meetings. This is

in line with new Section 203(2) of the Companies Act, which provides that the requisite financial statements and other related documents may be sent less than 14 days before the date of the general meeting at which they are to be laid if all the persons entitled to receive notice of general meetings of the company so agree. The requirement to send these documents to debenture holders has also been removed. Regulations 145 and 146 have also been updated to substitute the references to the Company's "balance sheet" and "profit and loss account" with references to "financial statements", as appropriate, for consistency with the updated terminology in the Companies Act.

- (I) **Regulation 149 (Equivalent: Article 144 of Existing Constitution)** – Regulation 149, which relates to the service of notices to members, has new provisions to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to the new Section 387C of the Companies Act. Companies can, subject to certain statutory safeguards, make use of these simplified procedures where a member has given express, implied or deemed consent for the company to do so in accordance with the Constitution of the company. The Company regards express consent as being given where a member gives notice in writing to the Company that he consents to having notices and documents transmitted to him via electronic communications.

Section 387C(2) of the Companies Act provides that a member has given implied consent ("**Implied Consent**") where the constitution of a company:–

- (1) provides for the use of electronic communications;
- (2) specifies the manner in which electronic communications is to be used; and
- (3) provides that the member shall agree to receive such notice or document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document.

Section 387C(3) of the Companies Act further explains that a member has given deemed consent ("**Deemed Consent**") where:–

- (1) the constitution of the company provides for the use of electronic communications;
- (2) the constitution of the company specifies the manner in which electronic communications is to be used;
- (3) the constitution of the company specifies that the member will be given an opportunity to elect within a specified period of time ("**the specified time**"), whether to receive such notice or document by way of electronic communications or as a physical copy; and
- (4) the member was given an opportunity to elect whether to receive such notice or document by way of such electronic communications or as a physical copy, and he failed to make an election within the specified time.

Regulation 149 provides that:

- (a) notices and documents may be sent to members using electronic communications either to a member's current address (which may be an email address) or by making it available on a website where such member expressly consents to receiving notices and documents in this manner;
- (b) in relation to Implied Consent, a member who has not given express consent may nonetheless be implied to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under applicable laws; and
- (c) in relation to Deemed Consent, notwithstanding sub-paragraph (b) above, the Directors may decide to give members an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a member is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time, unless otherwise provided under applicable laws.

Regulation 149 additionally provides for when service is effected in the case of notices or documents sent by electronic communications. In particular, where a notice or document is made available on a website, it is deemed served on the date on which the notice or document is first made available on the website, unless otherwise provided under the Companies Act and/or other applicable regulations or procedures. The insertion of Regulation 149 will enable greater efficiency and cost savings in the transmission of documents from the Company to the members. However, members who may not be supportive of the new regime of electronic transmissions may choose to vote against of the proposed adoption of the New Constitution.

Under the new Section 387C of the Companies Act, regulations may be made to exclude any notice or document or any class of notices or documents from the application of Section 387C, provide for safeguards for the use of electronic communications under Section 387C, and provide that a member who is deemed to have consented to receive notices or documents by way of electronic communications may make a fresh election to receive such notice or document as a physical copy and the manner in which the fresh election may be made. As at the Latest Practicable Date, the following notices and documents are excluded from the application of Section 387C of the Companies Act:

- (1) any notice or document relating to any take-over offer of the company; and
- (2) any notice or document relating to any rights issue by the company.

As at the Latest Practicable Date, the outcome of a public consultation by the SGX-ST on, *inter alia*, whether listed issuers should be allowed to send notices and documents to its members electronically under the new regimes permitted under the Companies Act as described above is not known. It should be noted that under the prevailing Paragraph 7 of Appendix 2.2 of the Listing Manual, the notices convening meetings shall be given to all members at least 14 days before the meeting and where notices contain special resolutions, they must be given to members at least 21 days before the meeting. Further, at least 14 days' notice of every such meeting shall be given by advertisement in the daily press and in writing to the SGX-ST. For

the avoidance of doubt, the service of notices by the Company to members shall be subject to the Listing Manual. The electronic communication of notices would be subject to Rule 730(2) of the Listing Manual. Pursuant to Rule 730(2) of the Listing Manual, if an issuer amends its articles of association or other constituent documents, they must be made consistent with the all the Listing Rules prevailing at the time of amendment. Shareholders should note that in the event there is a discrepancy between the Listing Rules and the Regulations of the Constitution, the Listing Rules shall prevail.

There is no certainty that the listing rules will be amended to allow electronic transmission of notices and documents under the new regime. Going forward, for so long as the Company is listed on the SGX-ST, the Company will not make use of the new regime to transmit notices or documents electronically to members unless the SGX-ST's listing rules allow it, and the Company will comply with the SGX-ST's listing rules on this subject.

- (m) **Regulation 157 (Equivalent: Article 150 of Existing Constitution)** – Regulation 157, which relates to Directors' indemnification, has been expanded to permit the Company, subject to the provisions of and so far as may be permitted by the Companies Act, to indemnify a Director against losses "to be incurred" by him in the execution of his duties. This is in line with new Sections 163A and 163B of the Companies Act, which permit a company to lend, on specified terms, funds to a director for meeting expenditure incurred or to be incurred by him in defending court proceedings or regulatory investigations.

3.3.2 Listing Manual

The following Regulations have been updated for consistency with the prevailing listing rules of the SGX-ST.

- (a) **Regulation 54 (Equivalent: Article 65 of Existing Constitution)** – Regulation 54, which relates to proceedings at general meetings, now contains an additional provision to make it clear that if required by the Listing Rules, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the SGX-ST. This additional clarification is in line with Rule 730A and Practice Note 7.5 of the Listing Rules.
- (b) **Regulation 60 (Equivalent: Article 67 of the Existing Constitution)** – Regulation 60, which relates to the method of voting at general meetings, has new provisions to make it clear that, if required by the Listing Rules of the SGX-ST, all resolutions at general meetings shall be voted by poll (unless such requirement is waived by the SGX-ST). These changes are in line with Rule 730A of the Listing Manual.

3.3.3 Personal Data Protection Act

In general, under the Personal Data Protection Act 2012, an organisation can only collect, use or disclose the personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has made known to the individual. Regulation 159 has been added in the New Constitution to specify, *inter alia*, the purposes for which the Company and/or its agents and service providers would collect, use and disclose personal data of members and their appointed proxies or representatives.

3.3.4 General

The following articles have been updated, streamlined and rationalised generally.

- (a) **Regulations 31(A), 40(A), 75, 99** – These Regulations have been updated to include references to persons who are mentally disordered and incapable of managing himself or his affairs. Where the Existing Constitution contains expressions relating to insanity or unsoundness of mind, similarly these expressions have been updated to reference to persons who are mentally disordered and incapable of managing himself or his affairs. These updates are pursuant to the enactment of the Mental Health (Care and Treatment) Act, Chapter 178A, which repealed and replaced the Mental Disorders and Treatment Act.
- (b) **Regulations 71, 73 and 75** – Regulation 71, which relates to the appointment of proxies, has new provisions to facilitate the appointment of a proxy through electronic means online. In particular, it provides that a member can elect to signify his approval for the appointment of a proxy via electronic communication, through such method and in such manner as may be approved by the Directors, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate member's common seal. For the purpose of accommodating the deposit by members, and receipt by the Company, of electronic proxy instructions by members who elect to use the electronic appointment process, Regulation 73, which relates to the deposit of proxies, has new provisions which authorise the Directors to prescribe and determine the manner of receipt by the Company of the instrument appointing a proxy through digital means. Pursuant to the newly added Regulation 75, the Directors may also approve the implementation of security measures in relation to voting methods, as may be necessary, to provide for voting in absentia, including but not limited to voting by mail, electronic mail or facsimile, in order to allow members to participate effectively in general meetings.

