Dear Sir/Madam

1. INTRODUCTION

1.1 **AGM.** The Directors of TeleChoice are convening an AGM to be held at Sunflower Room 1 & 2 @ The Chevrons 48 Boon Lay Way 1st Storey Singapore 609961 on 27 April 2017 at 2.30 p.m. to seek Shareholders' approval for (among others) the following proposals:

- (a) the proposed renewal of the Shareholders' Mandate for Interested Person Transactions;
- (b) the proposed renewal of the Share Purchase Mandate; and
- (c) the proposed adoption of the New Constitution ("**Proposed Adoption of New Constitution**").

1.2 **Appendix.** The purpose of this Appendix is to provide Shareholders with information relating to the above proposals to be tabled at the AGM.

2. THE PROPOSED RENEWAL OF THE SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

2.1 **The Shareholders' Mandate for Interested Person Transactions.** At the 2016 AGM, approval of the Shareholders was obtained for the renewal of a shareholders' mandate (the "**Shareholders' Mandate**"), for the purposes of Chapter 9 of the Listing Manual, to enable the Company, its subsidiaries and associated companies which are considered to be "entities at risk" (together, the "**EAR Group**") within the meaning of Rule 904(2) of the Listing Manual, in their ordinary course of businesses, to enter into certain categories of transactions (the "**Interested Person Transactions**") with specified classes of the Company's interested persons (the "**Interested Persons**"), provided that such transactions are entered into on an arm's length basis and on normal commercial terms. Particulars of the Shareholders' Mandate were set out in the Annexure to the 2016 Appendix.

LETTER TO SHAREHOLDERS

- 2.2 **Proposed Renewal of the Shareholders' Mandate.** The Shareholders' Mandate was expressed to take effect until the conclusion of the next AGM of the Company, being the Nineteenth AGM to be held on 27 April 2017. Accordingly, the Directors propose that the Shareholders' Mandate be renewed at the Nineteenth AGM to be held on 27 April 2017, and if so renewed, to take effect until the conclusion of the Twentieth AGM of the Company, unless revoked or varied by the Company in a general meeting.

The particulars of the Interested Person Transactions in respect of which the Shareholders' Mandate is sought to be renewed, as set out in the Annexure to the 2016 Appendix, remain unchanged.

- 2.3 **Annexure 1.** Details of the Shareholders' Mandate, including the rationale for, and the benefits to, the Company, the review procedures for determining transaction prices with Interested Persons and other general information relating to Chapter 9 of the Listing Manual, are set out in Annexure 1 to this Appendix.

- 2.4 **Audit Committee Statement.** The Audit Committee of the Company, which comprises Mr Yap Boh Pin, Mr Tang Yew Kay Jackson and Ms Ho Koon Lian Irene, confirms that:

- (a) the methods or procedures for determining the transaction prices under the Shareholders' Mandate, have not changed since the 2016 AGM; and
- (b) the methods or procedures referred to in sub-paragraph (a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

3. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- 3.1 **Background.** Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Companies Act and the rules of the Listing Manual and such other laws and regulations as may, for the time being, be applicable. It is also a requirement that a company which wishes to purchase or acquire its own shares should obtain approval of its shareholders to do so at a general meeting of its shareholders.

The Company's existing Share Purchase Mandate was approved by Shareholders at the 2016 AGM. The authority and limitations on the Share Purchase Mandate were set out in the 2016 Appendix and Ordinary Resolution 13 set out in the Notice of the 2016 AGM.

The existing Share Purchase Mandate was expressed to take effect on 28 April 2016 (being the date of the passing of Ordinary Resolution 13 at the 2016 AGM) and will expire on the earlier of the date of the upcoming Nineteenth AGM to be held on 27 April 2017; and the date by which the Nineteenth AGM is required by law to be held.

Accordingly, Shareholders' approval is being sought for the renewal of the Share Purchase Mandate at the Nineteenth AGM of the Company to be held on 27 April 2017.

LETTER TO SHAREHOLDERS

If approved by Shareholders at the Nineteenth AGM, the authority conferred by the Share Purchase Mandate will continue in force until the earlier of the next annual general meeting of the Company (whereupon it will lapse, unless renewed at a general meeting) and the date by which the next annual general meeting of the Company is required by law to be held, unless such authority is varied or revoked by the Company in a general meeting (if so varied or revoked prior to the next annual general meeting).

- 3.2 **Rationale.** The approval of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions of up to the 10% limit described in paragraph 3.3 below at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

The rationale for the Company to undertake a purchase or acquisition of its Shares is as follows:

- (a) In managing the business of the Group, management will strive to increase Shareholders' value by improving, *inter alia*, the return on equity of the Company. In addition to growth and expansion of the business, share purchases may be considered as one of the ways through which the return on equity of the Company may be enhanced.
- (b) In line with international practice, the Share Purchase Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner. A share repurchase programme will also allow management to effectively manage and minimise the dilution impact (if any) associated with share schemes.
- (c) Share repurchase programmes help buffer short-term share price volatility.
- (d) The Share Purchase Mandate will provide the Company the flexibility to undertake share repurchases at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

The purchase or acquisition of Shares will only be undertaken if it benefits the Company and Shareholders. While the Share Purchase Mandate would authorise a purchase or acquisition of Shares of up to the said 10% limit, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 10% limit as authorised and no purchases or acquisitions of Shares would be made in circumstances which would have or may have a material adverse effect on the financial position of the Company.

LETTER TO SHAREHOLDERS

3.3 **Authority and Limits.** The proposed authority and limits on the Share Purchase Mandate, if renewed at the Nineteenth AGM, are the same as previously approved by Shareholders at the 2016 AGM, and are summarised below:

3.3.1 ***Maximum Number of Shares***

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company as at the date of the Nineteenth AGM. Any of the Shares which are held as treasury shares will be disregarded for purposes of computing the 10% limit.

Based on the number of issued and paid-up Shares as at the Latest Practicable Date, the issued capital of the Company comprised 454,406,178 Shares (excluding 16,322 Shares which are held as treasury shares) and assuming no further Shares are issued, and no further Shares are held by the Company as treasury shares, on or prior to the Nineteenth AGM, the purchase by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition of 45,440,617 Shares.

