## TO BE THE LEADING, PREMIER INTEGRATED MARINA DEVELOPER

Headquartered in Singapore, SUTL Enterprise Limited (“**SUTL Enterprise**” or together with its subsidiaries, the “**Group**”) is a leading developer, operator and consultant of integrated marinas. It is the only marina business to be listed on the SGX.

The Group develops infrastructure for integrated marinas and also provides consultancy services for such projects. It operates its own marinas under its proprietary ONE°15 brand, as well as those of third parties under management contracts. In addition, the Group has a complementary yacht chartering business with a fleet of more than 40 luxury yachts, under its fully-owned subsidiary, ONE°15 Luxury Yachting.

Besides the ONE°15 Marina Club Sentosa Cove in Singapore which it owns and operates, SUTL Enterprise has expanded its network overseas and currently runs the ONE°15 Marina Brooklyn in New York, USA, under a management contract. Its current pipeline includes consultancy and management contracts for two soon-to-be completed marinas in Zhuhai, China and in Jakarta, Indonesia. It also has a joint venture project in Puteri Harbour in Iskandar Malaysia that comprises a private marina, a public marina and a superyacht marina.

SUTL Enterprise’s vision is to be a leading premier integrated marina developer.

SUTL Group of Companies, which is a privately held lifestyle consumer goods and services conglomerate, holds a 54.81% stake in SUTL Enterprise.

# CHAIRMAN'S MESSAGE

Unlike **Europe** and the **US** where the boating lifestyle is already firmly entrenched, these coastal destinations in **Asia** are waiting to be developed and the possibilities are endless.

## Dear Shareholders,

The year ended 31 December 2016 was our first full year as SUTL Enterprise and it was a very eventful one for the Group.

We started the year by disposing of the last of our legacy IT peripherals distribution business in January 2016. Unencumbered by this loss making business, we were able to fully focus all our energies on our vision to be Asia's leading, premier integrated marina developer.

Our CEO, Mr Arthur Tay, has a dream to adorn a string of pearls along the beautiful coastlines of Asia where the boating community can sail along and stop to explore this amazing region. Each pearl represents an efficiently operated world-class ONE°15 branded integrated marina with a myriad of lifestyle and retail choices. Each of them a destination within a destination.

Once this network is in place, we believe that it will attract a new segment of far-flung visitors to the region – a community of high net worth individuals who own super yachts but have not been able to explore Asia's coastline in the past because of a lack of available and viable berthing space.

Through our interactions with many boating enthusiasts from Europe and the US, we have learnt that they are in fact very keen to sail here but are hampered by the lack of infrastructure.

We envisage that a strong network of marinas will also make it possible for those who love the waterfront and boating lifestyle to visit hard-to-reach coastal destinations and islands on chartered yachts. This in turn will benefit the yacht leasing business of ONE°15 Luxury Yachting.

Both of these are new high value tourism segments which we wish to contribute to Asia's tourism industry.

The opportunities are aplenty because many countries in Asia are not landlocked. In fact, of all the world's regions, we may have the highest network of islands and coastal areas here. Indonesia alone has more than 17,500 islands and the Philippines has more than 7,000 islands. Unlike Europe and the US where the boating lifestyle is already firmly entrenched, these coastal destinations in Asia are waiting to be developed and the possibilities are endless.

# CHAIRMAN'S MESSAGE

While we are keen to develop marina infrastructure in emerging markets, these projects have longer gestation periods because some of these marinas have to be redeveloped while others have to be built from the ground up.

To counterbalance the longer wait from greenfield marinas, we have been actively keeping an eye out for potential assets in more mature markets around the world that we may acquire. Our plan is to introduce Asian hospitality, which is warm and attentive, and breathe new life and vibrancy into these old marinas. We have seen some potential assets for sale but we will do our due diligence and only make the investment if it is the right fit and reasonably priced.

In FY2016, we had added three new pearls to our necklace. The first was through an agreement with UEM Sunrise Berhad to incorporate a joint venture company to develop a public marina, a private marina and a superyacht marina Puteri Harbour of Iskandar Puteri in Iskandar Malaysia, Johor. All will be branded ONE°15. We are still working towards fulfilling all the conditions precedent for this Joint Venture.

The second and third, which were announced at the same time in September 2016 were contracts for the management of a marina in Zhuhai, China and a marina in Jakarta, Indonesia. All three are in different stages of development but we expect all to become operational between 2018 and 2019.

These new marinas together with ONE°15 Marina Club, Sentosa Singapore and ONE°15 Brooklyn New York, USA, which we are also managing, brings the total number of marinas we have to five.

The team is busy looking for more pearls to add to our necklace in FY2017 and we hope to have good news to share very soon.

In the meantime, we are pleased to share the fruits of a good year with our shareholders. The Board has proposed a final dividend of 2.0 Singapore cents per share to be approved by shareholders at the upcoming AGM in April 2017.

In closing, I would like to thank our management team for their dedication to the Group's vision and their determination to make it happen. I also want to thank our shareholders for your patience as we build up our new marina business and your faith in our ability to add value to your investment.

**Lew Syn Pau**  
Non-Executive Chairman

# CEO'S MESSAGE

## Dear Shareholders,

Even as we wrap up the financial year ended 31 December 2016 ("FY2016") with the release of this annual report, I am excited at what lies ahead for the Group.

Our Chairman has clearly laid out the prospects and plans that we have made for our Group. However the nature of the business is such that it will take us some time to scale up our business and operations hence we ask shareholders to be patient as we do this slowly but surely.

## Corporate Updates

In June 2015, we had announced our plans to transform our business and you could say we got right down to it because all our efforts in FY2016 starting from the divestment of our legacy IT peripherals business in January 2016, were all directed at growing our new marina-related business.

In the following month of February 2016, we signed a conditional agreement with UEM Sunrise Berhad to jointly incorporate, finance and operate a joint venture company ("JV Company") for the purpose of developing the existing marina in Puteri Harbour, Iskandar Malaysia. The project

comprises three marinas that will bear the ONE<sup>®</sup>15 brand and will include a 148-berth public marina, a 278-berth private marina and a superyacht marina for 14 vessels.

We are still working towards fulfilling all the conditions precedent for this Joint Venture. The construction of the marinas at Puteri Harbour is expected to commence in the second half of 2017 and to complete by the third quarter of 2019. The JV Company, which SUTL Enterprise owns a 60% stake in, will also be involved in developing and operating the proprietary yacht club, a sports centre and other complementary businesses.

In September 2016, we expanded to more destinations with the signing of management and consultancy contracts in Jakarta, Indonesia and Zhuhai, China. We believe the berths at both marinas will be highly sought after because of their ideal locations.

The marina in China is on Guishan Island and in close proximity to Hong Kong, Macau, Guangzhou, Shenzhen and Zhuhai. The project comprises a 116-berth marina with clubhouse, a 176-room hotel with spa and gymnasium and a 153-room boutique hotel.

*\* Previously known as ONE<sup>®</sup>15 Marina Pantai Mutiara.*

Construction has started and is expected to complete in the second half of 2018.

The 320-berth marina located in Jakarta, Indonesia facing the Java Sea, will have a clubhouse with hotel accommodation, lifestyle retail, spas and fitness centre. Construction has started and will finish by the second half of 2018.

To further strengthen our brand positioning, we appointed Singapore's first Olympic gold medallist, Joseph Schooling, as the ambassador for the ONE°15 brand. His perseverance to become the world's fastest swimmer is in line with our own vision to become the world's best marina brand and we felt it was the perfect fit.

### Performance Review

The Group concluded FY2016 on a high note with a more than two-fold increase in net attributable profit to owners to S\$3.9 million. This was on the back of revenue which increased 2% to S\$28.2 million.

We attribute the strong performance as compared to the preceding 12 months in 2015 ("FY2015") when net attributable profit to owners was S\$1.6 million and revenue was S\$27.7 million, mainly to the transformation of the Group's business and our focus on operational efficiency and careful cost management.

### Outlook

As at 31 December 2016, SUTL Enterprise's financial position remained strong with zero borrowings and cash and cash equivalents of S\$41.3 million. This puts us in a good position to strengthen our business through potential marina-related investments should suitable opportunities come along.

We have a two-prong strategy to grow our network of ONE°15 branded marinas. We are looking for opportunities to provide

consultancy to marinas that are being developed, with the end goal of putting our ONE°15 brand on them and then operating the marinas under management contracts upon completion. In the hope of facilitating more rapid expansion, we are at the same time looking to acquire established marinas that we can transform and rebrand.

As they say, the world is our oyster and we are looking for pearls but while it is our desire to grow quickly, we will exercise prudence and due diligence before making any investments.

### Appreciation

Our performance last year was a strong affirmation of the change in strategic direction and we want to thank shareholders who had faith in us. As the first such business to be listed on SGX, we are grateful for the support you have shown the Group and our Board is very pleased to propose our very first dividend payout as SUTL Enterprise. At 2.0 Singapore cents per share, this represents 44.9% of our net attributable profit in FY2016.

In closing, I want to thank the Board of Directors for your wise guidance during the year and our suppliers and business partners for the strong relationship we share. Most of all, I want to thank all our staff at SUTL Enterprise for your hard work in making FY2016 such a good year for the Group.

### Arthur Tay

Executive Director and Chief Executive Officer

The Group concluded FY2016 on a high note with a more than two-fold increase in net attributable profit to owners to **S\$3.9 million**. This was on the back of revenue which increased 2% to **S\$28.2 million**.

## Income Statement

In FY2016, SUTL achieved total income of \$28.2 million comprising sales of goods and services of \$19.7 million, membership related fees and management fees of \$6.9 million and other income of \$1.6 million. The 2% increase over FY2015 total income of \$27.7 million was mainly driven by higher food and beverage sales and more berthing income.

Total expenses in FY2016 amounted to \$23.7 million, an increase of 1% from \$23.5 million in FY2015. The increase was due mainly to increase in salaries and related expense, professional fees and business development expenses that were partially offset by lower operation expenses during the year.

