CORPORATE PROFILE

Eindec Corporation Limited ("**Eindec**" or the "**Company**" and together with its subsidiaries the "**Group**") is a regional clean air environmental technology solutions manufacturer and distributor with customised proprietary products for residential, commercial and industrial customers.

Established since 1984, the Group has expertise in design, manufacturing and distribution capabilities in cleanroom equipment ("**CRE**") as well as heating, ventilation and air-conditioning ("**HVAC**") equipment for the real estate sector.

Tapping on its technological expertise and customisation capabilities in cleanroom and HVAC equipment and systems, the Group broadened its

product range to include air purification systems under its "Eindec Kyodo" proprietary brand. These air purification systems are designed, manufactured and sold in the Southeast Asia region and the People's Republic of China (the "**PRC**").

Headquartered in Singapore, the Group operates a manufacturing facility in Malaysia and carries out its product research and development in Singapore. The Group has also established offices in the PRC.

Eindec was listed on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") on 15 January 2016 under stock code 42Z.

DIVERSIFIED RANGE OF PRODUCTS

AIR PURIFICATION AND VENTILATION

AIR PURIFIER

Equipped with four stages of filtration, our air purifiers are able to capture up to 99% of allergens and remove PM 2.5 to improve the quality of the indoor air. Our air purifiers are low in power consumption, ultra-quiet in operation and easy to maintain, which are perfect for uses in residential and commercial properties.

AIR PURIFICATION & VENTILATION SYSTEM

Our air purification and ventilation system have a small footprint, but efficient in generating fresh clean air through its sophisticated technology. This product is easy to install and maintain, which is suitable for residential, commercial and industrial properties.

HEATING, VENTILATION, AND AIR-CONDITIONING

GRILLES & DIFFUSERS

Our range of grille & diffuser products provide thermal comfort in buildings, where temperature, humidity, air cleanliness and freshness satisfy the operational and thermal environment required for machinery or production processes.

DAMPERS & VAV TERMINAL UNIT

This range of products are used to vary the volume of air passing through a confined cross section by varying the cross-sectional area to maintain the thermal environment for people and business equipment.

CLEAN ROOM

FAN FILTER

A self-contained ceiling unit used in turbulent mixing and laminar flow cleanroom applications that delivers high quality air filtration and air movement performance in cleanrooms.

AIR SHOWER

Our air shower system is designed and manufactured to meet your specific requirements and comes with high degree of flexibility. The system uses blowing air jet to remove fine particles on clean room clothing and footwear before entry into the cleanroom.

FIRE/SMOKE, MARINE DAMPER

Our range of dampers complement the comprehensive range of automatic fire and smoke dampers and associated controls, providing the complete solution for ventilation and air conditioning systems on shipboards as part of their fire safety and engineering programs.

LETTER TO SHAREHOLDERS

Amid concerns of the ongoing COVID-19 pandemic and the heightened uncertainties of the global economy, we strive to drive our business with improved efficiencies, improving processes with the latest technologies in our work place, and better cost management to ride the waves of uncertainties. As announced on 27 February 2020, the Group has a current outstanding balance-of-works on hand of approximately S\$6.45 million.

DEAR SHAREHOLDERS,

The financial year ended 31 December ("FY") 2019 was a trying year for the Group as we continue to persevere in our restructuring efforts to revitalise and overcome the challenges in the competitive business environment.

The Group had embarked on the restructuring programme over the last few years, reengineering our business processes and embracing technology to innovate our clean environmental air solutions and products, with the objective of transforming ourselves from an equipment manufacturer to a customised clean environmental air solutions provider. We believe this is a necessary step for the Group and all these efforts take time to implement and bear fruit.

Economic uncertainties and property cooling measures implemented in the countries that we operate in prompted delays in construction projects, which in turn affected the delivery of our secured projects. This resulted in a weaker financial performance for the Group in FY2019. The Group reported a 7.7% year-on-year revenue growth to S\$11.25 million in FY2019, up from S\$10.44 million in FY2018. The increase was mainly due to contributions from heating,

ventilation and air-conditioning and cleanroom equipment segments, which was partially offset by a significant decline in revenue from the air purification segment. As part of our restructuring efforts and better cost management to improve competitiveness, we have migrated our production to Malaysia in 2017. However, unforeseen delays in the recruitment of foreign workers for our manufacturing plant last year led to higher cost as we had to outsource some processes to meet the ramped-up productivity. This inevitably lowered our gross profit to S\$2.92 million and gross profit margin to 26% in FY2019.

Having the business processes streamlined, we have also stepped up our efforts in research and development for industrial dampers to comply with the latest test standards and product innovation for our air purification systems. We believe that constant innovation in our solutions and products to address the evolving requirements of end-users will keep us relevant and competitive. We also believe that operating expenses in research and development, and headcount for the expansion of the Group's engineering and sales teams, are investments for the Group's future growth. In FY2019, the Group narrowed net loss attributable to shareholders by S\$0.82 million or 33%, from S\$2.47 million in FY2018 to S\$1.65 million in FY2019.

LETTER TO SHAREHOLDERS

ADVANCING DESPITE ADVERSITY

We are on track to strengthening our overall capabilities gradually through a three-pronged approach: (i) product innovation and development – improving clean environmental air solutions and systems for our proprietary brands of products across our three product segments, (ii) marketing and distribution capabilities – understanding the evolving requirements of end-users and increasing market reach for our proprietary Eindec Corporation Limited brands of products with strategic collaborations, and (iii) engineering and production capabilities – strengthening our abilities to meet increasing sophistication of equipment and systems.

The outbreak of COVID-19, which has escalated to a global pandemic in March 2020, is anticipated to worsen the already challenging market condition for our air purification business in China and the movement control order imposed by the Government of Malaysia, are likely to have an adverse impact on our Group's business operations, depending on the length and severity of the impact on the global economy. The lockdown of cities and slowdown in industries as well as control measures put in place to contain the spreading of the virus, will continue to disrupt economic activities.

Amid concerns of the ongoing COVID-19 situation and the heightened uncertainties of the global economy, we strive to drive our business with improved efficiencies, improving processes with the latest technologies in our work place, and better cost management to ride the waves of uncertainties. As announced on 27 February 2020, the Group has a current outstanding balance-of-works on hand of approximately S\$6.45 million.

ACKNOWLEDGMENTS AND APPRECIATION

On behalf of the Board of Directors, I am thankful to our fellow Directors for their invaluable advice and guidance, and the dedicated management and employees for their commitment and support in the past year.

We also extend our sincere gratitude to our shareholders, customers, business partners for your patience, confidence and continued support for the Group as we continue to put in our best efforts to strengthen the Group's fundamentals and enhance value for all our stakeholders.

ZHANG WEI

Non-Executive Chairman

OPERATIONS REVIEW

In the financial year under review, we continued our restructuring effort to improve our diversified range of environmental air solutions and products that caters for residential, commercial and industrial buildings, as well as suitable for applications beyond real estate sector such as marine vessels. The restructuring effort is a necessary step for the Group to revitalise and stepping up to the intensifying competitive business environment.

Grappled with the continuous tightening measures in the residential property development markets in both Singapore and China, the Group's air purification segment continued to be adversely affected in FY2019. Amid the ongoing US-China trade dispute which started since July 2018, the Group continues to experience delays in building contracts in both commercial and industrial buildings. This inevitably led to delays in delivery from the secured projects and lower demand for the Group's air environmental solutions and products, particularly in the cleanroom equipment segment where our products are catered for the electronics manufacturing industry.

Nevertheless, the Group's transformation from an equipment manufacturer to a customised clean environmental air solutions provider, offering a full suite of services including analysis of airflow management for buildings, design and manufacturing of customised equipment, installation, monitoring and maintenance of environmental air systems, continues to drive positive progress especially in the HVAC segment.

We continue to drive towards our vision of becoming a leading clean environmental air solutions provider under our proprietary "Eindec" and "Kyodo" brands with our transformation. While the Group emphasises on better cost management, it also strengthens our overall capabilities gradually through (i) product innovation and development – improving clean environmental air solutions and systems for our proprietary brands of products across our three product segments, (ii) marketing and distribution capabilities – understanding the evolving requirements of end-users and increasing market reach for our proprietary brands of products, and (iii) engineering and production capabilities – strengthening our abilities to meet increasing sophistication of equipment and systems.

REVENUE ANALYSIS BY PRODUCT SEGMENTS

FY2019 (in S\$'000)

■ AP – Air Purification

■ CRE – Cleanroom Equipment

■ HVAC – Heating, Ventilation and Air-conditioning

FY2018 (in S\$'000)

OPERATIONS REVIEW

Amid the global economic slowdown and challenging business environment, the continued tightening of the residential and commercial property development sectors in both Singapore and China impeded growth in key markets where the Group operates, particularly in China and South East Asia.

REVENUE ANALYSIS BY GEOLOGICAL LOCATION

(\$'000)	FY2019	FY2018	Y-o-Y Change
Singapore	7,523	6,696	+ 12.4%
China	737	1,223	- 39.7%
Malaysia	276	1,600	- 82.8%
Others	2,712	920	>100.0%
Total Revenue	11,248	10,439	+ 7.7%

Through strategic collaboration with downstream peers to expand our market reach, we continue to harness technology to innovate and develop our range of clean environmental air solutions and systems to offer quality environmental air for everyone. This led the Group to fulfil an order of cleanroom equipment for a Japanese customer's project in Vietnam, worth S\$1.84 million (accounted for under "Others" in FY2019).

HVAC SEGMENT

The Group has a strong track record in the design, manufacture, and distribution of HVAC equipment since 1984. HVAC products are essentially dampers, deflection grilles and air diffusers installed to channel and regulate the airflow into the environment within the building to ensure efficient distribution of air within the confined space. These products are used in commercial, residential and industrial buildings, as well as offshore platforms and vessels.

The Group has obtained ISO 9001:2008 certification for design, manufacture, and sales and marketing of our dampers. The Group is also among the first to produce Class H fire smoke dampers, which are used on oil rigs and in the offshore oil and gas industry.

CLEANROOM EQUIPMENT SEGMENT

A cleanroom provides an environment where the humidity, temperature and particles in the air are precisely controlled. The Group designs, manufactures and distributes cleanroom equipment, including fan filter units ("FFUs"), air showers, clean booths, pass boxes, clean hand dryers, and clean benches. FFUs are one of the Group's key products.

OPERATIONS REVIEW

The Group is one of the first in Asia to develop the LONWORKS® FFU network control system, a centralised computer system capable of controlling thousands of FFUs. It also provides value-added design services and cleanroom equipment customised according to our customers' specifications. Currently, most of the end users of our cleanroom equipment are from the electronics industry.

AIR PURIFICATION SEGMENT

Air purification equipment are electrical devices that remove solid and gaseous pollutants from the air such as formaldehyde and PM2.5, which may pose adverse health risks such as breathing difficulties, asthma and allergies. Through the action of air filters or sterilising systems built into air purification equipment, the concentration of dust, contaminants, fine particles and volatile organic compounds in the air can be reduced in the vicinity.

We leveraged our expertise and broadened our product offerings to include design, manufacture, and marketing of our proprietary "Eindec" brand of air purifiers in 2015. These air purifier products were first launched in China and subsequently, to the Southeast Asia region.

Eindec's fresh air purification and ventilation system uses sophisticated technology which draws fresh air from outside the building and passes through three stages of the filter before re-flowing into the house to replace the stale air.

We manufactured, supplied and installed our proprietary branded air purification systems for our inaugural residential project in Singapore in 2017. Luxus Hills, a luxury landed property comprising terrace houses and semi-detached houses, was the first residential development in Singapore to incorporate our air purification system. The Group also won another air purification systems project for a residential development, Luneng Mansion in Nanjing, China.

Since the inception of this product segment, the Group has completed more than 12 projects requiring the implementation of air purification systems in China, covering major cities like Beijing, Shanghai, Shenzhen, Shandong, and Henan.

As the world continues to grapple with rising air pollution, we are committed to continue our research and development efforts to further enhance all our environmental air protection solutions and systems to benefit humankind.

FIRE/SMOKE AND MARINE DAMPERS

A damper is a valve or plate that stops or regulates the flow of air inside a duct, chimney, VAV box, air handler, or other air-handling equipment. A damper may be used to cut off central air conditioning (heating or cooling) to an unused room, or to regulate it for room-by-room temperature and climate control.

We have a range of dampers to complement our comprehensive range of automatic fire and smoke dampers and associated controls, providing the complete solution for ventilation and air conditioning systems on shipboards, as part of their fire safety and engineering programs.

FINANCIAL REVIEW

FINANCIAL PERFORMANCE ANALYSIS

The Group recorded a 7.7% year-on-year increase in revenue, from S\$10.44 million in FY2018 to S\$11.25 million in FY2019. The increase was mainly attributed to contributions from HVAC segment and CRE segment.

In FY2019, the Group registered an increase of S\$1.01 million or 22.7% to S\$5.46 million from the HVAC segment, mainly due to the partial delivery of projects secured in FY2018, and revenue contribution from the CRE segment which increased by S\$0.25 million or 5.9% to S\$4.45 million. The increase in revenue for these two segments, however, was partially offset by decrease in revenue from the air purification ("AP") segment, by S\$0.51 million or 40.9% to S\$0.73 million in FY2019. The decrease was attributed to the continually challenging property market condition in the PRC.

The latest round of property cooling measures in Singapore that took effect in July 2018, coupled with global uncertainties saw a slowdown in residential and non-residential constructions in Singapore. As a result, the Group secured fewer projects in FY2019. The Group has a current outstanding balance-of-work on hand of approximately S\$6.45 million as at 27 February 2020.

REVENUE ANALYSIS BY PRODUCT SEGMENTS

(S\$'000)	FY2019	FY2018	YoY Change
CRE	4,450	4,203	+ 5.9%
HVAC	5,462	4,451	+ 22.7%
AP	733	1,240	- 40.9%
Others	603	545	+ 10.6%
Total Revenue	11,248	10,439	+ 7.7%

The Group experienced an unforeseen delay in its recruitment of foreign workers for its manufacturing plant in Malaysia, and had to outsource certain processes and also engage contract workers. In addition, the increase in levy and minimum wage of foreign workers also added on to the increase in labour and production costs. This inevitably decreased the Group's gross profit by S\$0.38 million or 11.6% to S\$2.92 million in FY2019, lowering the gross profit margin from 31.7% in FY2018 to 26.0% in FY2019.

Other income increased from S\$39,000 in FY2018 to S\$0.44 million in FY2019, due to (i) receipt of government grant of S\$0.14 million; (ii) recognition of government grant of S\$98,000 upon the completion of a research and development project on a fresh air solution; (iii) foreign exchange gain amounting to S\$0.11 million as the Malaysia Ringgit depreciated against the Singapore Dollar; and (iv) the reversal of expected credit loss on trade receivables of S\$45,000 in accordance with *SFRS(I) 9 Financial Instruments*, due to lower possibility of default events within the 12 months after the reporting date.

The Group's total operating expenses decreased by S\$0.60 million or 10.4% from S\$5.78 million in FY2018 to S\$5.18 million in FY2019, mainly due to the absence of an impairment loss on intangible assets of S\$0.70 million recorded in FY2018. Higher administrative expenses were attributed to (i) increase in research and development expenses for industrial dampers, to comply with the latest test standards as well as new product development for air purification systems, and (ii) increase in headcount due to the expansion in the Group's engineering and sales teams.

Net finance cost increased by 5.1%, from S\$117,000 in FY2018 to S\$123,000 in FY2019, mainly due to (i) an 18% decrease in finance income from S\$65,000 in FY2018 to S\$53,000 in FY2019, arising from decrease in investment in short-term capital protected investment with bank, and (ii) lower interest expense in FY2019.

In FY2019, the Group recognised a tax credit of S\$0.30 million, due to an overprovision of tax expenses in the prior year for its subsidiary in the PRC.

Taking into account the aforementioned, the Group narrowed its net loss attributable to shareholders by S\$0.82 million or 33.2% from S\$2.47 million in FY2018 to S\$1.65 million in FY2019.

FINANCIAL REVIEW

FINANCIAL POSITION ANALYSIS

(S\$'000)	As at 31 Dec 2019	As at 31 Dec 2018	YoY Change
Non-current Assets	5,429	4,373	+ 24.1%
Current Assets	11,419	13,088	- 12.8%
Non-current Liabilities	826	355	>100.0%
Current Liabilities	8,503	7,796	+ 9.1%
Working Capital	2,916	5,292	- 44.9%
Equity Attributable to Owners of the Company	7,519	9,310	- 19.2%
Net Asset Value Per Share (Singapore Cents) ¹	6.98	8.64	- 19.2%

¹ Net asset value per share for FY2018 and FY2019 are computed based on the total number of issued ordinary shares of 107.7 million.

The Group maintained a sound balance sheet as at 31 December 2019 despite a decrease in working capital and net assets as at 31 December 2019. Equity attributable to owners of the Company decreased by 19.2% year-on-year from S\$9.31 million as at 31 December 2018 to S\$7.52 million as at 31 December 2019. Correspondingly, net asset value per share declined to 6.98 Singapore cents as at 31 December 2019.

Non-current assets increased by 24.1% year-on-year from S\$4.37 million as at 31 December 2018 to S\$5.43 million as at 31 December 2019. This was mainly due to (i) increase in property, plant and equipment ("PPE") arising from the adoption of *SFRS(I) 16 Leases* that led to lease obligations being capitalised as right-of-use ("ROU") assets amounting to S\$1.04 million, and new purchases of plant and equipment amounting to S\$0.65 million, which was partially offset by depreciation of ROU assets of S\$0.43 million and depreciation charge to PPE of S\$0.36 million, and (ii) recognition of the investment of S\$0.17 million in enterprise resource planning ("ERP") software for its subsidiaries in Singapore and Malaysia as intangible assets.