3.3.2 ***Duration of Authority***

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the forthcoming Nineteenth AGM at which the Share Purchase Mandate is approved up to:

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held; or
- (b) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied; or
- (c) the date on which purchases and/or acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated,

whichever is the earlier.

3.3.3 ***Manner of Purchases or Acquisitions of Shares***

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**"), transacted on the SGX-ST through the SGX-ST's trading system and/or on any other securities exchange on which the Shares may, for the time being, be listed and quoted ("**Other Exchange**") through one or more duly licensed dealers appointed by the Company for the purpose; and/or
- (b) off-market purchase ("**Off-Market Purchases**") effected, otherwise than on a securities exchange, in accordance with an equal access scheme (as defined in Section 76C of the Companies Act).

LETTER TO SHAREHOLDERS

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances; and
- (iii) the information required under Rule 883(2), (3), (4), (5) and (6) of the Listing Manual.

3.3.4 **Purchase Price**

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors pursuant to the Share Purchase Mandate must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price; and
- (b) in the case of an Off-Market Purchase, 110% of the Average Closing Price,

in either case, excluding related expenses of the purchase or acquisition (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the last dealt prices of a Share over the last five consecutive Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, Other Exchange, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be

LETTER TO SHAREHOLDERS

adjusted in accordance with the listing rules of the SGX-ST, or as the case may be, Other Exchange, for any corporate action which occurs after the relevant five Market Day period;

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Purchase, stating the purchase price (which shall not be more than 110% of the Average Closing Price of the Shares (excluding related expenses of the purchase or acquisition)) for each Share, and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

“**Market Day**” means a day on which the SGX-ST, or as the case may be, Other Exchange is open for trading in securities.

3.4 **Status of Purchased Shares.** A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

3.5 **Treasury Shares.** Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

3.5.1 ***Maximum Holdings***

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares (excluding treasury shares).

3.5.2 ***Voting and Other Rights***

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.5.3 ***Disposal and Cancellation***

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;

LETTER TO SHAREHOLDERS

- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

3.6 **Source of Funds.** The Companies Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its profits. The Company may use internal resources or external borrowings or a combination of both to fund purchases or acquisitions of Shares pursuant to the Share Purchase Mandate.

3.7 **Financial Effects.** The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of the profits and/or capital of the Company, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2016, are based on the assumptions set out below.

3.7.1 **Purchase or Acquisition out of Capital or Profits**

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

LETTER TO SHAREHOLDERS

3.7.2 **Information as at Latest Practicable Date**

As at the Latest Practicable Date, the issued capital of the Company comprised 454,406,178 Shares (excluding 16,322 Shares which are held as treasury shares). In addition, as at the Latest Practicable Date, there was an aggregate of 8,973,778 Shares in respect of unvested conditional awards granted pursuant to the TeleChoice RSP and the TeleChoice PSP. Except in respect of Shares which are issuable pursuant to the terms of the conditional awards of Shares granted under the TeleChoice RSP and the TeleChoice PSP, no Shares are reserved for issue by the Company as at the Latest Practicable Date.

Purely for illustrative purposes, on the basis of 454,406,178 Shares in issue as at the Latest Practicable Date (excluding 16,322 Shares which are held as treasury shares) and assuming no further Shares are issued and no further Shares are held by the Company as treasury shares on or prior to the Nineteenth AGM, the purchase by the Company of 10% of its issued Shares will result in the purchase or acquisition of 45,440,617 Shares.

Assuming that the Company purchases or acquires 45,440,617 Shares through Market Purchases at the Maximum Price of S\$0.2835 for one Share (being the price equivalent to 5% above the Average Closing Price of a Share for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 45,440,617 Shares is S\$12,882,415.

Assuming that the Company purchases or acquires 45,440,617 Shares through Off-Market Purchases at the Maximum Price of S\$0.2970 for one Share (being the price equivalent to 10% above the Average Closing Price of a Share for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 45,440,617 Shares is S\$13,495,863.

3.7.3 **Illustrative Financial Effects**

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the proposed Share Purchase Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, and the consideration paid at the relevant time and whether the Shares purchased or acquired are cancelled or held as treasury shares. For illustrative purposes only and on the basis of the assumptions set out in paragraph 3.7.2 above, the financial effects of the following scenarios:

- (a) acquisition of 45,440,617 Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and held as treasury shares;
- (b) acquisition of 45,440,617 Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of profits and cancelled; and

LETTER TO SHAREHOLDERS

- (c) acquisition of 45,440,617 Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and cancelled,

on the audited financial statements of the Group and the Company for the financial year ended 31 December 2016 are set out below:

- (a) *purchases made entirely out of capital and held as treasury shares*

LETTER TO SHAREHOLDERS

The financial effects set out above are for illustrative purposes only. Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares as at the date of the Nineteenth AGM, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares as at the date of the Nineteenth AGM. In addition, the Company may cancel all or part of the Shares repurchased, or hold all or part of the Shares repurchased in treasury.

The Directors do not intend to exercise the proposed Share Purchase Mandate up to the maximum limit and to such an extent if such exercise would materially and adversely affect the financial position of the Group.

- 3.8 **Information on Prior Share Purchases.** The Company has undertaken the following purchase or acquisition of its Shares pursuant to the Share Purchase Mandate in the previous 12 months prior to the date of this Appendix:

Note:

- (1) All Shares were purchased by the Company by way of Market Purchases pursuant to the Share Purchase Mandate and are held as treasury shares.

- 3.9 **Listing Rules.** Rule 886 of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

LETTER TO SHAREHOLDERS

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices set out in the Listing Manual on securities dealings issued by the SGX-ST, the Company would not purchase or acquire any Shares through Market Purchases during the period of one month immediately preceding the announcement of the full-year results of the Company and the period of two weeks before the announcement of the first quarter, second quarter and third quarter results.

The Listing Manual requires a listed company to ensure that at least 10% of any class of its listed securities must be held by public shareholders. As at the Latest Practicable Date, approximately 29.36% of the issued Shares are held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

3.10 Take-over Implications. Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

3.10.1 *Obligation to make a Take-over Offer*

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and person(s) acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make an offer for the Company under Rule 14 of the Take-over Code.

