PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 30 JUNE 2024

The board of directors (“**Board**”) of Alliance Healthcare Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that, based on a preliminary review of the Group’s unaudited financial results for the financial year ended 30 June 2024 (“**FY2024**”), the Group is expected to report a lower profit for FY2024 as compared to the financial year ended 30 June 2023.

The Group’s anticipated decline in profit for FY2024 was primarily due to the operating expenses incurred for our recently established medical centre and medical aesthetic clinic, as well as losses incurred for our latest business segment, the mobile and digital health segment. Since these new facilities and business are still in the early stages of operation and growth, it will take some time for them to become profitable.

The Group is in the process of finalising its unaudited financial results for FY2024 and will provide further details of the Group’s performance when it releases the financial results on or before 29 August 2024.

By Order of the Board