FY2016 EBITDA from continuing operations came in at \$6.3 million as compared to \$6.1 million in the preceding year. The Group's profit after tax attributable to owners of the Company in FY2016 was \$3.9 million as compared to \$1.6 million in FY2015 which included a loss of \$2.0 million from discontinued operations.

Earnings per share for FY2016 was 4.46 cents (based on 86.5 million weighted average number of shares in FY2016) compared with 5.54 cents for FY2015 (based on 64.7 million weighted average number of shares in FY2015).

## Financial Position

The Group's net assets attributable to owners of the Company as at 31 December 2016 totalled \$54.2 million, an increase of 7.8% over \$50.3 million as at 31 December 2015. Cash and cash equivalents totalled \$41.3 million at the end of FY2016 compared with \$34.5 million a year ago, an increase of \$6.8 million. The year-on-year increase in cash and cash equivalents was due mainly to profits in FY2016 and proceeds from the disposal of the ATPL Group.

The Group had no debts on its balance sheets. Net asset value per share at the end of FY2016 was 62.71 cents, an increase of 7.9% over 58.12 cents at the end of FY2015.

In FY2016,  
SUTL achieved  
total income of  
**\$28.2 million.**

# NAVIGATING TO NEW SHORES

*ONE°15 staff volunteering at the Annual NKF year-end party for patients.*

**At SUTL,** we believe that profitability should not be the sole purpose of our Group.

## Sustainability Policies and Objectives

At SUTL, we believe that profitability should not be the sole purpose of our Group.

SUTL Enterprise's CSR objectives are to contribute to the society and community that has enabled our success, fulfil our commitment to stakeholders and to do no harm to the environment as we carry out our operational activities.

## Commitment to Stakeholders

### • Shareholders

SUTL Enterprise is committed to uphold sound corporate governance and transparency practices in accordance to MAS and SGX guidelines. These include keeping shareholders informed of the Group's performance and latest corporate developments through timely and accurate announcements to the investment community and media.

# CORPORATE SOCIAL RESPONSIBILITY

We provide public access to information about SUTL Enterprise via Singapore Stock Exchange's SGXNET. All our corporate announcements, press releases, presentation slides and annual reports are available on this channel. We conduct regular results briefings to keep the investment community updated about our performance.

## • Club members and business partners

SUTL Enterprise's corporate vision is to be a leading, premier integrated marina developer. With every project that we undertake, we ensure that we put in our best effort to create a marina that is world class and pleasing to club members, business partners and the communities that live around it.

## • Employees

We are committed to the career and personal development of each employee. We equip them with the skills to do their jobs well through on-the-job training programmes and external training courses.

## Commitment to the Community

SUTL Enterprise is an active partner in NKF's fund raising activities. In December 2016, staff from SUTL Enterprise joined those of our parent company, the privately held SUTL Group of Companies, to participate in the NKF 30-Hour Override challenge. Together 28 staff cycled for 30 hours non-stop for a total of 424.7km. Every completed kilometre raised S\$5 for needy patients and together the amount raised by our hardworking staff was S\$2,123.50.

*NKF patients and staff on a cruise during the ONE°15 Xmas Boat Light Parade.*

The annual NKF year-end party took place at Whampoa Community Centre in December 2016 hosted by SUTL Group of Companies. Staff from SUTL Enterprise once again joined those of our parent company to bring cheer and raise the spirits of patients and staff of NKF.

To thank NKF donors for their generous support, SUTL Enterprise participated in the Friends of NKF programme by offering discounts at our WOK°15 restaurant at the ONE°15 Marina Club Sentosa.

We look forward to lend our continued support to NKF and other charities in FY2017.

## Commitment to the Environment

We strive to operate our marinas responsibly. We have in place an Environmental Management System to help us achieve our environmental goals. The system covers the following areas.

We comply with applicable environmental laws and regulations. We prevent pollution, reduce waste and consumption and commit to recycling efforts in the Club's operations.

We are the first marina in the region to achieve ISO 14001, a prestigious and internationally-recognised certification for Environmental Management.

We embarked on our own Eco-initiative – Project Perna which involved installing strings of Green mussels or Perna Viridis under the marina pontoon to remove pollutants and provide an additional source of food for marine life within the marina.

We also received accreditation as a "Fish Friendly Marina" by the Marina Industries Association (MIA). We are the first level 4 Clean Marina ISO 140001 marina to achieve this recognition in South East Asia.

Additionally, we were also named Green Maritime Company of the Year at the Asia Boating Awards 2015.

# CORPORATE GOVERNANCE

The Board of Directors (“Board”) recognises the importance of good corporate governance practices. This report describes the Company’s corporate governance practices with references to the principles of the Code of Corporate Governance 2012 (“Code”).

## (A) BOARD MATTERS

### The Board’s conduct of affairs

***Principle 1: Every company should be headed by an effective Board to lead and control the company. The Board is collectively responsible for the long-term success of the company. The Board works with Management to achieve this objective and Management remains accountable to the Board.***

The Board is primarily responsible for setting corporate policy and overall strategy for the Company and has a direct responsibility for decision making in respect of the following:

- dealing with matters brought up by the Audit Committee, and in particular, the Group’s system of internal controls;
- reviewing the operational and financial performance of the Group, including but not limited to approving announcements for the quarterly and full year financial results;
- approving Annual Reports, addenda to Annual Reports and circulars;
- approving the appointments and remuneration of Directors; and
- reviewing corporate governance processes and practices within the Group.

In discharging these responsibilities, the Directors rely on, among other things, the Company’s officers and external advisers.

Matters which are reserved for the Board’s decision include the following:

- approving material acquisitions and disposal of assets (materiality thresholds applicable – any transaction outside the ordinary course of business amounting to 3% or more of the relative figures set out in Rule 1006 of the Listing Manual);
- share issuances (including stock options or other equity awards), dividends and other capital transactions and returns to shareholders;
- any Interested Person Transaction of a value equal to, or more than, 3% of the Group’s latest audited net tangible assets;
- creating any fixed or floating charge, lien (other than a lien arising by operation of law) or other encumbrance over the whole or substantially the whole of the undertaking, property or assets of any company of the Group;
- the Group giving any guarantee or indemnity to secure the liabilities or obligations of any third party amounting to more than S\$2.0 million;
- the Group entering into any contract, arrangement, commitment or transaction of any nature whatsoever amounting to more than S\$2.0 million, that is not entered into in the ordinary and proper course of business on arm’s length terms;

- capital expenses of the Group amounting to more than S\$1.0 million; and
- any matters involving a conflict or potential conflict of interest involving a substantial shareholder or a Director.

The functions of the Board are either carried out by the Board or delegated to various committees established by the Board, namely, the Audit Committee (“AC”), the Nominating Committee (“NC”), the Remuneration Committee (“RC”) and the Risk Management Committee (“RMC”). The RMC was dissolved and its duties will be carried out by the AC with effect from 24 February 2017. Each committee has the authority to examine issues relevant to their terms of reference and to make recommendations to the Board for action. The decisions on major policies and matters lie with the Board.

The Board conducts regular scheduled meetings. Additional meetings are convened as and when circumstances warrant. Notwithstanding the attendance of these meetings, the Board is of the view that a Director’s contribution may also extend beyond the confines of the formal environment of such meetings, through the sharing of views, advice, experience and strategic networking relationships which would further the interests of the Company.

The Company does not currently have a formal training programme for new or existing Directors.

No new Directors were appointed during the financial year ended 31 December 2016 (“FY2016”). However, when a new director is appointed, the Board will endeavour that all newly appointed Directors are given an orientation on the Group’s business strategies, operations and organisation structure as well as the statutory and regulatory obligations of being a Director to ensure that they are aware of their responsibilities and obligations of being a Director.

To keep pace with regulatory changes, the Directors are briefed on such changes by the auditors and/or the Company’s lawyers from time to time during Board meetings.

The attendance of the Directors at Board and Board committee meetings in 2016, as well as the number of such meetings, is disclosed in the table below.

Meetings	Main Board	Audit Committee	Nominating Committee	Remuneration Committee
<b>No. of meetings held</b>	4	5	1	1
<b>Directors</b>				
Lew Syn Pau (Independent)	4	5	1	1
Tay Teng Guan Arthur (Executive)	4	NA	1	NA
Tay Teng Hock (Non-Executive)	4	NA	NA	NA
Chan Kum Tao (Non-Executive)	4	5	NA	1
Ng Teck Sim Colin (Independent)	4	5	1	1

## Board Composition and Guidance

***Principle 2: There should be a strong and independent element on the Board, which is able to exercise objective judgment on corporate affairs independently, in particular, from Management and 10% shareholders<sup>1</sup>. No individual or small group of individuals should be allowed to dominate the Board’s decision making.***

Together, the Directors bring a wide range of business, legal and financial experiences relevant to the Group and provide an appropriate balance and diversity of skills and experience to the Board.

<sup>1</sup> The term “10% shareholder” shall refer to a person who has an interest or interests in one or more voting shares in the Company and the total votes attached to that share, or those shares, is not less than 10% of the total votes attached to all the voting shares in the Company. “Voting shares” exclude treasury shares.

# CORPORATE GOVERNANCE

The NC reviews annually the performance of members of the Board. It also reviews the independence of a Director bearing in mind the Code's definition of an 'independent' Director and guidance as to relationships the existence of which would deem a Director not to be independent. It should be noted that Mr Ng Teck Sim Colin is an Independent Director of the Company and a partner of a legal firm which may from time to time render professional legal services to the Group. Nevertheless, the NC (excluding Mr Ng in respect of the deliberation of his own independence) has considered Mr Ng to be independent as the billing is not substantial and he is capable of maintaining his objectivity and independence at all times in the carrying out of his duties and responsibilities as an Independent Director.