3.10.2 *Persons Acting in Concert*

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);

LETTER TO SHAREHOLDERS

- (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv); and
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v);
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and
- (c) the following persons and entities:
- (i) an individual;
 - (ii) the close relatives of (i);
 - (iii) the related trusts of (i);
 - (iv) any person who is accustomed to act in accordance with the instructions of (i); and
 - (v) companies controlled by any of (i), (ii), (iii) or (iv).

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.10.3 ***Effect of Rule 14 and Appendix 2***

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, provided the conditions set out in Appendix 2 of the Take-over Code are satisfied, Directors and persons acting in concert with them will be exempted from the requirement to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the Resolution 11 authorising the renewal of the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

Assuming that (a) the existing shareholding percentages of the Company's substantial shareholders as at the Latest Practicable Date remain unchanged; and (b) the Company's existing issued share capital as at the Latest Practicable Date remains unchanged, the Company is not aware of any shareholder of the Company who would be obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code, as a result of the purchase by the Company of the maximum limit of 10% of its issued share capital pursuant to the Share Purchase Mandate.

Shareholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share purchase by the Company.

4. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION

4.1 Background.

4.1.1 *Amendment Act*

The Amendment Act, which was passed in Parliament on 8 October 2014 and took effect in phases on 1 July 2015 and 3 January 2016 respectively, introduced wide-ranging changes to the Companies Act. The changes aim to reduce regulatory burden on companies, provide for greater business flexibility and improve the corporate governance landscape in Singapore. The key changes include the introduction of the multiple proxies regime to enfranchise indirect investors and CPF investors, provisions to facilitate the electronic transmission of notices and documents, and the merging of the memorandum and articles of association of a company into one document called the "constitution".

4.1.2 *Proposed Adoption of New Constitution*

The Company proposes to adopt the New Constitution to replace the Existing Constitution. The New Constitution comprises largely the Existing Constitution as updated and amended:

- (a) to give effect to the amendments made to the Companies Act by the Amendment Act;
- (b) to be consistent with the Listing Rules prevailing as at the Latest Practicable Date, in compliance with Rule 730(2) of the Listing Manual (which requires an issuer to make its constitution consistent with all the Listing Rules prevailing at the time of the amendment of the constitution); and
- (c) to address the personal data protection regime and generally rationalise and streamline certain provisions for clarity.

The Directors' confirm that the New Constitution is consistent with the Listing Rules prevailing at the date of this Appendix.

LETTER TO SHAREHOLDERS

4.1.3 *Summary of key provisions*

Set out below is a summary of the key provisions of the New Constitution (“**Regulations**” and each a “**Regulation**”) which are significantly different from the provisions in the Existing Constitution (“**Existing Articles**” and each an “**Existing Article**”) to give effect to the amendments made to the Companies Act by the Amendment Act (see paragraph 4.2), to be consistent with the prevailing Listing Rules (see paragraph 4.3), and to address the personal data protection regime and generally rationalise and streamline certain provisions for clarity (see paragraph 4.4).

This summary should be read in conjunction with the amendments made to certain key regulations in the New Constitution as compared with the Existing Constitution in Annexure 2.

The Proposed Adoption of New Constitution is subject to the Shareholders’ approval.

4.2 **Companies Act.**

The following amendments give effect to the amendments made to the Companies Act by the Amendment Act:

4.2.1 *Regulation 1 (Existing Article 1)*

Existing Article 1 is proposed to be amended to exclude the application of the Companies (Model Constitutions) Regulations 2015, instead of Table A in the Fourth Schedule of the Companies Act. This is in line with the repeal of Table A following the Amendment Act, and the enactment of the Companies (Model Constitutions) Regulations 2015.

4.2.2 *Regulation 2 (Existing Article 2)*

Regulation 2, which defines terms used in the New Constitution, contains the following new or amended provisions:

- (a) inserting a new provision to define “Constitution” to mean the constitution of the Company for the time being in force. This aligns the terminology used in the New Constitution with the Companies Act, as amended by the Amendment Act. Consequential amendments have been made to other Regulations to reflect this new terminology;
- (b) inserting a new provision to define “relevant intermediary” as having the meaning ascribed to it in the Companies Act. This follows the introduction of the new multiple proxies regime in section 181 of the Companies Act, as amended by the Amendment Act;
- (c) inserting a new provision to define “these Regulations” as the regulations of the New Constitution for the time being in force. This replaces the definition of “These Articles”, which has been deleted. This aligns the terminology used in the New Constitution with the Companies Act, as amended by the

LETTER TO SHAREHOLDERS

Amendment Act. Consequential amendments have been made to other Regulations to refer to “these Regulations” in substitution of the references to “these Articles” and “these presents”;

- (d) amending the definitions of “Depositor”, “Depository”, “Depository Agent” and “Depository Register” to have the meanings ascribed to them in the SFA, instead of the Companies Act. This follows the migration of the provisions in the Companies Act which relate to the Central Depository System to the SFA pursuant to the Amendment Act; and
- (e) inserting a new provision to state that the expressions “current address” and “electronic communication” have the meanings ascribed to them respectively in the Companies Act. This follows the introduction of new provisions in the Companies Act facilitating electronic communication by the Amendment Act.

4.2.3 **Regulation 5 (new provision)**

Regulation 5 is a new provision proposed to be inserted to provide that the liability of Shareholders is limited. This is in accordance with section 22(1)(b) of the Companies Act, which provides that the constitution of every company has to state (among other things) that the liability of the members is limited where the company is a company limited by shares.

4.2.4 **Regulation 6 (new provision)**

The existing objects clauses contained in the Existing Constitution are proposed to be deleted and substituted with a general provision in the New Constitution to the effect that, subject to the provisions of the Companies Act or any other written law and its constitution, the Company has:

- (a) full capacity to carry on or undertake any business or activity, do any act or enter into any transaction; and
- (b) for these purposes, full rights, powers and privileges.

This is in line with section 23 of the Companies Act, which provides that a company has full capacity to carry on or undertake any business or activity, do any act or enter into any transactions, subject to the law and to the provisions of its constitution.