Current assets decreased by 12.8% year-on-year from S\$13.09 million as at 31 December 2018 to S\$11.42 million as at 31 December 2019. This was mainly due to (i) decrease in inventories by S\$0.70 million or 18.3% to S\$3.14 million as at 31 December 2019, as a result of conversion of work-in-progress to finished goods that were delivered and the impairment of obsolete inventories amounting to S\$0.10 million, (ii) increase in trade and other receivables by S\$0.88 million or 22.4% to S\$4.89 million as at 31 December 2019, as a result of slower recovery of overdue receivables in FY2019, as debtor turnover days increased from 124 days as at 31 December 2018 to 143 days as at 31 December 2019, (iii) partial redemption of short-term capital protected investment for working capital purposes that reduced other investments by S\$0.55 million or 24.0% to S\$1.74 million as at 31 December 2019, and (iv) decrease in cash and bank balances by S\$1.23 million or 42.6% to S\$1.66 million as at 31 December 2019.

Non-current liabilities increased by S\$0.47 million year-on-year to S\$0.83 million as at 31 December 2019. This was due to (i) increase in loans and borrowings by S\$0.58 million to S\$0.65 million as at 31 December 2019, due mainly to the recognition of ROU liabilities under *SFRS(I) 16 Lease* of S\$0.36 million and the reclassification of finance lease liabilities to lease liabilities amounting to S\$0.29 million; and (ii) the absence of deferred government grant of S\$98,000 that was fully recognised in FY2018.

Current liabilities increased by 9.1% year-on-year to S\$8.50 million as at 31 December 2019. The increase was mainly due to (i) increase of S\$1.15 million in loans and borrowings arising from increase in utilisation of credit facilities of S\$0.46 million, increase in lease liabilities of S\$0.49 million, comprising of the recognition of ROU liabilities of S\$0.31 million and reclassification of finance lease liabilities to lease liabilities amounting to S\$0.18 million, (ii) decrease of S\$0.83 million in trade and other payables due to settlement of trade and other payables of S\$0.69 million and the repayment of loan of S\$0.20 million to ultimate holding company, and (iii) increase in contract liabilities of S\$0.41 million arising from advance payments for on-going projects.

FINANCIAL REVIEW

CASH FLOW ANALYSIS

(S\$'000)	FY2019	FY2018	YoY Change
Net cash (used in)/generated from operating activities	(1,397)	1,803	n.m.
Net cash generated from/(used in) investing activities	181	(2,781)	n.m.
Net cash used in financing activities	(319)	(190)	+ 67.9%
Net Cash and Cash Equivalents	790	2,280	> (100.0%)

n.m. denotes not meaningful

The Group's cash and cash equivalents was S\$0.79 million in FY2019. The net decrease in cash and cash equivalents of S\$1.54 million in FY2019 was mainly due to:

- Net cash used in operating activities in FY2019 was S\$1.40 million. This was mainly due to (i) decrease in trade and other payables of S\$0.69 million, and (ii) increase in trade and other receivables of S\$0.85 million, which was partially offset by (i) increase in contract liabilities of S\$0.41 million; (ii) decrease in inventories of S\$0.49 million, and (iii) tax refund received amounted to S\$0.33 million.
- Net cash generated from investing activities in FY2019 was S\$0.18 million, mainly due to the redemption of short-term capital protected investments of S\$0.55 million, which was partially offset by (i) purchase of plant and equipment of S\$0.20 million, and (ii) investment in ERP software of S\$0.17 million.
- Net cash outflow of S\$0.32 million in financing activities in FY2019 was mainly due to (i) repayment of lease liabilities of S\$0.46 million, (ii) repayment of loan to ultimate holding company of S\$0.20 million, and (iii) interest payment of S\$0.11 million, partially offset by proceeds from short-term financing of S\$0.46 million.

BOARD OF DIRECTORS

ZHANG WEI

Non-Executive Chairman

Mr. Zhang Wei was appointed to our Board on 2 September 2015. He is responsible for providing oversight to the development of our Group's business plans.

He is currently the Executive Chairman and Chief Executive Officer of Weiye Holdings Limited ("**Weiye**"), a company listed on Hong Kong Stock Exchange ("**HKEX**"), our Controlling Shareholder.

He has over 20 years of experience in various management positions in real estate industry as well as construction and property development companies, including state-owned enterprises in China. Previous appointments include operations manager of China Construction No. 7 Central Company, assistant manager of Henan Xinya Property Co., Ltd, general manager and subsequently managing director of Henan Xinfeng Property Co., Ltd, general manager of Henan Province Port Company and managing director of Henan Fenghua Industry Limited Company.

He graduated from Zhongzhou University with a diploma in law in 1990. He was certified as an economist by Henan Province Science Committee in 1996. He also obtained a Master of Business Administration from Macau University of Science and Technology in 2003.

SEE YEN TARN

Independent Director

Mr. See Yen Tarn was appointed to our Board on 8 December 2015.

He is currently the Chief Executive Officer of CSC Holdings Limited, a company listed on the Main Board of the SGX-ST. He was appointed to this position in 2006.

He has more than 20 years of senior management experience in various industries and has served as chief financial officer, executive director and deputy managing director for both listed and non-listed entities in Singapore from 2004 to 2006. Prior to joining CSC Holdings Limited, he was the chief financial officer of Longcheer Holdings Limited. From 2001 to 2004, he was the chief financial officer of Amanda Group Holdings Pte. Ltd., a company which specialised in the processing and export of frozen seafood products.

From 1993 to 2001, he was the Executive Director and Chief Financial Officer, and subsequently deputy Managing Director, of Tuan Sing Holdings Limited.

He holds a Bachelor of Accountancy from the National University of Singapore. He is qualified as a Chartered Accountant in England and Wales.

BOARD OF DIRECTORS

WONG CHEE MENG LAWRENCE

Independent Director

Mr. Lawrence Wong was appointed to our Board on 8 December 2015.

He is the Managing Director of Equity Law LLC and also heads its Corporate and Securities practice. He is an experienced and established corporate practitioner and was previously a partner of reputable law firms. He co-headed the Corporate and Securities Practice of his previous firm and also headed its subsidiary, an approved continuing sponsor by the SGX-ST.

His areas of practice include corporate and securities laws, capital markets, mergers and acquisitions, corporate restructuring, joint ventures, corporate and commercial contracts, regulatory compliance and corporate governance advisory and corporate secretarial work. He has led numerous initial public offerings, reverse take-overs, secondary fund raising and cross-border merger and acquisitions exercises.

He graduated from the National University of Singapore in 1991 with an honours degree in law on a scholarship from the Public Service Commission of Singapore. Subsequently, he has accumulated an extensive working experience in both the public and the private sectors of the legal profession. He is an advocate and solicitor in Singapore and a solicitor in Hong Kong SAR. He has been recognised in leading legal publications such as IFLR 1000, The Legal 500 Asia Pacific for Corporate and M&A and Acquisition International.

He was a director of several public listed companies and is currently an independent director of Atlantic Navigation Holdings (Singapore) Limited.

He holds a Bachelor of Law (Honors) from the National University of Singapore.

JEFFREY ONG SHEN CHIEH

Independent Director

Mr. Jeffrey Ong was appointed to our Board on 8 December 2015.

He is currently the Managing Director of Sakal Investments Limited, a private equity investment firm, where he is responsible for the origination of investment opportunities across Asia as well as overseeing the transaction execution of the investment opportunities. He has held the position since March 2016.

From 2001 to 2003, he was an investment executive with Khong Guan Biscuits Factory Pte. Ltd., where he was involved with feasibility studies and project management for the property investment arm of the company. From 2003 to 2006, he was an investment manager with Apec Investments Limited. From 2006 to 2008, he was a senior manager with Provenance Capital Pte. Ltd., undertaking various aspects of corporate finance advisory work including initial public offerings. From 2008 to 2012, he assumed the role of vice-president – investments at EV Capital Pte Ltd, where his work included due diligence and feasibility studies for investments. From March 2012 to February 2016, he was the head of new business development at ORIX Leasing Singapore Limited where he was responsible for developing new businesses for the company through both product development and acquisitions. He is also an Independent Director of Elec & Eltek International Company Limited, which is dual listed on the HKEX and SGX-ST.

He holds a Bachelor of Science degree in Real Estate from the National University of Singapore.

KEY MANAGEMENT

**QUEENIE FOO
QUEK CHENG**

Chief Financial
Officer cum Acting
Chief Executive
Officer

Ms. Queenie Foo is responsible for the entire financial management and statutory reporting for the Group since 16 August 2018. Ms. Foo was appointed as acting Chief Executive Officer of the Group on 19 December 2019. Supported by the management team, she is responsible for the Group's overall business operation and performance until the Company identifies a suitable CEO candidate.

Prior to joining our Group, Ms. Foo was the Chief Financial Officer of Heatec Jietong Holdings Ltd ("Heatec"), a company listed on the Catalist of the SGX-ST, from July 2014 to August 2018, and was a Group Financial Controller of Heatec from September 2011 to June 2014, responsible for Heatec's corporate finance and accounting function and corporate secretarial matters. From January 2008 to August 2011, she was a Finance Manager of Asia Media Systems Pte. Ltd., responsible for regional financial reporting and had involved in a number of corporate exercises. She has 15 years of experience in auditing and accounting in various sectors including manufacturing, trading, plantations, property developer and investment holding company.

Ms. Foo is a certified Practicing Accountant of CPA Australia and holds a Degree of Bachelor of Commerce, major in Accounting from University of Adelaide, Australia.

TANG SIN

Vice President
(Country Manager,
PRC)

Ms. Tang Sin is responsible for the overall management of our Group's operations in the People's Republic of China since April 2015. Prior to joining our Group, she was general manager of Dongguan C.RAY Automatic Technology Co., Ltd (東莞市希銳自動化科技股份有限公司) from 2009 to March 2015, where she was responsible for the overall management of the company. From 2000 to 2015, she was general manager of Dongguan Xiegang Yuxing Plating Equipment Factory (東莞市謝崗鎮裕興電鍍設備廠), where she oversaw the overall operations of the company.

She holds a Master of Business Administration from Sun Yat-Sen University. She is the vice president of the Shenzhen Surface Treatment Association (深圳市工業表面處理行業協會) and a director of the Women Entrepreneurs Association of Guangdong Province (廣東省東莞市女企業家協會常平分會).

CORPORATE GOVERNANCE REPORT

The board of directors ("**Board**" or "**Directors**") of Eindex Corporation Limited ("**Company**" and together with its subsidiaries, "**Group**") is committed to maintaining high standards of corporate governance and places importance on its corporate governance processes and systems so as to ensure greater transparency, accountability and maximisation of long-term shareholder value.

This corporate governance report outlines the Company's corporate governance structures and practices that were in place during the financial year ended 31 December 2019 ("**FY2019**"), with specific reference made to the principles and the provisions of the Code of Corporate Governance 2018 ("**Code**") pursuant to Rule 710 of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") Listing Manual Section B: Rules of Catalyst ("**Catalist Rules**").

The Board is pleased to report that for FY2019, the Company has adhered to the principles of the Code, and the provisions of the Code except where otherwise explained. In areas where the Company's practices vary from any provisions of the Code, the Company has stated herein the provision of the Code from which it has varied, and appropriate explanations are provided for the variation, and how the practices the Company had adopted are consistent with the intent of the relevant principle of the Code. The Company will continue to assess its needs and implement appropriate measures accordingly.

1. BOARD MATTERS

The Board's Conduct of Affairs

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

Provision 1.1

The Board's primary role is to protect and enhance long-term shareholder value. Its responsibilities are distinct from the management of the Group ("**Management**"). It sets the overall strategy and policies for the Group and supervises Management. To fulfil this role, the Board sets strategic direction, establishes goals for Management and monitors the achievement of these goals, thereby taking responsibility for the overall corporate governance of the Group.

The principal functions of the Board are:

- (1) providing entrepreneurial leadership and sets the overall strategy and direction of the Group;
- (2) reviewing and overseeing the management of the Group's business affairs, financial controls, performance and resource allocation;
- (3) approving the Group's strategic plans, key business initiatives, acquisition and disposal of assets, significant investments and funding decisions as well as major corporate policies;
- (4) overseeing the processes of risk management, financial reporting and compliance and evaluating the adequacy and effectiveness of internal controls;
- (5) approving the release of the Group's half-year and full-year financial results, related party transactions of material nature and the submission of the relevant checklists to the Sponsor and/or SGX-ST;

CORPORATE GOVERNANCE REPORT

- (6) appointing new Directors and key management staff, including the review of performance and remuneration packages; and
- (7) assuming the responsibilities for corporate governance.

Directors exercise due diligence and independent judgement in dealing with the business affairs of the Group. They are always obliged to act in good faith, objectively discharge their fiduciaries duties and responsibilities, and take objective decisions in the interests of the Company. The Board holds the Management accountable for performance. Directors facing conflicts of interest will recuse themselves from discussions and decisions involving the issues of conflict. The Directors would abstain from voting and decision involving the issues of conflict.

Provision 1.2

The Company does not have a formal training programme for the Directors but all newly appointed Directors will undergo an orientation in order to be provided with background information about the Group's history, business activities, strategic direction and industry-specific knowledge. Newly appointed Directors will also be briefed on director's duties, responsibilities, disclosure duties and statutory obligations, governance policies, policies on disclosure of interests in securities, the rules relating to disclosure of any conflict of interest in a transaction involving the Company, prohibitions in dealing in the Company's securities and restrictions on disclosure of price sensitive information.

The Company will also arrange for first-time Directors to attend training in relation to the roles and responsibilities of a director of a listed company and in areas such as accounting, legal and industry specific knowledge, as appropriate, as well as the courses organised by the Singapore Institute of Directors ("**SID**") as prescribed by the SGX-ST under Practice Note 4D of the Catalist Rules.

A formal letter of appointment would be furnished to every newly appointed Director upon his/her appointment explaining, among other matters, his/her roles, obligations, duties and responsibilities as a member of the Board. There were no new Directors appointed during FY2019.

The Company encourages existing Directors to attend training courses organised by the SID or other training institutions which are aimed at providing them with the latest updates on changes in relevant regulations, accounting standards, corporate governance practices and guidelines from the SGX-ST that affect the Group and/or the Directors in connection with their duties and responsibilities as a Director of a public-listed company in Singapore, and such training will be funded by the Company.

On an ongoing basis, the Directors are also updated regularly on changes to the Catalist Rules, risk management, corporate governance, insider trading, as well as the key changes in the relevant regulatory requirements, financial reporting standards and the relevant laws and regulations, to facilitate effective discharge of their fiduciary duties as the member of the Board or Board Committees.

New releases issued by the SGX-ST and Accounting and Corporate Regulatory Authority ("**ACRA**") which are relevant to the Directors are regularly circulated to the Board. The Company Secretary would inform the Directors of upcoming conferences and seminars relevant to their roles as Directors of the Company.

CORPORATE GOVERNANCE REPORT

Changes to regulations and accounting standards are monitored closely by the Management. Annually, the external auditors update the Audit Committee and the Board on the new and revised financial reporting standards that are applicable to the Company or the Group.

To keep pace with such regulatory changes, the Company provides opportunities for ongoing education, training on Board processes and best practices as well as updates on changes in legislation and financial reporting standards, regulations and guidelines from the Catalyst Rules that affect the Company and/or the Directors in discharging their duties.

Provision 1.3

The Board has adopted a set of internal guidelines setting forth matters that requires the Board's approval and clearly communicates this to Management in writing. Matters requiring board approval include the followings:

- (1) major investments/divestments and funding decisions;
- (2) announcements or press releases on SGXNet, including financial result announcements;
- (3) transactions which are not in the ordinary course of business of the Company;
- (4) major borrowings or corporate guarantees in relation to borrowings;
- (5) new banking facilities and corporate guarantees;
- (6) profit-sharing arrangements;
- (7) incorporation or dissolution of any subsidiary;
- (8) allotment and issuance of shares or declaration of dividends;
- (9) operating budgets, annual report, Directors' statement and audited financial statements;
- (10) change in corporate business strategy and direction; and
- (11) material acquisitions and disposal of assets.

Provision 1.4

To assist in the execution of its responsibilities, the Board has delegated specific responsibilities to the three (3) Board Committees, namely, the Audit Committee ("**AC**"), the Nominating Committee ("**NC**") and the Remuneration Committee ("**RC**") (collectively "**Board Committees**"). The Board Committees operate within clearly defined terms of reference (as detailed under Provisions 4.1, 6.1 and 10.1 of this report) which are reviewed on a regular basis to ensure their continued relevance and efficacy. The composition and description of each Board Committee are also set out in other sections of this report. While the Board Committees have the authority to examine particular issues and report back to the Board with their decisions and/or recommendations, the ultimate responsibility on all matters still lies with the entire Board.

CORPORATE GOVERNANCE REPORT

As at the date of this report, the Board comprises four (4) members, three (3) of whom are Independent Directors, and the composition of the Board and the Board Committees are as follows:

Name of Director	Designation	Board Committee Membership		
		AC	NC	RC
Zhang Wei	Non-Executive and Non-Independent Director	–	–	–
See Yen Tarn	Independent Director	Chairman	Member	Member
Wong Chee Meng Lawrence	Independent Director	Member	Member	Chairman
Jeffrey Ong Shen Chieh	Independent Director	Member	Chairman	Member

Provision 1.5

Directors attend and actively participate in Board and Board Committee meetings. The number of such meetings and each individual director's attendances at such meetings are disclosed in the Company's annual report. Directors with multiple board representations ensure that sufficient time and attention are given to the affairs of each company.

The table below sets out the number of Board and Board Committees meetings held during FY2019 and the attendance of each Director at these meetings:

Name of Director	Board		AC		NC		RC	
	No. of meeting		No. of meeting		No. of meeting		No. of meeting	
	Held	Attended	Held	Attended	Held	Attended	Held	Attended
Zhang Wei	2	2	2	2*	2	2*	2	2*
See Yen Tarn	2	2	2	2	2	2	2	2
Jeffrey Ong Shen Chieh	2	2	2	2	2	2	2	2
Wong Chee Meng Lawrence	2	2	2	2	2	2	2	2

* By invitation

Provision 1.6

Management provides Directors with complete, adequate and timely information prior to the Board and Board Committee meetings and regularly updates and familiarises the Directors on the business activities of the Group on an on-going basis and during Board meetings, to enable the Directors to make informed decisions and discharge their duties and responsibilities. Directors will also be given opportunities to visit the Group's operational facilities and meet the Management so as to gain a better understanding of the Group's business.

CORPORATE GOVERNANCE REPORT

Provision 1.7

Directors have separate and independent access to Management, the Company Secretary, and external advisers (where necessary) at the Company's expense. For FY2019, the Company did not engage any external advisers. The appointment and removal of the Company Secretary is a decision of the Board as a whole.

