### PROFIT GUIDANCE ON THE UNAUDITED FINANCIAL RESULTS FOR THE FULL YEAR ENDED 31 DECEMBER 2025

---

The Board of Directors (“**Board**”) of Info-Tech Systems Ltd. (“**Info-Tech**”, the “**Company**” or together with its subsidiaries, the “**Group**”) wishes to announce that, based on a preliminary review of the Group’s draft unaudited consolidated financial results for the full year ended 31 December 2025 (“**FY2025**”) and the information currently available, the Group is expected to report a considerable increase in consolidated net profit for FY2025, as compared to the full year ended 31 December 2024. The expected increase is mainly attributable to higher Academy training revenue arising from stronger demand particularly in the second half of the year, together with continued growth in the Group’s HRMS and accounting business during the period.

The Company is in the process of finalising the Group’s unaudited financial results for FY2025. Further details of the Group’s financial performance will be disclosed when the unaudited financial results are expected to be announced on or around 24 February 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and potential investors are advised to consult their stockbrokers, bank managers, accountants, solicitors or other professional advisers.