4.2.5 **Regulation 9 (new provision)**

Regulation 9 is a new provision proposed to be inserted to provide that new shares may be issued for no consideration. This is in line with new section 68 of the Companies Act, which clarifies that a company having a share capital may issue shares for which no consideration is payable to the issuing company.

LETTER TO SHAREHOLDERS

4.2.6 **Regulation 15 (Existing Article 9)**

Regulation 15(b) is a new provision proposed to be inserted to clarify that the Company may by ordinary resolution cancel any shares which, at the date of the passing of the resolution, have not been taken, or agreed to be taken, by any person.

Existing Article 9(c), which provides that the Company may by ordinary resolution convert any class of shares into any other class of shares, is proposed to be deleted and inserted as the new Regulation 16(b), because a special resolution is required for such conversion pursuant to section 74A of the Companies Act, as introduced by the Amendment Act.

A new provision is proposed to be inserted as Regulation 15(d) to permit the Company, by ordinary resolution, to convert its share capital or any class of shares from one currency to another currency. This is in line with the new section 73 of the Companies Act, as introduced by the Amendment Act.

4.2.7 **Regulation 16 (Existing Article 10(A))**

Regulation 16(b) is a new provision proposed to be inserted to permit the Company, by special resolution or as otherwise permitted by the Companies Act, to convert one class of shares into another class of shares. Regulation 16(b) replaces Existing Article 9(c) which allows such conversion by ordinary resolution. This is in line with the new section 74A of the Companies Act, as introduced by the Amendment Act, which sets out the procedure for such conversions. Some drafting amendments have also been made to Regulation 16(a) for streamlining purposes.

4.2.8 **Regulation 23 (Existing Article 16)**

Regulation 23 is proposed to be amended to remove the requirement to disclose the amount paid on the shares in the share certificate relating thereto, and to provide that every share certificate shall specify the information required by the Companies Act, including whether the shares are fully or partly paid up and the amount (if any) unpaid thereon. This is in line with the amendments to section 123(2) of the Companies Act, as introduced by the Amendment Act.

4.2.9 **Regulations 60(b), 128, 144, 145 and 153 (Existing Articles 53(b), 119, 135, 136 and 142A)**

Regulation 60(b), which relates to routine business at an Annual General Meeting, is proposed to be amended to substitute the reference to “accounts” with “financial statements”, and reference to the “reports of the Directors” with “Directors’ statement”, for consistency with the updated terminology in the Companies Act.

Regulations 128, 144, 145, and 153 have also been amended to substitute the references to “profit and loss accounts” by references to “financial statements”, or updated to refer to “financial statements”, for consistency with the updated terminology in the Companies Act.

LETTER TO SHAREHOLDERS

4.2.10 **Regulation 68(B) (Existing Article 61)**

Regulation 68(B), which relates to the method of voting at a general meeting where mandatory polling is not required, is proposed to be amended to reduce the threshold for eligibility to demand a poll from 10% to 5% of the total voting rights of the shareholders having the right to vote at the meeting or the total sum paid up on all the shares conferring such right to vote. This is in line with section 178(1)(b) of the Companies Act, as amended by the Amendment Act. It should be noted that Rule 730A(2) of the Listing Manual currently requires that all resolutions at general meetings of a company listed on the SGX-ST be voted by poll, so Regulation 68(B) shall only apply where a poll is not required under the Listing Manual.

4.2.11 **Regulations 72 and 78 (Existing Articles 65 and 71)**

Regulations 72 and 78, which relate to the voting rights of Shareholders and the appointment of proxies, are proposed to be amended to cater to the multiple proxies regime introduced by the Amendment Act and is in line with section 181 of the Companies Act. The multiple proxies regime allows relevant intermediaries, such as banks, capital markets services license holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at general meetings. In particular:

- (a) A new provision is proposed to be inserted as Regulation 78(A)(b) to provide that a Shareholder who is a relevant intermediary may appoint more than two proxies to attend and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Shareholder, and where such Shareholder's proxy form appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form. This is in line with the new section 181(1C) of the Companies Act, as introduced by the Amendment Act.
- (b) A new provision is proposed to be inserted as Regulation 72(B)(b) to provide that in the case of a Shareholder who is a relevant intermediary and who is represented at a general meeting by two (2) or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with section 181(1D) of the Companies Act, as introduced by the Amendment Act; and
- (c) The new section 81SJ(4) of the SFA, as introduced by the Amendment Act, provides that a depositor shall not be regarded as a member of a company entitled to attend any general meeting of the company and to speak and vote thereat unless his name appears on the Depository Register as at seventy-two (72) hours (previously forty-eight (48) hours) before the general meeting. Regulations 72(D) and 78(B)(b) are proposed to be amended to reflect this seventy-two (72) hours' requirement.

4.2.12 **Regulations 80 and 82 (Existing Articles 73 and 75)**

Regulation 80 is proposed to be amended to extend the cut-off time for the deposit of proxies from forty-eight (48) to seventy-two (72) hours before the time appointed for holding the general meeting. This is in line with section 178(1)(c) of the Companies Act, as amended by the Amendment Act. A consequential amendment

LETTER TO SHAREHOLDERS

is proposed to be made to Regulation 82, which prescribes the cut-off time for invalidating the proxy's vote by depositing documents proving the death or insanity of the principal appointing the proxy, to revise the cut-off time from one (1) hour to seventy-two (72) hours.

4.2.13 **Regulation 101(d) (Existing Article 93(d))**

Existing Article 93(d), which provides that a retiring Director is deemed to be re-elected if another person is not elected to his office except (among other things) where such Director has attained any applicable retirement age, is proposed to be deleted. This is in line with the removal of the age limit of seventy (70) years for directors of public companies and subsidiaries of public companies, following the repeal of section 153 of the Companies Act by the Amendment Act.

4.2.14 **Regulation 127 (new provision) and Regulation 143 (Existing Article 134)**

Regulation 127 is proposed to be inserted to provide that records of the Company may be kept either in hard copy or in electronic form and arranged in the manner that the Directors think fit, in line with the new section 395 of the Companies Act, as introduced by the Amendment Act. Regulation 127 also provides that where the records of the Company are kept otherwise than in hard copy, the Directors shall take reasonable precautions for ensuring the proper maintenance and authenticity of such records, in line with the new section 396 of the Companies Act, as introduced by the Amendment Act. Regulation 143 has also been amended to clarify that the accounting records of the Company may be kept in electronic form or hard copy.