Board Composition and Guidance

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

Provision 2.1

The criterion for independence is based on the definition set out in the Code, and taking into consideration whether the Directors falls under any circumstances pursuant to Rule 406(3)(d) of the Catalist Rules. The Board considers an "independent" Director as one who is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Director's independent business judgement in the best interests of the Company.

The NC conducts an annual review to determine the independence of the Directors in accordance to the Code as well as the Catalist Rules. In its review, the NC considers all nature of relationships and circumstances that could influence the judgement and decisions of the Directors before tabling its findings and recommendations to the Board for approval.

For FY2019, the Independent Directors, namely Mr. See Yan Tarn, Mr. Wong Chee Meng Lawrence and Mr. Jeffrey Ong Shen Chieh have confirmed that they or their immediate family members do not have any relationship with the Company or any of its related corporations, its substantial Shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Directors' independent business judgment with a view to the best interests of the Company, and do not fall under any of the circumstances pursuant to Rule 406(3)(d) of the Catalist Rules. The Independent Directors did not own shares of the Company and were not in foreseeable situation that could compromise their independence of thought and decision. The Board, based on the review conducted by the NC, has determined that the said Directors are independent.

As at the date of this report, none of the Independent Directors has served on the Board beyond nine (9) years since the date of his first appointment.

Provision 2.2

The Independent Directors make up a majority of the Board (three (3) out of four (4) Directors), where the Chairman is not independent.

CORPORATE GOVERNANCE REPORT

Provision 2.3

The Board is currently made up of Non-Executive Directors, comprising one (1) Non-Executive Director and three (3) Independent Directors.

Provision 2.4

The composition of the Board is reviewed annually by the NC to ensure that there is an appropriate mix of expertise and experience to enable Management to benefit from a diverse perspective to issues that are brought before the Board. The NC has reviewed the size and composition of the Board and is satisfied that the current size and composition of the Board is appropriate and effective, and provides the Board with adequate ability to meet the existing scope of needs and the nature of operations of the Company, which facilitates effective decision-making. From time to time, the NC will review the appropriateness of the current Board size, taking into consideration the changes in the nature and scope of operations as well as the regulatory environment.

The Board comprises Directors who, as a whole, have the core competencies and experience necessary to discharge their duties as Directors, lead and manage the Group's businesses and operations. The current composition of the Board comprises Directors with diversity of skills, experience and knowledge to the Company. The core competencies of the Directors are as follows:

	Number of Directors	Proportion of Board (%)
Core competencies		
• Accounting or finance	2	50
• Business management	2	50
• Legal or corporate governance	2	50
• Relevant industry knowledge or experience	3	75
• Strategic planning experience	3	75
• Customer based experience or knowledge	2	50

Profile of the respective Directors are set out in the section titled "Board of Directors" of this Annual Report.

The Board noted that gender diversity on the Board is also one of the recommendations under the Code to provide an appropriate balance of diversity. Although there is currently no female Director appointed to the Board, the Board does not rule out the possibility of appointing a female Director if a suitable candidate is nominated for the Board's consideration.

The NC considers the current Board to be of sufficient calibre and size, and is able to provide the Management with a diverse and objective perspective on the issues at hand and there is no individual or small group of individual dominates the Board's decision-making.

CORPORATE GOVERNANCE REPORT

Provision 2.5

Although all the Directors have equal responsibility for the performance of the Group, the role of the Non-Executive Director and the Independent Directors is particularly important in ensuring that the strategies proposed by Management are fully discussed and rigorously examined and take into account the long-term interests of not only the shareholders of the Company ("**Shareholders**"), but also of the employees, customers, suppliers and the communities in which the Group conducts its business. The Non-Executive Director and the Independent Directors also review and monitor the performance of Management on a periodic basis, to ensure that it meets the agreed goals and objectives of the Group.

The Company co-ordinates informal meetings for the Non-Executive Director and the Independent Directors on a need-basis without the presence of the Management to discuss matters such as the Group's financial performance, corporate governance initiatives, Board processes, succession planning as well as leadership development and the remuneration of the Executive Directors (if any).

Chairman and Chief Executive Officer

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provision 3.1

The roles of the Chairman and the Chief Executive Officer ("**CEO**") are separate to ensure a clear division of responsibilities, increased accountability and greater capacity of the Board for independent decision-making. Mr. Zhang Wei is the Non-Executive Chairman while Ms. Queenie Foo Quek Cheng, the Chief Financial Officer ("**CFO**"), was appointed as the acting Chief Executive Officer ("**CEO**"), following the resignation of Mr. Tay Meng Heng in December 2019. The Non-Executive Chairman and the acting CEO are not related.

The Company is in the midst of identifying a suitable candidate to fill the position of CEO. In the interim, the acting CEO will manage and oversee the overall business and activities of the Group, and will report to the Non-Executive Chairman.

Provision 3.2

The Non-Executive Chairman ensures effective and comprehensive Board discussion on matters brought to the Board including strategic issues as well as business planning and provides executive leadership and supervision to the Management. The responsibilities of the Non-Executive Chairman include:

- (1) scheduling of meetings to enable the Board to perform its duties responsibly while not interfering with the flow of the Group's operations;
- (2) setting the agenda (in consultation with the acting CEO and with the assistance of the Company Secretary) and ensuring that adequate time is available for discussion of all agenda items, in particular strategic issues;

CORPORATE GOVERNANCE REPORT

- (3) ensuring that all Directors receive accurate, timely and clear information, and ensuring effective communication Shareholders;
- (4) ensuring the Group's compliance with the Code;
- (5) promoting active engagement and open dialogue amongst the Directors as well as between the Board and the Management; and
- (6) acting in the best interest of the Group and of the shareholders.

The Company Secretary may be called to assist the Non-Executive Chairman in any of the above.

The role of the acting CEO includes the execution of strategic business directions as well as oversight of the operations and business development of the Group.

All major decisions made by the Board are subject to majority approval of the Board. The Board believes that there are adequate safeguards in place to ensure an appropriate balance of power and authority within the spirit of good corporate governance.

Provision 3.3

Although the Board currently does not have a Lead Independent Director, the Independent Directors make up more than half of the Board. The Independent Directors meet amongst themselves without the presence of the Non-Executive Chairman where necessary and will provide feedback to the Non-Executive Chairman after such meetings. As such, the Board is satisfied that there is a strong independent element to contribute to effective decision making. The Independent Directors collectively are and will continue to be available to Shareholders as a channel of communication between Shareholders and the Board and/or Management. The Board will appoint a Lead Independent Director as and when deemed appropriate.

Board Membership

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Provision 4.1

The NC has its terms of reference, setting out their duties and responsibilities, which include the following:

- (1) to make recommendations to the Board on all board appointments and re-appointment, having regard to the Director's contribution and performance (for example, attendance, preparedness, participation and candour) including, if applicable, as an Independent Director;
- (2) to determine the independence of a Director annually;
- (3) in respect of a Director who has multiple board representations on various companies, to decide whether or not such Director is able to and has been adequately carrying out his/her duties as Director, having regard to the competing time commitments that are faced when serving on multiple boards;

CORPORATE GOVERNANCE REPORT

- (4) to review the succession plans for Directors, in particular the appointment and/or replacement of the Chairman, the CEO and key management personnel;
- (5) to review and approve any new employment of related persons and the proposed terms of their employment; and
- (6) to decide how the Board's performance is to be evaluated and propose objective performance criteria, subject to the approval by the Board, which address how the Board has enhanced long term Shareholders' value. The Board will also implement a process to be proposed by the NC for assessing the effectiveness of the Board as a whole and for assessing the contribution of each individual Director to the effectiveness of the Board (if applicable).

Provision 4.2

The NC comprises three (3) members, all of whom including the NC Chairman, are Independent Directors. The NC comprises the following members:

- 1. Mr. Jeffrey Ong Shen Chieh (Chairman)
- 2. Mr. See Yen Tarn
- 3. Mr. Wong Chee Meng Lawrence

Where a Director has multiple board representations in other listed companies and other principal commitments, the NC will evaluate whether or not the Director is able to carry out and has been adequately carrying out his/her duties as a Director of the Company taking into consideration his/her time and resources allocated to the affairs of the Company. The NC is of the view that all the Directors are able to devote to the Company's affairs in light of their other commitments and therefore, the Board has not capped the maximum number of board representations each Director is allowed to hold. The NC and the Board will review the requirement to determine the maximum number of listed Board representations as and when it deemed fits.

The Board and the NC have endeavoured to ensure that the Directors appointed to the Board possess the relevant experience, knowledge and expertise critical to the Group's business.

The NC would take into consideration, amongst other things, the Directors' contributions to the Board (including attendance and participation at meetings, time and effort accorded to the Group's business and affairs), independence, other board representations, and any other factors as may be deemed relevant by the NC.

There is no alternate director being appointed to the Board.

Provision 4.3

The NC is responsible for identifying and recommending new Directors to the Board, after considering the necessary and desirable competencies. In selecting new Directors, the NC will seek to identify the competencies required as well as evaluate the profession, knowledge, experience, commitment ability of the candidate to contribute to the Board process and such other qualities and attributes that may be required by the Board of the candidate to enable the Board to fulfil its responsibilities.

CORPORATE GOVERNANCE REPORT

The NC may engage consultants to undertake research on, or assess, candidates applying for new positions on the Board, or to engage such other independent experts, as it considers necessary to carry out its duties and responsibilities. Recommendations for new Directors are put to the Board for its consideration and/or approval. New Directors are appointed by way of a Board resolution following which they are subject to re-election at the next Annual General Meeting of the Company ("**AGM**").

In accordance with Rule 720(4) of the Catalist Rules, all Directors need to submit themselves for re-nomination and re-appointment at least once every three (3) years. Further, the Company's Constitution requires one-third of the Board to retire by rotation at every AGM. Pursuant to Regulation 99 of the Company's Constitution, at each AGM, at least one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation.

At the forthcoming AGM of the Company, Mr. See Yen Tarn and Mr. Wong Chee Meng Lawrence ("**Retiring Directors**") will be retiring pursuant to Regulation 99 of the Company's Constitution. The NC has recommended and the Board has agreed that the Retiring Directors be nominated for re-election at the forthcoming AGM. In making the recommendations, the NC takes into consideration, amongst others, the Retiring Directors' attendance record at meetings of the Board and Board Committees, preparedness, participation and candour at such meetings as well as quality of input and contributions.

Each member of the NC shall abstain from voting, approving or making a recommendation on any resolution of the NC in which he has a conflict of interest in the subject matter under consideration.

Please refer to the section entitled "Additional Information on Director Nominated for Re-election – Appendix 7F to the Catalist Rules" of this report for the information as set out in Appendix 7F to the Catalist Rules relating to the Retiring Directors.

Provision 4.4

The Company has put in place a process to ensure the continuous monitoring of the independence of the Directors whereby the Directors must immediately report any changes in their external appointments that could affect their independence on the Board.

The NC reviews the independence of each Director annually in accordance with the definition of independence set out in the Code, and taking into consideration whether the Director falls under any circumstances pursuant to Rule 406(3)(d) of the Catalist Rules. In respect of the Company's current Independent Directors, namely Mr. See Yan Tarn, Mr. Wong Chee Meng Lawrence and Mr. Jeffrey Ong Shen Chieh, the Board is of the view that they are independent, taking into account the circumstances set forth in the Code, Rule 406(3)(d) of the Catalist Rules and any other salient factors. For FY2019, the Independent Directors have also confirmed their independence in accordance with the Code and Rule 406(3)(d) of the Catalist Rules.

Provision 4.5

Other than the key information regarding the Directors set out below, information pertaining to the Directors' interests in shares, options and other convertible securities are set out in the "Directors' Statement" section of this Annual Report, and information in relation to the background and principal commitments of the Directors are set out in the "Board of Directors" section of this Annual Report.

CORPORATE GOVERNANCE REPORT

Name of Director	Academic/ Professional qualifications	Board appointment	Board Committees served	Date of first appointment	Date of last re-election	Directorships in Other Listed Companies and Other Principal Appointments
Zhang Wei	• Diploma in law from Zhongzhou University • Certified economist by Henan Province Science Committee • Master of Business Administration from Macau University of Science and Technology	Non-Executive Chairman	–	2 September 2015	15 April 2019	• Weiye Holdings Limited
See Yen Tarn	• Bachelor of Accountancy from the National University of Singapore • Chartered Accountant in England and Wales	Independent Director	Chairman of the AC, and member of the NC and the RC	8 December 2015	27 April 2018 (To be re-elected at the forthcoming AGM)	• CSC Holdings Limited • Longcheer Holdings Limited • Singhaiyi Group Ltd.

CORPORATE GOVERNANCE REPORT

Name of Director	Academic/ Professional qualifications	Board appointment	Board Committees served	Date of first appointment	Date of last re-election	Directorships in Other Listed Companies and Other Principal Appointments
Wong Chee Meng Lawrence	- Bachelor of Laws from the National University of Singapore - An advocate and solicitor in Singapore - A solicitor in the Hong Kong Special Administrative Region of the People's Republic of China	Independent Director	Chairman of the RC, and member of the AC and the NC	8 December 2015	27 April 2018 (To be re-elected at the forthcoming AGM)	- Atlantic Navigation Holdings (Singapore) Limited - Equity Law LLC - EQ Advisory Pte Ltd

Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provisions 5.1 and 5.2

The NC has established a review process to assess:

- the performance and effectiveness of the Board as a whole;
- the effectiveness of the Board Committees; and
- the contribution by each Director to the effectiveness of the Board.

The Board has implemented a process to evaluate the performance of the Board and Board Committees through the adoption of the formal evaluation form for the Board as a whole and Board Committees.

CORPORATE GOVERNANCE REPORT

The performance criteria include financial targets, the contribution by Directors, their expertise, their sense of independence and their industry knowledge. This encourages constructive feedback from the Board and Board Committees which leads to an enhancement of its performance over time.

Although the Directors are not evaluated individually, the factors taken into consideration with regards to the re-nominating of Directors are based on their attendance and contributions made at the Board and Board Committees meetings.

The results of the evaluation exercises would be collated by the Company Secretary for the NC's review and consideration, which then made recommendations to the Board on enhancements to improve the effectiveness of the Board and Board Committees.

During FY2019, the Board has met to discuss the evaluation of the performance of the Board and the Board Committees and is of the view that the Board and the Board Committee have satisfactorily met the performance objectives for FY2019. No external facilitator was engaged in the evaluation process for FY2019.

2. REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provision 6.1

The RC has its terms of reference, setting out their duties and responsibilities, which include the following:

- (1) to recommend to the Board a framework of remuneration for the Directors and key management personnel, and to determine specific remuneration packages for each Executive Director (if any), CEO (or executive of equivalent rank) and key management personnel, if such CEO and key management personnel is not an Executive Director, such recommendations to be submitted for endorsement by the Board and should cover all aspects of remuneration, including but not limited to Director's fees, salaries, allowances, bonuses, options, benefits in kind;
- (2) in the case of service contracts (if any) for any Director or key management personnel, to consider what compensation commitments the Directors' or key management personnel's contracts of service, if any, would entail in the event of early termination with a view to be fair and avoid rewarding poor performance; and
- (3) in respect of any long-term incentive schemes including share schemes as may be implemented, to consider whether any Director should be eligible for benefits under such long-term incentive schemes.

CORPORATE GOVERNANCE REPORT

Provision 6.2

The RC comprises three (3) members, all of whom including the RC Chairman, are Independent and Non-Executive Directors. The RC comprises the following members:

1. Mr. Wong Chee Meng Lawrence (Chairman)
2. Mr. See Yen Tarn
3. Mr. Jeffrey Ong Shen Chieh

Provision 6.3

The RC reviews and recommends to the Board the remuneration packages or policies for the Executive Director (if any) and key management personnel based on the performance of the Group, the individual Director and the key management personnel. In reviewing the service agreements of the Executive Directors (if any) and key management personnel of the Company, the RC will review the Company's obligations arising in the event of termination of these service agreements, to ensure that such service agreements contain fair and reasonable termination clauses which are not overly generous. The RC aims to be fair and avoid rewarding poor performance.

Provision 6.4

No Director will be involved in determining his own remuneration. The RC has full authority to engage any external professional advice on matters relating to remuneration as and when the need arises. The expense of such services shall be borne by the Company. For FY2019, the Board has not engaged any external remuneration consultants to advice on remuneration matters.

Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Provisions 7.1 and 7.3

The remuneration for the Executive Directors (if any) and certain key management personnel comprise a fixed and variable component. The variable component is performance related and is linked to the Group's performance as well as the performance of each individual Executive Director and key management personnel. The performance of the Executive Directors (if any) and the acting CEO (together with other key management personnel) is reviewed periodically by the RC and the Board.

The Company has adopted the Eindex Performance Share Plan 2015 ("PSP") to:

- (1) foster an ownership culture within the Group which aligns the interests of participants with the interests of Shareholders;
- (2) motivate participants to achieve key financial and operational goals of the Company and/or their respective business divisions and encourage greater dedication and loyalty to the Group; and

CORPORATE GOVERNANCE REPORT

- (3) make total employee remuneration sufficiently competitive to recruit new participants and/or retain existing participants whose contributions are important to the long-term growth and profitability of the Group, and whose skills are commensurate with the Company's ambition to become a world class company.

The full time employees of the Group, the Executive Directors (if any), controlling shareholders and associates of controlling shareholders are eligible to participate in the PSP in accordance with the rules of the PSP. Employees who are controlling shareholders or associates of controlling shareholders shall not participate in the PSP unless their participation and the terms of each grant and the actual number of awards to be granted to them have been approved by the independent Shareholders in a general meeting of the Company in separate resolutions for each such person. During FY2019 and as at the date of this report, no awards have been granted under the PSP.

Further details of the PSP are set out in the Company's Offer Document dated 6 January 2016.

The Company does not use contractual provisions to allow the Company to reclaim incentive components of remuneration from Executive Directors (if any) and key management personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The Executive Directors (if any) owe a fiduciary duty to the Company. The Company should be able to avail itself to remedies against the Executive Directors (if any) in the event of such breach of fiduciary duties.

