3. THE SUBSCRIPTIONS

3.1. The Issue Price and Consideration

The Subscribers propose to subscribe for an aggregate of 630,000,000 Subscription Shares with 210,000,000 Investment Warrants for an aggregate consideration of S\$630,000 (the “**Consideration**”) at an Issue Price of S\$0.001 per Subscription Share. The Issue Price represents the volume weighted average price of S\$0.001 for trades done on the SGX-ST on 11 January 2022 (being the last full market day on which trades were done immediately preceding the date of the Subscription Agreement) (the “**VWAP**”). The VWAP is S\$0.001.

3.2. The Subscription Shares

There is no moratorium imposed on the Subscription Shares.

The Subscription Shares, when issued and delivered, shall be free from all claims, charges, liens and other encumbrances whatsoever and shall rank *pari passu* in all respects with and shall carry all rights similar to the existing Shares except that they will not rank for any dividend, right, allotment or other distributions, the record date for which falls on or before the completion of the Subscription.

3.3. The Investment Warrants and Warrant Shares

There is no moratorium imposed on the Investment Warrants or the Warrant Shares.

In addition to the Subscription Shares, the Subscribers are entitled to one (1) Investment Warrant convertible into one (1) Warrant Share at an exercise price of S\$0.001 for every three (3) Subscription Shares subscribed for by the Subscribers under the Subscription Agreements.

The Investment Warrants will be freely and immediately detachable upon issue, will be issued in registered form and will not be listed and traded separately (whether on the Catalist Board of the SGX-ST (the “**Catalist**”) or elsewhere). There is no additional consideration paid for the entitlement to the Investment Warrants.

Subject to the terms and conditions governing the Investment Warrants to be set out in an instrument by way of a deed poll (the “**Deed Poll**”), each Investment Warrant shall carry the right to subscribe for one (1) Share (the “**Warrant Share**”) at the exercise price of S\$0.001 (the “**Investment Warrants Exercise Price**”) at any time during the period commencing on the date of issue of the Investment Warrants and expiring on the day immediately preceding the third (3rd) anniversary of the date of issue of the Investment Warrants (the “**Investment Warrants Exercise Period**”). Expiry Date on SGXNET.

3.4. **Conditions**

Completion of the Subscriptions is conditional upon:

- (a) the Share Issue Mandate being valid, subsisting and adequate for the purposes of the issue of the Subscription Shares and the Investment Warrants as at the date of completion of the Subscriptions (the “**Completion Date**”);
- (b) approval in-principle for the listing and quotation of the Subscription Shares and the Warrant Shares on the Catalist being obtained from the SGX-ST and not revoked or amended as at the Completion Date and, where such approval is subject to conditions, such conditions being reasonably acceptable to the Subscribers;

- (e) the Company and the Subscribers not being in breach of any of the undertakings and the covenants in the respective Subscription Agreements as at the Completion Date.

If the conditions set forth in paragraphs 3.3(a) and 3.3(b) above are not satisfied within five (5) months from the date of the Subscription Agreements (or such other date as may be mutually agreed between the Company and the respective Subscribers), the Subscription Agreements shall terminate and the obligations of the Company to issue the Subscription Shares and the Investment Warrants and the Subscribers to subscribe for the Subscription Shares shall *ipso facto* cease and determine thereafter, and no party shall have any claim against the others for costs, expenses, damages, losses, compensation or otherwise in respect of the Subscriptions, save for any antecedent breach of the Subscription Agreements or the parties’ respective liability for the payment of costs and expenses under the Subscription Agreements.

3.5. **Additional Listing Application**

The Company will, through its Catalist sponsor, be making an application to the SGX-ST for the listing and quotation of the Subscription Shares and the Warrant Shares on the Catalist. The Company will make the necessary announcements once the approval-in-principle for the listing and quotation of the Subscription Shares and the Warrant Shares has been obtained from the SGX-ST.

4. **INTRODUCER FEE**

The Subscribers were approached directly and independently by Chadway Management Services Pte Ltd (“**Chadway**”), a Singapore incorporated firm that is an exempt person advising on corporate finance under the Securities and Futures Act, Singapore, for the Subscriptions. An introducer fee of \$18,900 equivalent to 3.0% of the Consideration received by the Company

shall be paid to Chadway by the Company. For the avoidance of doubt, the payment of the introducer fee is contingent on successful completion of the Subscriptions. The payment of introducer fee will be made no later than five (5) working days following completion of the Subscriptions.

Chadway was introduced to the Company by Dato' Ng Tian Sang @ Ng Kek Chuan, the Executive Chairman and CEO and substantial shareholder of the Company. Chadway was subsequently appointed by the Company to assist the Company to source, facilitate, structure as well as to manage the successful outcome of the infusion of fresh equity financing into the Company. Apart from the introduction of Chadway to the Company, Dato' Ng Tian Sang @ Ng Kek Chuan does not have any business relationship with Chadway. Save as aforementioned, Chadway does not have any connection (including business relationship) with the Company, its Directors and substantial shareholders.

5. FINANCIAL EFFECTS OF THE SUBSCRIPTIONS

The financial effects of the Subscriptions set out below are for illustrative purposes only and do not purport to be indicative or a projection of the results and financial position of the Company and the Group after completion of the Subscriptions.