4.2.15 **Regulation 145 (Existing Article 136)**

Regulation 145 requires the Company to send its financial statements and other related documents to Shareholders not less than fourteen (14) days before the date of the meeting. Regulation 145 is proposed to be amended to permit such documents to be sent less than fourteen (14) days before the date of the meeting if all persons entitled to receive notices of meetings so agree, subject to the Listing Rules. This is in line with the new section 203(2) of the Companies Act, as introduced by the Amendment Act. Notwithstanding this proviso, the Company is currently required to comply with Rule 707(2) of the Listing Manual, which provides that an issuer must issue its annual report to shareholders and the SGX-ST at least fourteen (14) days before the date of its annual general meeting.

4.2.16 **Regulation 149 (new provision)**

(a) Regulation 149 is a new provision proposed to be inserted to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to new section 387C of the Companies Act, as introduced by the Amendment Act.

LETTER TO SHAREHOLDERS

- (b) Section 387C of the Companies Act provides that a notice or document may be given, sent or served to a member using electronic communication with the express, implied or deemed consent of the member. Under section 387C:
- (i) *Implied Consent*: a member has given implied consent if the constitution of the company (i) provides for the use of electronic communication; (ii) specifies the manner in which electronic communication is to be used; and (iii) provides that the member shall agree (for the avoidance of doubt, this will include where a member is deemed to have so agreed in the constitution of the company) to receive such notice or document by way of such electronic communication and shall not have a right to elect to receive a physical copy of such notice or document;
 - (ii) *Deemed Consent*: a member shall be deemed to have consented if (i) the constitution of the company provides for the use of electronic communication; (ii) the constitution of the company specifies the manner in which electronic communication is to be used; (iii) the constitution of the company specifies that the member will be given an opportunity to elect within a specified period of time, whether to receive such notice or document by way of electronic communication or as a physical copy; and (iv) the member was given an opportunity to elect whether to receive such notice or document by way of such electronic communication or as a physical copy, and he failed to make an election within the specified time; and
 - (iii) *Express Consent*: in addition, section 387C permits electronic communication with any member who has expressly consented to the same.
- (c) In this regard, the new Regulation 149 will provide as follows:
- (i) Regulation 149(A) provides that notices or documents may be sent by electronic communication to the current address of a Shareholder, officer or auditor of the Company, by making such notices or documents available on a website, or in such manner as such Shareholder expressly consents to by giving notice in writing to the Company.
 - (ii) Regulation 149(B) provides that a Shareholder shall be implied to have agreed to receive such notices or documents by way of electronic communication and shall not have a right to elect to receive physical copies of the same, unless otherwise provided under the Companies Act, applicable regulations and/or the Listing Rules. For the avoidance of doubt, this relates to the “Implied Consent” described in paragraph (b)(i) above.
 - (iii) Regulation 149(C) provides that, notwithstanding Regulation 149(B), the Directors may at their discretion give a Shareholder an opportunity to elect within a timeframe whether to receive such notices or documents by way of electronic communication or physical copy, and where the Shareholder fails to respond within the said timeframe, he is

LETTER TO SHAREHOLDERS

deemed to have consented to receive such notices or documents by electronic communication. For the avoidance of doubt, this relates to the “Deemed Consent” described in paragraph (b)(ii) above.

- (iv) Regulation 149(D) relates to the time at which service of a notice or document by electronic communication is deemed to take effect. Where a notice or document is sent to the current address of a person, it is deemed to have been given at the time of transmission (notwithstanding any delayed receipt, non-delivery or “returned mail” reply message or any other error message). Where a notice or document is made available on a website, it is deemed to have been served on the date on which the notice or document was first made available on the website. Regulation 149(D) is subject to the Companies Act and/or the Listing Rules.

The insertion of Regulation 149 will enable greater efficiency and cost savings in the transmission of documents from the Company to the Shareholders.

- (d) Regulation 149 is made subject to the Companies Act and regulations made thereunder. Section 387C(4) of the Companies Act permits regulations to be made to exclude any notice or document from the application of the section, to provide that a member who is deemed to have consented to receiving notices or documents by electronic communication may make a fresh election to receive such notices or documents as a physical copy, and to provide for other safeguards. In this regard, regulation 89D of the Companies Regulations (“**Companies Regulations**”) excludes notices or documents relating to take-over offers and rights issues from electronic communication pursuant to section 387C of the Companies Act. Regulation 89C of the Companies Regulations prescribes other safeguards, such as the requirement for the Company to give separate notice to its Shareholders where it makes notices or documents available on a website.
- (e) **Notwithstanding the above new provisions, the Company will only make use of electronic communication with its Shareholders in reliance on the above provisions relating to implied consent and deemed consent: (i) after the Listing Manual has been amended by the SGX-ST to introduce specific provisions permitting the use of electronic communication following the amendments to the Companies Act that came into force on 3 January 2016, and (ii) in compliance with the requirements of the Listing Manual (as so amended). The SGX-ST issued a consultation paper on proposed amendments to align its listing rules with the Companies Act on 11 January 2016, and feedback closed on 12 February 2016. As at the Latest Practicable Date, no amendments to the Listing Manual have been issued following the consultation exercise.**
- (f) Shareholders who are supportive of the new deemed consent and implied consent regimes for electronic communications may vote in favour of the adoption of the New Constitution, which incorporates new provisions (contained in Articles 149(B) to (D)) to facilitate these regimes, while Shareholders who are not supportive of the new regimes may vote against it.

LETTER TO SHAREHOLDERS

However, Shareholders should note that if the New Constitution is not adopted, new and/or revised provisions (other than Articles 149(B) to (D)) will also not be implemented and consequentially, the Company's Existing Constitution will not be in line with the Companies Act.