As Mr Lew Syn Pau has served on the Board for more than nine years, the NC (excluding Mr Lew in respect of the deliberation of this matter) has conducted a review of his contributions to the Board to determine if he has maintained his independence. The NC is satisfied with Mr Lew's performance and that Mr Lew has remained independent in his judgment and can continue to discharge his duties objectively. In its review, the NC noted that Mr Lew Syn Pau has been an Independent Director since April 2000 and has served on the Board for more than nine (9) years. The NC considered that there has been a change in the controlling shareholder in December 2009, when SUTL Global Pte. Ltd. acquired shares of the Company representing 23.36% of the total number of issued shares from Mr Henry Lim Yong Choon, who was then the controlling shareholder of the Company. The period from the change in the controlling shareholding was less than nine (9) years.

The Board is satisfied as to the performance and continued independence of judgment of each of these Directors.

## Chairman and Chief Executive Officer

***Principle 3: There should be a clear division of responsibilities between the leadership of the Board and the executives responsible for managing the company's business. No one individual should represent a considerable concentration of power.***

Mr Lew Syn Pau is the Chairman (Non-Executive) and Mr Tay Teng Guan Arthur is an Executive Director and the Chief Executive Officer ("CEO").

The Chairman provides leadership to the Board. He holds a casting vote and sets the meeting agenda in close consultation with the Board. The Chairman assumes the lead role in overseeing the corporate governance processes.

The CEO is responsible for the day-to-day management of the affairs of the Group. He is accountable to the Board for the overall performance of the Group's business operations and strategic planning, and also executes the strategic plans set out by the Board and ensures that the Directors are kept updated and informed of the Group's business through management reports.

The Group's business is conducted by its employees, managers and corporate officers led by the CEO, with oversight from the Board. The Board works with the CEO to elect/appoint other officers who are charged with managing the businesses of the Group. The CEO has the responsibility of overseeing and directing the officers to ensure that the interests of the Company are served.

## Board Membership and Performance

***Principle 4: There should be a formal and transparent process for the appointment and re-appointment of directors to the Board.***

***Principle 5: There should be a formal annual assessment of the effectiveness of the Board as a whole and its board committees and the contribution by each director to the effectiveness of the Board.***

The Board has authority to fill vacancies on the Board and to nominate candidates for election by the shareholders. The screening process is handled by the NC with direct input from the other Directors.

The NC currently comprises three members, namely:

Mr Ng Teck Sim Colin, Chairman of the NC	(Independent Director)
Mr Lew Syn Pau, Member of the NC	(Independent Director)
Mr Tay Teng Guan Arthur, Member of the NC	(Executive Director and CEO)

The NC's key duties and responsibilities include the following:

- (a) determining annually, and as and when circumstances require, whether or not a Director is independent and providing its views to the Board in relation thereto for the Board's consideration;
- (b) reviewing the independence of any Director who has served on the Board for more than nine (9) years from the date of his first appointment and the reasons for considering him as independent;
- (c) where a Director or proposed Director has multiple board representations, deciding whether the Director is able to and has been adequately carrying out his duties as a Director, taking into consideration the Director's number of listed company board representations and other principal commitments;
- (d) where the appointment of an alternate Director to a Director is proposed, determining whether the alternate Director is familiar with the Company's affairs, is appropriately qualified and (in the case of an alternate Director to an Independent Director) whether the alternate Director would similarly qualify as an Independent Director, and providing its views to the Board in relation thereto for the Board's consideration;
- (e) making recommendations to the Board of Directors on relevant matters relating to:
  - (i) the review of board succession plans for Directors, in particular, the Chairman and for the CEO;
  - (ii) the development of a process for evaluation of the performance of the Board, its board committees and Directors;
  - (iii) the review of training and professional development programs for the Board; and
  - (iv) the appointment and re-appointment of Directors (including alternate Directors, if applicable);
- (f) proposing objective performance criteria and evaluating the performance of the Board of Directors as a whole which allows for comparison with industry peers and address how the Board has enhanced long-term shareholder value;
- (g) carrying out, at least annually, a formal assessment of the performance and effectiveness of the Board as a whole and its board committees and (if applicable) the contributions of individual Directors to the effectiveness of the Board of Directors, based on the process implemented by the Board;
- (h) providing its views and recommendations to the Board, including any appointment of new members, based on the results of the performance evaluation;
- (i) reporting to the Board its findings from time to time on matters arising and requiring the attention of the NC; and
- (j) undertaking such other reviews, projects, functions, duties and responsibilities as may be requested by the Board of Directors.

A brief description of the background of each Director is presented on pages 10 and 11 of this Annual Report.

The Directors submit themselves for re-nomination or re-election at regular intervals of at least once every 3 years and the Company's Articles of Association requires one-third of the Directors for the time being (other than the Managing Director), or, if their number is not 3 or a multiple of 3, then the number nearest one-third, to retire from office at each Annual General Meeting ("AGM") of the Company. Retiring Directors are selected on the basis of those who have been longest in office since their last election, failing which they shall be selected by agreement or by lot.

# CORPORATE GOVERNANCE

The search and nomination process for new Directors, if any, will be via contacts and recommendations. The NC also evaluates potential candidates and their suitability, and makes recommendations to the Board for approval.

Directors are allowed to hold directorships in companies outside the Group. The Board and the NC are of the view that the current level of multiple board representations of the Directors does not hinder their ability to carry out their duties as Directors of the Company. The Board believes that each Director has to personally determine the demands of his or her competing directorships and obligations and assess how much time is available to serve on the Board effectively, and this determination would be based on various factors and not only the number of listed company board representations that the Director has. Further, the NC from time to time assesses the independence of each Director, the performance of the Board as a whole, and the contribution of each Director to the effectiveness of the Board. Accordingly, the Board has not set a maximum number of board representations a Director may hold.

The Board is of the view that the current size of the Board is adequate and appropriate after taking into account the size of the Group and the costs involved.

The NC assesses and makes recommendations to the Board as to whether the retiring Directors are suitable for re-election/re-appointment in consultation with the Chairman and CEO. The NC implements an assessment process that requires each Director to submit an assessment of the performance of the Board, its board committees and of individual Directors for the financial year under review.

## Access to Information

***Principle 6: In order to fulfill their responsibilities, directors should be provided with complete, adequate and timely information prior to board meetings and on an on-going basis so as to enable them to make informed decisions to discharge their duties and responsibilities.***

Information and data relating to matters to be covered at a Board meeting are usually distributed to the Directors before the meeting for their deliberation. On an on-going basis, the Directors have full access to the Company's senior management and the corporate secretarial agent should they have any queries or require additional information on the affairs of the Company and the Group. The corporate secretarial agent attends all Board Meetings.

Currently, there is no formal procedure for the Directors to take independent and professional advice to discharge their duties. However, subject to prior approval of the Board, the Board and its committees may seek legal, financial or other expert advice from any source independent of Management in furtherance of their duties and in the event that circumstances warrant the same.

## (B) REMUNERATION MATTERS

### Procedures for Developing Remuneration Policies

***Principle 7: There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual directors. No director should be involved in deciding his own remuneration.***

### Level and Mix of Remuneration

***Principle 8: The level and structure of remuneration should be aligned with the long-term interest and risk policies of the company, and should be appropriate to attract, retain and motivate (a) the directors to provide good stewardship, and (b) key management personnel to successfully manage the company. However, companies should avoid paying more than is necessary for this purpose.***

***Principle 9: Every company should provide clear disclosure of its remuneration policies, level and mix of remuneration, and the procedure for setting remuneration, in the company's Annual Report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to directors and key management personnel, and performance.***

The RC currently comprises three members, namely:

Mr Lew Syn Pau, Chairman of the RC	(Independent Director)
Mr Ng Teck Sim Colin, Member of the RC	(Independent Director)
Mr Chan Kum Tao, Member of the RC	(Non-Executive Director)

The RC's duties and responsibilities include the following:

- (a) reviewing and recommending to the Board of Directors, a general framework of remuneration for the Directors and key management personnel;
- (b) reviewing and recommending annually to the Board, the specific remuneration packages for each Director as well as for the key management personnel, and in its review, to cover all aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, options, share-based incentives and awards and benefits-in-kind;
- (c) reviewing annually the remuneration of employees who are immediate family members of a Director or CEO whose remuneration exceeds S\$50,000 during the year;
- (d) reviewing the Company's obligations arising in the event of termination of the Executive Directors and key management personnel's contracts of service;
- (e) ensuring that existing relationships, if any, between the Company and its appointed remuneration consultants will not affect the independence and objectivity of the remuneration consultants;
- (f) reviewing whether Executive Directors, Non-Executive and Independent Directors and key management personnel should be eligible for options, share incentives, awards and other benefits under the Schemes;
- (g) considering the advice from the RMC on risk weighting to be applied to performance objectives incorporated in executive remuneration;
- (h) reviewing working environments and succession planning for Management;
- (i) reviewing the terms of the employment arrangements with Management so as to develop consistent group-wide employment practices subject to regional differences;
- (j) reporting to the Board of Directors its findings from time to time on matters arising and requiring the attention of the Committee; and
- (k) undertaking such other reviews, projects, functions, duties and responsibilities as may be requested by the Board of Directors.

In setting remuneration packages, the RC takes into account the performance of the Group, as well as individual Directors and key management personnel, aligning their interests with those of shareholders, and linking rewards to corporate and individual performance. The RC also considers the remuneration packages and employment conditions within the industry and in comparable companies. No Director is involved in deciding his own remuneration.

Directors are paid Directors' fees, subject to approval at the Company's AGM. The RC recommends to the Board Directors' fees that are appropriate to the level of contribution, taking into account factors such as effort and time spent and responsibilities of Directors.

On 29 April 2011, the Company put in place a share option scheme approved by shareholders (the "Share Option Scheme 2011"). Under this scheme, the number of shares in respect of which options may be granted shall be determined at the discretion of the RC who shall take into account, inter alia, the rank, past performance, years of service and potential contribution of the employee. Details of the options granted under the Share Option Scheme 2011 are set out in the Directors' Statement on pages 31 to 32 of this Annual Report.

Currently, the Company does not use contractual provisions to allow the Company to reclaim incentive components of remuneration from Executive Directors and key management personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. Generally, the Executive Director receives a basic salary and Directors' fees and bonus. For the key management personnel, the aggregate

# CORPORATE GOVERNANCE

remuneration, including any bonus components, was not excessive. Further, as the Executive Director owes a fiduciary duty to the Company, the Company should be able to avail itself to remedies against the Executive Director in the event of a breach of such fiduciary duties.