Provisions 7.2

The Independent Directors and Non-Executive Director receive Directors' fees in accordance with their contributions, taking into account factors such as effort and time spent, responsibilities of the Directors and the need to pay competitive fees to attract, retain and motivate the Directors. The Independent Directors and Non-Executive Director shall not be over-compensated to the extent that their independence may be compromised. There were no share-based compensation schemes in place for Independent Directors and Non-Executive Director.

Directors' fees are endorsed by the RC and recommended by the Board for Shareholders' approval at the AGM of the Company. Directors' fees of S\$175,000 for the financial year ended 31 December 2019 (to be paid quarterly in arrears) had been approved by Shareholders at the last AGM held on 15 April 2019. Directors' fees of S\$175,000 for the financial year ending 31 December 2020 (to be paid quarterly in arrears) have been recommended by the Board and will be subject to the approval of Shareholders at the forthcoming AGM.

Disclosure on Remuneration

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provisions 8.1 and 8.3

The Company's remuneration policy is to reward performance and attract, retain and motivate Directors and key management personnel. The RC will take into account the industry norms, the Group's, performance as well as the contribution and performance of each Director when determining remuneration packages. The RC will review the remuneration of the Directors and key management personnel from time to time.

CORPORATE GOVERNANCE REPORT

The details of the level and mix of remuneration of the Directors and the acting CEO for the services rendered during FY2019 are as follows:

Remuneration Band	Salary (%)	Bonus (%)	Other Benefits (%)	Share Options (%)	Directors' Fees (%)	Total (%)
Below S\$250,000						
Directors						
Zhang Wei	-	-	-	-	100	100
See Yen Tarn	-	-	-	-	100	100
Jeffrey Ong Shen Chieh	-	-	-	-	100	100
Wong Chee Meng Lawrence	-	-	-	-	100	100
Acting CEO						
Tay Meng Heng ⁽¹⁾	100	-	-	-	-	100
Queenie Foo Quek Cheng ⁽²⁾	100	-	-	-	-	100

Notes:

- (1) Mr. Tay Meng Heng ceased to be the acting CEO with effect from 19 December 2019, following his resignation as the chief financial officer of the parent and controlling shareholder of the Company, Weiye Holdings Limited ("Weiye").
- (2) Ms. Queenie Foo Quek Cheng was appointed as the acting CEO with effect from 19 December 2019.

Given the competitive business environment and possible negative impact on the Group's business interest, the Board, on review, decided not to disclose the exact remuneration of each Director and the acting CEO, and the disclosure made based on the above remuneration bands is appropriate.

For FY2019, there were no terminations, retirement or post-employment benefits granted to Directors and relevant key management personnel other than the standard contractual notice period termination payment in lieu of service.

The details of the remuneration of relevant key management personnel of the Group (who are not Directors or the acting CEO) for services rendered during FY2019 are as follows:

Name of Key Management Personnel	Salary (%)	Bonus (%)	Other Benefits (%)	Share Options (%)	Total (%)
Below S\$250,000					
Tang Sin	100	-	-	-	100

The Group has only one (1) key management personnel who are not Directors or the acting CEO during FY2019.

The Board, on review, decided not to disclose in aggregate the total remuneration paid to the relevant key management personnel (who is not a Director or the acting CEO) as there is only one (1) such personnel and such disclosure may lead to possible poaching of key management personnel, given the competitive business environment.

CORPORATE GOVERNANCE REPORT

Provision 8.2

Save for Mr. Zhang Wei (who is deemed to have an interest in the shares of the Company held by Weiye, the parent and controlling shareholder of the Company), there were no employees who were substantial shareholders of the Company, or are immediate family members of a Director, the acting CEO or a substantial shareholder of the Company, and whose remuneration exceeds S\$100,000 in the Group's employment during the financial year under review.

3. ACCOUNTABILITY AND AUDIT

Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

Provision 9.1

The Board acknowledges its responsibility for the governance of risk and ensures that the Management maintains a sound system of internal controls and effective risk management policies to safeguard the Shareholders' investment and the Company's assets. However, the Board also acknowledges that no cost-effective internal control system will preclude all errors and irregularities. The system is designed to manage rather than eliminate risks of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The internal controls in place, including the maintenance of proper accounting records and financial information, will address the financial, operational, compliance and information technology risks, and the objectives of these controls are to provide reasonable assurance that there are no material financial misstatements or material loss and assets are safeguarded.

Management is responsible for designing, implementing and monitoring the risk management and internal control systems within the Group. Management regularly reviews the Group's business and operational activities to identify areas of significant risks as well as appropriate measures to control and mitigate these risks. Any significant matters are highlighted to the Board and the AC for their deliberation. To further review the adequacy and effectiveness of internal controls, the AC is assisted by various independent professional service providers. The assistance of the internal auditors enabled the AC to carry out assessments of the effectiveness of key internal controls during the year.

Material non-compliance or weaknesses in internal controls or recommendations from the internal auditors and external auditors to further improve the internal controls, including the Management's action plans to be undertaken to address the recommendations, were reported to the AC. In FY2019, there were no material non-compliance or weaknesses in internal controls or recommendations from the internal auditors and external auditors.

CORPORATE GOVERNANCE REPORT

The AC also follows up on the actions taken by the Management on the recommendations made by the internal auditors and external auditors arising from their work performed. Based on the reports submitted by the internal and external auditors received by the AC and the Board, nothing material has come to the attention of the AC and the Board to cause the AC and the Board to believe that the internal controls are not satisfactory based on the current size and nature of the Company's business.

The Group has an Enterprise Risk Management Framework in place to manage its exposure to risks that are associated with the conduct of its business. The Board will continue its risk assessment, which is an on-going process, with a view to improve the Group's internal control system.

Provision 9.2

Based on the internal controls established and maintained by the Group, work performed by the internal auditors and external auditors, reviews performed by Management and the controls and processes which are currently in place, the Board, with the concurrence of the AC, is of the opinion that the Group's internal controls and risk management systems are adequate and effective in addressing the financial, operational, compliance and information technology control risks of the Group as at 31 December 2019.

The Directors have received and considered the representation letters from the Chief Financial Officer ("CFO") cum acting CEO in relation to the financial information for the year. The CFO cum acting CEO has assured the Board that:

- (1) the financial records have been properly maintained and the financial statements for the FY2019 give a true and fair view in all material respects, of the Company's operations and finances; and
- (2) the Group's internal controls and risk management systems are adequate and operating effectively in all material respects given its current business environment.

Audit Committee

Principle 10: The Board has an Audit Committee which discharges its duties objectively.

Provision 10.1

The AC has its terms of reference, setting out their duties and responsibilities, which include the following:

- (1) review with the external auditors, the audit plan, their evaluation of the system of internal controls, their audit report, their management letter and the Management's response;
- (2) review with the internal auditors, the internal audit plan and evaluate the adequacy of the Group's internal control and accounting system;
- (3) review the financial statements before submission to the Board for approval, focusing in particular, on changes in accounting policies and practices, significant adjustments resulting from the audit, the going concern statement, compliance with accounting standards as well as compliance with and the requisite statutory/regulatory requirements;

CORPORATE GOVERNANCE REPORT

- (4) review the internal control and procedures, ensure co-ordination between the external auditors and Management, review the assistance given by Management to the external auditors, and discuss problems and concerns, if any, arising from the interim and final audits, and any matters which the auditors may wish to discuss (in the absence of Management where necessary);
- (5) review any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and Management's response;
- (6) review, where applicable, the role and effectiveness of the internal audit procedures;
- (7) review and approve interested person transactions and review procedures thereof;
- (8) consider the appointment or re-appointment of the external auditors and matters relating to resignation or dismissal of the external and internal auditors;
- (9) review the Group's compliance with such functions and duties as may be required under the relevant statutes or the Catalist Rules, including such amendments made thereto from time to time;
- (10) undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC;
- (11) review at least annually, the Group's key financial risk areas, with a view to provide an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports of the Company or, where the findings are material, to announce such material findings immediately via SGXNet; and
- (12) to undertake such other functions and duties as may be required by statute or the Catalist Rules, and by such amendments made thereto from time to time.

The Group has implemented a whistle blowing policy whereby accessible channels are provided for employees to raise concerns about possible improprieties in matters of financial reporting or other matters which they become aware and to ensure that:

- (1) independent investigations are carried out in an appropriate and timely manner;
- (2) appropriate action is taken to correct the weakness in internal controls and policies which allowed the perpetration of fraud and/or misconduct and to prevent a recurrence; and
- (3) administrative, disciplinary, civil and/or criminal actions that are initiated following the completion of investigations are appropriate, balance and fair, while providing reassurance that employees will be protected from reprisals or victimisation for whistle-blowing in good faith and without malice.

CORPORATE GOVERNANCE REPORT

Provision 10.2

The AC comprises three (3) members, all of whom including the AC Chairman, are Non-Executive and Independent Directors. The AC comprises the following members:

1. Mr. See Yen Tarn (Chairman)
2. Mr. Wong Chee Meng Lawrence
3. Mr. Jeffrey Ong Shen Chieh

The AC members, including the AC Chairman, possess experience in finance, legal and business management which are appropriately qualified, having the relevant accounting or related financial management expertise to discharge their responsibilities.

Provisions 10.3 and 10.4

The AC is kept updated annually or from time to time on any changes to the accounting and financial reporting standards by the external auditors. In the review of the financial statements, the AC has discussed with the Management the accounting principles that were applied and their judgment of items that might affect the integrity of the financial statements. The following significant matter impacting the financial statements was discussed with the Management and the external auditors, and was reviewed by the AC:

Matter considered	How the AC reviewed this matter and what decisions were made
Valuation of non-financial assets	The AC considered the approach and methodology applied in the basis and appropriateness of the valuation methodologies used in determining the recoverable amounts of the cash-generating units. The AC also obtained understanding on the work performed by the external auditors, including their assessment on whether the cash-generating-units as identified by the Management were appropriate. The valuation of non-financial assets was also an area of focus for the external auditors. The external auditors has included this item as a key audit matter in its audit report for the FY2019. Please refer to page 51 of this Annual Report.

Annually, the AC conducts a review of all non-audit services provided by the external auditors. The AC will receive an audit report from the external auditors setting out the non-audit services provided and fees charged, and review the nature and extent of such services, to ensure that the non-audit services will not prejudice the independence and objectivity of the external auditors. In FY2019, there was no non-audit services provided by the external auditors.

CORPORATE GOVERNANCE REPORT

The AC recommends to the Board on the proposals to the Shareholders on the appointment, reappointment and removal of the external auditors and approving the remuneration of the external auditors. At the forthcoming AGM, the AC has recommended to the Board the nomination of Moore Stephens LLP for re-appointment as external auditors of the Company and the following subsidiaries of the Company:

- (1) Eindec Holdings Pte. Ltd.;
- (2) Eindec Singapore Pte. Ltd.; and
- (3) Eindec Technology (Malaysia) Sdn. Bhd.

The Company appointed BDO Limited to audit the accounts of its subsidiary in the People's Republic of China ("**PRC**"), Eindec (Shenzhen) Environmental Technology Co., Ltd., whereas its other PRC subsidiaries, Eindec (Shanghai) Co., Ltd. and Henan Eindec Construction & Technology Co., Ltd. will not be audited as these subsidiaries are not significant. Given the size and complexity of subsidiary in PRC, the Board is satisfied that the appointment of different audit firms will not compromise the standard and effectiveness of the audit of the Group. Accordingly, the Company confirms that Rule 712 and Rule 715 of the Catalist Rules have been complied with.

The AC is given the task of commissioning investigation into matters where there is suspected fraud or irregularity, or failure of internal control or infringement of any law, rule or regulation which has or likely to have a material impact on the Company's operating results or financial position, and to review its findings.

The AC is kept updated annually or from time to time on any changes to the accounting and financial reporting standards by the external auditors.

No former partner or director of the Company's existing auditing firm has acted as a member of the AC (a) within a period of two years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation.

The internal audit function is currently outsourced to TRS Forensics Pte Ltd ("**TRS Forensics**"). TRS Forensics is staffed by suitably qualified and experienced professionals with the relevant experience. TRS Forensics reports directly to the AC on audit matters and the acting CEO on administrative matters. TRS Forensics, as the internal auditor, has unfettered access to all the Company's documents, records, properties and personnel, including access to AC and has appropriate standing within the Company.

The AC decides on the appointment, removal, termination, evaluation and compensation of the internal auditors. The AC would annually review the independence, adequacy and effectiveness of the internal audit function of the Company. The AC is satisfied that the outsourced audit function is independent, adequately resourced, effective and has the appropriate standing within the Group. The AC is also of the view that the outsourced internal audit function is adequately staffed with persons with the relevant qualification and experience, and adhere to professional standards including those promulgated by The Institute of Internal Auditors.

CORPORATE GOVERNANCE REPORT

Provision 10.5

In the course of FY2019, the AC carried out the following activities:

- (a) reviewed half-year and full-year financial statements (unaudited and audited), and recommended such reports to the Board for approval;
- (b) reviewed the adequacy and effectiveness of the Group's risk management and internal control systems;
- (c) reviewed interested person transactions;
- (d) reviewed and approved the annual external audit plan of the external auditors;
- (e) reviewed and approved the internal audit plan of the internal auditors;
- (f) reviewed the annual re-appointment of the external auditors and determined their remuneration, and made a recommendation for Board approval; and
- (g) met with the external auditors and the internal auditors once without the presence of the Management.

In discharging the above duties, the AC confirms that it has full access to and co-operation from the Management and is given full discretion to invite any Director or executive officer to attend its meetings. In addition, the AC has also been given reasonable resources to enable it to perform its function properly.

4. SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholder Rights and Conduct of General Meetings

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Provision 11.1

Shareholders are informed of the general meetings through the announcement released to the SGXNet and notices contained in the Annual Report or circulars sent to all Shareholders. These notices are also advertised in a national newspaper. Shareholders are also informed of the poll voting procedures at the general meetings. All Shareholders are entitled to attend the general meetings and are provided the opportunity to participate in and vote at the general meetings. If any Shareholder is unable to attend, he/she is allowed to appoint up to two proxies to vote on his/her behalf at the general meeting through proxy form sent in advance.

Shareholders are encouraged to attend the Company's general meetings to ensure a high level of accountability and to be updated on the Group's strategies and goals. Notice of the general meeting is dispatched to Shareholders, together with explanatory notes or a circular on items of

CORPORATE GOVERNANCE REPORT

special businesses (if necessary), at least 14 clear calendar days before the meeting. The Board welcomes questions from Shareholders who wish to raise issues, either informally or formally before or during the AGM.

The Company acknowledges that voting by poll in all its general meeting is integral in the enhancement of corporate governance. All resolutions at the Company's general meetings are put to vote by poll. For cost effectiveness, the Company had adopted manual polling for resolutions voted at the general meeting held in FY2019. The poll voting procedures are clearly explained by the scrutineers at such general meeting. The detailed results of each resolution are announced via SGXNet after the general meetings.

The Company's Constitution does not include the nominee or custodial services to appoint more than two proxies.

On 3 January 2016, the legislation was amended, among other things to allow certain members, defined as "Relevant Intermediary" to attend and participate in general meetings without being constrained by the two-proxy requirement. Relevant Intermediary includes corporations holding licenses in providing nominee and custodial services and CPF Board which purchases shares on behalf of the CPF investors.

The Company's Constitution also provides that Shareholders who are entitled to attend and vote at the AGM, are entitled to appoint not more than two proxies to attend and vote in his/her stead. A proxy need not be a shareholder of the Company. The instrument appointing a proxy must be deposited at the place specified in the notice of the general meetings not less than seventy-two (72) hours before the time appointed for holding the general meetings.

Provision 11.2

The resolutions tabled at the general meetings are on each substantially separate issue, unless the issues are interdependent and linked so as to form one significant proposal. If a scenario arises where the resolutions are inter-conditional, the Company will explain the reasons and material implications in the notice of meeting. The Company typically ensures that there are separate resolutions at general meetings on each distinct issue. Detailed information on each resolution is set out in the notice of the general meeting.

Provision 11.3

The Chairman of the AC, NC and RC are normally present and available to address questions relating to the work of their respective Board Committees at general meetings. Furthermore, the external auditors are present to assist the Board in addressing any relevant queries from Shareholders, including the conduct of audit and the preparation and content of the auditors' report. All Directors will endeavour to be present at the Company's general meetings of Shareholders to address Shareholders' queries. In FY2019, all Directors were present at the AGM of the Company held on 15 April 2019 as well as the extraordinary general meeting ("**EGM**") in relation to the proposed change of the Company's auditor, held on 30 September 2019.

CORPORATE GOVERNANCE REPORT

Provision 11.4

Voting by absentia by mail, facsimile or email is currently not provided in the Company's Constitution as such voting methods would need to be cautiously study for its feasibility to ensure that the integrity of the information and the authenticity of the shareholder's identity is not compromised.

Provision 11.5

Minutes are taken of all general meetings, and where appropriate, include all substantial and relevant comments or queries from Shareholders relating to the agenda of the meeting and the responses from the Board and the Management. Such minutes, which are subsequently approved by the Board, will be made available to Shareholders on the Company's website at www.eindec.com.sg, as well as on the SGXNet.

Provision 11.6

The Group does not have a formal dividend policy at present. The form, frequency and amount of dividends declared each year will take into consideration the Group's earnings, general financial condition, results of operations, capital requirements, cash flow, general business conditions, the Group's development plans and other factors as the Board may deem appropriate.

Dividend were not declared or paid for FY2019 as the Group recorded net loss in FY2019 and the Board deems it appropriate to conserve funds for the Group's business activities.

5. ENGAGEMENT WITH SHAREHOLDERS

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Provision 12.1

The Company firmly believes in high standards of transparent corporate disclosure by disclosing to its stakeholders, including its Shareholders the relevant information on a timely basis through SGXNet. Where there is inadvertent disclosure made to a selected group, the Company will make the same disclosure publicly to all others as soon as practicable.

Communication is made through:

- Annual Reports that are prepared and sent to all Shareholders. The Board ensures that the Annual Report includes all relevant material information about the Company and the Group, including future developments and other disclosures required by the relevant rules and regulations;
- Half yearly announcements containing a summary of the financial information and affairs of the Group for that period;
- Notice of explanatory memoranda for AGM and EGM. The notice of AGM and EGM are also advertised in a national newspaper; and
- Press and news releases on major developments of the Company and the Group.