4.2.17 **Regulation 156 (Existing Article 145)**

Regulation 156, which relates to the circumstances under which the Company may indemnify the Directors or other officers of the Company, is proposed to be amended to clarify that every Director and officer of the Company is entitled to be indemnified by the Company against, amongst other things, liability attaching to him or claims brought against him in the course of performing his duties, so far as may be permitted by the Companies Act. This aligns Regulation 156 with:

- (a) new sections 172, 172A and 172B of the Companies Act, as re-enacted or introduced by the Amendment Act, which expressly allow the Company to provide an indemnity to its officers for liability incurred to third parties, subject to certain qualifications; and
- (b) new sections 163A and 163B of the Companies Act, as introduced by the Amendment Act, which permit a company to lend funds to its director to meet expenses incurred or to be incurred in defending himself in court proceedings or regulatory investigations.

4.3 **Listing Manual.**

The following Regulations have been revised to ensure consistency with the Listing Rules:

4.3.1 **Regulation 8(B) (new provision)**

Regulation 8(B) is a new provision proposed to be inserted to provide that the total number of issued preference shares shall not at any time exceed the total number of issued ordinary shares. This is in line with paragraph 1(a) of Appendix 2.2 of the Listing Manual.

4.3.2 **Regulation 13 (new provision)**

Regulation 13 is a new provision proposed to be inserted to clarify the right of the Company in general meeting to give the Directors a general mandate to issue shares and/or make or grant offers, agreements or options that might or would require shares to be issued, subject to compliance with the Listing Rules.

4.3.3 **Regulations 68, 69, 70 and 71 (Existing Articles 61, 62, 63 and 64)**

Regulation 68(A) is a new provision proposed to be inserted to provide that if required by the Listing Rules, all resolutions at General Meetings shall be voted by poll unless such requirement is waived by the SGX-ST. This amendment is in line with Rule 730A(2) of the Listing Manual which requires all resolutions at General Meetings to be voted by poll.

LETTER TO SHAREHOLDERS

Regulation 69 is proposed to be amended to provide that at least one scrutineer, who shall be independent of the persons undertaking the polling process, will be appointed for each General Meeting, in accordance with the Listing Rules. This amendment is in line with Rule 730A(3) of the Listing Manual.

Consequential amendments have been made to Regulation 69 (which describes the manner in which a poll is to be taken), Regulation 70 (which describes the procedure where there is an equality of votes), and Regulation 71 (which deals with the time and place for taking a poll).

4.3.4 **Regulation 72 (Existing Article 65)**

A new provision is proposed to be inserted into Regulation 72(A) to provide that a holder of ordinary shares shall be entitled to be present and to vote at any General Meeting in respect of any share or shares upon which all calls due to the Company have been paid. This amendment is in line with paragraph 8 of Appendix 2.2 of the Listing Manual which imposes such a requirement.

4.3.5 **Regulation 81 (Existing Article 74)**

Regulation 81 is proposed to be amended to clarify that:

- (a) a Shareholder who has deposited an instrument appointing any number of proxies to vote on his behalf at a General Meeting shall not be precluded from attending and voting in person at that General Meeting; and
- (b) any such appointment of all the proxies concerned shall be deemed to be revoked upon the attendance of the Shareholder appointing the proxy/proxies at the relevant General Meeting.

These amendments are in line with paragraph 3.3 of Practice Note 7.5 of the Listing Manual which provides that if a shareholder submits a proxy form and subsequently attends the meeting in person and votes, the appointment of the proxy should be revoked, and that there must be sufficient systems or processes in place at the meeting to identify and cancel the appointment of the proxy at the point when the shareholder attends the meeting.

4.3.6 **Regulation 98 and 101 (Articles 90 and 93 of Existing Constitution)**

Rule 720(2) and paragraph 9(n) of Appendix 2.2 of the Listing Manual provide that a director shall immediately resign if he has been disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. In line with this requirement:

- (a) Regulation 98, which sets out the grounds upon which the office of Director shall be vacant, is proposed to be amended by inserting a new Regulation 98(b) to provide that the disqualification of a Director from acting as a director in any jurisdiction for reasons other than on technical grounds will be one of such grounds.

LETTER TO SHAREHOLDERS

- (b) Regulation 101, which provides that a retiring Director is deemed to be re-elected if another person is not elected to his office except in certain specified circumstances, is proposed to be amended by inserting a new Regulation 101(d) to provide that the disqualification of a Director from acting as a director in any jurisdiction for reasons other than on technical grounds will be one of such specified circumstances.

4.4 Other Amendments.

4.4.1 **Regulation 2 (Article 2 of Existing Constitution)**

Regulation 2, which defines terms used in the New Constitution, contains the following amendments:

- (a) deleting the definition of “meeting” as it which overlaps with the definition of “General Meeting”;
- (b) inserting a new provision to define “Exchange” to mean the Singapore Exchange Securities Trading Limited, which has been in the Regulations without a defined term. The definition of “Securities Exchange” has also been deleted to streamline the use of defined terms, and references thereto in the New Constitution have been replaced by references to “Exchange”; and
- (c) amending the definitions of “writing” and “written” (which replace the definition of “In Writing”) to clarify that these terms include any representation or reproduction of words, symbols or other information which may be displayed in a visible form, whether physical or electronic. This would facilitate, for example, a proxy instrument being in either physical or electronic form.

4.4.2 **Regulation 7 (Existing Article 4)**

Regulation 7 is proposed to be amended by deleting the part relating to the issue of shares by the Company with preferential, deferred, qualified or special rights, privileges, conditions or restrictions as this is already covered by Regulation 19 (Existing Article 12).

4.4.3 **Regulation 45(B) (new provision) and Regulation 51 (Existing Article 44)**

Regulation 45(B) is a new provision proposed to be inserted to clarify that no Share may be transferred to an infant, or bankrupt, or any person who becomes mentally disordered, or a person whose person or estate is liable to be dealt with in any way under the law relating to mental capacity.

Similarly, Regulation 51, which provides for the registration of persons as Shareholders in certain circumstances, is proposed to be amended to provide additionally that:

- (a) any guardian of an infant becoming entitled to the legal title in a share and whose name is entered in the Register of Members; and

LETTER TO SHAREHOLDERS

- (b) any person managing the estate of a Shareholder whose name is entered in the Register of Members and who becomes mentally disordered or whose person or estate is liable to be dealt with under the law relating to mental capacity,

may elect to be registered as a Shareholder or to have some person nominated by him registered as the transferee of such share.