The breakdown (in percentage terms) of the remuneration for FY2016, of Directors of the Company and the top key management personnel who are not also Directors of the Company, is set out as below:

Remuneration band & name of Directors	Base/fixed salary %	Variable or performance related income/bonus %	Fees <sup>(1)</sup> %	Benefits and allowances %	Other long term incentives %	Total
<b>Above S\$250,000 Below S\$500,000</b>						
Tay Teng Guan Arthur	60	15	15	5	5	100
<b>Below S\$250,000</b>						
Tay Teng Hock	–	–	100	–	–	100
Chan Kum Tao	–	–	100	–	–	100
Lew Syn Pau	–	–	100	–	–	100
Ng Teck Sim Colin	–	–	100	–	–	100

Note:

- Directors' fees in an aggregate amount are subject to approval by shareholders at the Company's forthcoming AGM.

Remuneration band & name of Top Key Management Personnel	Base/fixed salary %	Variable or performance related income/bonus %	Fees %	Benefits and allowances %	Other long term incentives %	Total
<b>Below S\$250,000</b>						
Long Jek Sun, Jack	72	15	–	7	6	100
Brian Eliot Werner (Left on 11 <sup>th</sup> June 2016)	59	21	–	20	–	100
Teo Joo Leng (Joined on 22 <sup>nd</sup> August 2016)	73	13	–	7	7	100

Lim Mei Xiu Michelle	83	16	–	1	–	100
Rudy Karel Puyst Jens	83	15	–	2	–	100

The Board supports and is aware of the need for transparency. However, after deliberation, the Board has decided to disclose the remuneration of Directors, the CEO, and the top key management personnel in remuneration bands of S\$250,000 and by a percentage breakdown in terms of categories and components instead of the specific remuneration. The Board considered, *inter alia*, the competitive pressures, the sensitive nature of the matter and potential for poaching of staff.

Total remuneration paid to the above top key management personnel (who are not Directors or the CEO) of the Company for FY2016 was approximately S\$760,000.

Mr Tay Teng Guan Arthur, an Executive Director and the CEO, is a sibling of Mr Tay Teng Hock, a Non-Executive Director. Mr Tay Kuan Wee Alex, Group Business Development Manager, is the son of Mr Tay Teng Hock, a Non-Executive Director and the nephew of Mr Tay Teng Guan Arthur, Executive Director and CEO. The remuneration of Mr Tay Kuan Wee Alex for FY2016 was within the band of S\$50,000 to S\$100,000. Other than the above, during the financial year, the Company and its related companies did not employ any immediate family members of any Director or the CEO and whose remuneration exceeded S\$50,000 during the year.

## (C) ACCOUNTABILITY AND AUDIT

### Accountability

***Principle 10: The Board should present a balanced and understandable assessment of the company's performance, position and prospects.***

The Board is responsible for providing a balanced and understandable assessment of the Group's performance, position and prospects, including interim and other price sensitive reports and reports to regulators (if required). Further, the Company adopts a policy which welcomes Directors to request for further explanations, briefings or informal discussions on any aspects of the Group's operations or business from senior management.

### Risk Management and Internal Controls

***Principle 11: The Board is responsible for the governance of risk. The Board should ensure that Management maintains a sound system of risk management and internal controls to safeguard shareholders' interests and the company's assets, and should determine the nature and extent of the significant risks which the Board is willing to take in achieving its strategic objectives.***

The Board had established a RMC, which comprised three members, namely:

Mr Chan Kum Tao, Chairman of the RMC	(Non-Executive Director)
Mr Tay Kuan Wee Alex, Member of the RMC	(Group Business Development Manager)
Mr Tan Choon Kiat, Member of the RMC	(Group Financial Controller)

The RMC's duties and responsibilities included the following:

- (a) determining and recommending the nature and extent of significant risks in achieving the Board's strategic objectives;
- (b) determining the Company's levels of risk tolerance and risk policies, and overseeing Management in the design, implementation and monitoring of the Company's risk management and internal control systems;
- (c) advising on the Company's overall risk tolerance and strategy;
- (d) overseeing and advising on the current risk exposures and future risk strategy of the Company;

# CORPORATE GOVERNANCE

- (e) in relation to risk assessment:
  - (i) keeping under review the Company's overall risk assessment processes that inform the Board's decision making;
  - (ii) reviewing regularly and approving the parameters used in these measures and the methodology adopted; and
  - (iii) setting a process for the accurate and timely monitoring of large exposures and certain risk types of critical importance.
- (f) reviewing the Company's capability to identify and manage new risk types;
- (g) before a decision to proceed is taken by the Board, advising on proposed strategic transactions, focusing in particular on risk aspects and implications for the risk tolerance of the Company, and taking independent external advice where appropriate and available;
- (h) reviewing reports on any material breaches of risk limits and the adequacy of proposed action;
- (i) reviewing and reporting to the AC, at least annually, the adequacy and effectiveness of the Company's internal controls, including financial, operational, compliance and information technology controls (such review can be carried out internally or with the assistance of any competent third parties);
- (j) providing advice to the RC on risk weightings to be applied to performance objectives incorporated in executive remuneration;
- (k) monitoring the independence of risk management functions throughout the organisation;
- (l) reviewing promptly all relevant risk reports on the Company; and
- (m) reviewing and monitoring Management's responsiveness to the findings.

The RMC was dissolved and its duties will be carried out by the AC with effect from 24 February 2017.

The Management has in place a system of internal controls to safeguard shareholders' investments and the assets of the Group. It should be noted such systems are designed to manage rather than eliminate the risk of failure to achieve our business objectives. It should be further noted that no system of internal controls can provide absolute assurance in this regard, or absolute assurance against the occurrence of material errors, poor judgment in decision-making, human error, losses, fraud or other irregularities.

The Board of Directors and the AC have reviewed the adequacy and effectiveness of the Group's internal controls including the Group's financial, operational, compliance and information technology risks. Following from the foregoing and based on work done by the internal and external auditors and reviews performed by Management throughout FY2016, the Board, with the concurrence of the AC, is of the opinion that the systems of internal controls in place to address financial, operational, compliance and information technology risks, and its risk management systems are adequate in providing reasonable assurance of the effectiveness of the Group in safeguarding its assets and shareholders' value under the current business environment.

The Board has received assurance from the CEO and the Group Financial Controller that, as at 31 December 2016:

- (a) financial records have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances; and
- (b) the Group's risk management and internal control systems were adequate to address financial, operational, compliance and information technology risks that the Company considers relevant and material to its operations.

## Audit Committee

**Principle 12: The Board should establish an Audit Committee with written terms of reference which clearly set out its authority and duties.**

The AC currently comprises three members, namely:

Mr Lew Syn Pau, Chairman of the AC	(Independent Director)
Mr Ng Teck Sim Colin, Member of the AC	(Independent Director)
Mr Chan Kum Tao, Member of the AC	(Non-Executive Director)

The AC is authorised by the Board to investigate matters within its terms of reference. The responsibilities of the AC include:

- (a) reviewing the scope and results of the external audit and its cost effectiveness;
- (b) reviewing the independence and objectivity of the external auditors annually. Where the auditors also supply a substantial volume of non-audit services to the Company, the AC shall keep under review the nature and extent of such services, seeking to maintain objectivity;
- (c) reviewing the significant financial reporting issues and judgments and any formal announcements relating to the Company's financial performance;
- (d) reviewing the interim and annual financial statements and financial announcements;
- (e) after considering the report of the RMC, reviewing and reporting to the Board, at least annually, the adequacy and effectiveness of the Company's internal controls, including financial, operational, compliance and information technology controls (such review can be carried out internally or with the assistance of any competent third parties);
- (f) reviewing the results of the internal auditors' examination of the Group's system of internal accounting controls and any reports by the RMC on the Group's system of internal controls;
- (g) monitoring the establishment, appointments, staffing, qualifications and experience of the Company's internal audit function, including approval of the appointment and compensation terms of the head of the internal audit function, review of whether the internal audit function is adequately resourced, is independent of the activities it audits, and has appropriate standing within the Company. The internal audit function can either be in-house, outsourced to a reputable accounting/auditing firm, or performed by a major shareholder, holding company, parent company or controlling enterprise with an internal audit staff;
- (h) reviewing, at least annually, the adequacy and effectiveness of the Company's internal audit function;
- (i) meeting with the external auditors, and with the internal auditors, without the presence of the Company's management, at least annually;
- (j) making recommendations to the Board on the proposals to shareholders on the appointment, re-appointment and removal of the external auditor, and approving the remuneration and terms of engagement of the external auditor;
- (k) reviewing the policies and arrangements by which staff of the Company may, in confidence, raise concerns about any possible improprieties in matters of financial reporting or other matters and ensuring that arrangements are in place for the independent investigation of such matters and for appropriate follow up action;
- (l) reviewing, at least annually, any Interested Persons Transactions (IPT);

- (m) reviewing any matters relating to suspected fraud or irregularity, or suspected infringement of any Singapore laws or regulations or rules of the Singapore Exchange Securities Trading Limited (“SGX-ST”) or any other regulatory authority in Singapore, of which the AC is aware, which has or is likely to have a material impact on the Company’s or Group’s operating results and/or financial position, and the findings of any internal investigations, and management’s response thereto; and
- (n) reviewing any reports or recommendations made by the RMC from time to time.

During FY2016, the AC held five meetings. The external auditors were in attendance at three of these meetings, and the internal auditor was in attendance at four of these five meetings.

The AC has reviewed all non-audit services to the Group by the external auditors, and is satisfied that the nature and extent of such services will not prejudice the independence and objectivity of the external auditors. The independence of the external auditors is reviewed by the AC annually. The Company confirms that it has complied with Rules 712 and 715 of the Listing Manual of the SGX-ST in relation to its auditing firms. The audit service and non-audit service fees paid or payable for FY2016 are stated in Note 7 to the financial statements.