CORPORATE GOVERNANCE REPORT

The Company does not practice selective disclosure. Price sensitive information is first publicly released through SGXNet, either before the Company meets with any investors or analysts. All Shareholders will receive the Annual Report with notice of AGM by post and published in the newspapers within the mandatory period, which is held within four months after the close of the financial year.

Provisions 12.2 and 12.3

By supplying Shareholders with reliable and timely information, the Company is able to strengthen the relationship with its Shareholders based on trust and accessibility. The Company has engaged the investor relations firm who focus on facilitating the communications with all stakeholders, Shareholders, analysts and media on a regular basis, to attend to their queries or concerns as well as to keep the investors public apprised of the Group's corporate developments and financial performance. The contact details of the investor relations firm are set out in "Corporate Information" section of the Annual Report.

6. MANAGING STAKEHOLDINGS RELATIONSHIPS

Engagement with Stakeholders

Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

Provisions 13.1 and 13.2

The Company acknowledge the importance for establishing effective communication among the stakeholders through regular engagement and various communication platforms to achieve mutually beneficial goals.

The Company has identified six stakeholders' groups, namely, the Board, employees, shareholders and investors, customers and government and regulators. The Company's approach to the engagement with key stakeholders and materiality assessment were disclosed in the Company's Sustainability Report for FY2018, where the Company would continue to monitor and improve to ensure the best interest of the Company.

Provision 13.3

To promote regular, effective and fair communication with Shareholders, the Company maintains a corporate website at www.eindec.com.sg through which Shareholders are able to access up-to-date information on the Group. The website provides annual reports, financial information, stock information, profiles of the Group, and contact details of the investor relations of the Group.

7. INTERESTED PERSON TRANSACTIONS ("IPTs")

The Company has established guidelines and review procedures for on-going and future IPTs. The IPTs are subject to review by the AC to ensure that they are on normal commercial terms and on an arm's length basis, that is, the transactions are transacted in terms and prices not more favourable to the interested persons than if they were transacted with a third party and are not prejudicial to the interests of the Group or our minority Shareholders in any way.

CORPORATE GOVERNANCE REPORT

All IPTs are subject to review by the AC to ensure compliance with established procedures. The Company had obtained a general mandate from its Shareholders at an EGM held on 27 April 2018 ("**IPT Mandate**") in respect of interested person transactions with entities within the Weiye Group Entities (being Weiye Holdings Limited and its subsidiaries) and was last renewed at the AGM of the Company held on 15 April 2019. The Company is seeking the renewal of the IPT Mandate ("**Proposed Renewal of the IPT Mandate**") at the forthcoming AGM. Further details on the Proposed Renewal of the IPT Mandate will be provided together with the notice of the forthcoming AGM to be issued by the Company in due course.

There were no interested person transactions conducted under the IPT Mandate pursuant to Rule 920 that were more than S\$100,000 in FY2019.

8. MATERIAL CONTRACTS

There were no material contracts (including loans) entered into by the Company or any of its subsidiaries involving the interest of the Non-Executive Chairman, or any Director or controlling shareholder which are either still subsisting as at the end of FY2019 or if not then subsisting, entered into since the end of the previous financial year.

9. DEALINGS IN SECURITIES

The Company has adopted its own internal Code of Best Practices to provide guidance to all officers and employees of the Company and its subsidiaries with regard to dealings in the Company's securities in compliance with Rule 1204(19) of the Catalist Rules. The Company and its officers are prohibited from dealing in the Company's securities during the periods commencing one month before the announcement of the Company's half year and full year results and ending on the date of the announcement of the relevant results.

Directors and executives are also expected to observe insider-trading laws at all times even when dealing with securities within the permitted trading period or while they are in possession of unpublished price-sensitive information of the Group. They are not to deal in the Company's securities on short-term considerations.

10. NON SPONSORSHIP FEES

With reference to Rule 1204(21) of the Catalist Rules, in FY2019, there were no non-sponsorship fees payable or paid to ZICO Capital Pte. Ltd..

CORPORATE GOVERNANCE REPORT

Information for the Directors who are retiring and being eligible, offer themselves for re-election at the forthcoming AGM pursuant to Rule 720(5) of the Catalist Rules:

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

The directors present their statement to the members together with the audited consolidated financial statements of Eindec Corporation Limited (the "Company") and its subsidiaries (collectively the "Group") for the financial year ended 31 December 2019 and the statement of financial position of the Company as at 31 December 2019.

In our opinion:

- (a) the financial statements are drawn up so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2019 and the financial performance, changes in equity and cash flows of the Group for the year ended on that date in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s"); and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

The Board of Directors has, on the date of this statement, authorised these financial statements for issue.

1 Directors

The directors in office at the date of this statement are as follows:

Zhang Wei
See Yen Tarn
Lawrence Wong Chee Meng
Jeffrey Ong Shen Chieh

2 Directors' Interests in Shares or Debentures

According to the register kept by the Company for the purposes of Section 164 of the Act, particulars of interests of directors who held office at the end of the financial year (including those held by their spouses and infant children) in shares, debentures, warrants and share options in the Company and in related corporations are as follows:

Name of director and corporation in which interests are held	Direct interest				Deemed interest	
	As at 1.1.2019 (‘000)	As at 31.12.2019 (‘000)	As at 21.1.2020 (‘000)	As at 1.1.2019 (‘000)	As at 31.12.2019 (‘000)	As at 21.1.2020 (‘000)
	No. of Ordinary shares					
The Company						
Zhang Wei	-	-	-	71,900	71,900	71,900
Immediate and ultimate holding company						
- Weiye Holdings Limited						
Zhang Wei	-	-	-	106,822	106,822	106,822

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

2 Directors' Interests in Shares or Debentures (cont'd)

Except as disclosed in this statement, no director who held office at the end of the financial year had interests in shares, debentures, warrants or share options of the Company, or of related corporations, either at the beginning or end of the financial year.

Neither at the end of, nor at any time during the financial year, was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

By virtue of Section 7 of the Act, Zhang Wei is deemed to have interest in the other subsidiaries of Weiye Holdings Limited, the immediate and ultimate holding company, at the beginning and at the end of the financial year.

3 Share Awards

Eindec Performance Share Plan ("PSP")

The Company has adopted the PSP as per details set out in the Company's Offer Document dated 6 January 2016.

The PSP is administered by the Remuneration Committee whose members are:

- See Yen Tarn, Independent Director
- Lawrence Wong Chee Meng (Chairman), Independent Director
- Jeffrey Ong Shen Chieh, Independent Director

Since the adoption of the PSP, no awards have been granted under the PSP.

4 Share Options

During the financial year, there were no shares of the Company or any corporation in the Group issued by virtue of the exercise of an option to take up unissued shares.

At the end of the financial year, there were no unissued shares of the Company or any corporation in the Group under option.

There were no share options granted during the financial year to subscribe for unissued shares of the Company or any corporation in the Group.

5 Warrants

On 30 August 2016, the Company allotted and issued 71,799,958 free warrants on the basis of two warrants for every three existing ordinary shares held by shareholders of the Company as at 22 August 2016, pursuant to the general mandate approved by members of the Company at the Annual General Meeting on 28 April 2016. Each warrant carries the right to subscribe for one ordinary share in the capital of the Company at an exercise price of \$0.12 and expired on 2 September 2019.

As at 2 September 2019, no warrants were exercised and converted into ordinary shares of the Company.

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

6 Audit Committee

The members of the Audit Committee during the year and at the date of this statement are:

- See Yen Tarn (Chairman), Independent Director
- Lawrence Wong Chee Meng, Independent Director
- Jeffrey Ong Shen Chieh, Independent Director

The Audit Committee performs the functions specified in Section 201B of the Act, the Catalist Rules and the Code of Corporate Governance.

The Audit Committee has held two meetings since the last directors' statement. In performing its functions, the Audit Committee met with the Company's external and internal auditors to discuss the scope of their work, the results of their examination and evaluation of the Company's internal accounting control system.

The Audit Committee also reviewed the following:

- assistance provided by the Company's officers to the internal and external auditors;
- half yearly financial information and annual financial statements of the Group and the Company prior to their submission to the directors of the Company for adoption;
- interested person transactions (as defined in Chapter 9 of the Catalist Rules); and
- significant matters impacting the financial statements, including the key audit matters, and the accounting principles and judgement of items as adopted by management for these significant matters.

The Audit Committee has full access to management and is given the resources required for it to discharge its functions. It has full authority and the discretion to invite any director or executive officer to attend its meetings. The Audit Committee also recommends the appointment of the external auditors and reviews the level of audit and non-audit fees.

The Audit Committee is satisfied with the independence and objectivity of the external auditors and has recommended to the Board of Directors that the auditors, Moore Stephens LLP, be nominated for re-appointment as auditors at the forthcoming Annual General Meeting of the Company.

In appointing the independent auditors of the Company and its subsidiaries, the Company has complied with Rules 712 and 715 of the Catalist Rules.

7 Independent Auditors

The independent auditors, Moore Stephens LLP, have expressed their willingness to accept reappointment.

On behalf of the Board of Directors,

ZHANG WEI

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF EINDEC CORPORATION LIMITED
(Incorporated in Singapore)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Eindec Corporation Limited (the "Company") and its subsidiaries (collectively the "Group") which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 December 2019, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2019 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF EINDEC CORPORATION LIMITED
(Incorporated in Singapore)

Valuation of Non-Financial Assets

Key audit matter

We refer to Note 4(a), Note 11 and Note 12 to the consolidated financial statements. The Group has property, plant and equipment and intangible assets of approximately S\$5,258,000 and S\$171,000 respectively as at 31 December 2019. The Group continues to incur losses for the year ended 31 December 2019, and accordingly, management has conducted an impairment assessment of its non-financial assets. This involved a comparison of the carrying value of the net assets of the cash-generating-units ("CGUs") to the recoverable amount of the respective CGUs; the recoverable amount being the higher of the fair value less costs to sell ("FVLCTS") and value-in-use ("VIU") of the CGUs.

The Group comprises of two CGUs; the South Asia CGU and the North Asia CGU.

The recoverable amount for the North Asia CGU was based on its VIU whilst that for the South Asia CGU was based on its FVLCTS. For the South Asia CGU, the fair value of the CGU was largely based on the management's estimate of the fair value of its underlying freehold land and building.

This is a key audit matter as the determination of the recoverable amounts of the CGUs involves significant judgement in the appropriate determination of the CGUs and the selection of the appropriate valuation methodology.

Management has assessed that the recoverable amount of the North Asia CGU is lower than its carrying amount, and hence its non-financial assets of North Asia CGU remained fully impaired. Management has also assessed that the recoverable amount of the South Asia CGU is above the carrying value of its net assets, and concluded that its non-financial assets of South Asia CGU are not impaired.

How our audit addressed the key audit matter

- We evaluated the identification of the CGUs of the Group against the requirements of the financial reporting standards.
- We reviewed the basis and appropriateness of the valuation methodologies used in determining the recoverable amounts of the CGUs.
- For recoverable amount of the North Asia business, based on VIU, we assessed the reasonableness of key assumptions used in the cash flow projections. We also evaluated the reasonableness of the growth rates and discount rate by comparing these against CGU's own historical performance and externally derived data.
- For recoverable amount of the South Asia CGU, based on FVLCTS, we compared the management's estimation of the CGU's freehold land and property's fair value to publicly available information on recently transacted prices for the sale of comparable properties.

Based on our audit procedures performed, we found management's assessment of the valuation of non-financial assets to be reasonable and the disclosures to be appropriate.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF EINDEC CORPORATION LIMITED
(Incorporated in Singapore)

statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF EINDEC CORPORATION LIMITED
(Incorporated in Singapore)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless the law or regulations preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ms. Lao Mei Leng.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

These notes form an integral part and should be read in conjunction with the accompanying financial statements.

1 Domicile and Activities

Eindec Corporation Limited (the "Company") is a company incorporated in Singapore. The address of the Company's registered office is 100H Pasir Panjang Road, OC@ Pasir Panjang, #01-01 Singapore 118524.

The Company was listed on the Catalist Board of the SGX-ST on 15 January 2016.

The principal activities of the Company is that of an investment holding company. The principal activities of the subsidiaries are set out in Note 13 of the consolidated financial statements.

The immediate and ultimate holding company is Weiye Holdings Limited, a company incorporated in Singapore and is listed on The Stock Exchange of Hong Kong ("SEHK").

The consolidated financial statements of the Group as at and for the year ended 31 December 2019 comprise the Company and its subsidiaries (together referred to as the "Group" and individually as "Group entities").

2 Basis of Preparation

(a) Statement of Compliance

The financial statements have been prepared in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)").

(b) Basis of Measurement

The financial statements have been prepared on the historical cost basis except as otherwise described in the notes below.

(c) Functional and Presentation Currency

These financial statements are presented in Singapore dollars, which is the Company's functional currency. All financial information presented in Singapore dollars have been rounded to the nearest thousand, unless otherwise stated.

(d) Use of Estimates and Judgements

The preparation of the financial statements in conformity with SFRS(I) requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the next financial year are included in Note 4.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

2 Basis of Preparation (cont'd)

(d) Use of Estimates and Judgements (cont'd)

Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement (with Level 3 being the lowest).

3 Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, unless otherwise indicated.

The accounting policies have been applied consistently by Group entities.

(a) Basis of Consolidation

Business combinations

The Group accounts for business combination using the acquisition method when control is transferred to the Group.

The Group measures goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the pre-existing equity interest in the acquiree, over the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed. Any goodwill that arises is tested annually for impairment.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in profit or loss.

Any contingent consideration payable is recognised at fair value at the date of acquisition and included in the consideration transferred. If the contingent consideration that meets the definition of a financial instrument is classified as equity, it is not remeasured and settlement is accounted for within equity. Otherwise, other contingent consideration is remeasured at fair value at each reporting date and subsequent changes to the fair value of the contingent consideration are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(a) Basis of Consolidation (cont'd)

When share-based payment awards (replacement awards) are exchanged for awards held by the acquiree's employees (acquiree's awards) and relate to past services, then all or a portion of the amount of the acquirer's replacement awards is included in measuring the consideration transferred in the business combination. This determination is based on the market-based value of the replacement awards compared with the market-based value of the acquiree's awards and the extent to which the replacement awards relate to past and/or future service.

Costs related to the acquisition, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

Changes in the Group's interest in a subsidiary that do not result in a loss of control are accounted for as transactions with owners in their capacity as owners and therefore no adjustments are made to goodwill and no gain or loss is recognised in profit or loss. Adjustments to non-controlling interests arising from transactions that do not involve the loss of control are based on a proportionate amount of the net assets of the subsidiary.

Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

The accounting policies of subsidiaries have been changed when necessary to align them with the policies adopted by the Group.

Acquisition from entities under common control

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the earliest comparative year presented or, if later, at the date that common control was established; for this purpose, comparatives are restated. The assets and liabilities acquired are recognised at the carrying amounts recognised previously in the Group controlling shareholder's consolidated financial statements. The components of equity of the acquired entities are added to the same components within Group equity and any gain or loss arising is recognised directly in equity.

Loss of control

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any resulting gain or loss is recognised in profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(a) Basis of Consolidation (cont'd)

Subsidiaries in the separate financial statements

Investment in subsidiaries are stated in the Company's statement of financial position at cost less accumulated impairment losses.

(b) Foreign Currency

Foreign currency transactions

Transactions in foreign currencies are translated to the respective functional currencies of Group entities at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the year, adjusted for effective interest and payments during the year, and the amortised cost in foreign currency translated at the exchange rate at the end of the year.

Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are translated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary items in a foreign currency that are measured in terms of historical cost are translated using the exchange rate at the date of the transaction. Foreign currency differences arising on translation are recognised in profit or loss.

Foreign operations

The assets and liabilities of foreign operations are translated to Singapore dollars at exchange rates prevailing at the reporting date. The income and expenses of foreign operations are translated to Singapore dollars at exchange rates at the dates of the transactions.

Foreign currency differences are recognised in other comprehensive income and foreign currency translation reserve in equity. When a foreign operation is disposed of such that control is lost, the cumulative amount in the translation reserve related to that foreign operation is reclassified to profit or loss as part of the gain or loss on disposal. When the Group disposes of only part of its interest in a subsidiary that includes a foreign operation while retaining control, the relevant proportion of the cumulative amount is reattributed to non-controlling interests.

When the settlement of a monetary item receivable from or payable to a foreign operation is neither planned nor likely to occur in the foreseeable future, foreign exchange gains and losses arising from such a monetary item that are considered to form part of a net investment in a foreign operation are recognised in other comprehensive income, and are presented in the foreign currency translation reserve in equity.

(c) Financial Instrument

Recognition and initial measurement

Non-derivative financial assets and financial liabilities

Trade receivables and debt investments issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(c) Financial Instrument (cont'd)

Recognition and initial measurement (cont'd)

Non-derivative financial assets and financial liabilities (cont'd)

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

Classification and subsequent measurement

Non-derivative financial assets

On initial recognition, a financial asset is classified as measured at: amortised cost or FVTPL. Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at FVTPL

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(c) Financial Instrument (cont'd)

Financial assets: Business model assessment (cont'd)

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held-for-trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Non-derivative financial assets:

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Non-derivative financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(c) Financial Instrument (cont'd)

Non-derivative financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost. Other financial liabilities are initially measured at fair value less directly attributable transaction costs. They are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. These financial liabilities comprised loans and borrowings, bank overdrafts, and trade and other payables.

Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Group enters into transactions whereby it transfers assets recognised in its statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Group also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and short-term deposits with maturities of three months or less from the date of acquisition that are subject to an insignificant risk of changes in their fair value, and are used by the Group in the management of its short-term commitments. For the purpose of the statement of cash flows, bank overdrafts that are repayable on demand and that form an integral part of the Group's cash management are included in cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(c) Financial Instrument (cont'd)

Share capital

Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

Intra-group financial guarantees in the separate financial statements

Financial guarantees are financial instruments issued by the Company that require the issuer to make specified payments to reimburse the holder for the loss it incurs because a specified debtor fails to meet payment when due in accordance with the original or modified terms of a debt instrument.

Financial guarantees issued are initially measured at fair value and the initial fair value is amortised over the life of the guarantees. Subsequent to initial measurement, the financial guarantees are measured at the higher of the amortised amount and the amount of loss allowance.