3.4 **Appendix A and Appendix B**

The proposed New Constitution is set out in Appendix A to this Letter. The proposed adoption of the New Constitution is subject to Shareholders' approval. Shareholders may also refer to Appendix B of this Circular, which sets out the principal and material provisions in the New Constitution which have been newly added and/or significantly updated as compared to equivalent provisions in the Existing Constitution in greater detail.

6. (A) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted by the rules of the Designated Stock Exchange, all new shares shall before issue be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. In offering such new shares in the first instance to all the then holders of any class of shares, the offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of the aforesaid time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares or by reason of any other difficulty in apportioning the same) cannot, in the opinion of the Directors, be conveniently offered under this Regulation.
- (B) Notwithstanding Regulation 6(A) above, the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:—
- (a) (i) issue shares in the capital of the Company (“shares”) whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, “Instruments”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares; and
- (b) (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while the Ordinary Resolution was in force,
- provided that:—
- (1) the aggregate number of shares to be issued pursuant to the Ordinary Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to the Ordinary Resolution) shall be subject to such limits and manner of calculation as may be prescribed by the Designated Stock Exchange;

- (2) in exercising the authority conferred by the Ordinary Resolution, the Company shall comply with the provisions of the listing rules of the Designated Stock Exchange for the time being in force (unless such compliance is waived by the Designated Stock Exchange) and these Regulations; and
 - (3) (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Act (whichever is the earliest).
- (C) The Company may, notwithstanding Regulations 6(A) and 6(B) above, authorise the Directors not to offer new shares to Members to whom by reason of foreign securities laws, such offers may not be made without registration of the shares or a prospectus or other document, but to sell the entitlements to the new shares on behalf of such Members on such terms and conditions as the Company may direct.
7. The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. Such commissions or brokerage may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other.
8. Where any shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable for a long period, the Company may pay interest on so much of that share capital as is for the time being paid up for the period and charge the same to capital as part of the cost of the construction of the works or buildings or the provision of the plant, subject to the conditions and restrictions mentioned in the Act.
9. (A) Preference shares may be issued subject to such limitation thereof as may be prescribed by the Designated Stock Exchange. The total number of issued preference shares shall not exceed the total number of issued ordinary shares issued at any time. Preference shareholders shall have the same rights as ordinary shareholders as regards receiving of notices, reports and balance-sheets and attending General Meetings of the Company, and preference shareholders shall also have the right to vote at any General Meeting convened for the purpose of reducing capital or winding-up or sanctioning a sale of the undertaking of the Company or where the proposal to be submitted to the General Meeting directly affects their rights and privileges or when the Dividend on the preference shares is more than 6 months in arrear.
- (B) The Company has power to issue further preference capital ranking equally with, or in priority to, preference shares already issued.

VARIATION OF RIGHTS

10. (A) Whenever the share capital of the Company is divided into different classes of shares, the variation or abrogation of the special rights attached to any class may, subject to the provisions of the Act, only be made either with the consent in writing of the holders of three-quarters of the total number of the issued shares of the class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so made either whilst the Company is a going concern or during or in contemplation of a winding-up. To every such separate General Meeting all the provisions of these Regulations relating to

General Meetings of the Company and to the proceedings thereat shall mutatis mutandis apply, except that the necessary quorum shall be two or more persons holding at least one-third of the total number of the issued shares of the class present in person or by proxy or attorney and that any holder of shares of the class present in person or by proxy or attorney may demand a poll, provided always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, the consent in writing, if obtained from the holders of three-quarters of the total number of the issued shares of the class concerned within 2 months of such General Meeting, shall be as valid and effectual as a Special Resolution carried at such General Meeting.

- (B) The provisions in Regulation 10(A) shall mutatis mutandis apply to any repayment of preference capital (other than redeemable preference capital) and any variation or abrogation of the rights attached to preference shares or any class thereof.
- (C) The rights attached to any class of shares having preferential or other rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto.

ALTERATION OF SHARE CAPITAL

- 11. (A) The Company may by Ordinary Resolution:–
 - (a) consolidate and divide all or any of its share capital;
 - (b) sub-divide its shares, or any of them (subject nevertheless to the provisions of the Act and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be same as it was in the case of the share from which the reduced share is derived;
 - (c) subject to the provisions of this Constitution and the Act, convert its share capital or any class of shares from one currency to another currency; and/or
 - (d) cancel the number of shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person or which have been forfeited and diminish the amount of its share capital by the number of the shares so cancelled.
- (B) The Company may by Special Resolution, subject to and in accordance with the Act, convert one class of shares into another class of shares.
- 12. (A) The Company may reduce its share capital or any other undistributable reserve in any manner permitted, and with, and subject to, any incident authorised, and consent or confirmation required, by law.
- (B) The Company may purchase or otherwise acquire its issued shares subject to and in accordance with the provisions of the Statutes (including the Act) and any applicable rules of the Designated Stock Exchange (hereafter, the “Relevant Laws”), on such terms and in such manner as it may from time to time think fit, and subject to such conditions as the Company may in General Meeting prescribe in accordance with the Relevant Laws. Any shares purchased or acquired by the Company as aforesaid shall, unless held in treasury in accordance with the Act, be deemed to be cancelled

immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with the Relevant Laws. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to these Regulations and the Statutes, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

SHARE CERTIFICATES

13. (A) Every certificate shall be issued under the Seal and shall bear the facsimile signatures or the autographic signatures at least of any two Directors or one of the Director and the Secretary or such other person as may be authorised by the Directors, and shall specify the number and class of shares to which it relates, whether the shares are fully or partly paid up, and the amount (if any) unpaid thereon. The facsimile signatures may be reproduced by mechanical or other means provided the method or system of reproducing signatures has first been approved by the Directors of the Company. No certificate shall be issued representing shares of more than one class.
- (B) The provisions in this Regulation and in Regulations 14 to 17 (so far as they are applicable) shall not apply to transfer of book-entry securities.
14. (A) The Company shall not be bound to register more than three persons as joint holders of a share except in the case of executors, trustees or administrators of the estate of a deceased Member.
- (B) Only one certificate shall be issued in respect of any share.
- (C) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to any one of the joint holders shall be sufficient delivery to all. Only the person whose name stands first in the Register of Members as one of the joint holders of any share shall be entitled to delivery of the certificate relating to such share.
15. (A) The Company shall allot its shares and dispatch share certificates relating thereto within 10 market days (or such longer period of time as the Designated Stock Exchange may determine) of the final closing date for applications to subscribe for an issue of its shares. The Directors may, at any time after the allotment (whether on a provisional basis or otherwise) of any share but not before any person has been entered in the Register of Members as the holder or (as the case may be) before that share has been entered against the name of a Depositor in the Depository Register, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.
- (B) Every person whose name is entered as a Member in the Register of Members shall be entitled without charge, within 10 market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the closing date of any application for shares or the date of lodgement of a registrable transfer or on a transmission of shares (as the case may be), to receive one certificate for all his shares of any one

class or upon payment of S\$2.00 (or such lesser sum as the Directors may from time to time determine) several certificates in reasonable denominations in respect of shares of any one class.