The Group also has a “Whistle Blowing Policy” which provides an independent and confidential channel for employees to communicate concerns of wrongdoings, malpractices and illegal acts directly to the AC Chairman.

The external auditors provide regular updates and briefings to the AC on changes or amendments to accounting standards, which would enable the members of the AC to keep abreast of such changes and its corresponding impact on the financial statements, if any.

## Internal Audit

***Principle 13: The company should establish an effective internal audit function that is adequately resourced and independent of the activities it audits.***

To ensure that the Management maintains a good system of internal controls to safeguard the shareholders’ investments and the Group’s assets, the internal audit was conducted by the internal auditor who reported directly to the AC Chairman. To ensure the adequacy and effectiveness of the internal audit function, the AC reviews the scope of work of the internal audit manager on an annual basis.

Non-compliance and internal control weaknesses noted during internal audits and the recommendations thereof are reported to the AC as part of the review of the Group’s internal control system.

The AC and the Board are satisfied that there are adequate internal controls for the Group.

## (D) SHAREHOLDER RIGHTS AND RESPONSIBILITIES

### Shareholder Rights

***Principle 14: Companies should treat all shareholders fairly and equitably, and should recognise, protect and facilitate the exercise of shareholders’ rights, and continually review and update such governance arrangements.***

### Communication with Shareholders

***Principle 15: Companies should actively engage their shareholders and put in place an investor relations policy to promote regular, effective and fair communication with shareholders.***

### Conduct of Shareholder Meetings

**Principle 16: Companies should encourage greater shareholder participation at general meetings of shareholders, and allow shareholders the opportunity to communicate their views on various matters affecting the company.**

All shareholders of the Company receive a copy of the Annual Report and notice of the Company's AGM. The notice is also advertised in the newspaper and made available via timely SGXNET announcements.

The AGM is the principal forum for dialogue with shareholders. The Company encourages active shareholder participation at its general meetings. The Board, the corporate secretarial agent, senior management and the Company's external auditors were present and available to address questions at the Company's AGM held on 28 April 2016.

The declaration of dividends, if any, is to be recommended by the Directors and subject to the approval of the shareholders by ordinary resolution. The Company's dividend policy is to distribute dividends based on the Company's performance, taking into consideration the resources needed for the Company's continuing and future operations and possible future plans. After considering the Company's dividend policy, the Company was of the opinion that it was in the Company's interest to distribute a dividend of 2.0 Singapore cents per share representing 44.9% of the Company's net attributable profit in FY2016.

Shareholders and investors may communicate with the Company and, as the case may be, submit any notices of interests, via the Company's investor relations email address of [investors\\_relations@sutl.com](mailto:investors_relations@sutl.com).

## (E) OTHER MATTERS

### Interested Person Transactions

For FY2016, there were no Interested Person Transactions entered into (excluding transactions less than S\$100,000), including that there were no Interested Person Transactions (excluding transactions less than S\$100,000) conducted under the shareholder's mandate pursuant to Rule 920.

### Material Contracts

Save as disclosed in this Annual Report, there were no material contracts entered into by the Company or its subsidiaries involving the interests of the CEO, Directors or controlling shareholders which were still subsisting as at 31 December 2016 or if not then subsisting, entered into since 31 December 2015.

### Securities Transactions

The Group has adopted and implemented an internal policy governing securities transaction by its officers and employees. Under the internal policy, officers and other employees are reminded that (i) officers should not deal in the Company's securities on short term considerations and (ii) the Company and its officers should not deal in the Company's securities during the period commencing two weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year and one month before the announcement of the Company's full year financial statements.

# DIRECTORS' STATEMENT

The directors are pleased to present their statement to the members together with the audited consolidated financial statements of SUTL Enterprise Limited (the "Company") and its subsidiaries (collectively, the "Group") and the balance sheet and statement of changes in equity of the Company for the financial year ended 31 December 2016.

## Opinion of the directors

In the opinion of the directors,

- (i) the consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2016 and the financial performance, changes in equity and cash flows of the Group and changes in equity of the Company for the year ended on that date; and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

## Directors

The directors of the Company in office at the date of this statement are:

Lew Syn Pau  
Tay Teng Guan Arthur  
Tay Teng Hock  
Chan Kum Tao  
Ng Teck Sim Colin

## Arrangements to enable directors to acquire shares and debentures

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

## Directors' interests in shares and debentures

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under Section 164 of the Singapore Companies Act, Chapter 50, an interest in the shares of the Company and related corporations (other than wholly-owned subsidiaries) as stated below:

	Direct interest		Deemed interest

<b>Achieva Technology Pte Ltd</b>				
<i>Ordinary shares</i>				
Tay Teng Guan Arthur	–	–	20,400,000	–

By virtue of his direct interest in SUTL Global Pte. Ltd, Mr Tay Teng Guan Arthur is deemed, under Section 7 of the Singapore Companies Act, Chapter 50, to have an interest in all the shares held by SUTL Global Pte. Ltd.

There was no change in any of the above-mentioned interests in the Company between the end of the financial year and 21 January 2017.

Except as disclosed in this report, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or at the end of the financial year.

## Share options

Share Option Scheme 2011 for the employees of the Group and directors of the Company ("SOS 2011") was approved by the members of the Company at an Extraordinary General Meeting held on 29 April 2011.

Pursuant to the SOS 2011, participants would be granted options to subscribe for ordinary shares of the Company, and the options granted will have an exercise period expiring at the end of five years (for Non-Executive Directors) and ten years (for the employees of the Group) from the date of the grant.

The exercise price is at:

- a price which is equivalent to the market price (as determined under the rules of the SOS 2011); or
- a price which is set at a discount to the market price (as determined under the rules of the SOS 2011), provided that the maximum discount shall not exceed 20% of the market price.

The options will be exercisable after the expiration of the first and second anniversaries of the date the options are granted.

The SOS 2011 is administered by the Remuneration Committee whose members are:

Lew Syn Pau	(Chairman)
Chan Kum Tao	(Member)
Ng Teck Sim Colin	(Member)

During the financial year ended 31 December 2016, there were no options granted to subscribe for unissued ordinary shares in the Company and there were no shares issued by virtue of the exercise of the options.

# DIRECTORS' STATEMENT

# INDEPENDENT AUDITOR'S REPORT

To the members of SUTL Enterprise Limited

## Report on the audit of the financial statements

### Opinion

We have audited the financial statements of SUTL Enterprise Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2016, the statements of changes in equity of the Group and the Company and the consolidated statement of comprehensive income and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group, the balance sheet and the statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2016 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

### Basis for opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled our responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

# INDEPENDENT AUDITOR'S REPORT

To the members of SUTL Enterprise Limited

## Key audit matters (cont'd)

### *Impairment of trade and other receivables*

As at 31 December 2016, the Group's gross trade and other receivables amounted to approximately \$5.6m and \$5.2m respectively. Allowance for doubtful trade and other receivables amounted to approximately \$2.8m and \$4.7m respectively.

Trade and other receivables impairment assessment requires significant management judgment in assessing these debtors' ability to pay as well as the use of estimates in determining the quantum of the allowance. As such, we determined that this is a key audit matter.

As part of the audit, we obtained an understanding of the Group's processes and controls relating to the monitoring of trade and other receivables and management's consideration of the receivables' aging in identifying collection risks. The procedures we performed included sending confirmations for selected debtors and reviewing for collectability by way of obtaining evidence of receipts from the debtors subsequent to the year end. As determining the allowance for doubtful debts requires significant management estimates, we assessed management's estimates used to calculate the trade and other receivables impairment/write back amount, through analysis of aging of receivables and assessment of significant overdue individual debtors. We considered the adequacy of the Group's disclosures on the trade and other receivables and the related risks such as credit risk and liquidity risk in Notes 15 and 26 to the financial statements.

### *Carrying amount of property, plant and equipment*

As at 31 December 2016, the Group's property, plant and equipment amounted to approximately \$16.8m which is approximately 27% of the Group's total assets. The Group performed an assessment and determined that the carrying amount of the Group's property, plant and equipment approximates the recoverable amount of these assets. As discussed in Note 12, the recoverable amount of the property plant and equipment was determined based on the value in use calculations using the Group's cashflow projections which include key estimates and assumptions that are inherently judgmental. Therefore, we considered this significant to our audit.

As part of the audit, we obtained an understanding of the Group's process to assess the appropriateness of the carrying amount of property, plant and equipment. To assess the appropriateness of the cash flows projections, we evaluated management's key estimates and assumptions with reference to the Group's historical performance and our understanding of the Group's strategic initiatives. We involved our internal valuation specialist to assist in our review of the discount rate used by the Group, and we also checked the mathematical accuracy of the cash flow projections and agreed the relevant data to the budget approved by the board of directors. We considered the adequacy of the Group's disclosures on the carrying amount of the property, plant and equipment in Note 12 to the financial statements.

## Other information

Management is responsible for the other information. The other information comprises the information included in the director's statement and the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# INDEPENDENT AUDITOR'S REPORT

To the members of SUTL Enterprise Limited

## Responsibilities of management and directors for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

# INDEPENDENT AUDITOR'S REPORT

To the members of SUTL Enterprise Limited

## **Auditor's responsibilities for the audit of the financial statements (cont'd)**

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on other legal and regulatory requirements**

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ng Boon Heng.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 1. Corporate information

### 1.1 The Company

SUTL Enterprise Limited (the “Company”) is a limited liability company incorporated and domiciled in Singapore and listed on the Singapore Exchange Securities Trading Limited (“SGX-ST”). The ultimate holding company is SUTL Global Pte. Ltd. which is incorporated in Singapore.

The registered office and principal place of business of the Company is located at 100J Pasir Panjang Road, #05-00, SUTL House, Singapore 118525.

The principal activities of the Company are those of investment holding and provision of management services. The principal activities of the subsidiaries are disclosed in Note 13 to the financial statements. There have been no significant changes in the nature of these activities during the financial year.