The financial effects of the Subscriptions on the Group have been computed based on the latest available audited financial statements of the Group for the financial year ended 31 December 2020 (“FY2020”) and the following bases and assumptions:

- (a) the expenses incurred in the Subscriptions are disregarded for the purposes of calculating the financial effects;
- (b) the financial effect on the consolidated net tangible liabilities (“NTA”) per Share of the Group is computed based on the assumption that the Subscriptions was completed on 31 December 2020; and
- (c) the financial effect on the consolidated loss per Share (“LPS”) of the Group is computed based on the assumption that the Subscriptions was completed on 1 January 2020.

NTA per Share

	Before the Subscriptions	After adjusting for the Subscription Shares	After adjusting for the Subscription Shares and the Maximum Warrant Shares
NTA per share (S\$ cents)	0.024	0.027	0.028

LPS

	Before the Subscriptions	After adjusting for the Subscription Shares	After adjusting for the Subscription Shares and the Maximum Warrant Shares
LPS per share (S\$ cents)	0.032	0.031	0.031

6. RATIONALE AND USE OF PROCEEDS

The Company's rationale for the Subscriptions is that the Subscriptions will be used to strengthen the financial position and capital base of the Group. The Board is cautiously confident that the additional working capital together with an effective strategic plan and a strong management team to execute the plans of the Company will allow the Group to grow successfully and steadily. The net proceeds will be used for the future expansion of the Group as well as for the working capital needs of the Group.

The net proceeds from the Subscriptions of approximately S\$630,000 (the "**Share Subscription Net Proceeds**") will be used by the Company in the following estimated proportions:

Use of Proceeds	Percentage Allocation (%)	Amount of the Share Subscription Net Proceeds (S\$)
Funding growth, development and expansion of its existing medical aesthetics and healthcare business and exploration of new business opportunities as and when they arise	50	315,000
Working capital purposes mainly comprising: (i) Manpower costs; (ii) Professional fees such as compliance costs and continuing listing expenses; and (iii) Administrative and head office expenses	50	315,000
Total	100	630,000

Assuming all the Investment Warrants are exercised, the estimated gross proceeds from the exercise of the Investment Warrants will be approximately S\$210,000 (the "**Investment Warrants Exercise Proceeds**"). As and when the Investment Warrants are exercised, the Investment Warrants Exercise Proceeds may, at the discretion of the Directors, be applied largely in the following proportions:

Use of Proceeds	Percentage Allocation (%)	Amount of the Investment Warrants Exercise Proceeds (S\$)
Funding growth, development and expansion of its existing medical aesthetics and healthcare business and exploration of new business opportunities as and when they arise	50	105,000
Working capital purposes mainly comprising: (i) Manpower costs; (ii) Professional fees such as compliance costs and continuing listing expenses; and (iii) Administrative and head office expenses	50	105,000
Total	100	210,000

Pending the use of the Share Subscription Net Proceeds and the Investment Warrants Exercise Proceeds, such amounts may be deposited in financial institutions or be used for working

capital or any other purpose on a short-term basis.

The Company will make periodic announcements as and when the Share Subscription Net Proceeds and the Investment Warrants Exercise Proceeds are materially disbursed and whether the disbursements are in accordance with the use of proceeds as stated in this announcement.

The Company will also provide a status report on the use of the Share Subscription Net Proceeds and the Investment Warrants Exercise Proceeds in the Company's annual report. Where the Share Subscription Net Proceeds and the Investment Warrants Exercise Proceeds are used for working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the Company's announcements and annual report.

Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation.

7. DIRECTORS' CONFIRMATION

The Directors are of the opinion that, after taking into consideration the Group's present financial position, including its banking facilities, its bank and cash balances, the Group will have adequate working capital for its present requirements, with or without the Subscriptions taking place. Notwithstanding the foregoing, the Directors are of the opinion that the Share Subscription Net Proceeds and the Investment Warrants Exercise Proceeds will further strengthen and supplement the Group's financial position and capital base.

8. ALLOTMENT AND ISSUANCE OF THE SUBSCRIPTION SHARES, THE INVESTMENT WARRANTS AND THE WARRANT SHARES

The Subscription Shares and the Investment Warrants (and on exercise of the Investment Warrants, the Warrant Shares) will be allotted and issued pursuant to the Share Issue Mandate obtained at the annual general meeting of the Company held on 29 June 2021 (the "AGM"). As at the date of this announcement, 735,000,000 Shares and 245,000,000 warrants have been issued pursuant to the Share Issue Mandate. As such, the 630,000,000 Subscription Shares and the 210,000,000 Investment Warrants (and on exercise of the Investment Warrants, up to 210,000,000 Warrant Shares) which may be issued pursuant to the Subscription Agreement fall within the limits of the Share Issue Mandate.

9. INTEREST OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

None of the Directors or substantial shareholders of the Company has any interest, direct or indirect, in the Subscriptions, save for their interests (if any) by way of their shareholdings and/or directorships, as the case may be, in the Company.

In addition, each of the Subscribers is not under the control or influence of any of the Company's directors or substantial shareholders.

10. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this announcement and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this announcement constitutes full and true disclosure of all material facts about the Subscriptions, the Subscription Agreements, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this announcement misleading. Where information in this announcement has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in this announcement in its proper form and context.