16. (A) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares (in the case of transfer) and the whole of such shares (in the case of sub-division) shall be issued in lieu thereof and the Member shall pay (in the case of sub-division) a maximum fee of S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) for each new certificate. Where only some of the shares comprised in a share certificate are transferred, the new certificate for the balance of such shares shall be issued in lieu thereof without charge.
 - (B) Any two or more certificates representing shares of any one class held by any Member may at his request be cancelled and a single new certificate for such shares issued in lieu thereof without charge.
17. Subject to the provisions of the Statutes, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, it may be renewed on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of the Designated Stock Exchange or on behalf of its or their client or clients as the Directors shall require, and in case of defacement or wearing out on delivery of the old certificate, and in any case on payment of such sum not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to, and to whom such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.

CALLS ON SHARES

18. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their shares and not by the conditions of allotment thereof made payable at fixed times, provided that no call shall be payable at less than 1 month from the date fixed for the payment of the last preceding call. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.
19. Each Member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.
20. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding eight per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest in whole or in part.

21. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In the case of non-payment, all the relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
22. No Member shall be entitled to receive any dividend or to be present or vote at any meeting or upon a poll, or to exercise any privilege as a Member until he shall have paid all calls for the time being due and payable on every share held by him, whether alone or jointly with any other person, together with interest and expenses (if any).
23. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
24. (A) The Directors may if they think fit receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is made and upon the monies so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding ten per cent. per annum, unless the Company in general meeting otherwise directs) as the Member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, whilst bearing interest, confer a right to participate in profits.

(B) The Directors may apply all dividends which may be declared in respect of any shares in payment of any calls made or instalments payable and which may remain unpaid in respect of the same shares.

FORFEITURE AND LIEN

25. If a Member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.
26. The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited.
27. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
28. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposal, the forfeiture or surrender may be cancelled on such terms as the Directors shall think fit. The Directors may, if necessary, authorise some person to transfer

a share so forfeited or surrendered to any such other person as aforesaid. The Company may receive the consideration, if any, given for a forfeited share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, or disposal of the share.

29. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of such shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of such shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of such shares at that time of forfeiture or surrender or waive payment in whole or in part.
30. The Company shall have a first and paramount lien on every share (not being a fully paid share) and Dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such monies are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation 30.
31. (A) The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto (if any) entitled to effect a transmission of the shares and who shall have produced to the Company satisfactory evidence of such capacity and default in payment shall have been made by him or them for 14 days after such notice. Provided always that if a Member shall have died or become mentally disordered and incapable of managing himself or his affairs or bankrupt and no person shall have given to the Company satisfactory proof of his right to effect a transmission of the shares held by such Member the Directors may exercise such power of sale without serving any such notice.

(B) In the event of a forfeiture of shares or a sale of shares to satisfy the Company's lien thereon the Member or other person who prior to such forfeiture or sale was entitled thereto shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the shares so forfeited or sold.
32. The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities (including unpaid calls and accrued interest and expenses) and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assignees, as he may direct. For the purpose of giving effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser. The purchaser shall be registered in the Register of Members, or (as the case may be) the Company shall procure that his name be entered in the Depository Register, as the holder of the shares comprised in any such transfer, and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

33. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt by the Company of the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, the Depository Register) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall be registered as the holder of the share, or where such person is a Depositor, the Company shall procure that his name be entered in the Depository Register in respect of the share so sold, re-allotted or disposed of. Such person shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

TRANSFER OF SHARES

34. (A) All transfers of shares shall be effected by written instruments of transfer in the form for the time being approved by the Directors and the Designated Stock Exchange.
- (B) The instrument of transfer of any share shall be signed by or on behalf of both the transferor and the transferee and be witnessed, provided always that an instrument of transfer in respect of which the transferee is the CDP or its nominee (as the case may be) shall be effective although not signed or witnessed by or on behalf of the CDP or its nominee (as the case may be). The transferor shall be deemed to remain the holder of the shares concerned until the name of the transferee is entered in the Register of Members in respect thereof.
- (C) No shares shall in any circumstances be transferred to any infant, bankrupt or person who is mentally disordered and incapable of managing himself or his affairs.
35. The Company shall maintain a Register of Transfers which shall be kept under the control of the Directors, and in which shall be entered the particulars of every transfer of shares. The Registers of Members and of Transfers may be closed, and the registration of transfers may be suspended, at such times and for such periods as the Directors may from time to time determine, provided always that such Registers shall not be closed for more than 30 days in any year, and that the Company shall give prior notice of each such closure, as may be required, to the Designated Stock Exchange, stating the period and purpose or purposes for which such closure is made.
36. (A) There shall be no restriction on the transfer of fully paid up shares (except where required by law or by the rules, bye-laws or listing rules of the Designated Stock Exchange) but the Directors may in their discretion decline to register any transfer of shares upon which the Company has a lien, and in the case of shares not fully paid up, may refuse to register a transfer to a transferee of whom they do not approve (to the extent permitted by the listing rules of the Designated Stock Exchange), provided always that in the event of the Directors refusing to register a transfer of shares, the Company shall within 10 market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the date on which the application for a transfer of shares was made, serve a notice in writing to the applicant, transferor and/or the transferee stating the facts which are considered to justify the refusal as required by the Statutes.

- (B) If the Directors refuse to register a transfer of any share, they shall within 10 market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the date on which the transfer was lodged with the Company, send to the transferor and the transferee notice of refusal as required by the Act.
- (C) The Directors may decline to register any instrument of transfer unless:—
- (a) such fee not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require is paid to the Company in respect thereof;
 - (b) the amount of proper duty (if any) with which each instrument of transfer is chargeable under any law for the time being in force relating to stamps is paid;
 - (c) the instrument of transfer is deposited at the Office or at such other place (if any) as the Directors may appoint accompanied by a certificate of payment of stamp duty (if stamp duty is payable on such instrument of transfer in accordance with any law for the time being in force relating to stamp duty), the certificates of the shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and, if the instrument of transfer is executed by some other person on his behalf, the authority of the person so to do; and
 - (d) the instrument of transfer is in respect of only one class of shares.
37. All instruments of transfer which are registered may be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same except in the case of fraud.
38. The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of 6 years from the date of registration thereof and all Dividend mandates and notifications of change of address at any time after the expiration of 6 years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of 6 years from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register of Members purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, provided always that:—
- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
 - (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Regulation; and
 - (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TRANSMISSION OF SHARES