Expected credit losses (ECLs) are a probability-weighted estimate of credit losses. ECLs are measured for financial guarantees issued as the expected payments to reimburse the holder less any amounts that the Company expects to recover.

(d) Property, Plant and Equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. Freehold land is measured at cost less accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group, and its cost can be measured reliably. The carrying amount of the replaced component is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(d) Property, Plant and Equipment (cont'd)

Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed and if a component has a useful life that is different from the remainder of that asset, that component is depreciated separately.

Depreciation is recognised as an expense in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment, unless it is included in the carrying amount of another asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term. Freehold land is not depreciated.

Depreciation is recognised from the date that the property, plant and equipment are installed and are ready for use.

The estimated useful lives for the current and comparative years are as follows:

Freehold building	50 years
Leasehold building (right-of-use assets)	As per lease term
Factory equipment	5 to 20 years
Building and factory improvements	5 to 10 years
Plant and machinery	5 to 12 years
Motor vehicles	5 years
Furniture and fittings	3 to 10 years
Office equipment and computers	3 to 10 years

Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

(e) Intangible Assets

Research and development

Expenditure on research activities, undertaken with the prospect of gaining new scientific or technical knowledge and understanding, is recognised in profit or loss as incurred.

Development activities involve a plan or design for the production of new or substantially improved products and processes. Development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Group intends to and has sufficient resources to complete development and to use or sell the assets. The expenditure capitalised includes the cost of materials, direct labour, overhead costs that are directly attributable to preparing the assets for its intended use. Other development expenditure is recognised in profit or loss as incurred.

Capitalised development costs is measured at cost less accumulated amortisation and accumulated impairment losses.

Software under development

Software under development is initially recognised at cost and is subsequently carried at cost less accumulated amortisation and accumulated impairment losses, once the Group commences usage of the software.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(e) Intangible Assets (cont'd)

Software under development (cont'd)

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

Amortisation

Amortisation is calculated based on the cost of the asset, less its residual value.

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use. The estimated useful life of capitalised development costs for the current and comparative years is 3 years

Amortisation methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories, production or conversion costs, and other costs incurred in bringing them to their existing location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of production overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated costs necessary to make the sale.

(g) Impairment

(i) Non-derivative financial assets and contract assets

The Group recognises loss allowances for ECLs on financial assets measured at amortised costs.

Loss allowances of the Group are measured on either of the following bases:

- 12-month ECLs: these are ECLs that result from default events that are possible within the 12 months after the reporting date (or for a shorter period if the expected life of the instrument is less than 12 months); or
- Lifetime ECLs: these are ECLs that result from all possible default events over the expected life of a financial instrument.

Simplified approach

The Group applies the simplified approach to provide for ECLs for all trade receivables. The simplified approach requires the loss allowance to be measured at an amount equal to lifetime ECLs.

General approach

The Group applies the general approach to provide for ECLs on all other financial instruments. Under the general approach, the loss allowance is measured at an amount equal to 12-month ECLs at initial recognition.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(g) Impairment (cont'd)

(i) **Non-derivative financial assets and contract assets** (cont'd)

General approach (cont'd)

At each reporting date, the Group assesses whether the credit risk of a financial instrument has increased significantly since initial recognition. When credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and includes forward-looking information.

If credit risk has not increased significantly since initial recognition or if the credit quality of the financial instruments improves such that there is no longer a significant increase in credit risk since initial recognition, loss allowance is measured at an amount equal to 12-month ECLs.

The Group considers a financial asset to be in default when:

- the borrower is unlikely to pay its credit obligations to the Group in full, without recourse by the Group to actions such as realising security (if any is held); or
- the financial asset remains outstanding beyond management's expected range of past due days taking into consideration past payment trends, macroeconomic and industry conditions.

The maximum period considered when estimating ECLs is the maximum contractual period over which the Group is exposed to credit risk.

Measurement of ECLs

ECLs are probability-weighted estimates of credit losses. Credit losses are measured at the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Group expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

Credit-impaired financial assets

At each reporting date, the Group assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default (as defined above);
- the restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

Presentation of allowance for ECLs in the statement of financial position

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of these assets.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(g) Impairment (cont'd)

(i) Non-derivative financial assets and contract assets (cont'd)

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

(ii) Non-financial assets

The carrying amounts of the Group's non-financial assets, other than inventories, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit (CGU) exceeds its estimated recoverable amount.

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

The Group's corporate assets do not generate separate cash inflows and are utilised by more than one CGU. Corporate assets are allocated to CGUs on a reasonable and consistent basis and tested for impairment as part of the testing of the CGU to which the corporate asset is allocated.

Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of CGUs are allocated to reduce the carrying amounts of the other assets in the CGU (group of CGUs) on a *pro rata* basis.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(h) Employee Benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in profit or loss in the periods during which related services are rendered by employees.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(h) Employee Benefits (cont'd)

Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

(i) Revenue

Goods and services sold

Revenue from the sale of goods and services in the ordinary course of business is recognised when the Group satisfies a performance obligation ("PO") by transferring control of a promised good or completing a service to the customer. The amount of revenue recognised is the amount of the transaction price allocated to the satisfied PO.

The transaction price is allocated to each PO in the contract on the basis of the relative stand-alone selling prices of the promised goods or services. The individual standalone selling price of a good or service that has not previously been sold on a stand-alone basis, or has a highly variable selling price, is determined based on the residual portion of the transaction price after allocating the transaction price to goods and/or services with observable stand-alone selling prices. A discount or variable consideration is allocated to one or more, but not all, of the performance obligations if it relates specifically to those performance obligations.

Transaction price is the amount of consideration in the contract to which the Group expects to be entitled in exchange for transferring the promised goods or services. The transaction price may be fixed or variable and is adjusted for time value of money if the contract includes a significant financing component. Consideration payable to a customer is deducted from the transaction price if the Group does not receive a separate identifiable benefit from the customer. When consideration is variable, the estimated amount is included in the transaction price to the extent that it is highly probable that a significant reversal of the cumulative revenue will not occur when the uncertainty associated with the variable consideration is resolved.

Revenue may be recognised at a point in time or over time following the timing of satisfaction of the PO. If a PO is satisfied over time, revenue is recognised based on the percentage of completion reflecting the progress towards complete satisfaction of that PO.

A contract asset is recognised when the value of goods delivered or services rendered for a contract exceeds payments received from the customer. The contract asset is transferred to trade receivables when the entitlement to payment becomes unconditional.

A contract liability is recognised when the customer pays consideration before the Group recognises the related revenue. A contract liability would also be recognised if the Group has an unconditional right to receive consideration before the Group recognises the related revenue. In such cases, a corresponding receivable would also be recognised.

The classification of a contract asset and contract liability is determined separately for each individual customer contract.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(j) Government Grant Income

Government grants are recognised initially as deferred income at fair value when there is reasonable assurance that they will be received and the Group will comply with the conditions associated with the grant. Grants that compensate the Group for expenses incurred are recognised in profit or loss as 'other income' on a systematic basis in the same periods in which the expenses are recognised.

(k) Leases

When the Group is a lessee

Accounting policies applicable from 1 January 2019

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

The Group recognises right-of-use assets and lease liabilities at the date which the underlying assets become available for use. Right-of-use assets are measured at cost, which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement dates, plus any initial direct costs incurred and an estimate of restoration costs, less any lease incentives received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

Right-of-use assets are subsequently depreciated using the straight-line method from the commencement dates to the earlier of the end of the useful lives of the right-of-use assets or the end of the lease terms. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the corresponding lease liabilities. The Group presents its right-of-use assets in "Property, plant and equipment" and lease liabilities in "Loans and borrowings" in the statement of financial position.

The initial measurement of lease liabilities is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined. If that rate cannot be readily determined, the Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivables;
- Variable lease payments that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under residual value guarantees;
- The exercise price of a purchase option if it is reasonably certain to exercise the option; and
- Payment of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

For contracts that contain both lease and non-lease components, the Group allocates the consideration to each lease component on the basis of the relative stand-alone price of the lease and non-lease components. The Group has elected not to separate lease and non-lease components for property leases; instead, these are accounted for as one single lease component.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(k) Leases (cont'd)

When the Group is a lessee (cont'd)

Accounting policies applicable from 1 January 2019 (cont'd)

Lease liabilities are measured at amortised cost, and are remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Group's assessment of whether it will exercise lease extension and termination options;
- There is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee; or
- There is a modification to the lease term.

When lease liabilities are remeasured, corresponding adjustments are made against the right-of-use assets. If the carrying amounts of the right-of-use assets have been reduced to zero, the adjustments are recorded in profit or loss. The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less, as well as leases of low value assets, except in the case of sub-lease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

Variable lease payments that are based on an index or a rate are included in the measurement of the corresponding right-of-use assets and lease liabilities. Other variable lease payments are recognised in profit or loss when incurred.

Accounting policies applicable prior to 1 January 2019

Lessee – Finance leases

Leases in terms of which the Group assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Other leases are operating leases and are not recognised in the Group's statement of financial position.

Lessee – Operating leases

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Contingent lease payments are accounted for by revising the minimum lease payments over the remaining term of the lease when the lease adjustment is confirmed.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(k) Leases (cont'd)

When the Group is a lessee (cont'd)

Accounting policies applicable prior to 1 January 2019 (cont'd)

Lessee – Operating leases (cont'd)

Determining whether an arrangement contains a lease

At inception of an arrangement, the Group determines whether such an arrangement is or contains a lease. This will be the case if the following two criteria are met:

- the fulfilment of the arrangement is dependent on the use of a specific asset or assets; and
- the arrangement contains a right to use the asset(s).

At inception or upon reassessment of the arrangement, the Group separates payments and other consideration required by such an arrangement into those for the lease and those for other elements on the basis of their relative fair values. If the Group concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. Subsequently, the liability is reduced as payments are made and an imputed finance charge on the liability is recognised using the Group's incremental borrowing rate.

(l) Finance Income and Finance Costs

Finance income comprises on interest income earned from cash and cash equivalents and funds invested. Interest income is recognised as it accrues in the profit or loss, using the effective interest method.

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

(m) Income Tax

Tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that they relate to a business combination, or items recognised directly in equity or in other comprehensive income.

The Group has determined that uncertain tax treatments, do not meet the definition of income taxes, and therefore accounted for them under SFRS(I) 1-37 *Provisions, Contingent Liabilities and Contingent Assets*.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any.

Current tax assets and liabilities are offset only if certain criteria are met.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(m) Income Tax (cont'd)

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss; and
- temporary differences related to investment in subsidiaries to the extent that the Group is able to control the timing of the reversal of the temporary difference and it is probable that they will not reverse in the foreseeable future.

The measurement of deferred taxes reflects the tax consequences that would follow the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognise a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered, based on the business plans for individual subsidiaries in the Group. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

In determining the amount of current and deferred tax, the Group takes into account the impact of uncertain tax positions and whether additional taxes and interest may be due. The Group believes that its accruals for tax liabilities are adequate for all open tax years based on its assessment of many factors, including interpretations of tax law and prior experience. This assessment relies on estimates and assumptions and may involve a series of judgements about future events. New information may become available that causes the Group to change its judgement regarding the adequacy of existing tax liabilities; such changes to tax liabilities will impact tax expense in the period that such a determination is made.

(n) Earnings per Share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which include bonus warrants issued to shareholders.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

3 Significant Accounting Policies (cont'd)

(o) Segment Reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. All operating segments' operating results are reviewed regularly by the Group's acting Chief Executive Officer ("CEO") (the chief operating decision maker) to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

Segment results that are reported to the Group's CEO include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly corporate assets (primarily the Company's headquarters), other investments, cash (managed at head office), head office expenses, tax assets and liabilities, loans and borrowings and head office accruals.

Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment, and intangible assets.

(p) New Standards and Interpretation Not Yet Adopted

A number of new standards, amendments to standards and interpretations are not yet effective and have not been applied in preparing these financial statements. An explanation of the impact, if any, on adoption of these new requirements is provided in Note 28.

4 Critical Accounting Estimates, Assumptions and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Group believes the following critical accounting policies involve judgements and estimates used in the preparation of the financial statements.

(a) Sources of Estimation Uncertainty

Impairment of non-financial assets, including property, plant and equipment and intangible asset

The Group assesses at each reporting date whether there is indication that its non-financial assets are impaired. The Group's non-financial assets comprise of two CGUs; the South Asia and the North Asia. To determine whether there is indication of impairment, the Group considers factors such as general economic conditions, industries development, local government policies and other factors which could affect the carrying value of these assets. An impairment exists when the carrying value of an asset or cash-generating unit exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value-in-use.

The recoverable amount for the South Asia CGU was based on the estimated fair value of the property which is determined by management using comparable property values based on their recent transacted prices. The fair value is based on market value, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion. The recoverable amount could change significantly as a result of changes in market conditions.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

4 Critical Accounting Estimates, Assumptions and Judgements (cont'd)

(a) Sources of Estimation Uncertainty (cont'd)

Impairment of non-financial assets, including property, plant and equipment and intangible asset (cont'd)

When value-in-use calculations are undertaken for the North Asia CGU, management must estimate the expected future cash flows from the asset or cash-generating unit and choose a suitable discount rate and growth rate in order to calculate the present value of those cash flows. The estimation of future cash flows requires judgement and the computed recoverable amount could change significantly if actual market conditions deviates from management's judgement.

Depreciation of property, plant and equipment and amortisation of intangible asset

Property, plant and equipment are depreciated on a straight-line basis over their useful lives which are estimated to be between 3 to 50 years. Intangible assets are amortised on a straight-line basis over their useful lives which are estimated to be 3 years.

The Group reviews the estimated useful lives of these assets annually in order to determine the amount of depreciation and amortisation expense to be recorded during any reporting period. The estimation of useful lives is based on assumptions about wear and tear, ageing, asset utilisation, anticipated use of the assets, technical standards and changes in demand as well as the Group's historical experience with similar assets. It is possible that future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned. A reduction in the estimated useful lives of property, plant and equipment and intangible asset would increase depreciation and amortisation expense respectively and decrease non-current assets.

Valuation of trade receivables

Trade receivables balances are subjected to the expected credit loss impairment model. Measurement of ECL allowance for trade receivables and key assumptions in determining the weighted-average loss rate is disclosed in Note 27(a)(i).

The Group evaluates the ECLs using a provision matrix estimate for trade receivables. The Group determines the estimates based on the ageing of the trade receivables balance, credit quality of the debtors and historical write-off experience. If, however, the financial conditions of the trade receivables were to deteriorate, actual write-offs would be higher than estimated.

Valuation of inventories

Where necessary, allowance for inventory obsolescence would be set up for estimated losses which may result from obsolete inventories held. The Group estimates the level of allowance based on the prevailing market conditions and historical inventory utilisation experience. The required level of allowance could change significantly as a result of changes in market conditions.

(b) Critical judgements in applying accounting policies

In the preparation of the financial statements, there were no critical judgements that management made in the process of applying the Group's accounting policies that have a significant effect on the amounts recognised in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

5 Revenue

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
Sale of goods	10,948	10,013
Installation service	300	426
	<u>11,248</u>	<u>10,439</u>

The nature of goods and services is similar for the Group's four operating segments. There is no significant difference in the contractual arrangements made in the four operating segments.

The following table provide information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies:

Nature of goods or services	The Group manufactures clean air environmental technology solutions equipment and clean room equipment based on the customer's specification. There is no significant customisation of the clean room equipment. In addition, the Group also installs certain equipment for their customers at the delivery of the equipment.
When revenue is recognised	For sales of goods, revenue is recognised at a point in time when goods are delivered to the customer and criteria for acceptance have been satisfied. For installation service, revenue is recognised at the completion of the installation service. The installation service is typically completed shortly after delivery of goods. The lead time between the delivery of goods and installation of the delivered goods is insignificant.
Significant payment terms	Invoices are issued upon delivery of goods or the completion of service and are payable within 30-60 days. In cases where, the Group received cash paid in advance of goods delivered and to the extent that they remain undelivered at balance sheet date, the Group defers recognition of revenue and recognise such amounts in the statement of financial position as "contract liabilities".
Obligations for warranties	For North Asia business, the equipment come with a standard warranty of one year, under which customers are able to return and replace any defective products. The standard warranty is consistent with market practice. There is no right to return the goods. There are no variable considerations such as volume discounts or sales rebates provided to customers.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

5 Revenue (cont'd)

Disaggregation of revenue from contracts with customers

In the following table, revenue from contracts with customers is disaggregated by primary geographical markets, major products and service lines and timing of revenue recognition. The table also includes a reconciliation of the disaggregated revenue with the Group's reportable segments (see Note 26).

10 Loss per Share

The following tables reflect the loss and share data used in the computation of basic and diluted loss per share:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
<i>Basic loss per share is based on</i>		
Loss for the year attributable to owners of the Company	<u>(1,647)</u>	<u>(2,467)</u>
	Number of shares	
	<u>2019</u> '000	<u>2018</u> '000
Issued ordinary shares at 1 January	107,700	107,700
Effect of new ordinary shares issued	-	-
Weighted average number of ordinary shares	<u>107,700</u>	<u>107,700</u>
Basic and diluted loss per share (SGD cents)	<u>(1.53)</u>	<u>(2.29)</u>

Basic loss per share is calculated on the Group's loss for the year attributable to owners of the Company divided by the weighted average number of ordinary shares in issue during the year.

Diluted loss per share is calculated on the same basis as basic loss per share as there were no dilutive potential ordinary shares and warrants as at 31 December 2019 and 2018.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

11 Property, Plant and Equipment (cont'd)

Assets held under lease liabilities/finance lease

During the previous financial year ended 31 December 2018, the Group acquired plant and machinery with carrying amount of S\$139,000 under a finance lease. The carrying amount of plant and machinery of the Group held under lease liabilities as at 31 December 2019 was S\$646,000 (2018: S\$161,000).

Security

As at 31 December 2019, the Group's property, plant and equipment with a total carrying value of S\$3,201,000 (2018: S\$3,611,000), were pledged as collaterals for the Group's loans and borrowings (see Note 20).

Right-of-use assets

Right-of-use assets acquired under leasing arrangements are presented together with the owned assets of the same class. Details of such leased assets are disclosed in Note 25.