### 1.2 The Reverse Acquisition

On 10 June 2015, the Company acquired the entire equity interest in SUTL Marina Development Pte. Ltd. (“MD”) and ONE15 Luxury Yachting Pte. Ltd. (“LY”) for a purchase consideration of \$17,415,000 that was satisfied via the issue of 341,463,414 new shares of the Company at the prevailing share price of \$0.051 (“Acquisition”).

With the completion of the Acquisition, the Group comprises:

- (I) SUTL Enterprise Limited and its Operating Subsidiaries (hereinafter referred to as the “Achieva Group”) and
- (II) SUTL Marina Development Pte. Ltd. and ONE15 Luxury Yachting Pte. Ltd. (hereinafter referred to as the “SUTL Group”)

#### *At Group level*

The Acquisition has been accounted for as a reverse acquisition in accordance with FRS 103, and the legal subsidiary SUTL Group was deemed to be the acquirer for accounting purposes. Accordingly, the consolidated income statement, consolidated balance sheet, consolidated statement of changes in equity and consolidated cash flow statement of the Group for the year ended 31 December 2015 were presented as a continuation of the SUTL Group’s financial results and operations.

Since such consolidated financial statements represent a continuation of the financial statements of the SUTL Group:

- (a) the assets and liabilities of the SUTL Group were recognised and measured in the balance sheets at their carrying amounts;
- (b) the retained earnings and other equity balances recognised in the consolidated financial statements were the retained earnings and other equity balances of the SUTL Group before the Acquisition;
- (c) the cost of the acquisition by the legal subsidiary, the SUTL Group, for its interest in the Achieva Group (i.e. legal parent) is based on the number of equity interests that the SUTL Group had to issue to the shareholders of the Achieva Group, to give the shareholders of the Achieva Group the same percentage of equity interest in the Group that resulted from the reverse acquisition. It is determined using the fair value of the issued equity of the Company just before the Acquisition;
- (d) the amount recognised as issued equity interests in the consolidated financial statements was determined by adding the issued equity of SUTL Group immediately before the reverse acquisition to the fair value of Achieva Group. However, the equity structure appearing in the consolidated financial statements (i.e. the number and type of equity instruments issued) shall reflect the equity structure of the legal parent, (i.e. the Company), including the equity instruments issued by the legal parent (i.e. the Company) to effect the Acquisition;

## 1. Corporate information (cont'd)

### 1.2 The Reverse acquisition (cont'd)

*At Group level (cont'd)*

- (e) the assets and liabilities of Achieva Group were recognised and measured in accordance with FRS 103 Business Combination;
- (f) the consolidated income statement for the year ended 31 December 2015 reflects the full year result of SUTL Group acquired pursuant to the acquisition together with the post-acquisition results of Achieva Group; and
- (g) earnings per share for the year ended 31 December 2015 reflects the results of the legal subsidiary (i.e. the SUTL Group) till the date of the Acquisition, and the results of the Group from the date of the Acquisition.

*At Company level*

Reverse acquisition accounting applies only at the consolidated financial statements at the Group level. In the Company's separate financial statements, the investment in subsidiaries is accounted for at cost less accumulated impairment losses.

## 2. Summary of significant accounting policies

### 2.1 Basis of preparation

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards ("FRS").

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore dollars ("SGD or \$"), and all values in the tables are rounded to the nearest thousand ("'\$'000") as indicated, except when otherwise indicated.

The Accounting Standards Council announced on 29 May 2014 that Singapore incorporated companies listed on the Singapore Exchange will apply a new financial reporting framework identical to the International Financial Reporting Standards. The Group will adopt the new financial reporting framework on 1 January 2018.

### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Group has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 1 January 2016. The adoption of these standards did not have any effect on the financial performance or position of the Group and the Company.

## 2. Summary of significant accounting policies (cont'd)

### 2.3 Standards issued but not yet effective

The Group has not adopted the following standards applicable to the Group that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to FRS 7 Disclosure Initiative	1 January 2017
Amendments to FRS 12 Recognition of Deferred Tax Assets for Unrealised Losses	1 January 2017
FRS 109 Financial Instruments	1 January 2018
FRS 115 Revenue from Contracts with Customers	1 January 2018
FRS 116 Leases	1 January 2019
Amendments to FRS 110 and FRS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Date to be determined*

\* The mandatory effective date of this Amendment had been revised from 1 January 2016 to a date to be determined by the Accounting Standards Council Singapore in December 2015 via Amendments to Effective Date of Amendments to FRS 110 and FRS 28.

Except for FRS 109, FRS 115 and FRS 116, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 109, FRS 115 and FRS 116 are described below.

#### FRS 109 Financial Instruments

FRS 109 introduces new requirements for classification and measurement of financial assets, impairment of financial assets and hedge accounting. Financial assets are classified according to their contractual cash flow characteristics and the business model under which they are held. The impairment requirements in FRS 109 are based on an expected credit loss model and replace the FRS 39 incurred loss model. Adopting the expected credit losses requirements will require the Group to make changes to its current systems and processes.

Under FRS 109, the Group will be required to measure the investment at fair value. Any difference between the previous carrying amount and the fair value would be recognised in the opening retained earnings when the Group applies FRS 109.

FRS 109 is effective for annual periods beginning on or after 1 January 2018 with early application permitted. Retrospective application is required, but comparative information is not compulsory. The Group is currently assessing the impact of FRS 109 and plans to adopt the standard on the required effective date.

#### FRS 115 Revenue from Contracts with Customers

FRS 115 establishes a five-step model that will apply to revenue arising from contracts with customers. Under FRS 115, revenue is recognised at an amount that reflects the consideration which an entity expects to be entitled in exchange for transferring goods or services to a customer. The principles in FRS 115 provide a more structured approach to measuring and recognising revenue when the promised goods and services are transferred to the customer i.e. when performance obligations are satisfied.

Key issues for the Group include identifying performance obligations, accounting for contract modifications, applying the constraint to variable consideration, measuring progress toward satisfaction of a performance obligation and addressing disclosure requirements.

Either a full or modified retrospective application is required for annual periods beginning on or after 1 January 2018 with early adoption permitted. The Group is currently assessing the impact of FRS 115 and plans to adopt the new standard on the required effective date.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 2.3 **Standards issued but not yet effective (cont'd)**

### FRS 116 Leases

FRS 116 requires lessees to recognise most leases on balance sheets to reflect the rights to use the leased assets and the associated obligations for lease payments as well as the corresponding interest expense and depreciation charges. The standard includes two recognition exemption for lessees – leases of 'low value' assets and short-term leases. The new standard is effective for annual periods beginning on or after 1 January 2019.

The Group is currently assessing the impact of the new standard and plans to adopt the new standard on the required effective date. The Group expects the adoption of the new standard will result in increase in total assets and total liabilities, EBITDA and gearing ratio.

## 2.4 **Basis of consolidation and business combinations**

### (a) *Reverse acquisition*

The acquisition of the entire equity interest in the SUTL Group has been accounted for as a reverse acquisition as described in Note 1.2.

### (b) *Basis of consolidation*

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries comprising the Achieva Group are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- de-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost;
- de-recognises the carrying amount of any non-controlling interest;
- de-recognises the cumulative translation differences recorded in equity;
- recognises the fair value of the consideration received;
- recognises the fair value of any investment retained;
- recognises any surplus or deficit in profit or loss; and
- re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 2. Summary of significant accounting policies (cont'd)

### (c) *Business combinations*

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any), that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation, is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets. Other components of non-controlling interest are measured at their acquisition date fair value, unless another measurement basis is required by another FRS.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

### 2.5 *Transactions with non-controlling interest*

Non-controlling interest represent the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interest are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

### 2.6 *Foreign currency*

The financial statements are presented in Singapore dollars ("SGD"), which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### (a) *Transactions and balances*

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 2. Summary of significant accounting policies (cont'd)

### 2.6 Foreign currency (cont'd)

#### (b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

In the case of a partial disposal without loss of control of a subsidiary that includes a foreign operation, the proportionate share of the cumulative amount of the exchange differences is re-attributed to non-controlling interest and is not recognised in profit or loss. For partial disposals of associates or jointly controlled entities that are foreign operations, the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

### 2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. The cost includes the cost of replacing part of the property, plant and equipment that are directly attributable to the acquisition, construction or production of a qualifying property, plant and equipment. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold land	Remaining lease term
Leasehold building	Remaining lease term
Renovations	5 - 10 years
Furniture and fittings	7 years
Office and operating equipment	5 years
Motor vehicles	10 years
Pontoons and fixtures	3 - 10 years
Computers	3 years
Other equipment	7 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in profit or loss in the year the asset is de-recognised.

## 2. Summary of significant accounting policies (cont'd)

### 2.8 *Subsidiaries*

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

### 2.9 *Impairment of non-financial assets*

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

### 2.10 *Financial instruments*

#### (a) *Financial assets*

##### Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

##### Subsequent measurement

##### Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest rate method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are de-recognised or impaired, and through the amortisation process.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 2. Summary of significant accounting policies (cont'd)

### 2.10 *Financial instruments (cont'd)*

#### (a) *Financial assets (cont'd)*

##### De-recognition

A financial asset is de-recognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised directly in other comprehensive income is recognised in profit or loss.

#### (b) *Financial liabilities*

##### Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus, in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

##### Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the liabilities are de-recognised, and through the amortisation process.

##### De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

### 2.11 *Impairment of financial assets*

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

#### *Financial assets carried at amortised cost*

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 2. Summary of significant accounting policies (cont'd)

### 2.11 *Impairment of financial assets (cont'd)*

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial asset is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

### 2.12 *Cash and cash equivalents*

Cash and cash equivalents comprise cash at banks and on hand and short-term deposits.

### 2.13 *Inventories*

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition are accounted for on a first-in first-out basis.

Where necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

### 2.14 *Provisions*

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. Summary of significant accounting policies (cont'd)

### 2.15 *Government grants*

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to income, the government grant is recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate. They are deducted in reporting the related expenses.

### 2.16 *Employee benefits*

#### (a) *Defined contribution plans*

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

#### (b) *Employee share option plans*

Employees of the Group may receive remuneration in the form of share options as consideration for services rendered.