39. (A) In case of the death of a Member whose name is registered in the Register of Members, the survivors or survivor, where the deceased was a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder, shall be the only person(s) recognised by the Company as having any title to his interest in the shares; and where two or more persons are jointly entitled to any share in consequence of the death of the registered holder they shall, for the purposes of these Regulations be deemed to be joint holders of the share.
- (B) In the case of the death of a Member who is a Depositor, the survivors or survivor, where the deceased is a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder and where such executors or administrators are entered into the Depository Register in respect of any shares to the deceased Member, shall be the only person(s) recognised by the Company as having any title to his interest in the shares.
- (C) Nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any share held by him.
40. (A) Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member whose name is entered in the Register of Members, and any guardian of an infant becoming entitled to the legal title in a share and whose name is entered in the Register of Members, and any person as properly has the management of the estate of a Member whose name is entered in the Register of Members and who is mentally disordered and incapable of managing himself or his affairs may (subject as hereinafter provided) upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, elect either to be registered himself as holder of the share or to have another person nominated by him registered as the transferee thereof. The Directors shall, in any case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by a Member.
- (B) If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing (in a form as may be approved by the Directors from time to time) signed by him stating that he so elects. If he elects to have another person registered he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the event upon which transmission took place had not occurred and the notice or transfer were a transfer executed by such Member.
41. (A) Save as otherwise provided by or in accordance with these Regulations, a person becoming entitled to a share by transmission (and upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall be entitled to the same Dividends and other advantages as those to which he would be entitled if he were the registered holder of the share except that he shall not be entitled in respect thereof (except with the authority of the Directors) to exercise any right conferred by membership in relation to General Meetings of the Company until he shall have been registered as a Member in respect of the share.

- (B) The Directors may at any time give notice requiring any person entitled to a share by transmission to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 days the Directors may thereafter withhold payment of all dividends, or other moneys payable in respect of the share until the requirements of the notice have been complied with.
42. There shall be paid to the Company in respect of the registration of any probate or letters of administration or certificate of death or stop notice or power of attorney or other document relating to or affecting the title to any shares or otherwise for making any entry in the Register of Members affecting the title to any shares such fee not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require.

CENTRAL DEPOSITORY SYSTEM

43. A reference to a Member shall be a reference to a registered holder of shares in the Company, or where such registered holder is CDP, the Depositors on behalf of whom CDP holds the shares, provided that:-
- (a) except as required by the Statutes or law, a Depositor shall only be entitled to attend any General Meeting and to speak and vote thereat if his name appears on the Depository Register maintained by CDP 72 hours before the General Meeting as a Depositor on whose behalf CDP holds shares in the Company, the Company being entitled to deem each such Depositor, or each proxy or proxies of a Depositor who is to represent the entire balance standing to the Securities Account of the Depositor, to represent such number of shares as is actually credited to the Securities Account of the Depositor as at such time, according to the records of CDP as supplied by CDP to the Company, and where a Depositor has apportioned the balance standing to his Securities Account between such number of proxies, to apportion the said number of shares between the proxies in the same proportion as previously specified by the Depositor in appointing the proxies; and accordingly no instrument appointing a proxy of a Depositor shall be rendered invalid merely by reason of any discrepancy between the proportion of Depositor's shareholding specified in the instrument of proxy, or where the balance standing to a Depositor's Securities Account has been apportioned between such number of proxies the aggregate of the proportions of the Depositor's shareholding they are specified to represent, and the true balance standing to the Securities Account of a Depositor as at the time of the General Meeting, if the instrument is dealt with in such manner as is provided above;
 - (b) the payment by the Company to CDP of any Dividend payable to a Depositor shall to the extent of the payment discharge the Company from any further liability in respect of the payment;
 - (c) the delivery by the Company to CDP of provisional allotments or share certificates in respect of the aggregate entitlements of Depositors to new shares offered by way of rights issue or other preferential offering or bonus issue shall to the extent of the delivery discharge the Company from any further liability to each such Depositor in respect of his individual entitlement; and
 - (d) the provisions in these Regulations relating to the transfers, transmissions or certification of shares shall not apply to the transfer of book-entry securities (as defined in the Statutes).

EXCLUSION OF EQUITIES

44. Except as required by the Statutes or law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these Regulations or by the Statutes or law otherwise provided) any other right in respect of any share, except an absolute right to the entirety thereof in the person (other than the Depository or its nominee (as the case may be)) entered in the Register of Members as the registered holder thereof or (as the case may be) the person whose name is entered in the Depository Register in respect of that share and nothing in these Regulations contained relating to CDP or to Depositors or in any depository agreement made by the Company with any common depository for shares shall in any circumstances be deemed to limit, restrict or qualify the above.

STOCK

45. The Company may from time to time by Ordinary Resolution convert any paid-up shares into stock and may from time to time by like resolution reconvert any stock into paid-up shares of any denomination.
46. The holders of stock may transfer the same or any part thereof in the same manner and subject to the same Regulations as and subject to which the shares from which the stock arose might previously to conversion have been transferred (or as near thereto as circumstances admit) but no stock shall be transferable except in such units as the Directors may from time to time determine.
47. The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards Dividend, return of capital, voting and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except as regards participation in the profits or assets of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted. Such of the Regulations of the Company as are applicable to paid-up shares shall apply to stock, and the words "share" and shareholder therein shall include "stock" and "stockholder".

GENERAL MEETINGS

48. Save as otherwise permitted under the Act, an Annual General Meeting shall be held once in every year, at such time (within a period of not more than 15 months after the holding of the last preceding Annual General Meeting) and place as may be determined by the Directors (subject to the listing rules of the Designated Stock Exchange). All other General Meetings shall be called Extraordinary General Meetings. The interval between the close of a financial year of the Company and the date of the Company's Annual General Meeting shall not exceed 4 months or such other period as prescribed by the Act and the byelaws and listing rules of the Designated Stock Exchange or other legislation applicable to the Company from time to time. Time and place of any meeting shall be determined by the convenors of the meeting.
49. The Directors may whenever they think fit, and shall on requisition in accordance with the Statutes, proceed with proper expedition to convene an Extraordinary General Meeting.

NOTICE OF GENERAL MEETINGS

50. Any Annual General Meeting and any Extraordinary General Meeting at which it is proposed to pass a Special Resolution or (save as provided by the Statutes) a resolution of which special notice has been given to the Company, shall be called by 21 clear days' notice in writing at the least and an Annual General Meeting or any other Extraordinary General Meeting, by 14 clear days' notice in writing at the least. The period of notice shall be exclusive the date of notice and of the day on which the General Meeting is to be held and shall be given in manner hereinafter mentioned to all Members other than those who are not under the provisions of these Regulations entitled to receive such notices from the Company, provided that a General Meeting notwithstanding that it has been called by a shorter notice than that specified above shall be deemed to have been duly called if it is so agreed:—

- (a) in the case of an Annual General Meeting by all the Members entitled to attend and vote thereat; and
- (b) in the case of an Extraordinary General Meeting by a majority in number of the Members having a right to attend and vote thereat, being a majority together holding not less than 95 per cent. of the total voting rights of all the Members having a right to vote at thereat,

provided also that the accidental omission to give notice to or the non-receipt of notice by any person entitled thereto shall not invalidate the proceedings at any General Meeting. At least 14 days' notice (excluding the date of notice and the date of meeting) of any General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange, provided always that in the case of any Extraordinary General Meeting at which it is proposed to pass a Special Resolution, at least 21 days' notice in writing (excluding the date of notice and the date of meeting) of such Extraordinary General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange.

