## CHANGE OF NAME OF A WHOLLY-OWNED SUBSIDIARY

CWT Limited ("CWT or the "Group") today announced that as part of an internal business rationalization by the Group to further integrate core resources and consolidate its logistics businesses, its wholly-owned subsidiary OCWS Logistics Pte Ltd ("OCWS") has changed its name to CWT Integrated Pte Ltd ("CWT Integrated") with effect from January 23, 2014.

Although well-known by the name OCWS for many years in the container logistics market and marine industry, the official name change will benefit from CWT's international recognition and clearly reflects the global capabilities and the advantages of being part of the CWT Group.

CWT Integrated will be helmed by Kay Kong Swan, CEO for Integrated Logistics. He was formerly CEO, Container Logistics and Managing Director of OCWS. The principal activities of CWT Integrated include the provision of container storage and services, transportation, packing solutions, warehousing and distribution as well as other value-adding logistics solutions.

There will be no disruption to business continuity as a result of the change in company name.

By Order of the Board
