PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FULL YEAR FINANCIAL RESULTS FOR THE SIX MONTHS AND FULL YEAR ENDED 30 JUNE 2026

The Board of Directors (the "**Board**") of CFM Holdings Limited (the "**Company**", and together with its subsidiaries, collectively the "**Group**") wishes to issue a profit guidance for the Group's financial results for the six-month period and full financial year ended 30 June 2026 ("**FY2026**").

Based on the preliminary figures of the Group's unaudited consolidated results for the FY2026, the Group expects to record a higher loss after tax for FY2026 as compared to the loss after tax for the full year ended 30 June 2025 ("**FY2025**"). This was mainly due to significantly lower revenue from the metal stamping segment, attributed by customers overstocking in the previous financial period, end-of-life cycle products, maturing customer contracts, and the effects of U.S. tariff policies.

In spite of lower manpower costs, lower foreign exchange losses and tax expenses, the Group is expected to record a higher loss after tax for FY2026 as compared to the net loss after tax for FY2025.

The Company is still in the process of finalising its unaudited consolidated financial results for FY2026 and will provide further details of the Group's performance when it announces its unaudited financial results for FY2026 on or before 28 August 2026.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company's securities.