51. (A) Every notice calling a General Meeting shall specify the place, day and hour of the meeting, and there shall appear with reasonable prominence in every such notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him and that a proxy need not be a Member of the Company.
- (B) In the case of an Annual General Meeting, the notice shall also specify the meeting as such.
- (C) In the case of any General Meeting at which business other than routine business ("special business") is to be transacted, the notice shall specify the general nature of such business, and if any resolution is to be proposed as a Special Resolution, the notice shall contain a statement to that effect.
- (D) Notice of every general meeting shall be given in any manner authorised by these Regulations to: (i) every Member holding shares conferring the right to attend and vote at the meeting; (ii) the Directors (including alternate Directors) of the Company; and (iii) the auditors of the Company. No other person shall be entitled to receive notice of general meetings except that if the meeting be called for the alteration of the Company's objects, the provisions of the Act regarding notices to debenture holders shall be complied with.

52. Routine business shall mean and include only business transacted at an Annual General Meeting of the following classes, that is to say:–
- (a) declaring Dividends;
 - (b) receiving and adopting the financial statements, the Directors' statement, and the Auditors' reports and other documents required to be attached or annexed to the financial statements;
 - (c) appointing or re-appointing Directors to fill vacancies arising at the meeting on retirement whether by rotation or otherwise;
 - (d) appointing Auditors or re-appointing the retiring Auditors (unless they were last appointed otherwise than by the Company in General Meeting);
 - (e) fixing the remuneration of the Auditors or determining the manner in which such remuneration is to be fixed; and
 - (f) fixing the Directors fees.
53. Any notice of a General Meeting to consider special business shall be accompanied by a statement regarding the effect of any proposed resolution on the Company in respect of such special business.

PROCEEDINGS AT GENERAL MEETINGS

54. The Chairman of the Board of Directors, failing whom the Deputy Chairman, shall preside as chairman at a General Meeting. If there be no such Chairman or Deputy Chairman, or if at any General Meeting neither be present within 5 minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number (or, if no Director be present or if all the Directors present decline to take the chair, the Members present shall choose one of their number) to be chairman of the General Meeting. If required by the listing rules of the Designated Stock Exchange, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the Designated Stock Exchange.
55. No business other than the appointment of a Chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two Members present in person or by proxy, provided that (i) a proxy representing more than one Member shall only count as one Member for purpose of determining if the quorum aforesaid is present; and (ii) where a Member is represented by more than one proxy, such proxies of such Member shall only count as one Member for purposes of determining if the quorum aforesaid is present. In addition, for the purposes of a quorum, joint holders of any share shall be treated as one Member.
56. If within 30 minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than 10 days' notice appoint.

57. The chairman of any General Meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a General Meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a General Meeting is adjourned for 30 days or more or sine die, not less than 7 days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.
58. Save as hereinbefore expressly provided, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned General Meeting.
59. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the General Meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
60. (A) If required by the listing rules of the Designated Stock Exchange, a resolution put to the vote at any General Meeting shall be decided by a poll (unless such requirement is waived by the Designated Stock Exchange).
- (B) Subject to Regulation 60(A), at any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands by the Members present in person and entitled to vote, unless a poll is (before or on the declaration of the result of the show of hands) demanded by:—
- (a) the chairman of the meeting; or
 - (b) not less than two Members present in person or by proxy and entitled to vote; or
 - (c) any Member or Members present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding or representing as the case may be not less than 5 per cent. of the total voting rights of all the Members having the right to vote at the General Meeting,
- A demand for a poll made pursuant to this Regulation 60(B) may be withdrawn only with the approval of the meeting.
- (C) If any votes be counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it be pointed out at the same General Meeting or at any adjournment thereof and not in any case unless it shall in the opinion of the Chairman be of sufficient magnitude.
61. Unless a poll is required, a declaration by the chairman of the General Meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution. If a poll is required, it shall be taken in such manner (including the use of ballot or voting papers or tickets or electronic means) as the chairman of the General Meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was required. The chairman of the General Meeting may (and, if required by the listing rules of

the Designated Stock Exchange or if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

62. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is required shall be entitled to a casting vote.
63. (A) A poll required on any question shall be taken either immediately or at such subsequent time (not being more than 30 days from the date of the Meeting) and place as the chairman of the Meeting may direct. No notice need be given of a poll not taken immediately. The demand for a poll pursuant to Regulation 60(B) shall not prevent the continuance of the General Meeting for the transaction of any business other than the question on which the poll has been demanded.
- (B) After the Chairman of any meeting shall have declared the General Meeting to be over and shall have left the chair no business or question shall under any pretext whatsoever be brought forward or discussed.
64. Any resolution signed in writing whether by original or facsimile by all Members for the time being of the Company entitled to attend and vote at General Meetings of the Company shall be as valid as if it had been passed at a General Meeting of the Company duly convened and held. Any such resolution may consist of several documents in like form each signed by or on behalf of one or more Member. In the case of a corporate body or limited liability partnership which is a Member, such resolution may be signed on its behalf by its corporate representatives or limited liability partnership or proxy or attorney duly authorised in writing to sign the resolution on its behalf.

VOTES OF MEMBERS

65. (A) Subject to any special rights, privileges or restrictions as to voting attached by or in accordance with these Regulations to any class of shares, and to Regulation 5, each Member entitled to vote may vote in person or by proxy.
- (B) On a show of hands every Member who is present in person or by proxy shall have one vote, provided that:
- (a) in the case of a Member who is not a relevant intermediary and who is represented by two proxies, only one of the two proxies as determined by that Member or, failing such determination, by the Chairman of the meeting (or by a person authorised by him) in his sole discretion shall be entitled to vote on a show of hands; and
- (b) in the case of a Member who is a relevant intermediary and who is represented by two or more proxies, each proxy shall be entitled to vote on a show of hands.
- (C) On a poll every Member who is present in person or by proxy shall have one vote for every share of which he holds or represents.

- (D) For the purposes of determining the number of votes which a Member, being a Depositor, or his proxy or proxies may cast at any General Meeting on a poll, the references to shares held or represented shall, in relation to shares of that Depositor, be the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting. A Member who is bankrupt shall not, while his bankruptcy continues, be entitled to exercise his rights as a Member, or attend, vote or act at any General Meeting.
66. In the case of joint holders of a share, any one of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy as if he were solely entitled thereto, but if more than one of such persons is present at a meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the name which stands first in the Register of Members or, as the case may be, the name which appears first in the Depository Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
67. Where in Singapore or elsewhere a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any Member on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion, upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such Member, to vote in person or by proxy at any General Meeting, or to exercise any other right conferred by membership in relation to meetings of the Company.
68. No Member shall be entitled in respect of shares held by him to vote at a General Meeting either personally or by proxy or to exercise any other right conferred by membership in relation to General Meetings if any call or other sum payable by him to the Company in respect of such shares remains unpaid.
69. No objection shall be raised as to the admissibility of any vote except at the General Meeting or adjourned General Meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the General Meeting whose decision shall be final and conclusive.
70. On a poll, votes may be given either personally or by proxy and a person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.
71. (A) Save as otherwise provided in the Act:
- (a) a Member who is not a relevant intermediary may appoint not more than two proxies to attend, speak and vote at the same General Meeting. Where such Member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy; and
 - (b) a Member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. Where such Member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

