Contracts Wins in Americas region

Singapore, 27 April 2015 – CSE Global Limited (“CSE” or the “Group”), a provider of system integrated solutions to the oil and gas (O&G) industry, announced today that its Americas region has secured new contracts worth US\$33.8 million (approximately S\$45.3 million) in the first quarter of 2015 (“1Q 2015”). These new orders involve projects ranging from instrumentation and electrical design, fabrication and construction, engineering and integration of subsea control systems and equipments, chemical injection control systems, flow measurement and control systems, as well as the provision of customised enterprise systems.

Mr Lim Boon Kheng, Group Managing Director of CSE, said, “We are encouraged by the Q1 order intake in the Americas region. These projects are expected to contribute positively to CSE’s financial performance for the financial years in 2015 and beyond.”

For the current financial year, these contracts are not expected to have any material impact on the consolidated net tangible assets per share or earnings per share of the Group. None of the directors or substantial shareholders of CSE has any interest, direct or indirect, in the contracts.
