The Best Chief Executive Officer award involves a rigorous three-stage screening process, recognising CEOs with outstanding leadership who have led their organisation to scale new heights while also achieving excellence in corporate governance. The Best Risk Management award recognises companies with effective risk management practices and framework to support strategic direction in generating long term value for its stakeholders, while the Best Annual Report award entails a two-stage screening process that evaluates the quality and presentation of information presented in the annual report. Clinching Silver for the Best Risk Management and Best Annual Report in SCA 2023, this marks CSE Global's second consecutive year of wins at the SCA and recognises CSE Global's progress towards excellent corporate governance and exemplary leadership.

The SCA is organised by the Institute of Singapore Chartered Accountants (ISCA), Singapore Institute of Directors (SID) and The Business Times (BT), supported by Accounting and Corporate Regulatory Authority (ACRA) and Singapore Exchange (SGX). The purpose of SCA is to recognise and honour SGX-listed companies as well as individuals who, through their corporate practices, have helped to raise Singapore's corporate disclosure standards and

corporate governance.