- (B) (a) In any case where a Member is a Depositor, the Company shall be entitled and bound:–
 - (i) to reject any instrument of proxy lodged by that Depositor if he is not shown to have any shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting; and
 - (ii) to accept as the maximum number of votes which in aggregate the proxy or proxies appointed by the Depositor is or are able to cast on a poll a number which is the number of shares entered into against the name of that Depositor in the Depository Register as at 72 hours before the time of the relevant General Meeting, whether that number is greater or smaller than the number specified in any instrument of proxy executed by or on behalf of that Depositor.
- (b) The Company shall be entitled and bound, in determining rights to vote and other matters in respect of a completed instrument of proxy submitted to it, to have regard to the instructions (if any) given by and the notes (if any) set out in the instrument of proxy.
- (c) if the Chairman is appointed proxy, he may designate such other person to act as proxy In his stead.
- (C) Where a Member appoints more than one proxy, the Member shall specify the proportion of his shares to be represented by each such proxy, failing which the nomination shall be deemed to be alternative.
- (D) A proxy need not be a Member of the Company.
- 72. (A) An instrument appointing a proxy for any Member shall be in writing in any usual or common form or in any other form which the Directors may approve and:–
 - (a) in the case of an individual Member:
 - (i) signed by the appointor or his attorney if the instrument of proxy is delivered personally or sent by post; or
 - (ii) authorised by that individual through such method and in such manner as may be approved by the Directors, if the instrument is submitted by electronic communication; and
 - (b) in the case of a Member which is a corporation:
 - (i) either given under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation if the instrument of proxy is delivered personally or sent by post; or
 - (ii) authorised by that corporation through such method and in such manner as may be approved by the Directors, if the instrument is submitted by electronic communication.

The Directors may, for the purposes of this Regulation, designate procedures for authenticating any such instrument, and any such instrument not so authenticated by use of such procedures shall be deemed not to have been received by the Company.

- (B) The signatures on an instrument of proxy need not be witnessed. Where an instrument appointing a proxy is signed on behalf of a Member (which shall, for purposes of this paragraph include a Depositor) by an attorney, the letter or power of attorney or a duly certified copy thereof shall (failing previous registration with the Company) be lodged with the instrument of proxy pursuant to the next following Regulation, failing which the instrument of proxy may be treated as invalid.
- (C) The Directors may, in their absolute discretion:
- (a) approve the method and manner for an instrument appointing a proxy to be authorised; and
 - (b) designate the procedure for authenticating an instrument appointing a proxy, as contemplated in Regulation 72(A)(a)(ii) and 72(A)(b)(ii) for application to such Members or class of Members as they may determine. Where the Directors do not so approve and designate in relation to a Member (whether of a class or otherwise), Regulation 72(A)(a)(i) and/or (as the case may be) Regulation 72(A)(b)(i) shall apply.
73. (A) An instrument appointing a proxy or the power of attorney or other authority, if any:
- (a) if sent personally or by post, must be left at the Office or such other place (if any) as is specified for the purpose in the notice convening the General Meeting; or
 - (b) if submitted by electronic communication, must be received through such means as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the General Meeting,
- and in either case not less than 72 hours before the time appointed for the holding of the General Meeting or adjourned General Meeting (or in the case of a poll before the time appointed for the taking of the poll) to which it is to be used and in default shall not be treated as valid.
- (B) The Directors may, in their absolute discretion, and in relation to such Members or class of Members as they may determine, specify the means through which instruments appointing a proxy may be submitted by electronic communications, as contemplated in Regulation 73(A)(b). Where the Directors do not so specify in relation to a Member (whether of a class or otherwise), Regulation 73(A)(a) shall apply.
- (C) An instrument appointing a proxy shall, unless the contrary is stated thereon, be valid as well for any adjournment of the General Meeting as for the meeting to which it relates, provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require again to be delivered for the purposes of any subsequent meeting to which it relates.
74. An instrument appointing a proxy shall be deemed to include the right to demand or join in demanding a poll, to move any resolution or amendment thereto and to speak at the General Meeting.
75. A vote cast by proxy in accordance with the terms of an instrument of proxy (which for the purposes of this Constitution shall also include a power of attorney) shall not be invalidated by the previous death or mental disorder of the principal or by the revocation of the appointment of the proxy or of the authority under which the appointment was made or the transfer of the share in respect of which the proxy is given, provided that no notice in writing

of such death, mental disorder, revocation or transfer shall have been received by the Company at the Office (or such other place as may be specified for the deposit of instruments appointing proxies) at least one hour before the commencement of the General Meeting or adjourned General Meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) the time appointed for the taking of the poll at which the vote is cast.

76. Subject to these Regulations and the Statutes, the Directors may, at their sole discretion, approve and implement, subject to such security measures as may be deemed necessary or expedient, such voting methods to allow Members who are unable to vote in person at any General Meeting the option to vote in absentia, including but not limited to voting by mail, electronic mail or facsimile.

CORPORATIONS AND LIMITED LIABILITY PARTNERSHIPS ACTING BY REPRESENTATIVES

77. Any corporation or limited liability partnership which is a Member of the Company may by resolution of its Directors or other governing body authorise such person as it thinks fit to act as its representative at any General Meeting or of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member of the Company and such corporation or limited liability partnership shall for the purposes of these Regulations (but subject to the Act) be deemed to be present in person at any such meeting if a person so authorised is present thereat.

DIRECTORS

78. Subject as hereinafter provided, the Directors, all of whom shall be natural persons, shall not be fewer than two. The Company may by Ordinary Resolution from time to time vary the maximum number of Directors. The Company may from time to time by ordinary resolution passed at a general meeting increase or reduce the number of Directors (as the case may be) by appointing any person to be a Director as an addition to the existing Directors or by removing any Director under Regulation 93 and Regulation 100 respectively.
79. A Director shall not be required to hold any shares of the Company by way of qualification. A Director who is not a Member of the Company shall nevertheless be entitled to receive notice of and to attend and speak at General Meetings.

The ordinary remuneration of an executive Director may not include a commission on or a percentage of turnover and the ordinary remuneration of a non-executive Director shall be a fixed sum, and not by a commission on or a percentage of profits or turnover.
81. Any Director who holds any executive office, or who serves on any committee of the Directors, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of salary, commission or otherwise as the Directors may determine, provided that

such extra remuneration (in case of an executive Director) shall not be by way of commission on or a percentage of turnover and (in the case of a non-executive Director) shall be a fixed sum, and not by a commission on or a percentage of profits or turnover.