The cost of these equity-settled share based payment with employees is measured by reference to the fair value of the options at the date on which the options are granted which takes into account market conditions and non-vesting conditions. This cost is recognised in profit or loss, with a corresponding increase in the employee share option reserve, over the vesting period. The cumulative expense recognised at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of options that will ultimately vest. The charge or credit to profit or loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

The employee share option reserve is transferred to retained earnings upon the forfeiture of the share option scheme.

#### (c) *Employee leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they are accrued to the employees. The undiscounted liability for leave expected to be settled after the end of the reporting period is recognised for services rendered by employees up to the end of the reporting period.

### 2.17 *Discontinued operations*

Disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. A component of the Group is classified as a 'discontinued operation' when the criteria to be classified as held for sale have been met or it has been disposed of and such a component represents a separate major line of business or geographical area of operations or is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations.

## 2. Summary of significant accounting policies (cont'd)

### 2.18 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payments and excluding discounts, rebates, and sales taxes or duty.

#### (a) Sales of goods and services

Sales of goods and services comprise all income and proceeds from sales resulting from the operations of the marina and all facilities therein and are recognised as and when goods and services are provided. Revenue arising from chartering of vessels is accounted for on a straight-line basis over the contracted charter periods.

#### (b) Membership related fees and management fees

Membership related fees comprises all income relating to the club membership.

##### Subscription fee

Subscription fee is recognised on a straight-line basis over the period of the subscription.

##### Entrance fee

Entrance fee is recognised when the member is elected into full membership.

##### Transfer fee

Transfer fee is recognised upon transfer of membership.

##### Management fee

Management fee is recognised as and when services are provided.

### 2.19 Taxes

#### (a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

## 2. Summary of significant accounting policies (cont'd)

### 2.19 Taxes (cont'd)

#### (b) *Deferred tax*

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- where the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

### 2.19 Taxes (cont'd)

#### (c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of sales tax included.

### 2.20 Share capital and share issuance expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

### 2.21 Leases

#### As lessee

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term.

### 2.22 Contingencies

A contingent liability is:

- a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- a present obligation that arises from past events but is not recognised because:
  - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

### 2.23 Related parties

A related party is defined as follows:

- (a) a person or a close member of that person's family is related to the Group and the Company if that person:
  - (i) has control or joint control over the Company;
  - (ii) has significant influence over the Company; or
  - (iii) is a member of the key management personnel of the Group or Company.
  
- (b) An entity is related to the Group and the Company if any of the following conditions applies:
  - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
  - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
  - (iii) both entities are joint ventures of the same third party;
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
  - (vi) the entity is controlled or jointly controlled by a person identified in (a); and
  - (vii) a person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

## 3. Significant accounting judgements and estimates

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

### 3.1 Judgements made in applying accounting policies

Management is of the opinion that there are no critical judgements (other than those involving estimates) that have a significant effect on the amounts recognised in the financial statements.

### 3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### *Impairment of trade and other receivables*

The Group assesses at each reporting date whether there is objective evidence that trade and other receivables have been impaired. Impairment loss is calculated based on a review of the current status of existing receivables and historical collections experience. Such allowances are adjusted periodically to reflect the actual and past experience. The carrying amount of the Group's loans and receivables at the end of the reporting period is disclosed in Note 15 to the financial statements.

## 3. Significant accounting judgements and estimates (cont'd)

### 3.2 Key sources of estimation uncertainty (cont'd)

#### *Carrying amount of property, plant and equipment*

The Group assesses the carrying value of property, plant and equipment on an annual basis. This requires an estimation of the value in use of the cash generating unit. Estimating the value in use requires the Group to make an estimate of the expected future cash flows and also to choose a suitable discount rate in order to calculate the present value of those cash flows. The key assumptions applied in the determination of the value in use, are disclosed and further explained in Note 12 to the financial statements.

The carrying amount of the Group's property, plant and equipment at the end of the reporting period is disclosed in Note 12 to the financial statements.

## 4. Revenue

Revenue represents sales of goods and provision of services in the normal course of business.

### Share Option Scheme

Under the Share Option Scheme 2011 ("SOS 2011"), the Company may grant options to employees of the Group and directors of the Company. The options granted are exercisable after the expiration of the first and second anniversaries of the date the options are granted. There are no cash settlement alternatives. These options do not entitle the holder to participate, by virtue of the options, in any share issue of any other corporation.

The SOS 2011 is effective from 29 April 2011 for a maximum period of 10 years.

No options were granted in the financial year ended 31 December 2016 and 2015. There were no options outstanding at 31 December 2016 and 31 December 2015.

## 9. Discontinued operations

On 8 January 2016, the Company entered into a sale and purchase agreement (“SPA”) with SCE Enterprise Pte. Ltd., (“SCE”) and Serial System Ltd (“Serial”), pursuant to which the Company has agreed to sell to SCE an aggregate of 20,400,000 ordinary shares in the share capital of Achieva Technology Pte Ltd (“ATPL”) (the “Sale Shares”). The Sale Shares represent 51% of the entire issued and paid-up capital of ATPL. As at 31 December 2015, the assets and liabilities relating to ATPL have been presented in the balance sheet as “Assets of disposal group classified as discontinued operations” and “Liabilities of disposal group classified as discontinued operations”, and its results are presented separately on profit or loss as “Loss from discontinued operations, net of tax”.

On 27 January 2016, the Company completed the disposal of its 51% of equity interest in ATPL for a cash consideration of \$2,386,800.

### Balance sheet disclosures

## 9. Discontinued operations (cont'd)

### Income statement disclosures

The results of discontinued operations for the year ended 31 December 2015 are as follows:

	<b>Group 2015</b> \$'000
Revenue	42,294
Expenses	(45,365)
Loss from operations	(3,071)
Finance costs	(93)
Loss recognised on remeasurement of fair value less costs to sell	(352)
Loss from discontinued operations, net of tax	<u>(3,516)</u>

### Cash flow statement disclosures

The cash flows attributable to discontinued operations are as follows:

	<b>Group 2015</b> \$'000
Operating	(6,194)
Investing	(49)
Financing	5,474
Net cash outflows	<u>(769)</u>

### Loss per share disclosures

	<b>Group 2015</b>
Loss per share from discontinued operations attributable to owners of the Company	
Basic (cents)	<u>3.04</u>
Diluted (cents)	<u>3.04</u>

During the financial year ended 31 December 2015, the basic and diluted loss per share from discontinued operations is calculated by dividing the loss from discontinued operations, net of tax, attributable to owners of the Company amounting to \$1,966,000 by the weighted average number of 64,663,000 ordinary shares, after taking into account the effect of share consolidation.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 10. Earnings per share

### *Continuing operations*

Basic earnings per share is calculated by dividing the profit from continuing operations, net of tax, attributable to owners of the Company by the weighted average number of ordinary shares during the financial year, after taking into account the effect of share consolidation.

Diluted earnings per share from continuing operations is calculated by dividing profit from continuing operations, net of tax, attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

The following table reflects the profit and share data used in the computation of basic and diluted earnings per share for the years ended 31 December 2016 and 2015:

	<b>Group</b>	
	<b>2016</b>	<b>2015</b>
Profit for the year attributable to owners of the Company (\$'000)	3,854	1,617
Add back: Loss from discontinued operations, net of tax, attributable to the owners of the Company (\$'000)	–	1,966
Profit from continuing operations, net of tax, attributable to owners of the Company used in the computation of basic and diluted earnings per share (\$'000)	3,854	3,583
Weighted average number of ordinary shares for basic and diluted earnings per share computation ('000)	86,461	64,663
Basic and diluted earnings per share (cents)	4.46	5.54

The diluted earnings per share are the same as the basic earnings per share as the Company does not have any dilutive potential ordinary shares for the financial years ended 31 December 2016 and 31 December 2015.

## 12. Property, plant and equipment (cont'd)

### Appropriateness of the carrying amount of property, plant and equipment

The recoverable amount of property, plant and equipment has been determined based on a value in use calculation using the cash flow projections from financial budgets approved by management. The pre-tax discount rate applied to the cash flow projections and the forecasted long term growth rates used to extrapolate cash flow projections was 11.5% and 1% respectively.

### Key assumptions used in the value in use calculations:

The calculations of value in use are most sensitive to the following assumptions:

Budgeted gross margins – Gross margins are based on past performance and expectation of market developments.

Growth rates – The forecasted growth rates are based on forecast included in industry reports and do not exceed the long-term average growth rate for the industries relevant to the Group.

Pre-tax discount rates – Discount rates represent the current market assessment of the risks specific to the Group.

The estimated recoverable value of property, plant and equipment closely approximates the carrying amount of property, plant and equipment as at 31 December 2016.

### The Group

The share capital of the Group as at 1 January 2015 refers to the combined paid-up capital of the SUTL Group. The equity structure of the Group was determined by adding the issued equity of SUTL Group immediately before the reverse acquisition to the fair value of Achieva Group.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 20. Share capital (cont'd)

### The Company

Pursuant to the reverse acquisition, the Company acquired the entire equity interest in MD and LY for \$17,415,000 during the financial year ended 31 December 2015. The purchase consideration was satisfied via the issue of 341,463,414 new shares of the Company. The fair value of the issued equity of the Company just before the acquisition amounted to \$26,680,000.

Subsequently, the resultant share capital of 864,606,110 ordinary shares was consolidated into 86,460,602 ordinary shares. Consequently, the share capital of the Company as at 31 December 2015 comprised 86,460,602 ordinary shares amounting to \$40,810,000.

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restriction. The ordinary shares have no par value.

## 21. Other reserves

### (a) *Share-based compensation reserve*

Share-based compensation reserve represents equity-settled share options granted to employees. The reserve is made up of cumulative fair value of services received from employees and is recorded over the vesting period commencing from the grant date of equity-settled share options. During the year ended 31 December 2015, the share-based compensation reserve was transferred to retained earnings as all options granted under SOS 2011 scheme have been forfeited.