At 31 December 2018	-	-	-
At 31 December 2019	-	171	171

Intangible assets comprise development expenditure capitalised in relation to new product technologies developed by the Group and software under development. In the financial year ended 31 December 2018, the amortisation of development costs is included in 'administrative expenses'. As at 31 December 2019, the software has not been used by the Group. Therefore, no amortisation was incurred during the financial year.

Impairment loss

In the previous financial year ended 31 December 2018, due to continued operating losses and tighter market conditions, management assessed that there were indicators of impairment on the recoverable amount of the North Asia CGU that included these development expenditures capitalised.

The Group assessed that the cash flows projection for the next three years to be negative and that there is no reliable source to estimate the fair value less cost to sell of the intangible assets. Accordingly, the Group recorded an impairment loss of S\$705,000 to the statement of comprehensive income ("other operating expenses") for the financial year ended 31 December 2018.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

12 Intangible Assets (cont'd)

The recoverable amount of the North Asia CGU was estimated based on the present value of the future cash flows expected to be derived (i.e. value-in-use). The key assumptions applied in the value-in-use computation are as follows:

	<u>2018</u> %
3 years compounded sales growth rate	65.6
Average gross profit margin	27.5
Discount rate	<u>12.2</u>

During the financial year ended 31 December 2019, the North Asia CGU continued to incur losses. Management continues to apply the same key assumptions and is of the view that any reasonably possible changes to the key assumptions applied will not likely cause the recoverable amounts to be above the carrying amounts of the CGU.

13 Subsidiaries (cont'd)

- (1) Audited by Moore Stephens LLP, Singapore.
- (2) Audited by member firm of Moore Global Network Limited
- (3) Audited for the purpose of group consolidation by BDO China Shu Lun Pan Certified Public Accountants LLP.
- (4) Not a significant subsidiary under SGX Listing Rule 717. For this purpose, a subsidiary is considered significant as defined under the Singapore Exchange Limited Listing Manual if its net tangible assets represent 20% or more of the Group's consolidated net tangible assets, or if its pre-tax profits account for 20% or more of the Group's consolidated pre-tax profits.

Henan Eindec Construction & Technology Co., Ltd ("Eindec Henan")

During the current financial year ended 31 December 2019, a wholly-owned subsidiary of the Group – Eindec (Shenzhen) Environmental Technology Co., Ltd. ("Eindec Shenzhen") incorporated a new subsidiary – Eindec Henan, in the PRC with two third parties to engage in the business of trading and distribution of cleanroom equipment, heating, ventilation and air conditioning equipment, marine dampers, air purification and filtration system and equipment and related supporting businesses including technical consultation, research and development technology services and after sales. Eindec Shenzhen holds 51% equity interest in Eindec Henan.

As at 31 December 2019, Eindec Henan has yet to commence operations and its capital remains unpaid.

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions. All shares rank equally with regard to the Company's residual assets.

All issued shares are fully paid, with no par value.

Warrants

On 30 August 2016, the Company allotted and issued 71,799,958 free warrants on the basis of two warrants for every three existing ordinary shares held by shareholders of the Company as at 22 August 2016, pursuant to the general mandate approved by members of the Company at the Annual General Meeting on 28 April 2016. Each warrant carries the right to subscribe for one ordinary share in the capital of the Company at an exercise price of S\$0.12 and expired on 2 September 2019.

As at 2 September 2019, no warrants were exercised and converted into ordinary shares of the Company, hence there was no financial impact arising from these warrants.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

19 Other Reserves (cont'd)

Merger reserve

Merger reserve represents the difference between the consideration paid and the share capital of the subsidiaries acquired by the Company under common control arrangements. The acquisition of the entities by the Company under common control arrangements was carried out as part of the restructuring exercise undertaken by Weiye Holdings Group.

Foreign currency translation reserve

The foreign currency translation reserve comprises all foreign exchange differences arising from the translation of the financial statements of foreign operations.

Statutory reserve

In accordance with the Foreign Enterprise Law applicable to entities in the PRC, the Company's PRC subsidiaries are required to make appropriation to a Statutory Reserve Fund ("SRF"). At least 10% of the profit after tax as determined in accordance with the applicable PRC accounting standards and regulations must be allocated to the SRF until the cumulative total of the SRF reaches 50% of the PRC entity registered capital. Subject to approval from the relevant PRC authorities, the SRF may be used to offset any accumulated losses or increase the registered capital of the PRC entity. The SRF is not available for dividend distribution to shareholders.

Bank overdrafts	MYR	0.75%	N.A	866	866	614	614

* *Malaysia base lending rate*

The Group's exposure to interest rate and liquidity risks is disclosed in Note 27.

The loans and borrowings of the Group are secured by the property, plant and equipment of a subsidiary (see Note 11) and deed of debenture provided by a subsidiary for Malaysian Ringgit ("MYR") 10.00 million.

Finance lease obligations

Leasing arrangements

As at 31 December 2018, the Group entered into finance leases for its plant and machinery and motor vehicles. The finance lease liabilities were reclassified to lease liabilities on 1 January 2019 arising from the adoption of SFRS(I) 16 (Note 25 and Note 28).

Future minimum lease payments under finance leases together with the present value of the net minimum lease payments are as follows:

	Group		
	<u>Future minimum lease payments</u> S\$'000	<u>Interest</u> S\$'000	<u>Present value of payments</u> S\$'000
<u>2018</u>			
Within one year	55	7	48
After one year but within five years	80	4	76
	<u>135</u>	<u>11</u>	<u>124</u>

The finance lease liabilities are secured by a charge over the leased assets.

Others	(59)	(14)	-*	(73)
	<u>181</u>	<u>(8)</u>	<u>-*</u>	<u>173</u>
<u>2018</u>				
Property, plant and equipment	210	30	-*	240
Others	(57)	(2)	-*	(59)
	<u>153</u>	<u>28</u>	<u>-*</u>	<u>181</u>

*Amount less than \$1,000

Unrecognised deferred tax liabilities

At 31 December 2019, there was no temporary difference (2018: Nil) related to investment in subsidiaries recognised because the Group controls the dividend policy of its subsidiaries and is able to veto the payment of dividends of its subsidiaries – i.e. the Group controls the timing of reversal of the related taxable temporary differences and it is satisfied they will not reverse in the foreseeable future.

Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following item:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
Unutilised tax losses carried forward	5,471	3,607

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

22 Deferred Tax Liabilities (cont'd)

The Group's tax losses carried forward comprise of tax losses arising from its operations in Singapore and the PRC. Under the applicable PRC tax legislation, tax losses as at 31 December 2019 and 2018 are expected to expire as follows:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
Between 1 year and 5 years	3,335	2,155

The remaining tax losses of S\$2,136,000 (2018: S\$1,452,000) relating to tax losses arising from the Group's Singapore operations and are not expected to expire under the applicable tax legislation.

Deferred tax assets have not been recognised in respect of the tax losses because of the uncertainty over the availability of future taxable profits arising from the relevant Group entities against which the Group can utilise the benefits.

23 Trade and Other Payables

	Group		Company	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000	<u>2019</u> S\$'000	<u>2018</u> S\$'000
Trade payables	3,068	2,977	-	-
Non-trade amounts due to:				
- ultimate holding company	1,897	2,033	1,897	2,033
- subsidiary	-	-	-	836
Accrued operating expenses	562	1,362	160	124
Other payables	406	385	51	20
	<u>5,933</u>	<u>6,757</u>	<u>2,108</u>	<u>3,013</u>

Included in the non-trade amount due to ultimate holding company is a loan of S\$1,718,000 (2018: S\$1,718,000) which is interest-bearing, unsecured and is repayable on demand. Interest is charged based on the three-month Singapore swap offer rate plus a margin of 3.5%. The remaining amount of the non-trade amount due to ultimate holding company is unsecured, interest-free and is repayable on demand.

The non-trade amount due to a subsidiary was unsecured, interest-free, and is repayable on demand. The amount was fully repaid in the current financial year.

The Group and the Company's exposure to currency and liquidity risk related to trade and other payables are disclosed in Note 27.

25 Lease Liabilities

Leases – As lessee

(a) Nature of the Group's leasing activities

The Group leases a number of warehouses, office premises and plant and machinery. The leases typically run for a period of 2 to 5 years. The leases include term extension options for which the Group has the right to exercise. For leases that the Group are expected to exercise that option, lease payments in the extension period have been capitalised in the Group's right-of-use assets and lease liabilities.

NOTES TO THE FINANCIAL STATEMENTS

- (e) Other disclosures

	Group <u>2019</u> S\$'000
Total cash outflow for leases	(506)

The Group has several lease contracts that include extension options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Group's business needs. Management exercises significant judgement in determining whether these extensions options are reasonably certain to be exercised.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

25 Lease Liabilities (cont'd)

Leases – As lessee (cont'd)

(f) Capital commitments

Capital expenditure contracted for at the statement of financial position date but not recognised in the financial statements is as follows:

	Group	
	<u>2019</u>	<u>2018</u>
	S\$'000	S\$'000
Commitment with respect to purchase of intangible asset	47	-

26 Operating Segments

For management purposes, the Group is organised into business units based on the products and services offered, and has four reportable operating segments as follows:

(i) *Clean room equipment*

A clean room provides an environment where the humidity, temperature and particles in the air are precisely controlled. Clean room equipment include fan filter units, air showers, clean booths, pass boxes, clean hand dryers and clean benches, amongst others.

(ii) *Heating ventilation and air-conditioning products*

Heating ventilation and air-conditioning products are essentially deflection grilles and air diffusers installed to channel and regulate the airflow into the environment within the building to ensure an even distribution of air within the confined space.

(iii) *Air purification equipment*

Air purification equipment (also referred to as air cleaners) are electrical devices that remove solid and gaseous pollutants from the air such as formaldehyde and PM2.5 which may pose adverse health risks that include breathing difficulties, asthma and allergies. Through the function of air filters or sterilising systems built into each air purification equipment, the concentration of dust, contaminants, fine particles and volatile organic compounds in the air are reduced to the benefit of individuals within the immediate vicinity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

26 Operating Segments (cont'd)

(iv) Others

Others refers to cooling towers which is complementary to the heating ventilation and air-conditioning products in Singapore.

The Group's acting CEO monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below.

Information regarding the results of each reportable segment is included below. Performance is measured based on segment loss before tax, as included in the internal management reports that are reviewed by the Group's acting CEO. Segment loss is used to assess performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

There are no inter-segment sales within the Group.

Major customer

Revenue from one customer of the Group's Singapore segment represented approximately 16% (2018: 14%) of the Group's total revenue.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments

(a) Financial Risk Management and Policies

Overview

The Group has exposure to the following risks arising from financial instruments:

- (i) *Credit risk*
- (ii) *Liquidity risk*
- (iii) *Market risk*

This note presents information about the Group's exposure to each of the above risks, the Group's objectives, policies and processes for measuring and managing risk, and the Group's management of capital.

Risk management framework

The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Group Audit Committee oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Group Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

(i) *Credit risk*

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and debt investments.

The carrying amounts of financial assets represent the Group and the Company's maximum exposures to credit risk, before taking into account any collateral held. The Group and the Company does not require any collateral in respect of their financial assets.

Impairment losses on financial assets recognised in profit or loss were as follows:

	Group	
	<u>2019</u>	<u>2018</u>
	S\$'000	S\$'000
(Reversal of)/Expected credit loss on trade receivables	(45)	18

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the demographics of the Group's customer base, including the default risk associated with the industry and country in which customers operate, as these factors may have an influence on credit risk. Details of concentration of revenue are included in Note 26.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(i) *Credit risk* (cont'd)

The Group has policies in place to evaluate credit risk when accepting new customers.

The Group's top 3 (2018: 3) customer accounts for 18.9% (2018: 28.4%) of the trade and other receivables as at 31 December 2019.

The Group does not require collateral in respect of trade receivables. The Group does not have trade receivables for which no loss allowance is recognised because of collateral.

Exposure to credit risk profile

The Group monitors credit risk by the country and industry sector exposures for its trade and accrued receivables. The credit risk concentration profile of the Group's trade and accrued receivables at the respective reporting dates are as follows:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
<u>By country</u>		
Singapore	3,444	2,303
PRC	965	1,169
Malaysia	-	122
	<u>4,409</u>	<u>3,594</u>

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
<u>By products</u>		
Clean room equipment	1,153	551
Heating ventilation and air distribution equipment	2,176	1,810
Air purification equipment	990	1,171
Others	90	62
	<u>4,409</u>	<u>3,594</u>

A summary of the Group's exposure to credit risk for trade receivables is as follows:

	<u>2019</u>		<u>2018</u>	
	<u>Not credit-impaired</u> S\$'000	<u>Credit-impaired</u> S\$'000	<u>Not credit-impaired</u> S\$'000	<u>Credit-impaired</u> S\$'000

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(i) *Credit risk* (cont'd)

Expected credit loss assessment

The Group uses an allowance matrix to measure the ECLs of trade receivables from customers, which comprise a very large number of small balances.

Loss rates are calculated using a 'roll rate' method based on the probability of a receivable progressing through successive stages of delinquency to write-off. Roll rates are calculated separately for exposures in different geographic region.

The following table provides information about the exposure to credit risk and ECLs for current trade receivables customers as at 31 December 2019 and 2018:

	Weighted average <u>loss rate</u> %	Group Gross carrying <u>amount</u> \$'000	Impairment loss <u>allowance</u> \$'000	Credit <u>impaired</u>
<u>2019</u>				
Current (not past due)	0.51	2,094	(11)	No
1 – 30 days past due	0.58	625	(4)	No
31 – 60 days past due	0.92	459	(4)	No
61 – 90 days past due	1.66	511	(8)	No
More than 90 days past due	12.73	856	(109)	No
		<u>4,545</u>	<u>(136)</u>	
<u>2018</u>				
Current (not past due)	0.78	1,499	(12)	No
1 – 30 days past due	0.91	727	(7)	No
31 – 60 days past due	1.55	405	(6)	No
61 – 90 days past due	2.91	270	(8)	No
More than 90 days past due	16.93	874	(148)	No
		<u>3,775</u>	<u>(181)</u>	

Loss rates are based on actual credit loss experience over the past two years. These rates are adjusted by scalar factors to reflect differences between economic conditions during the period over which the historic data has been collected, current conditions and the Group's view of economic conditions over the expected lives of the receivables.

Scalar factors are based on actual and forecast gross domestic product and are as follows: 1.39 (2018: 1.2) for Singapore and 1.02 (2018: 2.7) for PRC.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(i) *Credit risk* (cont'd)

Movements in allowance for impairment in respect of trade receivables

The movement in the allowance for impairment in respect of trade receivables during the year was as follows:

	Group Lifetime ECL S\$'000
At 1 January 2018 per FRS 39	63
Adjustment on initial application of SFRS(I) 9	100
At 1 January 2018 per SFRS(I) 9	163
Impairment loss recognised	18
At 31 December 2018 and at 1 January 2019 per SFRS(I) 9	181
Reversal of impairment loss	(45)
At 31 December 2019 per SFRS(I) 9	136

Non-trade amounts due from related corporation and subsidiaries

The Group held non-trade receivables from related corporation of S\$3,000 (2018: Nil) and the Company held non-trade receivables from subsidiaries of S\$3,370,000 (2018: S\$4,838,000). These balances are amounts extended to the related parties to satisfy short term funding requirements. The Company uses a similar approach for assessment of ECLs for these receivables to those used for trade and other receivables. Impairment on these balances has been measured on the 12-month expected loss basis which reflects the low credit risk of the exposures. The amount of the impairment allowance on these balances is insignificant.

Debt investment at amortised cost

The Group limits its exposure to credit risk on investments held by investing only in liquid debt securities and only with counterparties that have a credit rating of at least Baa3 from Moody's.

Impairment on debt investments are measured on the 12-month expected loss basis and reflects the short maturities of the exposures. The Group assessed that the risk of impairment allowance on the debt investment at amortised cost is insignificant.

Cash and cash equivalents

The Group and the Company held cash and cash equivalents of S\$1,656,000 and S\$67,000 (2018: S\$2,894,000 and S\$30,000) respectively at 31 December 2019. The cash and cash equivalents are held with bank and financial institution counterparties which are rated Baa2 and Aa1, based on Moody's ratings.

Impairment on cash and cash equivalents has been measured on the 12-month expected loss basis and reflects the short maturities of the exposures. The Group considers that its cash and cash equivalents have low credit risk based on the external credit ratings of the counterparties.

The Group uses a similar approach for assessment of ECLs for cash and cash equivalents to those used for debt investments. The amount of the allowance on cash and cash equivalents is negligible.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(i) *Credit risk* (cont'd)

Guarantees

The Group's policy is to provide financial guarantees only for their wholly-owned subsidiaries' liabilities.

The maximum exposure of the Company in respect of intra-group financial guarantee, if the loan facility is drawn down by a subsidiary, is S\$1,811,000 (2018: S\$1,549,000). At the reporting date, no loan amounts were drawn down by the subsidiary.

(ii) *Liquidity risk*

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank loan facilities. Approximately 76.09% (2018: 92.42%) of the Group's loans and borrowings will mature in less than one year based on the carrying amounts reflected in the statement of financial position as at 31 December 2019.

The following are the contractual maturities of financial liabilities. These amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting arrangements:

	Cash flows			
	Carrying amount S\$'000	Contractual cash flows S\$'000	Within 1 year S\$'000	Between 2 to 5 years S\$'000
Group				
<u>31 December 2019</u>				
Loans and borrowings	2,731	(2,868)	(2,194)	(674)

<u>31 December 2018</u>				
Trade and other payables	3,013	(3,120)	(3,120)	-

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(ii) *Liquidity risk* (cont'd)

Cash flows included in the maturity analysis of the Group and the Company are not expected to occur significantly earlier, or at significantly different amounts.

(iii) *Market risk*

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Foreign currency risk

The Group is exposed to currency risk from its operations and revenue and costs denominated in a currency other than the respective functional currencies of Group entities. The Group's foreign exchange exposures are primarily arising from transactions denominated in the US dollar.

The Group manages its transactional exposure by adopting a policy of matching, as far as possible, receipts and payments in each individual currency.