82. The Directors may repay to any Director all such reasonable expenses as he may incur in attending and returning from meetings of the Directors or of any committee of the Directors or General Meetings or otherwise in or about the business of the Company.
83. The Directors shall have power to pay and agree to pay pensions or other retirement, superannuation, death or disability benefits to (or to any person in respect of) any Director for the time being holding any executive office and for the purpose of providing any such pensions or other benefits to contribute to any scheme or fund or to pay premiums.
84. (A) Other than the office of Auditor, a Director may hold any other office or place of profit under the Company and he or any firm of which he is a member may act in a professional capacity for the Company in conjunction with his office of Director for such period and on such terms (as to remuneration and otherwise) as the Directors may determine. No Director or intending Director shall be disqualified by his office from contracting or entering into any arrangement or transaction with the Company either as vendor, purchaser or otherwise nor shall such contract, arrangement or transaction or any contract, arrangement or transaction entered into by or on behalf of the Company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract, arrangement or transaction by reason only of such Director holding that office or of the fiduciary relation thereby established but every Director and Chief Executive Officer (or person(s) holding an equivalent position) shall observe the provisions of the Act relating to the disclosure of the interests of the Directors and Chief Executive Officers (or person(s) holding an equivalent position) in transactions or proposed transactions with the Company or of any office or property held by a Director or a Chief Executive Officer (or person(s) holding an equivalent position) which might create duties or interests in conflict with his duties or interests as a Director or a Chief Executive Officer (or an equivalent position), as the case may be.
- (B) A Director may be or become a director of or hold any office or place of profit (other than as Auditor) or be otherwise interested in any company in which the Company may be interested as vendor, purchaser, shareholder or otherwise and unless otherwise agreed shall not be accountable for any fees, remuneration or other benefits received by him as a director or officer of or by virtue of his interest in such other company.
85. (A) The Directors may from time to time appoint one or more of their body to be the Chairman or Deputy Chairman of the Company (whether such appointment is executive or non-executive in nature) or to be the holder of any executive office under the Company or under any other company in which the Company is in any way interested on such terms and for such period as they may (subject to the provisions of the Statutes) determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.
- (B) The appointment of any Director to the office of Chairman or Deputy Chairman or Managing or Joint Managing or Deputy or Assistant Managing Director shall automatically determine if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the Company.

- (C) The appointment of any Director to any other executive office shall not automatically determine if he ceases from any cause to be a Director, unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the Company.
86. The Directors may entrust to and confer upon any Directors holding any executive office under the Company or any other company as aforesaid any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.
87. The Directors shall keep Registers as required by the Act.

MANAGING DIRECTORS

88. The Directors may from time to time appoint one or more of their body to be Managing Director or Managing Directors or such equivalent positions of the Company and may from time to time (subject to the provisions of any contract between him or them and the Company) remove or dismiss him or them from office and appoint another or others in his or their places. Where such an appointment is for a fixed term, such term shall not exceed 5 years.
89. A Managing Director or a person holding an equivalent position shall be subject to the control of the Directors but subject thereto the Directors may from time to time entrust to and confer upon a Managing Director or a person holding an equivalent position for the time being such of the powers exercisable under these Regulations by the Directors as they may think fit and may confer such powers for such time and to be exercised on such terms and conditions and with such restrictions as they think expedient and they may confer such powers either collaterally with or to the exclusion of and in substitution for all or any of the powers of the Directors in that behalf and may from time to time revoke, withdraw, alter or vary all or any of such powers.
90. A Managing Director shall not while he continues to hold that office be subject to retirement by rotation and he shall not be taken into account in determining the rotation of retirement of Directors but he shall, subject to the provisions of any contract between him and the Company, be subject to the same provisions as to resignation and removal as the other Directors of the Company and if he ceases to hold the office of Director from any cause he shall ipso facto and immediately cease to be a Managing Director.
91. The remuneration of a Managing Director shall from time to time be fixed by the Directors and may subject to these Regulations be by way of salary or commission or participation in profits or by any or all these modes but he shall not under any circumstances be remunerated by a commission on or a percentage of turnover.

ASSOCIATE DIRECTORS

92. The Directors may from time to time appoint any person to be an associate Director and may from time to time cancel any such appointment. The Directors may fix, determine and vary the powers, duties and remuneration of any person so appointed, but a person so appointed shall not be required to hold any shares to qualify him for appointment nor have any right to attend or vote at any meeting of Directors except by the invitation and with the consent of the Directors.

APPOINTMENT AND RETIREMENT OF DIRECTORS

93. The Company may by Ordinary Resolution appoint any person to be a Director either as an additional Director or to fill a casual vacancy. Without prejudice thereto the Directors shall also have power at any time so to do, but so that the total number of Directors shall not thereby exceed the maximum number fixed by or in accordance with these Regulations. Any person so appointed by the Directors shall hold office only until the next Annual General Meeting and shall then be eligible for re-election, but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting.
94. At each Annual General Meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation, provided that no Director holding office as Managing Director shall be required to retire by rotation or be taken into account in determining the number of Directors to retire.

The retirement shall not have effect until the conclusion of the meeting except where a resolution is passed to elect some other person in the place of the retiring Director or a resolution for his re-election is put to the meeting and lost and accordingly a retiring Director who is re-elected or deemed to have been re-elected will continue in office without a break.

97. A resolution for the appointment of two or more persons as Directors by a single resolution shall not be moved at any General Meeting unless a resolution that it shall be so moved has first been agreed to by the meeting without any vote being given against it, and any resolution moved in contravention of this provision shall be void.

 - (f) if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds, he shall immediately resign from the Board of Directors; or
 - (g) if he is removed by the Company in General Meeting pursuant to these Regulations.
100. The Company may in accordance with and subject to the provisions of the Statutes, by Ordinary Resolution of which special notice has been given, remove any Director from office (notwithstanding any provision of these Regulations or of any agreement between the Company and such Director, but without prejudice to any claim he may have for damages for breach of any such agreement) and appoint another person in place of a Director so removed from office, and any person so appointed shall be treated for the purpose of determining the time at which he or any other Director is to retire by rotation as if he had become a Director on the day on which the Director in whose place he is appointed was last appointed a Director. In default of such appointment the vacancy so arising may be filled by the Directors as a casual vacancy.

133. (A) No Dividend shall be paid otherwise than out of profits available for distribution under the provisions of the Statutes. - (B) Appreciations of capital assets, investments and realised profits resulting in a sale of capital assets or investments (except so far as representing interest or dividend accrued and unpaid) shall either be carried to the credit of capital reserve or shall be applied in providing for depreciation or contingencies or for writing down the value of the assets. It is expressly declared that in ascertaining the profits of the Company available for dividend it shall not be necessary to make good any losses or depreciation in value of any of the Company's investments or any other assets of the Company except circulating capital.
135. No Dividend or other monies payable on or in respect of a share shall bear interest as against the Company.
136. (A) The Directors may retain any Dividend or other monies payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- (B) The Directors may retain the Dividends payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a Member, or which any person is under those provisions entitled to transfer, until such person shall become a Member in respect of such shares or shall transfer the same.
 - (C) A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.
137. The waiver in whole or in part of any Dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.

138. The Company may upon the recommendation of the Directors by Ordinary Resolution direct payment of a Dividend in whole or in part by the distribution of specific assets (and in particular of paid-up shares or debentures of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises with regard to such distribution, the Directors may settle the same as they think expedient and in particular, may issue fractional certificates, may fix the value for distribution of such specific assets or any part thereof, may determine that cash payments shall be made to any Member upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors.

139. Any Dividend or other monies payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of the Member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person and such address as such Member or person or persons may by writing direct.

Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.

141. Any resolution declaring a Dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the Dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend of transferors and transferees of any such shares.