4.4.4 ***Regulations 79 and 80 (Existing Articles 72 and 73)***

Regulation 79, which relates to the appointment of proxies, is proposed to be amended by inserting new provisions to facilitate the appointment of a proxy through electronic means online. In particular, it provides that a Shareholder can elect to signify his approval for the appointment of a proxy via electronic communication, through such method and in such manner as may be approved by the Directors, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate Shareholder's common seal.

For the purpose of accommodating the deposit by Shareholders, and receipt by the Company, of electronic proxy instructions by Shareholders who elect to use the electronic appointment process, Regulation 80 is proposed to be amended by inserting new provisions to authorise the Directors to prescribe and determine the manner of receipt by the Company of the instrument appointing a proxy through electronic means.

4.4.5 ***Regulation 98(e) (Existing Article 90(e))***

Regulation 98(e), which provides that the office of a Director shall be vacated if he becomes of unsound mind, is proposed to be amended by substituting the reference to "unsound mind" with "mentally disordered", following the enactment of the Mental Health (Care and Treatment) Act, Chapter 178A of Singapore, which repealed and replaced the Mental Disorders and Treatment Act.

4.4.6 ***Regulation 118 (Existing Article 110)***

Regulation 118 has been amended to provide (among other things) that the Directors shall not effect any proposal for selling or disposing of the whole or substantially the whole of the Company's undertaking (instead of the Company's main undertaking) unless such proposal has been approved by the Company in general meeting. This amendment is to align Regulation 118 with section 160 of the Companies Act, which requires Shareholders' approval for the disposal of the whole or substantially the whole of a company's undertaking.

4.4.7 ***Regulation 151 (Existing Article 141)***

Regulation 151 is proposed to be amended to cover the service of any notice or document by electronic communication, in addition to any notice or document being sent by post or left at the address of a Shareholder.

LETTER TO SHAREHOLDERS

4.4.8 *Regulations 158 (new provision)*

Further, an individual's personal data may only be collected, used or disclosed for reasonable purposes made known to him by the organisation.

To this end, Regulation 158 has been added to the New Constitution. Regulation 158(A) provides that any natural person, by doing certain acts, consents to the collection, use and disclosure of his personal data by the Company, its agents or service providers for various stated purposes. Regulation 158(B) stipulates that a person who provides to the Company any personal data relating to a third party warrants to the Company that he obtained the prior consent of the third party to the collection, use and disclosure by the Company of such personal data for the purposes stated in Regulation 158(A). A person who provides the Company with the personal data of a third party is deemed to have agreed to indemnify the Company for liability arising from any breach of his warranty.

ANNEXURE 1

SHAREHOLDERS' MANDATE

1. Chapter 9 of the Listing Manual

- 1.1 Chapter 9 of the listing manual (the "**Listing Manual**") of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company's interested persons. When this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders' approval for that transaction.
- 1.2 Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested person and therefore are excluded from the ambit of Chapter 9, immediate announcement and shareholders' approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company's latest audited consolidated net tangible assets ("**NTA**")) are reached or exceeded. In particular, shareholders' approval is required for an interested person transaction of a value equal to, or which exceeds:
- 1.2.1 5% of the listed company's latest audited consolidated NTA; or
- 1.2.2 5% of the listed company's latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.
- 1.3 Based on the latest audited consolidated accounts of TeleChoice International Limited ("**TeleChoice**") and its subsidiaries (the "**TeleChoice Group**") for the financial year ended 31 December 2016, the consolidated NTA of the TeleChoice Group was S\$62,836,000. In relation to TeleChoice, for the purposes of Chapter 9, in the current financial year and until such time that the consolidated audited accounts of the TeleChoice Group for the year ending 31 December 2017 are published, 5% of the latest audited consolidated NTA of the TeleChoice Group would be S\$3,141,800.
- 1.4 Chapter 9 of the Listing Manual permits a listed company (for example, TeleChoice) to seek a mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses which are not part of its day-to-day operations) which may be carried out with the listed company's interested persons.
- 1.5 Under the Listing Manual:
- 1.5.1 an "**entity at risk**" means:
- (1) the listed company;
 - (2) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or

ANNEXURE 1

- (3) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “**listed group**”), or the listed group and its interested person(s), has control over the associated company;
- 1.5.2 an “**interested person**” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder;
- 1.5.3 an “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder includes an immediate family member (that is, the spouse, child, adopted-child, step-child, sibling or parent) of such director, chief executive officer or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his immediate family or the controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family or the controlling shareholder/his immediate family has or have an aggregate interest (directly or indirectly) of 30% or more, and, where a controlling shareholder is a corporation, its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30% or more;
- 1.5.4 an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9; and
- 1.5.5 an “**interested person transaction**” means a transaction between an entity at risk and an interested person.
- 1.6 For the purposes of the Shareholders’ Mandate, an “**entity at risk**” means:
- 1.6.1 TeleChoice;
- 1.6.2 a subsidiary of TeleChoice that is not listed on the SGX-ST or an approved exchange; or
- 1.6.3 an associated company of TeleChoice that is not listed on the SGX-ST or an approved exchange, provided that the TeleChoice Group and its interested person(s), have control over the associated company;

(together, the “**EAR Group**”).

2. Classes of Interested Persons

- 2.1 The Shareholders’ Mandate will apply to the EAR Group’s interested person transactions with:
- 2.1.1 Temasek and its associates (the “**Temasek Group**”); and
- 2.1.2 Leap International and its associates.

(the “**Interested Persons**” and each an “**Interested Person**”).