### (b) *Foreign currency translation reserve*

The foreign currency translation reserve is used to record exchange differences arising from the translation of financial statements of operations whose functional currencies are different from that of the Group's presentation currency.

During the year, the foreign currency translation reserve was realised upon disposal of a subsidiary.

## 22. Contingent liabilities and commitments

### *Service commitments*

The Group has entered into commercial contracts for the provision of services. These contracts have an average tenure of between one and five years with renewal options included in the contracts. There are no restrictions placed upon the Group by entering into these commercial contracts. Minimum payments recognised as an expense in profit or loss for the financial year ended 31 December 2016 amounted to \$2,338,000 (2015: \$2,872,000).

Future minimum payments payable under non-cancellable commercial contracts at the end of reporting period are as follows:

	Group	
	2016	2015
	\$'000	\$'000
Not later than one year	1,348	1,629
Later than one year but not later than five years	677	405

<b><i>Proposed but not recognised as a liability as at 31 December:</i></b>		
Final one-tier tax exempt dividend for 2016: \$0.02 (2015: \$Nil) per share	1,729	–

Prior to the reverse acquisition, SUTL Marina Development Pte. Ltd. declared a one-tier tax exempt interim dividend of \$0.05 per ordinary share, totalling \$1,000,000 in respect of the financial year ended 31 December 2015 to the then-existing sole shareholder, SUTL Leisure Pte. Ltd.

## 25. Fair value of assets and liabilities

The Group does not have assets or liabilities that are measured at fair value on a recurring or non-recurring basis in the balance sheet after initial recognition. The carrying amounts of financial assets and liabilities are a reasonable approximation of their fair values due to their short-term nature.

## 26. Financial risk management objectives and policies

The Group is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk and foreign currency risk. The board of directors reviews and agrees policies and procedures for the management of these risks, which are executed by the management. It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Group's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 26. Financial risk management objectives and policies (cont'd)

### (a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables and amounts due from related companies. For other financial assets (including cash and cash equivalents), the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Group has put in place internal mechanisms to monitor the granting of credit and management of credit exposures which ensure that the sales of products and services are made to creditworthy members and customers.

#### *Exposure to credit risk*

At the end of the reporting period, the Group's and the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in balance sheets.

#### *Credit risk concentration*

The Group has no significant concentration of credit risk with any single member.

#### *Financial assets that are neither past due nor impaired*

Trade and other receivables that are neither past due nor impaired are with creditworthy debtors with good payment record with the Group. Cash and cash equivalents that are neither past due nor impaired are placed with reputable financial institutions.

#### *Financial assets that are either past due or impaired*

Other financial assets that are either past due or impaired are disclosed in Note 15 (Trade and other receivables).

### (b) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group and the Company monitor their liquidity risks and maintain a level of cash and cash equivalents deemed adequate by management to finance the Group's and the Company's operations and to mitigate the effects of fluctuations in cash flows.

All the financial liabilities of the Group and the Company are due within a year and approximate the contractual undiscounted repayment obligations of the Group and the Company.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

## 26. Financial risk management objectives and policies (cont'd)

### (c) Foreign currency risk

The Group and the Company has transactional currency exposures primarily United States Dollar ("USD") arising from sales or purchases that are denominated in currencies other than the respective functional currencies of Group entities.

The Group and the Company also hold cash and cash equivalents denominated in USD.

#### *Sensitivity analysis for foreign currency risk*

The following table demonstrates the sensitivity of the Group's profit before tax to a reasonably possible change in the USD exchange rates against the respective functional currency of the Group, with all other variables held constant.

	Group Increase/(decrease) Profit before tax	
	2016	2015
	\$'000	\$'000
USD/SGD - strengthened 10% (2015: 10%)	404	311
- weakened 10% (2015:10%)	(404)	(311)

## 27. Capital management

The primary objective of the Group's capital management is to ensure that it maintains sufficient cash in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2016 and 31 December 2015.

The Group monitors capital using a gearing ratio, which is net debt divided by the sum of capital and net debt. Net debt includes trade and other payables, other liabilities less cash and cash equivalents. Capital refers to equity attributable to owners of the Company.

As at 31 December 2016 and 31 December 2015, there is no gearing ratio as the Group is in a net cash position.

# NOTES TO THE FINANCIAL STATEMENTS

## BY ORDER OF THE BOARD

Adrian Chan Pengee  
Company Secretary  
13 April 2017

## NOTES:

1. (a) A member of the Company who is not a relevant intermediary entitled to attend and vote at the above Meeting may appoint not more than two (2) proxies to attend and vote in his stead. Where a member appoints two (2) proxies, he shall specify the proportion of his shareholdings to be represented by each proxy.
- (b) A member of the Company who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend and vote at the above Meeting, but each proxy must be appointed to exercise the rights attached to a different Share or Shares held by such member (which number and class of Shares shall be specified). In such an event, such member shall submit a list of its proxies together with the information required in this proxy form to the Company.

“Relevant Intermediary” means:

- (I) a banking corporation licensed under the Banking Act of Singapore (Cap. 19) or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity;
- (II) a person holding a capital markets services license to provide custodial services for securities under the Securities and Futures Act of Singapore (Cap. 289), and who holds shares in that capacity; or
- (III) the Central Provident Fund Board established by the Central Provident Fund Act of Singapore (Cap. 36), in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.
2. A proxy need not be a member of the Company.
3. The instrument appointing a proxy must be deposited at the registered office of the Company not less than forty-eight (48) hours before the time appointed for holding the Meeting.
4. If the member is a corporation, the instrument appointing the proxy must be under seal or the hand of an officer or attorney duly authorised.
5. The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified on this instrument appointing a proxy or proxies. In addition, in the case of members whose shares are deposited with The Central Depository (Pte) Limited (“CDP”), the Company may reject any instrument appointing a proxy or proxies lodged if such members are not shown to have shares entered against their names in the Depository Register seventy-two (72) hours before the time appointed for holding the meeting as certified by CDP to the Company.

## EXPLANATORY NOTES:

### Resolution 3

Resolution 3 above is to seek approval for the payment of S\$258,000 as Directors’ Fees to the Independent Directors as well as the other Directors on the board for the financial year ended 31 December 2016. The Directors’ Fees for the financial year ended 31 December 2015 was S\$258,000 for the Independent Directors as well as the other Directors on the board.

### Resolution 4

Mr. Tay Teng Hock, if re-elected, will remain a Non-Executive Director of the Company. Please refer to page 10 of the Company’s Annual Report for the financial year ended 31 December 2016 for more information.

## Resolution 5

Mr. Ng Teck Sim Colin, Non-Executive Director and Independent Director, if re-elected, will also remain as Chairman of the Nominating Committee and member of the Audit Committee and the Remuneration Committee. Please refer to page 11 of the Company's Annual Report for the financial year ended 31 December 2016 for more information.

## Resolution 7

Resolution 7 above, if passed, empowers the Directors, from the date of the above Meeting until the next Annual General Meeting, to allot and issue shares and convertible securities of the Company, without seeking any further approval from Shareholders in general meeting but within the limitation imposed by the Resolution.

The authority for the Enhanced Rights Issue Limit is proposed pursuant to Practice Note 8.3 of the Listing Manual. In accordance with Rule 107 of the Listing Manual, the SGX-ST has modified the requirement under Rule 806(2) of the Listing Manual to provisionally raise the renounceable rights issue limit from 50% to 100% subject to the conditions set out in paragraph 3 of Practice Note 8.3 of the Listing Manual. The Enhanced Rights Issue Limit will take effect from 13 March 2017 until 31 December 2018 by which date the shares issued pursuant to the Enhanced Rights Issue Limit must be listed.

The adoption of the Enhanced Rights Issue Limit, if approved, will allow the Company to take advantage of the Enhanced Rights Issue Limit. The Board of Directors is of the view that the Enhanced Rights Issue Limit is in the interests of the Company and its shareholders as the adoption of the Enhanced Rights Issue Limit would provide the Company with the flexibility to utilise this limit in the event that the Company wishes to undertake a rights issue.

## Resolution 8

Resolution 8 above, if passed, empowers the Directors to offer and grant options and to issue shares in connection with the Option Scheme. This authority will, unless previously revoked or varied at a general meeting, expire at the conclusion of the next Annual General Meeting of the Company or the expiration of the period within which the next Annual General Meeting is required by law to be held, whichever is earlier. This authority is in addition to the general authority to issue shares sought under Resolution 7.

## Resolution 9

Resolution 9 above, if passed, empowers the Directors of the Company to make purchases (whether by way of market purchases or off-market purchases on an equal access scheme) from time to time of up to ten per cent. (10%) of the total number of issued ordinary shares in the capital of the Company (excluding any ordinary shares held as treasury shares) as at the date of the last annual general meeting or the date of the Resolution, whichever is the higher, unless the Company has effected a reduction of the share capital of the Company in which event the issued ordinary shares of the Company shall be taken to be the number of the issued ordinary shares of the Company as altered (excluding any ordinary shares held as treasury shares), at a price up to but not exceeding the Maximum Price (as defined in the Addendum) (the "Share Purchase Mandate").

Please refer to the Addendum for the rationale for the Share Purchase Mandate, the source of funds to be used for the Share Purchase Mandate (including the amount of financing), the impact of the Share Purchase Mandate on the Company's financial position, the implications arising as a result of the Share Purchase Mandate under the Singapore Code on Take-overs and Mergers and on the listing of the Company's Shares on the SGX-ST, the number of Shares purchased by the Company in the previous twelve (12) months, as well as whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

## Resolution 10

Resolution 10, if passed, will renew the IPT Mandate first given by the Shareholders at the Company's Extraordinary General Meeting held on 29 April 2011 to allow the Company, and its subsidiaries and associated companies or any of them to enter into Interested Person Transactions (details of which are set out in the Addendum).

The Company's Audit Committee has confirmed (pursuant to Rule 920(1) of the Listing Manual of the SGX-ST) that the methods or review procedures set out in the Addendum for determining the transaction prices in respect of the interested person transactions have not changed since the Shareholders' approval at the previous Annual General Meeting held on 28 April 2016.

## Personal data privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.