Exposure to currency risk

The summary of quantitative data about the Group's exposure to currency risk as reported to the management of the Group is as follows:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
US dollar		
Trade and other receivables	100	79
Cash and cash equivalents	72	68
Trade and other payables	(148)	(253)
	<u>24</u>	<u>(106)</u>

The Company is not exposed to any foreign currency risk.

Sensitivity analysis for foreign currency risk

A 5% strengthening of the Singapore dollar against the US dollar at the reporting date would have increased/(decreased) profit or loss by the amounts shown below. This analysis is based on foreign currency exchange rate variances that the Group considered to be reasonably possible at the end of the reporting period. This analysis assumes that all other variables, in particular interest rates, remain constant. The analysis is performed on the same basis for 2018, as indicated below:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
US dollar	<u>(1)</u>	<u>5</u>

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(iii) *Market risk* (cont'd)

Foreign currency risk (cont'd)

A 5% weakening of the Singapore dollar against the above currency would have had an equal but opposite effect to the amounts shown above, on the basis that all other variables remain constant.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rates.

The Group's exposure to interest rate risk arises primarily from its floating rate loans and borrowings. The Group's policy is to obtain the most favourable interest rates available.

Exposure to interest rate risk

At the reporting date, the interest rate profile of the Group's interest-bearing financial instruments, as reported to the management, was as follows:

	Group	
	<u>2019</u> S\$'000	<u>2018</u> S\$'000
<u>Fixed rate instrument</u>		
Other investments	290	672
Fixed deposits	-	750
Bank overdrafts	(866)	(614)
Finance lease liabilities	-	(124)
Lease liabilities	(1,145)	-
	<u>(1,721)</u>	<u>684</u>
 <u>Variable rate instrument</u>		
Other investments	1,448	1,620
Non-trade amount due to ultimate holding company	(1,718)	(1,718)
Secured bank loans	(720)	(264)
	<u>(990)</u>	<u>(362)</u>

Fair value sensitivity analysis for fixed rate instruments

The Group does not account for any fixed rate financial assets at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(a) Financial Risk Management and Policies (cont'd)

(iii) *Market risk* (cont'd)

Interest rate risk (cont'd)

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have (decreased)/increased profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. This analysis is performed on the same basis for 2018.

	Profit or loss	
	100 bp <u>increase</u> S\$'000	100 bp <u>decrease</u> S\$'000
Group		
<u>31 December 2019</u>		
Variable rate instruments	(10)	10
<u>31 December 2018</u>		
Variable rate instruments	(4)	4

(b) Fair Value

Determination of fair values

Lease liabilities

The fair value of the non-current lease liabilities are determined by discounted expected cash flows. The discount rate used is based on the market rate for similar instruments as at the statement of financial position date.

Other financial assets and liabilities

The carrying amounts of financial assets and liabilities with a maturity of less than one year (including trade and other receivables, cash and cash equivalents, and trade and other payables) approximate their fair values because of the short period to maturity. All other financial assets and liabilities are discounted to determine their fair values.

Accounting classifications and fair values

The carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy are as follows:

NOTES TO THE FINANCIAL STATEMENTS

Measurement of fair values

Valuation techniques and significant unobservable inputs

Financial instruments measured at fair value

<u>Type</u>	<u>Valuation technique</u>	<u>Significant unobservable inputs</u>	<u>Inter-relationship between unobservable inputs and fair value measurement</u>
Debt investment	The fair value is determined by using the present value of expected future cash flows, discounted using a market discount rate.	Not applicable	Not applicable

Financial instruments not measured at fair value

<u>Type</u>	<u>Valuation technique</u>
Other financial liabilities*	Discounted cash flows: The valuation model considers the present value of expected payment, discounted using a risk-adjusted discount rate.

* Other financial liabilities relate to loans and borrowings.

(c) Capital Management

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2019 and 2018.

The Company's PRC subsidiaries are required by the relevant laws and regulations of the PRC to contribute to and maintain a non-distributable statutory reserve fund for which the utilisation is subject to approval by the relevant PRC authorities. This externally imposed capital requirement has been complied with by the subsidiaries for the financial years ended 31 December 2019 and 2018.

The Group monitors capital using net debt to equity ratio, which is net debt divided by total equity attributable to owners of the Company. For this purpose, net debt is defined as total liabilities less cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

27 Financial Instruments (cont'd)

(c) Capital Management (cont'd)

The Group's net debt to equity ratio at the reporting date was as follows:

	Group	
	<u>2019</u>	<u>2018</u>
	S\$'000	S\$'000
Total liabilities	9,329	8,151
Less: Cash and cash equivalents	(1,656)	(2,894)

Equity attributable to owners of the Company	<u>7,519</u>	<u>9,310</u>
Adjusted net debt to equity ratio	<u>1.02</u>	<u>0.56</u>

28 Adoption of New and Revised Singapore Financial Reporting Standards (International) ("SFRS(I)")

Adoption of New and Revised SFRS(I) issued which are effective

On 1 January 2019, the Group has adopted the new or amended SFRS(I) and SFRS(I) Interpretations ("SFRS(I) INTs") that are mandatory for application for the financial year. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and SFRS(I) INTs. The adoption of these new or amended SFRS(I) and SFRS(I) INTs did not result in substantial changes to the Group's accounting policies and had no material effect on the amounts reported for the current or prior financial years except for the adoption of SFRS(I) 16 Leases:

SFRS(I) 16 *Leases*

SFRS(I) 16 sets out a revised framework for the recognition, measurement, presentation and disclosure of leases, and replaces SFRS(I) 1-17 *Leases*, SFRS(I) INT 4 *Determining whether an Arrangement contains a Lease*, SFRS(I) INT 1-15 *Operating Leases – Incentives*; and SFRS(I) INT 1-27 *Evaluating the Substance of Transactions Involving the Legal Form of a Lease*. SFRS(I) 16 requires lessees to recognise right-of-use assets and lease liabilities for all leases with a term of more than 12 months, except where the underlying asset is of low value. The right-of-use asset is depreciated and interest expense is recognised on the lease liability. Lease incentives (e.g. rent-free period) are recognised as part of the measurement of the right-of-use assets and lease liabilities. Right-of-use assets are tested for impairment in accordance with SFRS(I) 1-36 *Impairment of Assets*.

a) For all contracts entered into before 1 January 2019 and that were previously identified as leases under SFRS(I) 1-17 and SFRS(I) INT 4, the Group is exempted from having to reassess whether pre-existing contracts contain a lease. Accordingly, the definition of a lease in accordance with SFRS(I) 1-17 and SFRS(I) INT 4 will continue to be applied to leases entered or modified before 1 January 2019.

b) The Group has, on a lease-by-lease basis:

- applied a single discount rate to a portfolio of leases with reasonably similar characteristics;
- relied on previous assessments on whether leases are onerous as an alternative to performing an impairment review;

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

28 Adoption of New and Revised Singapore Financial Reporting Standards (International) ("SFRS(I)") (cont'd)

Adoption of New and Revised SFRS(I) issued which are effective (cont'd)

SFRS(I) 16 Leases (cont'd)

b) The Group has, on a lease-by-lease basis: (cont'd)

- excluded initial direct costs in the measurement of the right-of-use ("ROU") asset at the date of initial application; and
- used hindsight in determining the lease term where the contract contains options to extend or terminate the lease.

c) The Group has elected not to recognise ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Impact on lessee accounting

On 1 January 2019, the Group has applied a modified retrospective approach that does not restate comparative information. The Group recognised right-of-use assets and lease liabilities for those leases previously classified as operating leases, except for short-term leases and leases of low-value assets. The right-of-use assets and lease liabilities for the leases were recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application. The right-of-use assets recognised on 1 January 2019 is equal to the lease liabilities.

For leases previously classified as finance leases, the carrying amount of the leased asset and finance lease liability as at 1 January 2019 are determined as the carrying amount of the ROU assets and lease liabilities.

Financial impact of adoption of SFRS(I) 16

On 1 January 2019, the Group:

- (i) recognised right-of-use assets and lease liabilities of S\$1,047,000.
- (ii) included in lease liabilities recognised under SFRS(I) 16, S\$124,000 of finance lease liabilities that were recorded as at 31 December 2018.

When measuring lease liabilities, the Group discounted lease payments using its incremental borrowing rate at 1 January 2019. The weighted-average rate applied is 3%.

The lease liabilities as at 1 January 2019 can be reconciled to the operating lease commitments as of 31 December 2018, as follow:

	S\$'000
Operating lease commitment disclosed as at 31 December 2018	1,081
Less:	
Discounted using the incremental borrowing rate at 1 January 2019	(7)
Short term leases	(27)
Add:	
Finance lease liabilities recognised as at 31 December 2018	124
Lease liabilities recognised at 1 January 2019	<u>1,171</u>

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2019

28 Adoption of New and Revised Singapore Financial Reporting Standards (International) ("SFRS(I)") (cont'd)

Adoption of New and Revised SFRS(I) issued but not yet effective

At the date of authorisation of these financial statements, the following standards that have been issued and are relevant to the Group and Company but not yet effective:

		Effective for annual financial periods beginning on or after
	<i>Amendments to References to the conceptual framework in SFRS(I) standards</i>	1 January 2020
SFRS(I) 3	<i>Amendments to SFRS(I) 3 Business Combination: Definition of a Business</i>	1 January 2020
SFRS(I) 1-1 and SFRS(I) 1-8	<i>Amendments to SFRS(I) 1-1 Presentation of Financial Statements and SFRS(I) 1-8 Accounting Policies, Changes in Accounting Estimates and Errors: Definition of Material</i>	1 January 2020
SFRS(I) 10 and SFRS(I) 1-28	<i>Amendments to SFRS(I) 10 and SFRS(I) 1-28 Investments in Associates and Joint Ventures – Sale or contribution of assets between an investor and its associate or joint venture</i>	Deferred indefinitely, early application is still permitted

The directors expect that the adoption of the standards above will have no material impact on the financial statements in the period of initial application.

Notes:

- (1) Mr. Zhang Wei is deemed to have an interest in the Shares held by Weiye Holdings Limited ("**Weiye**") by virtue of his 54.46% shareholding in Weiye by virtue of Section 7 of the Companies Act, Chapter 50.
- (2) Mr. Chen Zhiyong is deemed to have an interest in the Shares held by Weiye by virtue of his 20.52% shareholding in Weiye by virtue of Section 7 of the Companies Act, Chapter 50.

PERCENTAGE OF SHAREHOLDING IN PUBLIC'S HANDS

Based on the information available to the Company as at 1 April 2020 and to the best knowledge of the Directors of the Company, approximately 33.24% of the issued ordinary shares of the Company was held in the hands of public, as defined in the Listing Manual Section B: Rules of the Catalist of the Singapore Exchange Securities Trading Limited ("**Catalist Rules**"). Accordingly, Rule 723 of the Catalist Rules which requires at least 10% of the equity securities to be in the hands of the public is complied with.

SUMMARY OF RESOLUTIONS

PROPOSED RESOLUTIONS

(For Forthcoming Annual General Meeting)

As announced by the Company on 3 April 2020, the Annual General Meeting ("**AGM**") of the Company for the financial year ended 31 December 2019 ("**FY2019**") has been postponed and will be convened on or before 29 June 2020. Accordingly, this Annual Report is not accompanied by the Notice of AGM and the Proxy Form. The Notice of AGM, together with the Proxy Form and any supporting documents, will be sent to shareholders of the Company at a later date. Shareholders are advised to refer to further announcement(s) to be made by the Company via SGXNet.

Following are the proposed resolutions to be voted/passed at the AGM of the Company for FY2019.

AS ORDINARY BUSINESS

1. To receive and adopt the Directors' Statement and the Audited Financial Statements of the Company and the Group for the financial year ended 31 December 2019, together with the Auditors' Report thereon. **(Resolution 1)**
2. To approve the payment of Directors' fees of S\$175,000 for the financial year ending 31 December 2020, to be paid quarterly in arrears (2019: S\$175,000). **(Resolution 2)**
3. To re-elect the following Directors of the Company retiring pursuant to Regulation 99 of the Constitution of the Company, and who, being eligible, offer themselves for re-election, as Directors of the Company:
 - (i) Mr. See Yen Tarn **(Resolution 3)**
 - (ii) Mr. Wong Chee Meng Lawrence **(Resolution 4)**

[See Explanatory Notes (i) and (ii)]
4. To re-appoint Messrs Moore Stephens LLP, as the Auditors of the Company and to authorise the Directors of the Company to fix their remuneration. **(Resolution 5)**
5. To transact any other ordinary business which may properly be transacted at an AGM.

AS SPECIAL BUSINESS

To consider and, if thought fit, with or without any modifications, to pass the following resolutions as Ordinary Resolutions:

6. Authority to allot and issue shares

That pursuant to Section 161 of the Companies Act, Chapter 50 of Singapore ("**Companies Act**") and Rule 806 of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") Listing Manual Section B: Rules of Catalist ("**Catalist Rules**"), the Directors of the Company be authorised and empowered to:

- (a) (i) allot and issue shares in the Company ("**shares**") whether by way of rights, bonus or otherwise; and/or

SUMMARY OF RESOLUTIONS

- (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require shares to be issued, including not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and

- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors of the Company while this Resolution was in force,

provided that:

- (1) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) and Instruments to be issued pursuant to this Resolution shall not exceed one hundred per centum (100%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro rata basis to existing shareholders of the Company shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares and Instruments that may be issued under subparagraph (1) above, the percentage of issued shares and Instruments shall be based on the number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
 - (a) new shares arising from the conversion or exercise of the Instruments or any convertible securities outstanding at the time of passing of this Ordinary Resolution;
 - (b) (where applicable) new shares arising from exercising share options or vesting of share awards, provided that such share awards or share options (as the case may be) were granted in compliance with Part VIII of the Catalist Rules; and
 - (c) any subsequent bonus issue, consolidation or subdivision of shares,

adjustments in accordance with sub-paragraph (2)(a) or sub-paragraph (2)(b) above are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Resolution;

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Companies Act and the Constitution of the Company for the time being in force; and

SUMMARY OF RESOLUTIONS

- (4) unless revoked or varied by the Company in a general meeting, such authority conferred by this Resolution shall continue in force (i) until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.

[See Explanatory Note (iii)]

(Resolution 6)

7. **Authority to grant awards and allot and issue shares under the Eindex Performance Share Plan 2015 ("Share Plan")**

That pursuant to Section 161 of the Companies Act, the Directors of the Company be authorised and empowered to grant awards in accordance with the provisions of the Share Plan and issue from time to time such number of shares in the capital of the Company as may be required to be issued pursuant to the vesting of share awards under the Share Plan, whether granted during the subsistence of this authority or otherwise, provided always that the aggregate number of additional ordinary shares to be issued pursuant to the Share Plan shall not exceed fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time and that such authority shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier.

[See Explanatory Note (iv)]

(Resolution 7)

8. **Renewal of the Shareholders' general mandate for Interested Person Transactions**

That for the purposes of Chapter 9 of the Catalist Rules:

- (a) approval be and is given for the purposes of Chapter 9 of the Catalist Rules ("Chapter 9") for the Company, its subsidiaries and associated companies that are considered to be "entities at risk" under Chapter 9, or any of them, to enter into any of the transactions falling within the types of interested person transactions (details of which will be set out in an addendum to the Notice of AGM ("**Addendum**") to be sent to shareholders of the Company at a later date), with any party who is of the class of interested persons, provided that such transactions are made on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders, and are in accordance with the guidelines of the Company for Interested Person Transactions as set out in the Addendum ("**IPT Mandate**");
- (b) the IPT Mandate shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier; and
- (c) authority be given to the Directors of the Company to complete and do all such acts and things (including without limitation, executing all such documents as may be required) as they or he may consider expedient or necessary or in the interests of the Company to give effect to the transactions contemplated and/or authorised by the IPT Mandate and/or this Resolution.

[See Explanatory Note (v)]

(Resolution 8)

SUMMARY OF RESOLUTIONS

Explanatory Notes:

(i) Resolution 3

Mr. See Yen Tarn will, upon re-election as a Director of the Company, remain as an Independent Director, the Chairman of the Audit Committee, a member of the Nominating Committee and the Remuneration Committee of the Company. There are no relationships (including family relationships) between Mr. See Yen Tarn and the other Directors, the Company, its related corporation, its officer or its substantial shareholders, which may affect his independence. The Board considers Mr. See Yen Tarn to be independent for the purposes of Rule 704(7) of the Catalyst Rules. Further detailed information on Mr. See Yen Tarn can be found in the sections entitled "Board of Directors", "Corporate Governance Report" and "Directors' Statement" of the Annual Report 2019.

(ii) Resolution 4

Mr. Wong Chee Meng Lawrence will, upon re-election as a Director of the Company, remain as an Independent Director, the Chairman of the Remuneration Committee, a member of the Audit Committee and the Nominating Committee of the Company. There are no relationships (including family relationships) between Mr. Wong Chee Meng Lawrence and the other Directors, the Company, its related corporation, its officer or its substantial shareholders, which may affect his independence. The Board considers Mr. Wong Chee Meng Lawrence to be independent for the purposes of Rule 704(7) of the Catalyst Rules. Further detailed information on Mr. Wong Chee Meng Lawrence can be found in the sections entitled "Board of Directors", "Corporate Governance Report" and "Directors' Statement" of the Annual Report 2019.

(iii) Resolution 6

The Ordinary Resolution 6, if passed, will empower the Directors of the Company from the date of this AGM until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, one hundred per centum (100%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to fifty per centum (50%) may be issued other than on a pro rata basis to existing shareholders of the Company.

For determining the aggregate number of shares that may be issued, the percentage of issued shares in the capital of the Company will be calculated based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities, the exercise of share options or the vesting of share awards outstanding or subsisting at the time when this Resolution is passed and any subsequent consolidation or subdivision of shares.

(iv) Resolution 7

The Ordinary Resolution 7, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to grant awards and to issue shares in the share capital of the Company pursuant the Share Plan, up to a number not exceeding in total fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time.

(v) Resolution 8

Ordinary Resolution 8, if passed, will authorise the interested person transactions as described in the Addendum and recurring in the year and will empower the Directors of the Company to do all acts necessary to give effect to the IPT Mandate. Mr. Zhang Wei, who is deemed to be interested in the IPT Mandate, will abstain from voting and has undertaken to ensure that his Associates will abstain from voting.