142. (A) Whenever the Directors or the Company in general meeting have resolved or proposed that a dividend (including an interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

In such case, the following provisions shall apply:

(a) the basis of any such allotment shall be determined by the Directors;

- (b) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation;
 - (c) the right of election may be exercised in respect of the whole of that portion of the dividend in respect of which the right of election has been accorded provided that the Directors may determine, either generally or in any specific case, that such right shall be exercisable in respect of the whole or any part of that portion; and
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on ordinary shares in respect whereof the share election has been duly exercised (the “elected ordinary shares”) and in lieu and in satisfaction thereof ordinary shares shall be allotted and credited as fully paid to the holders of the elected ordinary shares on the basis of allotment determined as aforesaid and for such purpose and (notwithstanding any provision of the Regulations to the contrary), the Directors shall be empowered to do all things necessary and convenient for the purpose of implementing the aforesaid including, without limitation, the making of each necessary allotment of shares and of each necessary appropriation, capitalisation, application, payment and distribution of funds which may be lawfully appropriated, capitalised, applied, paid or distributed for the purpose of the allotment and without prejudice to the generality of the foregoing the Directors may (i) capitalise and apply the amount standing to the credit of any of the Company’s reserve accounts or any sum standing to the credit of the profit and loss account or otherwise for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected ordinary shares towards payment of the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis.
- (B) (a) The ordinary shares allotted pursuant to the provisions of paragraph (A) of this Regulation shall rank *pari passu* in all respects with the ordinary shares then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Directors shall otherwise specify.

- (b) The Directors may do all acts and things considered necessary or expedient to give effect to any appropriation, capitalisation, application, payment and distribution of funds pursuant to the provisions of paragraph (A) of this Regulation, with full power to make such provisions as they think fit in the case of fractional entitlements to shares (including, notwithstanding any provision to the contrary in these Regulations, provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or down), or whereby the benefit of fractional entitlements accrues to the Company rather than the Members) and to authorize any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such appropriation, capitalisation, application, payment and distribution of funds and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

- (D) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 142, further determine that no allotment of ordinary shares or rights of election for ordinary shares under that paragraph shall be made available or made to Members whose registered addresses entered the Register of Members or (as the case may be) the Depository Register is outside Singapore or to such other Members or class of Members as the Directors may in their sole discretion decide and in such event the only entitlements of the Members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared.
- (E) Notwithstanding the foregoing provisions of this Regulation 142, if at any time after the Directors' resolution to apply the provisions of paragraph (A) of this Regulation 142 in relation to any dividend but prior to the allotment of ordinary shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interest of the Company, cancel the proposed application of paragraph (A) of this Regulation 142.

- (C) For the purposes of Regulation 149(B) above, a Member shall be implied to have agreed to receive such notice or document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under applicable laws.

For such purpose, a joint holder having no registered address in Singapore and not having supplied an address within Singapore for the service of notices shall be disregarded.

151. A person entitled to a share in consequence of the death or bankruptcy of a Member upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, and upon supplying also to the Company or (as the case may be) CDP an address within Singapore for the service of notices, shall be entitled to have served upon or delivered to him at such address any notice or document to which the Member but for his death or bankruptcy would have been entitled, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share. Save as aforesaid, any notice or document delivered or sent by post to or left at the registered address or given, sent or served by electronic communication to the current address (as the case may be) of any Member in pursuance of these Regulations shall, notwithstanding that such Member be then dead or bankrupt or in liquidation, and whether or not the Company or (as the case may be) CDP have notice of his death or bankruptcy or liquidation, be deemed to have been duly served or delivered in respect of any share registered in the name of such Member in the Register of Members or, where such Member is a Depositor, entered against his name in the Depository Register as sole or first-named joint holder.

152. A Member who (having no registered address within Singapore) has not supplied to the Company or (as the case may be) CDP an address within Singapore for the service of notices shall not be entitled to receive notices from the Company.

MEMBERS WHOSE WHEREABOUTS ARE UNKNOWN

153. If the Company is unable, for not less than 10 years and despite the exercise of reasonable diligence, to discover the whereabouts of a Member, it may exercise its power under the Statutes to transfer the shares of the Member to the Official Receiver of Singapore for sale by the Official Receiver and credit of the proceeds thereof into the Singapore Companies Liquidation Account, and thereafter any person claiming the shares otherwise than through the Official Receiver shall only be entitled to claim against the said Account or the Singapore Consolidated Fund as the case may be, in accordance with the provisions of the Statutes.

WINDING UP

154. The Directors shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
155. (A) If the Company shall be wound up, subject to due provision being made satisfying the claims of any holders of shares having attached thereto any special rights in regard to the repayment of capital, the surplus assets shall be applied in repayment of the capital paid up or credited as paid up on the shares at the commencement of the winding up. If the surplus assets shall be insufficient to repay the whole of the capital paid up or credited as paid up on the shares, such assets shall be distributed (as nearly as practicable) in proportion to the capital paid up or credited as paid up on the shares at the commencement of the winding up.
- (B) If the Company shall be wound up, the liquidators may, with the sanction of a Special Resolution, divide among the members in specie any part of the assets of the Company and any such division may be otherwise than in accordance with the existing rights of the members, but if any division is resolved otherwise than in accordance with such rights, the members shall have the same right of dissent and consequential rights as if such resolution were a Special Resolution passed pursuant to Section 306 of the Act. A Special Resolution sanctioning a transfer or sale to another company duly passed pursuant to the said Section may in like manner authorise the distribution of any shares or other consideration receivable by the liquidators amongst the members otherwise than in accordance with their existing rights; and any such determination shall be binding upon all the members subject to the right of dissent and consequential rights conferred by the said Section.
- (C) In the event of a winding up of the Company every member of the Company who is not for the time being in Singapore shall be bound, within 14 days after the passing of an effective resolution to wind up the Company voluntarily, or within the like period after the making of an order for the winding up of the Company, to serve notice in writing on the Company appointing some householder in Singapore upon whom all summonses, notices, processes, orders and judgments in relation to or under the winding up of the Company may be served, and in default of such nomination the liquidator of the Company shall be at liberty on behalf of such member to appoint some such person, and service upon any such appointee shall be deemed to be a good personal service on such member for all purposes, and where the liquidator makes any such appointment he shall, with all convenient speed, give notice thereof to such member by advertisement in any leading daily newspaper in the English language in circulation in Singapore or by a registered letter sent through the post and addressed to such member at his address as appearing in the Register, and such notice shall be deemed to be served on the day following that on which the letter is posted.

Without prejudice to the generality of the foregoing, no Director, Manager, Secretary or other officer of the Company shall be liable for the acts, receipts, neglect or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss or expense happening to the Company through the insufficiency or deficiency of title to any property acquired by order of the Directors for or on behalf of the Company or for the insufficiency or deficiency of any security in or upon which any of the monies of the Company shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any monies, securities or effects shall be deposited or left or for any other loss, damage or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto unless the same shall happen through his own negligence, default, breach of duty or breach of trust.
158. The Company must not indemnify any person in respect of any costs, charges, losses, expenses and liabilities, or pay any premium for a contract in pursuance thereto, if and to the extent that the Company is prohibited by law from doing so.
