(Incorporated in the Republic of Singapore)

QUARTERLY UPDATE PURSUANT TO RULE 1313(2) OF THE LISTING MANUAL

Camsing Healthcare Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) was placed on the Watch-list pursuant to Rule 1311(1) of the Listing Manual of the Singapore Exchange Trading Limited (“**SGX-ST**”) with effect from 3 December 2024. The Company must take active steps to restore its financial health and to meet the requirements of Listing Rule 1314, failing which, the SGX-ST would delist the Company or suspend trading in the Company’s shares with a view of delisting of the Company.

Pursuant to Rule 1313(2) of the Listing Manual, the Board of Directors of the Company wishes to provide an update on the financial performance of the Group for the first quarter ended 30 April 2025 (“**1Q FY2026**”) as well as its efforts and the progress made in meeting the Financial Exit Criteria set out in Rule 1314 (1) of the Listing Manual.

Update on Unaudited Financial Performance and Financial Position

Please refer to the announcement dated 13 June 2025 on the Group’s Condensed Interim Financial Statements for the three months ended 30 April 2025 for an update on the Group’s financial performance and position.

Update on Future Direction and Other Material Development

With uncertain global economic conditions and potential disruption to global supply chains, the Company anticipates consumer sentiment may be adversely impacted in the coming quarters. Nonetheless, we will continue to execute our core strategies in developing new products and expanding into new sales channels, albeit doing so with prudent cost management principles.

Based on our ongoing review of the core business, the Company has begun reorganizing the retail portfolio in the latest quarter by closing down loss-making outlets while expanding our presence online; in doing so, barring unforeseen circumstances, we are cautiously optimistic that the Group’s performance should see improvement.

The Company will continue to make efforts and consider various options to meet the requirements of Rule 1314 of the Listing Manual for its removal from the Watch-list and will update shareholders on any material developments and make such announcements as and when appropriate.

In the meantime, the Company would like to inform all shareholders, investors and other stakeholders that the Group’s businesses and the quotation and trading of its securities will continue in the ordinary course, unless a trading halt or suspension is put into effect.