ANNEXURE 1

Transactions with Interested Persons which do not fall within the ambit of the proposed Shareholders' Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

3. Categories of Interested Person Transactions

3.1 The Interested Person Transactions with the Interested Persons which will be covered by the Shareholders' Mandate and the benefits to be derived therefrom are as follows:

3.1.1 General Transactions

This category relates to general transactions ("**General Transactions**") by the EAR Group relating to the provision to, or obtaining from, Interested Persons products and services in the normal course of business of the EAR Group or which are necessary for the day-to-day operations of the EAR Group (but not in respect of the purchase or sale of assets, undertakings or businesses) comprising the following:

- (1) sale and procurement of mobile communication devices, accessories and prepaid cards for distribution and trade;
- (2) provision and obtaining of professional, management, consultancy, sub-contract or outsourcing services;
- (3) provision and obtaining of after-sales services;
- (4) provision and obtaining of telecommunication services, equipment, infrastructure and network;
- (5) provision or obtaining of fixed and mobile network design and implementation services and equipment;
- (6) provision or obtaining info-communications infrastructure, applications, products, services, content and equipment;
- (7) provision and obtaining warehousing, logistics, packing, handling, transportation and freight services;
- (8) obtaining licences to provide or resell telecommunication services;
- (9) provision and obtaining the repair and maintenance and operation of telecommunication equipment and network;
- (10) provision and obtaining bill collection services;
- (11) engaging dealers to sell prepaid cards;
- (12) provision and obtaining printing, advertisement and marketing related services;
- (13) provision and obtaining lease and/or rental of properties and equipment;
- (14) obtaining of utilities services;

ANNEXURE 1

- (15) obtaining insurance and insurance related services;
- (16) obtaining professional, administrative and support services including finance and treasury, business development, management information systems, human resource, corporate communications (including investor relations), taxation, audit, legal, corporate secretarial services and any other professional services (“**Professional, Administrative and Support Services**”); and
- (17) provision or the obtaining of such other products and/or services which are incidental to or in connection with the provision or obtaining of products and/or services in sub-paragraphs (1) to (16) above.

The transactions set out in sub-paragraphs (1) to (16) arise in the normal course of business of the EAR Group, while the transactions set out in sub-paragraph (17) will be those which are necessary for the day-to-day operations of the EAR Group.

The EAR Group will benefit from having access to competitive quotes from the different companies in the different industries within the Temasek Group in addition to obtaining quotes from, or transacting with, non-interested persons.

3.1.2 Treasury Transactions

Treasury transactions (“**Treasury Transactions**”) comprise:

- (1) the placement of funds with any Interested Person;
- (2) the borrowing of funds from any Interested Person;
- (3) the entry into with any Interested Person of forex, swap and option transactions for hedging purposes; and
- (4) the subscription of debt securities and/or preference shares issued by any interested person and the issue of debt securities and/or preference shares to any interested person and the buying from, or the selling to, any Interested Person of debt securities and/or preference shares.

The EAR Group can benefit from obtaining competitive rates or quotes from Interested Persons in an expedient manner in addition to third party financial institutions. By transacting directly with an Interested Person, the EAR Group may also eliminate margins which third party intermediaries might ordinarily be expected to earn.

4. Rationale for and Benefits of the Shareholders’ Mandate

- 4.1 The transactions with Interested Persons are entered into or to be entered into by the EAR Group in its ordinary course of business. They are recurring transactions which are likely to occur with some degree of frequency and arise at any time and from time to time. The Directors are of the view that it will be beneficial to the EAR Group to transact or continue to transact with the Interested Persons.

ANNEXURE 1

- 4.2 The Directors believe that the EAR Group will be able to benefit from its transactions with the Temasek Group. The Shareholders' Mandate and the renewal of the Shareholders' Mandate on an annual basis will eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when potential interested person transactions with the Interested Persons arise, thereby reducing substantially, the administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the EAR Group.
- 4.3 The Shareholders' Mandate is intended to facilitate transactions in the EAR Group's normal course of business which are transacted from time to time with the Interested Persons, provided that they are carried out on normal commercial terms and are not prejudicial to the interest of TeleChoice and its minority shareholders.
- 4.4 Disclosure will be made in TeleChoice's annual report of the aggregate value of interested person transactions conducted pursuant to the Shareholders' Mandate during the current financial year, and in the annual reports for the subsequent financial years during which a Shareholders' Mandate is in force.

5. Review Procedures for Transactions with Interested Persons

- 5.1 The EAR Group has established the following procedures to ensure that the Interested Person Transactions are undertaken on an arm's length basis and on normal commercial terms:

5.1.1 General Transactions

- (1) Review Procedures. In general, there are procedures established by the EAR Group to ensure that the General Transactions with Interested Persons are undertaken on an arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally no more favourable to the Interested Persons than those extended to unrelated third parties. In particular, the following review procedures have been implemented:

- (i) Provision of services or the sale of products. The review procedures are:
- (aa) all contracts entered into or transactions with Interested Persons will require the prior approval of TeleChoice's President or other officers designated by the President (all of whom shall not have any interest, whether direct or indirect, in such Interested Persons) and are to be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/process/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms; and

ANNEXURE 1

- (bb) where the prevailing market rates or prices are not available due to the nature of the service to be provided or the product to be sold, the EAR Group's pricing for such services to be provided or products to be sold to Interested Persons will require the prior approval of TeleChoice's President and TeleChoice's Chief Financial Officer ("CFO"), who will make a decision in accordance with the Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by TeleChoice Group for the same or substantially similar type of transaction with unrelated third parties. In determining the transaction price payable by Interested Persons for such services or products, factors such as, but not limited to, quantity, volume, consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction will be taken into account.

- (ii) Obtaining of services or purchasing of products. The review procedures are:
 - (aa) all contracts entered into or transactions with Interested Persons will require the prior approval of TeleChoice's President or other officers designated by the President (all of whom shall not have any interest, whether direct or indirect, in such Interested Persons) and are to be carried out after obtaining quotations (whenever possible or available) from at least two other unrelated third party suppliers for similar quantities and/or quality of services or products. The pricing will be no higher than the most attractive rate obtained through unrelated third party quotations to ensure that the price and terms offered by the Interested Person are fair and reasonable and competitive to those offered by other unrelated third parties for the same or similar type of services or products. In determining whether the price and terms offered by the Interested Person are fair and reasonable, factors such as, but not limited to, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases, will also be taken into account; and

 - (bb) in the event that such competitive quotations cannot be obtained, TeleChoice's President and TeleChoice's CFO will determine whether the price and terms offered by the Interested Person are fair and reasonable.
